PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 28, 2003

The enclosed proxy is being solicited by the Board of Trustees (the "Board") of Vornado Realty Trust, a Maryland real estate investment trust (the "Company"), for use at the Annual Meeting of Shareholders of the Company to be held on Wednesday, May 28, 2003 beginning at 12:30 P.M., local time, at the Marriott Hotel, Interstate 80 and the Garden State Parkway, Saddle Brook, New Jersey 07663 (the "Annual Meeting"). A shareholder may authorize their proxy electronically or telephonically or by executing and returning the enclosed proxy card. A proxy authorized through the Internet or by telephone may be revoked by executing a later dated proxy card, by subsequently authorizing a proxy through the Internet or by telephone or by attending the Annual Meeting and voting in person. Attending the Annual Meeting will not automatically revoke your prior Internet or telephone authorization of your proxy. Only the last vote of a shareholder will be counted. The cost of soliciting proxies will be borne by the Company. MacKenzie Partners, Inc. has been engaged by the Company to solicit proxies, at a fee not to exceed \$5,000. In addition to solicitation by mail, by telephone and by Internet, arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to their principals and the Company may reimburse them for their expenses in so doing.

Only shareholders of record at the close of business on April 17, 2003 are entitled to notice of and to vote at the Annual Meeting. There were on such date 111,523,485 common shares of beneficial interest, par value \$.04 per share (the "Shares"), of the Company outstanding, each entitled to one vote at the Annual Meeting.

The holders of a majority of the outstanding Shares at the close of business on April 17, 2003, present in person or by proxy and entitled to vote, will constitute a quorum for the transaction of business at the Annual Meeting.

The principal executive office of the Company is located at 888 Seventh Avenue, New York, New York 10019. The accompanying Notice of the Annual Meeting of Shareholders, this Proxy Statement and the enclosed proxy will be mailed on or about May 5, 2003 to the Company's shareholders of record as of the close of business on April 17, 2003.

ELECTION OF TRUSTEES

TRUSTEES STANDING FOR ELECTION

The Company's Board has nine members. The Company's Amended and Restated Declaration of Trust, as amended and supplemented, provides that the trustees of the Company are divided into three classes, as nearly equal in number as reasonably possible, as determined by the Board. One class of trustees is elected at each Annual Meeting of Shareholders to hold office for a term of three years and until their successors have been duly elected and qualified.

Unless otherwise directed in the proxy, each of the persons named in the enclosed proxy, or his substitute, will vote such proxy for the election of the three nominees listed below as trustees for a three-year term and until their respective successors are duly elected and qualified. If any nominee at the time of election is unavailable to serve, a contingency not presently anticipated, it is intended that each of the persons named in the proxy, or his substitute, will vote for an alternate nominee who will be designated by the Board. Proxies may be voted only for the nominees named or such alternates.

Under the Company's Amended and Restated Bylaws (the "Bylaws"), the affirmative vote of a plurality of all the votes cast at the Annual Meeting, assuming a quorum is present, is sufficient to elect a trustee. Under Maryland law, proxies marked "withhold authority" will be counted for the purpose of determining the presence of a quorum but such proxies will not be counted as votes cast in the election of trustees and thus will have no effect on the result of the vote.

If you would like to attend the Annual Meeting, you will need to bring an account statement or other acceptable evidence of ownership of your Shares as of the close of business on April 17, 2003, the record date for voting. If you hold shares in "street name" (i.e., through a bank, broker or other nominee), you will receive instructions from your nominee which you must follow in order to have your proxy authorized. If you hold Shares in "street name" and wish to vote at the Annual Meeting, you will need to contact your nominee and obtain a proxy from that person and bring it to the Annual Meeting.

THE BOARD OF TRUSTEES RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" APPROVAL OF THE ELECTION OF THE NOMINEES LISTED BELOW TO SERVE AS TRUSTEES UNTIL THE ANNUAL MEETING IN 2006.

The following table sets forth the nominees (all of whom are presently members of the Board) and the other present members of the Board. With respect to each such person, the table sets forth the age, principal occupation, position presently held with the Company, and the year in which the person first became a trustee of the Company or a director of its predecessor, Vornado, Inc.

Mr. Roth has been Chairman of the Board and Chief Executive Officer of the Company since May 1989 and Chairman of the Executive Committee of the Board since April 1988. Since 1968, he has been a general partner of Interstate (an owner of shopping centers and an investor in securities and partnerships) and, more recently, he has been Managing General Partner. In March 1995, he became Chief Executive Officer of Alexander's, Inc. ("Alexander's") (a real estate investment trust). Mr. Roth is the Chairman of the Board of Directors and Chief Executive Officer of Vornado Operating Company ("Vornado Operating") (an investor in operating businesses). Mr. Roth is also a director of Alexander's and Capital Trust, Inc. (a real estate lender).

Mr. Fascitelli has been the President and a trustee of the Company since December 1996. From December 1992 to December 1996, Mr. Fascitelli was a partner at Goldman Sachs & Co., (an investment banking firm) in charge of its real estate practice and was a vice president prior to 1992. He is also a director and the President of Alexander's and a director and the President of Vornado Operating.

Mr. Wight has been a general partner of Interstate since 1968. Mr. Wight is also a director of Alexander's and Vornado Operating.

Mr. Mandelbaum has been a member of the law firm of Mandelbaum & Mandelbaum, P.C. since 1967. Since 1968, he has been a general partner of Interstate. Mr. Mandelbaum is also a director of Alexander's.

Mr. West is Dean Emeritus of the Leonard N. Stern School of Business at New York University. He was a professor there from September 1984 until September 1995 and Dean from September 1984 until August 1993. Prior thereto, Mr. West was Dean of the Amos Tuck School of Business Administration at Dartmouth College. Mr. West is also a director of Vornado Operating, Alexander's,

Bowne & Co., Inc. (a commercial printing company) and 23 investment companies managed by Merrill Lynch Investment Managers.

Mr. Kogod was appointed a trustee of the Company on January 1, 2002, the date Charles E. Smith Commercial Realty L.P. merged into a subsidiary of the Company. Previously, Mr. Kogod was Co-Chief Executive Officer and Co-Chairman of the Board of Directors of Charles E. Smith Commercial Realty L.P. from October 1997 through December 2001. Mr. Kogod is also a trustee of Archstone-Smith Trust (a real estate investment trust).

Mr. Simon has been the owner of Stanley Simon and Associates (a management and financial consulting firm) since 1958.

Mr. Targan has been the President of Malt Products Corporation of New Jersey (a producer of malt syrup) since 1962. From 1964 until July 2002, Mr. Targan was a member of the law firm of Schechner and Targan, P.A.

