Company Overview

Vornado is a fully integrated real estate investment trust (“REIT”) with a collection of premier assets and a focused strategy of maintaining its dominant positions in New York City office and retail. While concentrated in New York, Vornado also has premier assets in Chicago and San Francisco, and maintains a 32.4% interest in Alexander’s, Inc. (“Alexander’s”) (NYSE: ALX), which owns six properties in the greater New York metropolitan area. Vornado is a real estate industry leader in sustainability, with over 27 million square feet of LEED (Leadership in Energy and Environmental Design) certified buildings, representing approximately 95% of our office portfolio, with over 23 million square feet at LEED Gold or Platinum. In 2022, we (i) were selected as a global “Sector Leader” for Diversified Office/Retail REITs in the Global Real Estate Sustainability Benchmark (“GRESB”), ranking first in the United States amongst peers and ranking third among 112 responding listed companies within the Americas, and received the “Green Star” distinction for the tenth consecutive year and GRESB’s five star rating, (ii) received the Leader in the Light Award by the National Association for Real Estate Investment Trusts (NAREIT) for diversified REITs for the twelfth time, and (iii) were recognized as an EPA ENERGY STAR Partner of the Year with the distinction of having demonstrated eight years of sustained excellence.

We prioritize addressing climate change and in 2019 adopted a 10-year plan to make our buildings carbon neutral by 2030 (“Vision 2030”). Vision 2030 is a multi-faceted approach that prioritizes energy efficiency, demand management, and renewable power. We rely on technology, as well as meaningful stakeholder collaboration with our tenants, our employees, and our communities, to achieve this plan. Our commitment to carbon neutrality and associated emissions reduction targets have been approved by the Science Based Targets Initiative as consistent with a 1.5°C climate scenario, the most ambitious goal of the Paris Agreement.

Our business objective is to maximize shareholder value. We intend to achieve this objective by continuing to pursue our investment philosophy and to execute our operating strategies through:

- Maintaining a superior team of operating and investment professionals and an entrepreneurial spirit.
- Investing in properties in select markets, such as New York City, where we believe there is a high likelihood of capital appreciation.
- Acquiring quality properties at a discount to replacement cost and where there is a significant potential for higher rents.
- Developing and redeveloping properties to increase returns and maximize value.
- Investing in operating companies that have a significant real estate component.

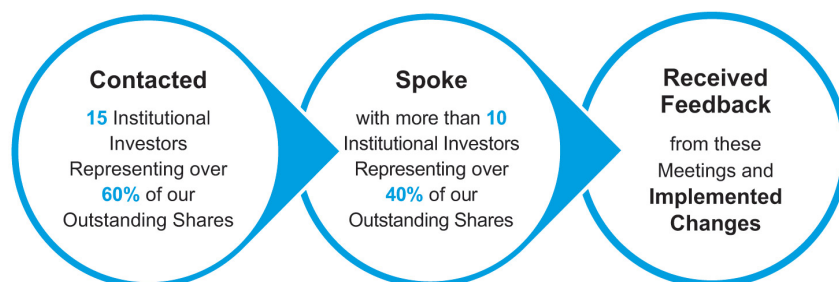

2022 Business Highlights

During 2022, we made significant progress executing on our goals and positioning Vornado for future growth, accomplishing the following strategic initiatives:

- We continued the redevelopment of the PENN District, positioning our Company to capitalize on the enormous opportunity we have on the West Side of Manhattan, including:
 - Neared completion of the redevelopment of PENN 1 (2.5 million square feet) and opened the 33rd Street lobby.
 - Topped out the new Bustle and made significant construction progress at PENN 2 (1.8 million square feet as expanded), on top of Penn Station, New York’s main transportation hub—the largest rail hub in North America.
 - Continued leasing retail space at the newly expanded Long Island Rail Road Concourse.
 - Progressed with the demolition of Hotel Pennsylvania, with plans to develop a premier office tower on the site.
- Company-wide, we leased over 1.5 million square feet in 2022.
- Refinanced over \$1 billion of mortgage loans in 2022 and extended the terms of our \$1.25 billion unsecured revolving credit facility and our \$800 million unsecured term loan.
- Hedged our floating rate interest rate exposure by entering into \$2.0 billion of interest rate swap arrangements and extending a \$500 million interest rate swap arrangement.
- Sold several non-core office and retail properties for an aggregate sales price of approximately \$380 million.

