Vornado Realty Trust Announces New \$300 Million Share Repurchase Program

New York City | April 29, 2026

Vornado Realty Trust (NYSE:VNO) announced today that its Board of Trustees has authorized the repurchase of up to \$300 million of its outstanding common shares under a new share repurchase program.

Under Vornado's existing \$200 million share repurchase program, Vornado has repurchased 6,929,439 of its common shares at an average price of \$25.80 per share and has approximately \$21 million of remaining capacity under that prior program.

Share repurchases may be made from time to time in the open market, through privately negotiated transactions or through other means as permitted by federal securities laws, including through block trades, accelerated share repurchase transactions and/or trading plans intended to qualify under Rule 10b5-1. The timing, manner, price and amount of any repurchases will be determined in Vornado's discretion depending on business, economic and market conditions, corporate and regulatory requirements, prevailing prices for Vornado's common shares, alternative uses for capital and other considerations. The program does not have an expiration date and may be suspended or discontinued at any time and does not obligate Vornado to make any repurchases of its common shares.

Vornado Realty Trust is a fully-integrated equity real estate investment trust.