Mr. Smith was appointed a trustee of the Company and the Chairman of the Charles E. Smith Commercial Realty Division of the Company on January 1, 2002, the date Charles E. Smith Commercial Realty L.P. merged into a subsidiary of the Company. Previously, Mr. Smith was Co-Chief Executive Officer and Co-Chairman of the Board of Directors of Charles E. Smith Commercial Realty L.P. from October 1997 until December 2001. Mr. Smith is also a trustee of Archstone-Smith Trust.

The Company is not aware of any family relationships among any trustees or executive officers of the Company or persons nominated or chosen by the Company to become trustees or executive officers except for Mr. Smith and Mr. Kogod who are brothers-in-law. Messrs. Roth, Wight and Mandelbaum are affiliated with each other as general partners of Interstate and through other businesses.

In connection with the January 1, 2002 merger of Charles E. Smith Commercial Realty L.P. into a subsidiary of the Company, Mr. Roth, Mr. Fascitelli and Interstate, who collectively beneficially own, as of April 17, 2003, 12,959,406 Shares representing 11.6% of the outstanding Shares, entered into an agreement with Mr. Smith, Mr. Kogod and Charles E. Smith Commercial Realty L.L.C. pursuant to which they are obligated to vote all Shares which they own (or over which they exercise voting control) in favor of the election of Mr. Smith and Mr. Kogod (or their permitted designees) to the Board until the earlier to occur of (i) January 1, 2008 or (ii) the date on which, under the terms of the merger agreement for the above merger, none of Mr. Smith, Mr. Kogod or their respective designees is entitled to be nominated for election to the Board. Under the terms of the merger agreement, upon the death of Mr. Smith, the Smith family will no longer have the right to designate a nominee for election to the Board and upon the death of Mr. Kogod, the Kogod family will no longer have the right to designate a nominee for election to the Board. In the event of the deaths of both Mr. Smith and Mr. Kogod, the Smith and Kogod families will have the right, jointly, to appoint one designee approved by the Company to complete any unexpired term and to be nominated for election as a trustee for the remaining six-year period that Mr. Smith and Mr. Kogod would have been entitled to be nominated for election to the Board. Furthermore, if the members of the Smith family or the Kogod family and their permitted transferees beneficially own less than 75% in number of the Vornado Realty L.P. Class A Units issued to such family in the merger, the Company will no longer be obligated to provide Mr. Smith or Mr. Kogod, respectively, or their designees, the rights described above. Upon the termination of such rights, the obligations of Mr. Roth, Mr. Fascitelli and Interstate under the voting agreement shall terminate.

CORPORATE GOVERNANCE

Since January 1962, the Company has been continuously listed on the New York Stock Exchange ("NYSE") and is subject to the NYSE's Corporate Governance Standards. As further described below, the Board has appointed an Audit Committee comprised solely of independent trustees and meets other standards required for listed companies. The Board also has appointed a Compensation Committee composed solely of independent trustees. The Board has been closely monitoring the rapidly changing corporate governance environment in order to continue its rigorous adherence to the requirements of Congress, the Securities and Exchange Commission ("SEC") and the NYSE. Although not yet required by the SEC's rules, the Company has begun posting on its website the filings under Section 16(a) of the Securities Exchange Act of 1934 of its trustees and executive officers. Shareholders should check the Company's website later in 2003 for updates and copies of committee charters, codes of ethics and governance guidelines.

COMMITTEES OF THE BOARD OF TRUSTEES

The Board has an Executive Committee, an Audit Committee and a Compensation Committee. The Board anticipates establishing a Nominating and Corporate Governance Committee in 2003.

The Board held eleven meetings during 2002. Each trustee attended at least 75% of the combined total of meetings of the Board and all committees on which he served during 2002.

Executive Committee

The Executive Committee possesses and may exercise certain powers of the Board in the management of the business and affairs of the Company, except those reserved to the Board under Maryland law. The Executive Committee consists of five members, Messrs. Roth, Fascitelli, Simon, Smith, and Wight. Mr. Roth is the Chairman of the Executive Committee. The Executive Committee did not meet in 2002.

Audit Committee

The Board has adopted a written Audit Committee Charter, which sets forth the membership requirements of the Audit Committee, amongst other matters. As required by the Audit Committee Charter, all Audit Committee members meet the NYSE standards for independence and financial literacy. In addition, at all times at least one member of the Audit Committee meets the NYSE standards for financial management expertise. The written Audit Committee Charter was attached as Annex A to the Company's Proxy Statement for its 2001 Annual Meeting of Shareholders. A revised Audit Committee Charter will be available on the Company's website in 2003.

The purposes of the Audit Committee are to assist the Board: (i) in its oversight of the Company's accounting and financial reporting principles and policies and internal controls and procedures; (ii) in its oversight of the Company's financial statements and the independent audit thereof; (iii) in selecting, evaluating and, where deemed appropriate, replacing the outside auditors; and (iv) in evaluating the independence of the outside auditors. The function of the Audit Committee is oversight. The management of the Company is responsible for the preparation, presentation and integrity of the Company's consolidated financial statements and for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The

outside auditors are responsible for planning and carrying out a proper audit and reviews, including reviews of the Company's quarterly consolidated financial statements prior to the filing of each Quarterly Report on Form 10-Q, and other procedures. The Audit Committee, which held six meetings during 2002, consists of three members, Messrs. West, Simon and Targan. Mr. West is the Chairman of the Audit Committee.

Compensation Committee

The Compensation Committee is responsible for establishing the terms of the compensation of the executive officers and the granting of awards under the Company's 2002 Omnibus Share Plan. The Committee, which held three meetings during 2002, consists of two members, Mr. Simon and Mr. West. Mr. Simon is the Chairman of the Compensation Committee. Both members of the Compensation Committee are independent. A Compensation Committee Charter will be available on the Company's website in 2003.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board, composed of the undersigned independent trustees, is responsible for establishing the terms of the compensation of the Company's executive officers and the granting of awards under the Company's 2002 Omnibus Share Plan.

The Compensation Committee seeks to attract, motivate and retain the Company's executive officers, including the Chief Executive Officer, through competitive compensation arrangements that provide strong financial incentives for the executive officers to maximize shareholder value. The Compensation Committee reviews executive compensation annually to ensure that the arrangements remain competitive and reflect the Company's performance. Certain of the Company's executive officers have employment agreements that provide for a minimum base salary and other compensation arrangements. See "Employment Contracts" below for a summary of the terms of certain of these agreements. Employment agreements are reviewed and approved by the Compensation Committee prior to their execution. The Chief Executive Officer does not have an employment agreement with the Company.

Compensation generally has three primary components: base salary, incentive bonus and long-term equity compensation.

Base Salaries

Base salaries for executive officers, including the Chief Executive Officer, are based on (i) the responsibilities of the position, (ii) the individual's performance and perceived ability to influence the Company's financial performance in the short and long-term and (iii) an evaluation of salaries for similar positions in companies of similar size, complexity and businesses as the Company.

Incentive Bonuses

Incentive bonuses are structured to further motivate executive officers, including the Chief Executive Officer, by establishing a relationship between the bonuses and the performance of the Company and the executive officer. Bonuses are typically determined based on (i) specific objective measures of the Company's performance such as funds from operations and total shareholder return, (ii) specific objective measures of the individual's performance such as the ability to meet established financial budgets and (iii) subjective measures of performance such as positioning the Company for short and long-term growth through acquisitions, development and leasing activities.

Long-term Equity Compensation

The Compensation Committee believes that the interests of the Company's shareholders and executive officers, including the Chief Executive Officer, will be aligned if executive officers are given the opportunity to own the Company's Shares through substantial option and restricted share awards that are granted on a fixed share basis without adjusting the number of shares granted to offset changes in the Company's stock price. The Compensation Committee bases these awards on the same criteria used to determine base salary. These awards are a significant part of executive officer compensation packages and are granted annually.

Chief Executive Officer's Compensation

Mr. Roth's base salary of \$1,000,000 was established in March 2001. His previous base salaries of \$650,000 and \$625,000 were established in January 2000 and November 1991, respectively. The Compensation Committee believes that Mr. Roth's base salary is consistent with the base salaries of other chief executive officers of companies of similar size and complexity.

Mr. Roth's incentive bonus for 2002 was \$800,000. He also received 37,500 restricted shares in January 2003. The incentive bonus amount and restricted share award were based on an evaluation of those factors previously described and were set by the Compensation Committee. Mr. Roth's total compensation in 2002 was \$3,170,000. This compares to total compensation in 2001 of \$5,426,000 (valuing stock options granted at the fair value the Company disclosed in its Form 10-K for the year ended December 31, 2002 of \$3.06 per share). The 40% reduction in cash compensation in 2002 from 2001 is responsive to general economic conditions rather than diminished responsibilities or an evaluation that Mr. Roth's compensation was more than his peers.

Policy Regarding Section 162(m)

Section 162(m) of the Internal Revenue Code, which was adopted in 1993, provides that, in general, publicly traded companies may not deduct, in any taxable year, compensation in excess of \$1,000,000 paid to the company's chief executive officer and four other most highly compensated executive officers as of the end of any fiscal year which is not "performance based", as defined in Section 162(m). The Compensation Committee believes that it is in the best interests of the Company and its shareholders to comply with the limitations of Section 162(m) of the Code to the extent practicable and consistent with retaining, attracting and motivating the Company's executive officers. Accordingly, to maintain flexibility in compensating executive officers in a manner designed to promote the goals of the Company and its shareholders, the Compensation Committee has not adopted a policy that all executive compensation must be deductible. The deferred payments made to Mr. Fascitelli pursuant to his employment agreements and certain other compensation to the Company's Chief Executive Officer and four other most highly compensated executive officers do not meet the requirements of Section 162(m) and will thus be subject to the \$1,000,000 limitation when paid.

(1) Unless otherwise indicated, each person is the direct owner of, and has sole voting power and sole investment power with respect to, such Shares and Units. Numbers and percentages in

the table are based on 111,523,485 Shares and 26,167,672 Units (other than Units held by the Company) outstanding as of April 17, 2003.

- (2) In April 1997, the Company transferred substantially all of its assets to the Operating Partnership. As a result, the Company now conducts its business through, and substantially all of its interests in properties are held by, the Operating Partnership. The Company is the sole general partner of, and owned approximately 81% of the common limited partnership interest in, the Operating Partnership as of April 17, 2003. At any time after one year from the date of issuance (or two years in the case of certain holders), holders of Class A units of limited partnership interest (other than the Company) have the right to have their Class A units redeemed in whole or in part by the Operating Partnership for cash equal to the fair market value, at the time of redemption, of one Share for each Class A unit redeemed or, at the option of the Company, one Share for each Class A unit tendered, subject to customary anti-dilution provisions (the "Unit Redemption Right"). Holders of Class A units may be able to sell publicly Shares received upon the exercise of their Unit Redemption Right pursuant to registration rights agreements with the Company. The Company has filed registration statements with the SEC to register certain of the Shares issuable upon the exercise of the Unit Redemption Right.
- (3) The total number of Shares outstanding used in calculating this percentage assumes that all Shares that each person has the right to acquire within 60 days pursuant to the exercise of options or upon the redemption of Units or Series A preferred shares of beneficial interest for Shares are deemed to be outstanding, but are not deemed to be outstanding for the purpose of computing the ownership percentage of any other person.
- (4) The total number of Shares and Units outstanding used in calculating this percentage assumes that all Shares and Units that each person has the right to acquire within 60 days pursuant to the exercise of options or upon the redemption of Series A preferred shares of beneficial interest for Shares are deemed to be outstanding, but are not deemed to be outstanding for the purpose of computing the ownership percentage of any other person.
- (5) Interstate, a partnership of which Messrs. Roth, Wight and Mandelbaum are the three general partners, owns 8,943,000 Shares. These Shares are included in the total Shares and the percentage of class for each of them and for Interstate. Messrs. Roth, Wight and Mandelbaum share voting power and investment power with respect to these Shares.
- (6) Includes 77,800 Shares owned by the Daryl and Steven Roth Foundation, over which Mr. Roth holds sole voting power and sole investment power. Does not include 36,000 Shares owned by Mr. Roth's wife, as to which Mr. Roth disclaims any beneficial interest.
- (7) The number of Shares beneficially owned by the following persons includes the number of Shares indicated due to the vesting of options: Steven Roth -- 4,255,000; Michael D. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our trustees and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership of, and transactions in, certain classes of our equity securities with the SEC. Such trustees, executive officers and 10% shareholders are also required to furnish us with copies of all Section 16(a) reports they file. During 2002, the Company began posting copies of the Section 16(a) filings of its trustees and executive officers on its website at www.vno.com.

Based on a review of the Forms 3, 4 and 5, and any amendments thereto, furnished to us, and on written representations from certain reporting persons, we believe that the only filing deficiencies under Section 16(a) by our trustees, executive officers and 10% shareholders were late filings by (a) Melvyn Blum, an executive officer (one report covering two transactions); (b) Michelle Felman, an executive officer (one report covering two transactions); (c) David R. Greenbaum, an executive officer (one report covering one transaction); (d) Joseph Hakim, a former executive officer (two reports covering three transactions); (e) Christopher Kennedy, an executive officer (his initial filing and four reports covering four transactions); (f) Paul F. Larner, an executive officer (his initial filing); (g) Wendy Silverstein, an executive officer (her initial filing); and (h) Richard West, a trustee (one report covering one transaction).

 (1) Represents one-time awards that were granted pursuant to the Park Laurel Joint Venture's incentive compensation plan. The Park Laurel Joint Venture, of which the Company owns a 69% interest through a wholly-owned taxable REIT subsidiary, was formed in 1997 to develop and sell residential condominiums at a property in Manhattan. In its 2001 consolidated financial statements, the Company recorded a pre-tax gain of \$22,736,000 which is after a charge of \$5,779,000 (\$3,953,000 after tax benefit) for awards paid under the joint venture's incentive compensation plan to fifteen employees of the Company including those noted above.

(2) Represents the forgiveness by the Company of one-fifth of the loan amount (together with interest) due from Mr. Macnow. The loan was issued in connection with Mr. Macnow's option exercises in prior years. The Company agreed that each January 1 (commencing January 1, 1997) it would forgive one-fifth of the amount due from Mr. Macnow, provided he remained an employee of the Company. Mr. Macnow's Other Annual Compensation for 2000 reflects the loan forgiveness on January 1, 2001 which was the final installment of the loan forgiven.

(3) Dividends are paid on both the vested and unvested portion of these restricted share or deferred stock unit awards, except for Mr. Blum's award of 148,148 deferred stock units, as further described in this note. On January 28, 2003, the Covered Executives were awarded the following numbers of restricted shares for the 2002 compensation year: Steven Roth -- 37,500; Michael D. Fascitelli -- 30,000; David R. Greenbaum -- 7,500; Melvyn Blum -- 7,500; and Joseph Macnow -- 6,000. The restricted shares vest ratably over five years with 20% of the restricted shares becoming vested on each anniversary of the award date. In 2002, Mr. Fascitelli was also awarded 626,566 convertible units (see note 6 below), all of which were vested as of December 31, 2002. In 2000, Mr. Blum was awarded 148,148 deferred stock units, of which 88,889 have vested and for which Mr. Blum received cash in settlement of the vested award in 2003 (see note 8

which provided retirement benefits to full-time employees of the Company. Benefits under the plan vested upon the completion of five years of service for all eligible employees. However, employees do not earn any

additional benefits after December 31, 1997. In addition, no new participants are eligible to enter the frozen plan. Annual retirement benefits are equal to 1% of the participant's base salary for each year of service. However, the portion of retirement benefits payable for service prior to plan participation is equal to 1% of the participant's base salary as of December 31 of the year before the participant began to participate in the plan for each year of the participant's past service.

The amounts shown below are the estimated annual benefits (payable in the form of a life annuity) for each of the Covered Executives who is a participant in the plan payable upon normal retirement at age 65. The estimated annual benefit payable at age 65 to Mr. Roth is \$45,000; and to Mr. Macnow, \$29,000.

EMPLOYMENT CONTRACTS

Michael D. Fascitelli

Mr. Fascitelli had a five-year employment agreement which commenced on December 2, 1996 pursuant to which he served as President of the Company. The employment agreement had an initial term of five years and provided that, commencing on December 1, 2000, and on each December 1 thereafter, the employment term would automatically be extended for one additional year unless either the Company or Mr. Fascitelli gave written notice not to extend the agreement three months before such date. The employment agreement provided for an annual base salary of not less than \$600,000. In January 2000, Mr. Fascitelli's base salary was increased to \$625,000 and in March 2001, it was increased to \$1,000,000. In addition to his annual salary, at the commencement of Mr. Fascitelli's 1996 employment agreement, Mr. Fascitelli received a deferred payment (the "Deferred Payment") consisting of \$5,000,000 in cash (which has been invested in marketable securities at the direction of Mr. Fascitelli) and a \$20,000,000 convertible obligation payable in 919,540 Shares which are being held in an irrevocable trust for the benefit of Mr. Fascitelli. The Deferred Payment obligation to Mr. Fascitelli vested on December 2, 1997 and was scheduled to convert into Shares on November 30, 2001. The conversion date was extended to November 30, 2004. In addition, Mr. Fascitelli's 1996 employment agreement provided that he may borrow up to \$10,000,000 from the Company during the term of his employment at the applicable federal rate. As of December 31, 2002, the outstanding principal amount of loans by the Company to Mr. Fascitelli was \$8,600,000. The loans, which were scheduled to mature in 2003, have been extended to 2006 in connection with the extension of Mr. Fascitelli's employment agreement, as discussed below. In January 2003, Mr. Fascitelli was granted 30,000 restricted shares of the Company for the 2002 compensation year that vest over a five-year period.

Effective January 1, 2002, the Company extended the employment agreement with Mr. Fascitelli for a five-year period through December 31, 2006. The 2002 employment agreement provides that, commencing on January 1, 2006, and on each January 1 thereafter, the employment term will automatically be extended for one additional year unless either the Company or Mr. Fascitelli gives written notice not to extend the agreement three months before such date. The 2002 employment agreement provides for an annual base salary of not less than \$1,000,000. In addition to his annual salary, he will be entitled to a deferred payment consisting of 626,566 convertible units on December 31, 2006, with each unit representing one Share. Accordingly, 626,566 Shares are being held in an irrevocable trust for the benefit of Mr. Fascitelli. The 626,566 Shares vested on December 31, 2002. Mr. Fascitelli may also borrow up to \$20,000,000 from the Company during the term of his 2002 employment agreement reduced by the amount of his outstanding loans under his

1996 employment agreement, which was \$8,600,000. The loans will bear interest at the applicable federal rate and will mature on the fifth anniversary of the date each loan is made. Payment of the additional loans and the outstanding \$8,600,000 may be accelerated by the Company to the extent that the aggregate principal amount of such loans exceeds 50% of the sum of (i) the value of the 919,540 Shares payable to Mr. Fascitelli under the 1996 employment agreement and the 626,566 Shares payable to him under the 2002 employment agreement, and (ii) the amount by which the value of the Shares subject to options granted to Mr. Fascitelli by the Company exceeds the aggregate exercise price of such options. In accordance with the terms of his employment agreement, Mr. Fascitelli has also been given the use of a Company automobile.

The 2002 employment agreement also provides (as did the 1996 agreement) that if his employment is terminated by the Company without cause or by him for good reason (as defined in the agreement to include, among other things, a change in his responsibilities, change in control of the Company, relocation of the Company's principal executive offices or the failure of the Company to comply with the terms of the agreement), (i) payment of his base salary shall continue for three years, offset in the second and third years for compensation received or deferred for services to any other employer, (ii) payment of the 919,540 and 626,566 vested Shares payable to him shall be made and (iii) benefits to him and his family shall continue for three years. The agreement further provides that if his employment is terminated by him without good reason or by the Company for cause (as defined in the agreement to include conviction of, or plea of guilty or nolo contendere to, a felony, failure to perform his duties or willful misconduct) payment of salary will cease but payment of the 919,540 and 626,566 Shares payable to him shall nonetheless be made.

David R. Greenbaum

Mr. Greenbaum has an employment agreement which commenced on April 15, 1997 pursuant to which he serves as President of the New York Office Division of the Company. The employment agreement provides that, commencing on April 30, 2000, and on each April 30 thereafter, the employment term shall automatically be extended for one additional year unless either the Company or Mr. Greenbaum gives written notice not to extend the agreement 90 days before such date. The employment agreement provides that Mr. Greenbaum's base salary shall not be reduced during the term of the agreement. In January 2003, Mr. Greenbaum's annual base salary was increased to \$540,000. Mr. Greenbaum's employment agreement provides that he will be entitled to participate at a level commensurate with his position in any equity and/or incentive compensation with respect to senior executives of the Company. In January 2003, Mr. Greenbaum was granted 7,500 restricted shares of the Company for the 2002 compensation year that vest over a five-year period. Mr. Greenbaum may also receive loans of up to \$10,000,000 from the Company during the term of the employment agreement at the applicable federal rate and secured by all of his Units. There were no loans outstanding during 2002. In accordance with the terms of his employment agreement, he has also been given the use of a Company automobile.

The agreement also provides that if Mr. Greenbaum's employment is terminated by the Company without cause or by him for good reason (as defined in the agreement to include, among other things, a change in his responsibilities, change in control of the Company, relocation of the New York Office Division's principal executive offices or the failure of the Company to comply with the terms of the agreement), Mr. Greenbaum will receive (a) a lump sum payment of three times the sum of (i) his annual base compensation and (ii) the average of the annual bonuses earned by

him in the two fiscal years ending immediately prior to his termination and (b) continued provision of benefits to him and his family for three years. The agreement further provides that if his employment is terminated by him without good reason or by the Company for cause (as defined in the agreement to include conviction of, or plea of guilty or nolo contendere to, a felony, failure to perform his duties or willful misconduct) payment of salary will cease.

Melvyn Blum

Mr. Blum has an employment agreement which commenced on January 24, 2000 pursuant to which he serves as Executive Vice President -- Development Division of the Company. The employment agreement provides that, commencing on January 24, 2004, and on each January 24 thereafter, the employment term shall automatically be extended for one additional year unless either the Company or Mr. Blum gives written notice not to extend the agreement three months before such date. The employment agreement provides for an annual base salary of not less than \$500,000. In January 2003, Mr. Blum's annual base salary was increased to \$535,000. Mr. Blum's employment agreement provides that the Company shall grant Mr. Blum options to purchase 100,000 Shares during each of the years of his period of employment at a purchase price per Share equal to the fair market value of the Shares on the dates the options are granted. On February 13, 2003, Mr. Blum's employment agreement was amended to eliminate this requirement. However, Mr. Blum became eligible for grants of options and restricted shares on the same basis as other executive officers of comparable seniority. In January 2003, Mr. Blum was granted 7,500 restricted shares of the Company for the 2002 compensation year that vest over a five-year period. Mr. Blum may also receive loans of up to \$2,000,000 from the Company during his period of employment at the applicable federal rate. As of December 31, 2002, there were no outstanding loans from the Company. In accordance with the terms of his employment agreement, he has also been given the use of a Company automobile.

In connection with Mr. Blum's employment agreement, the Company awarded Mr. Blum 148,148 deferred stock units pursuant to a deferred stock agreement dated as of December 29, 2000. Under this agreement, Mr. Blum's deferred stock units vest over a five-year period and he is entitled to dividend equivalent payments with regard to each vested unit. In addition, the agreement requires the Company to provide an effective registration statement covering any Shares paid to Mr. Blum. Pursuant to an amendment to this agreement dated as of February 13, 2003, the Company agreed to pay Mr. Blum an amount in cash equal to the market value of 88,889 Shares in respect of the deferred units that had vested under his agreement as of such date. The amendment also provides that Mr. Blum will receive one Share in respect of each remaining deferred stock unit on the vesting date of such unit, subject to deferral at the election of Mr. Blum in accordance with the terms of the deferred stock agreement.

Mr. Blum's employment agreement also provides that if his employment is terminated by the Company without cause or by him for good reason (as defined in the agreement to include, among other things, a change in his responsibilities, change in control of the Company, relocation of the Company's principal executive offices or the failure of the Company to comply with the terms of the agreement), Mr. Blum will immediately vest in any stock options and restricted shares granted to him by the Board. If such termination occurs on or after January 24, 2004, Mr. Blum will receive (a) a lump sum payment of three times the sum of (i) his annual base compensation and (ii) the average of the annual bonuses earned by him in the two fiscal years ending immediately prior to his

termination and (b) continued provision of benefits to him and his family for three years. The agreement further provides that if his employment is terminated by him without good reason or by the Company for cause (as defined in the agreement to include conviction of, or plea of guilty or nolo contendere to, a felony, failure to perform his duties or willful misconduct) payment of salary will cease.

Joseph Macnow

Mr. Macnow has an employment agreement pursuant to which he serves as Executive Vice President -- Finance and Administration and Chief Financial Officer. The employment agreement provides that, commencing on December 31, 2003, and on each December 31 thereafter, the employment term shall automatically be extended for one additional year unless either the Company or Mr. Macnow gives written notice not to extend the agreement 90 days before such date. The employment agreement provides for an annual base salary of not less than \$520,000, subject to increases by a factor equal to 125% of the percentage increase in the prior year's consumer price index. In January 2003, Mr. Macnow's annual base salary was increased to \$535,000. Mr. Macnow's employment agreement provides that the Company will grant Mr. Macnow options to purchase 75,000 Shares during each of the years of his period of employment at a purchase price equal to the fair market value of the Shares on the dates the options are granted, at the discretion of the Compensation Committee of the Board. On January 1, 2001, Mr. Macnow's employment agreement was amended to provide that the Company will grant him 75,000 options in those years that the Company also grants options to its Executive Vice Presidents. In January 2003, Mr. Macnow was granted 6,000 restricted shares of the Company for the 2002 compensation year that vest over a five-year period. In accordance with the terms of his employment agreement, he has also been given the use of a Company automobile.

The agreement also provides that if Mr. Macnow's employment is terminated by the Company without cause or by him for good reason (as defined in the agreement to include, among other things, a change in his responsibilities, change in control of the Company, relocation of the Company's principal executive offices or the failure of the Company to comply with the terms of the agreement), he will receive: (a) a lump sum payment of three times the sum of (i) his annual base compensation plus (ii) the average of the annual bonuses earned by him in the two fiscal years ending immediately prior to his termination; (b) immediate vesting in any stock options granted to him by the Board; and (c) continued provision of benefits to him and his family for three years. The agreement further provides that if Mr. Macnow's employment is terminated by him without good reason or by the Company for cause (as defined in the agreement to include conviction of, or plea of guilty or nolo contendere to, a felony, failure to perform his duties or willful misconduct) payment of salary will cease.

Wight, Mandelbaum, Targan and Kogod at a rate of \$25,000 per year plus \$750 for each Board or Committee meeting attended. The Company compensated Mr. Simon and Mr. West at a rate of \$50,000 per year plus \$750 for each Board or Committee meeting attended. Messrs. Roth, Fascitelli and Smith received no compensation for their serving as trustees. Effective

with the Board meeting scheduled for May 28, 2003, the annual retainers will be increased to the following amounts: Mr. West -- \$100,000; Mr. Simon and Mr. Targan -- \$75,000 each; and Messrs. West, Simon, and Targan's annual retainers are reflective of their chairmanship of or membership on the Audit Committee.

The Compensation Committee, consisting of Messrs. Simon and West, grants awards under the Company's 2002 Omnibus Share Plan and makes all other executive compensation determinations. Messrs. Roth, Fascitelli and Smith are the only officers or employees of the Company who are also members of the Board. There are no interlocking relationships involving the Company's Board which require disclosure under the executive compensation rules of the SEC.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions Involving Vornado Operating

In October 1998, Vornado Operating was spun off from the Company in order to own assets and conduct activities that, in order to maintain its REIT status, the Company could not itself own and conduct. The Company and Vornado Operating are parties to certain other agreements described below.

The Company granted Vornado Operating a \$75,000,000 unsecured credit facility (the "Revolving Credit Agreement") which expires on December 31, 2004. Borrowings under the Revolving Credit Agreement bear interest at LIBOR plus 3% (4.38% at December 31, 2002). The Company receives a commitment fee equal to 1% per annum on the average daily unused portion of the facility. No amortization is required to be paid under the Revolving Credit Agreement during this term. The Revolving Credit Agreement prohibits Vornado Operating from incurring indebtedness to third parties (other than certain purchase money debt and certain other exceptions) and prohibits Vornado Operating from paying dividends. Since January 2002 the Company has not recognized interest income on the debt under this facility. Accordingly, the balance owed as at April 17, 2003 of \$23,804,000 is \$1,815,000 greater than the Company's carrying value. The largest outstanding balance under the Revolving Credit Agreement during the last fiscal year was \$31,489,000.

The Company and Vornado Operating are parties to an agreement (the "Vornado Agreement") pursuant to which, among other things, (a) the Company will under certain circumstances offer Vornado Operating an opportunity to become the lessee of certain real property owned now or in the future by the Company (under mutually satisfactory lease terms) and (b) Vornado Operating will not make any real estate investment or other REIT-qualified investment unless it first offers the Company the opportunity to make such investment and the Company has rejected that opportunity.

Under the Vornado Agreement, the Company provides Vornado Operating with certain administrative, corporate, accounting, financial, insurance, legal, tax, data processing, human resources and operational services. Also, the Company makes available to Vornado Operating at the Company's offices, space for Vornado Operating's principal corporate office. For these services, Vornado Operating compensates the Company in an amount determined in good faith by the Company as the amount an unaffiliated third party would charge Vornado Operating for comparable services and reimburses the Company for certain costs incurred and paid to third parties on behalf of Vornado Operating. For such services, Vornado Operating paid \$330,000 for the year ended December 31, 2002.

Vornado Operating and the Company each have the right to terminate the Vornado Agreement if the other party is in material default of the Agreement or upon 90 days written notice to the other party at any time after December 31, 2003. In addition, the Company has the right to terminate the Vornado Agreement upon a change in control of Vornado Operating.

Messrs. Roth, Fascitelli, West and Wight are directors of Vornado Operating. Mr. Roth is the Chairman of the Board and Chief Executive Officer of the Company and of Vornado Operating, Mr. Fascitelli is the President of the Company and of Vornado Operating and certain other members of the Company's senior management hold corresponding positions with Vornado Operating.

Interstate and its three partners -- Steven Roth, (Chairman of the Board and Chief Executive Officer of the Company and Vornado Operating), David Mandelbaum (a trustee of the Company)

and Russell B. Wight, Jr. (a trustee of the Company and a director of Vornado Operating) -- beneficially owned, in the aggregate, a 9.9% limited partnership interest in Vornado Operating L.P., the limited partnership through which Vornado Operating holds its assets and conducts its business, and 7.9% of the common stock of Vornado Operating as of December 31, 2002.

On March 11, 1999, the Vornado Crescent Portland Partnership (the "Landlord"), a general partnership 60% owned by the Company and 40% owned by Crescent Real Estate Equities Company ("Crescent"), sold all of the non-real estate assets of its companies encompassing the operations of the temperature controlled logistics business for approximately \$48,723,000 to AmeriCold Logistics, a joint venture 60% owned by Vornado Operating and 40% owned by Crescent Operating, Inc. AmeriCold Logistics leases the underlying temperature controlled logistics warehouses used in this business from the Landlord which continues to own the real estate through its ownership of AmeriCold Realty Trust. The leases, as amended, generally have 15-year terms with two five-year renewal options and provide for the payment of fixed base rent and percentage rent based on revenues AmeriCold Logistics receives from its customers. In accordance with the leases, AmeriCold Logistics deferred payments of \$32,248,000 of 2002 rent due to the Landlord, of which the Company's share is \$19,349,000. Based on the Landlord's policy of recognizing rental income when earned and collection is assured or cash is received, the Landlord did not recognize this rent in the year ended December 31, 2002. At December 31, 2002, the Company's share of the Landlord's total deferred rent receivable from the tenant is \$24,350,000. On March 7, 2003, AmeriCold Logistics and the Landlord extended the deferred rent period to December 31, 2004 from December 31, 2003.

On December 31, 2002, the Company and Crescent formed a joint venture to acquire the Carthage, Missouri and Kansas City, Kansas quarries from AmeriCold Logistics for \$20,000,000 in cash, the appraised value. The Company contributed cash of \$8,800,000 to the joint venture representing its 44% interest. AmeriCold Logistics used the proceeds from the sale to repay a portion of a loan to Vornado Operating. Vornado Operating then repaid \$9,500,000 of the amount outstanding under the Revolving Credit Agreement. Additionally, AmeriCold Logistics entered into a management agreement with the joint venture to manage and operate the quarries for an annual management fee of approximately \$200,000 plus all direct expenses incurred as operator of the quarries. The agreement is for a term of one year and automatically renews for additional one-year periods unless terminated by either party. On December 31, 2002, the joint venture purchased \$5,720,000 of trade receivables from AmeriCold Logistics at a 2% discount, of which the Company's share was \$2,464,000. These trade receivables have been collected. On March 28, 2003, the joint venture purchased \$6,640,000 of trade receivables from AmeriCold Logistics at a 2% discount, of which the Company's share was \$3,180,000. Although the terms and conditions of the purchases were not negotiated at arm's length, the Company believes that the terms and conditions were fair to the Company.

The Company is the day-to-day liaison to the management of AmeriCold Logistics. AmeriCold Logistics pays the Company an annual management fee of \$487,000, which is based on the non-real estate assets sold to AmeriCold Logistics on March 11, 1999. The fee increases by an amount equal to 1% of the cost of new acquisitions, including transaction costs. AmeriCold Logistics provides financial statement preparation, tax and similar services to the Landlord for an annual fee of \$273,000 in 2002 increasing 2% each year.

Transactions Involving Interstate and Alexander's

As of December 31, 2002, Interstate and its three general partners -- Steven Roth (Chief Executive Officer of the Company and Alexander's and Chairman of the Board of the Company), David Mandelbaum (a trustee of the Company and director of Alexander's) and Russell B. Wight, Jr. (a trustee of the Company and director of Alexander's) -- owned approximately 12.9% of the Shares of the Company and 27.5% of Alexander's common stock.

The Company manages and leases the real estate assets of Interstate pursuant to a management agreement for which the Company receives an annual fee equal to 4% of base rent and percentage rent and certain other commissions. The management agreement has a term of one year and is automatically renewable unless terminated by either of the parties on 60 days notice at the end of the term. Although the management agreement was not negotiated at arm's length, the Company believes, based upon comparable fees charged by other real estate companies, that its terms are fair to the Company. For the year ended December 31, 2002, \$1,450,000 of management fees were earned by the Company pursuant to the management agreement.

The Company owns 33.1% of the outstanding common stock of Alexander's. At April 17, 2003, the Company had loans receivable from Alexander's of \$119,000,000 (the largest outstanding balance of the loans during the last fiscal year), including \$24,000,000 drawn under a \$50,000,000 line of credit granted to Alexander's on August 1, 2000. The maturity date of the loan and the line of credit is the earlier of January 3, 2006 or the date the Alexander's Lexington Avenue construction loan is repaid. The interest rate on the loan and line of credit, which resets quarterly using the same spread to treasuries as presently exists with a 3% floor for treasuries, is 12.48% at December 31, 2002. Interest on these loans (including a 1% unused commitment fee) during 2002 was \$15,547,000.

On July 3, 2002, Alexander's finalized a \$490,000,000 loan to finance the construction of its approximately 1,300,000 square foot multi-use building at its 59th Street and Lexington Avenue location. The estimated construction costs in excess of the construction loan of approximately \$140,000,000 will be provided by Alexander's. The loan has an interest rate of LIBOR plus 2.5% (3.94% at December 31, 2002) and a term of forty-two months subject to two one-year extensions. As of December 31, 2002, Alexander's had received funding of \$55,500,000 under the loan of which \$25,000,000 was used to repay existing loans and notes payable. Pursuant to the loan, the Company has agreed to guarantee, among other things, the lien free, timely completion of the construction of the project and funding of project costs in excess of a stated budget, if not funded by Alexander's (the "Completion Guarantee"). The \$6,300,000 estimated fee payable by Alexander's to the Company for the Completion Guarantee is 1% of construction costs (as defined) and is payable at the same time that the development fee is payable. In addition, if the Company should advance funds under the Completion Guarantee in excess of the \$26,000,000 currently available under the secured line of credit, interest on those advances is at 15% per annum.

Alexander's is managed by and its properties are leased by the Company, pursuant to agreements with one-year terms expiring in March of each year which are automatically renewable. The annual management fee payable to the Company by Alexander's is equal to the sum of (i) \$3,000,000, (ii) 3% of the gross income from the Kings Plaza Mall, and (iii) 6% of development costs with minimum guaranteed fees of \$750,000 per annum. The leasing agreement provides for the Company to generally receive a fee of (i) 3% of sales proceeds and (ii) 3% of lease rent for the

first ten years of a lease term, 2% of lease rent for the eleventh through the twentieth years of a lease term and 1% of lease rent for the twenty-first through thirtieth years of a lease term, subject to the payment of rents by Alexander's tenants. Such amount is receivable annually in an amount not to exceed \$2,500,000 until the present value of such installments (calculated at a discount rate of 9% per annum) equals the amount that would have been paid at the time the transactions which gave rise to the commissions occurred. At December 31, 2002, \$8,131,000 is due to the Company under these agreements. Fees during 2002 under these agreements and the Completion Guarantee (described above) were \$17,427,000 which includes \$350,000 earned as a commission from Alexander's sale of its Third Avenue property located in the Bronx, New York.

The Company constructed a \$16.3 million community facility and low-income residential housing development (the "30th Street Venture"), in order to receive 163,728 square feet of transferable development rights, generally referred to as "air rights". The Company donated the building to a charitable organization. The Company sold 106,796 square feet of these air rights to third parties at an average price of \$120 per square foot. An additional 28,821 square feet of air rights was sold to Alexander's at a price of \$120 per square foot for use at Alexander's Lexington Avenue project. In each case, the Company received cash in exchange for air rights. The Company identified third party buyers for the remaining 28,111 square feet of air rights related to the 30th Street Venture. These third party buyers wanted to use the air rights for the development of two projects located in the general area of 86th Street which was not within the required geographical radius of the construction site nor in the same Community Board as the low-income housing and community facility project. The 30th Street Venture asked Alexander's to sell 28,111 square feet of air rights it already owned to the third party buyers (who could use them) and the 30th Street Venture would replace them with 28,111 square feet of air rights. In October 2002, the Company sold 28,111 square feet of air rights to Alexander's for an aggregated purchase price of \$3,059,000 (an average of \$109 per square foot). Alexander's then sold an equal amount of air rights to the third party buyers for an aggregate purchase price of \$3,339,000 (an average of \$119 per square foot). Although the terms and conditions of the transactions with Alexander's were not negotiated at arm's length, the Company believes based upon comparable transactions with third parties that the terms and conditions were fair to the Company.

Certain Other Transactions

On July 1, 2002, the Company acquired a 360,000 square foot office building from a limited partnership, which is approximately 50% owned by Mr. Smith and Mr. Kogod, and members of their families, in exchange for approximately 325,700 newly issued Operating Partnership Units (valued at \$13,679,000) and the assumption of \$58,500,000 of debt. The purchase price was based on the terms the limited partnership had previously negotiated with the building's mortgage lender for the liquidation of the lender's purchase option. The Company assumed the position of the lender prior to the acquisition and refinanced the debt concurrently with the closing of the acquisition. The building is located in the Crystal City complex in Arlington, Virginia where the Company already owned 24 office buildings containing over 6.9 million square feet, which it acquired on January 1, 2002, in connection with the Company's acquisition of Charles E. Smith Commercial Realty L.P.

On January 1, 2003, the Company acquired Building Maintenance Service Company ("BMS"), a company which provides cleaning and related services primarily to the Company's Manhattan office properties, for \$13,000,000 in cash from the estate of Bernard Mendik, formerly Co-Chairman

of the Board, and certain other individuals, including Mr. Greenbaum. The Company paid BMS \$53,024,000 for the year ended December 31, 2002 for services rendered to the Company's Manhattan office properties, a portion of which is expected to be reimbursed to the Company by its tenants. Although the terms and conditions of the acquisition of BMS were not negotiated at arm's length, the Company believes that the terms and conditions were fair to the Company.

At April 17, 2003, the secured loan due from Mr. Roth arising from his 1992 stock option exercises was \$13,123,000 (the largest outstanding balance during the last fiscal year) bearing interest at 4.49% per annum (based on the applicable federal rate), collateralized by assets with a value of not less than two times the loan amount and maturing in January 2006. On May 29, 2002, Mr. Roth replaced Company stock securing the loan with options to purchase Company stock and/or other liquid assets. Mr. Roth also has the right to draw up to \$15,000,000 of additional secured loans on a revolving basis. Each additional loan will bear interest at the applicable federal rate and will mature on the sixth anniversary of the loan.

At April 17, 2003, loans due from Mr. Fascitelli, in accordance with his employment agreement, aggregated \$8,600,000 (the largest outstanding balance during the last fiscal year). The loans mature in 2006 and bear interest, payable quarterly, at a rate of 3.97% (based on the applicable federal rate). Payment of the loans may be accelerated by the Company to the extent that the aggregate principal amount of the loans exceeds 50% of the sum of (i) the value of the 1,546,106 Shares payable to Mr. Fascitelli under his employment agreements, and (ii) the amount by which the value of the Shares subject to options granted to Mr. Fascitelli by the Company exceeds the aggregate exercise price of such options.

Pursuant to the Company's annual compensation review in February 2002 with Mr. Macnow, the Compensation Committee approved a \$2,000,000 loan (the outstanding balance as of April 17, 2003 and the largest outstanding balance during the last fiscal year) to Mr. Macnow, bearing interest at the applicable federal rate of 4.65% per annum and due January 1, 2006. The loan, which was funded on July 23, 2002, was made in conjunction with Mr. Macnow's June 2002 exercise of options to purchase 225,000 Shares. The loan is collateralized by assets with a value of not less than two times the loan amount.

Mr. Blum had borrowed \$1,000,000 from the Company in accordance with his employment agreement. The loan bore interest, payable quarterly, at a rate of 6.61% per annum (based on the applicable federal rate) and was repaid during 2002.

Sandeep Mathrani, an executive officer of the Company, has a loan outstanding pursuant to his employment agreement totaling \$1,500,000 at April 17, 2003 (the largest outstanding balance of the loan during the last fiscal year). The loan matures in April 2005 and bears interest at the applicable federal rate (4.5% at December 31, 2002).

Ronald Targan was a member of Schechner and Targan, P.A. until July 2002. During the period from January 1, 2002 to July 31, 2002, the Company paid \$79,000 for legal services to Schechner and Targan, P.A.

The Company owns convertible preferred securities in Capital Trust, Inc. totaling \$29,212,000 at December 31, 2002. Mr. Roth is the designated Vornado Realty Trust member of the Board of Directors of Capital Trust, Inc.

The Company had an agreement with Archstone-Smith Trust under which the Company engaged a subsidiary of Archstone-Smith Trust on an exclusive basis to perform tenant and capital improvements below a certain dollar amount in buildings owned by the Company. This agreement was entered into by Charles E. Smith Commercial Realty L.P. and Smith Residential Realty (later merged into Archstone-Smith Trust) at a time when Mr. Smith and Mr. Kogod were in control of both entities and prior to the Company's acquisition of Charles E. Smith Commercial Realty L.P. This agreement was not negotiated at arm's length. In December 2002, the Company paid \$2,000,000 to terminate this agreement. In addition, the Company leases office space to Archstone-Smith Trust, and these two companies have entered into an agreement to share the costs of certain office-related services. Mr. Smith and Mr. Kogod are trustees and shareholders of Archstone-Smith Trust.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee's purpose is to assist the Board in its oversight of the Company's internal controls and financial statements and the audit process. The Board, in its business judgment, has determined that all members of the Audit Committee are "independent", as required by applicable listing standards of the NYSE, as currently in effect. The Audit Committee operates pursuant to an Audit Committee Charter that was adopted by the Board on May 31, 2000; a copy of the current Audit Committee Charter was attached to the Company's Proxy Statement for the 2001 Annual Meeting of Shareholders.

Management is responsible for the preparation, presentation and integrity of the Company's consolidated financial statements, accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors, Deloitte & Touche LLP, are responsible for performing an independent audit of the consolidated financial statements in accordance with auditing standards generally accepted in the United States of America.

In performing its oversight role, the Audit Committee has considered and discussed the audited consolidated financial statements with management and the independent auditors. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect. The Audit Committee has also considered whether the provision of non-audit services provided by the independent auditors is compatible with maintaining the auditors' independence and has discussed with the independent auditors the auditors' independence.

Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to below and in the Audit Committee Charter, the Audit Committee recommended to the Board of Trustees that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2002.

Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's consolidated financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America, that the consolidated financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that Deloitte & Touche LLP is in fact "independent".