Shareholder Engagement and Feedback

At our 2022 Annual Meeting of Shareholders, our say-on-pay proposal received the support of the holders of over 70% of our common shares of beneficial interest, \$0.04 par value per share (the "Shares"), that voted on the proposal. While we were pleased that over two-thirds of our shareholders who voted on the say-on-pay proposal voted in favor of the proposal, our goal is to increase the percentage of our shareholders voting in favor of our say-on-pay proposal and accordingly we engaged in an extensive shareholder outreach program. Since our 2022 Annual Meeting, we reached out to shareholders representing more than 60% of our outstanding Shares (as of December 31, 2022) and spoke with shareholders representing more than 40% of our outstanding Shares. Our Lead Independent Trustee participated in conversations with several of our largest shareholders.

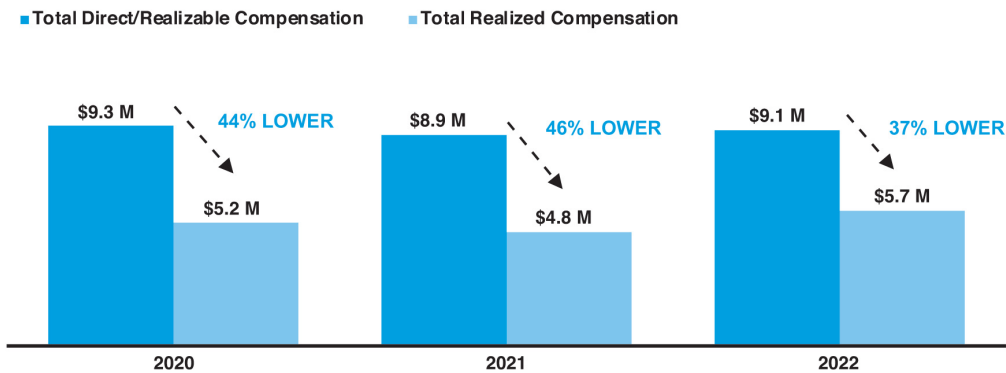

In addition to our ESG-focused engagements and discussions in the ordinary course of business, we engaged directly with our investors in various forums including at the Citi 2022 Global Property CEO and NAREIT REITworld conferences.

The following table summarizes the feedback received from our shareholder outreach program since the 2022 Annual Meeting and actions taken in response:

| Feedback Theme | Specific Topics | Stockholder Feedback ("What We Heard") | Action ("What We Did") |
|-------------------------------|---|--|---|
| Executive Compensation | 2022 Vote Discussion | Shareholders who voted against Say-on-Pay in 2022 consistently indicated that a reason they did so was because they disagreed with the discretionary elements in our Annual Incentive Plan program. | The Compensation Committee demonstrated its rigorous evaluation of each senior executive in determining the Annual Incentive Plan payouts by granting aggregate 2022 cash bonus payments of \$7.9 million, out of the \$11.4 million available in the 2022 Annual Incentive Plan, despite double-digit growth in FFO per share, as adjusted, and the highly competitive job market. |
| | Overall Compensation Philosophy | Shareholders support the overall quantum of pay to our NEOs and our pay-for-performance compensation structure that aligns shareholder returns with executives' realized compensation. | The Compensation Committee has continued its emphasis on equity compensation, including with our 2023 Long Term Performance Plan ("LTTP") and other time-vesting equity grants. |
| ESG | Board and Committee Refreshment | Shareholders strongly supported our board refreshment program, including the appointment of Raymond J. McGuire to our Board in 2022, and requested further board refreshment and committee rotation. | Our Board remains focused on board refreshment over time and continued updating the composition of Board committees by adding Ms. Hamza Bassey to the Audit Committee in 2022 and Mr. McGuire to the Compensation Committee in 2023. |
| | ESG Disclosure | Shareholders praised our ESG report and noted that Vornado is an industry leader in sustainability and ESG disclosure. | In 2023, we continued to furnish our ESG report to the SEC on a Form 8-K, and the ESG report includes disclosures in accordance with SASB's Real Estate Sustainability Accounting Standards and the Science-Based Target Initiative. |
| | ESG Metrics in Executive Compensation Program | Shareholders supported the incorporation of ESG metrics in our 2022 LTTP. | Our Compensation Committee included ESG metrics in our 2023 LTTP, generally raising the required achievement levels. |

CEO Total Direct/Realizable vs. Total Realized Compensation (\$M)

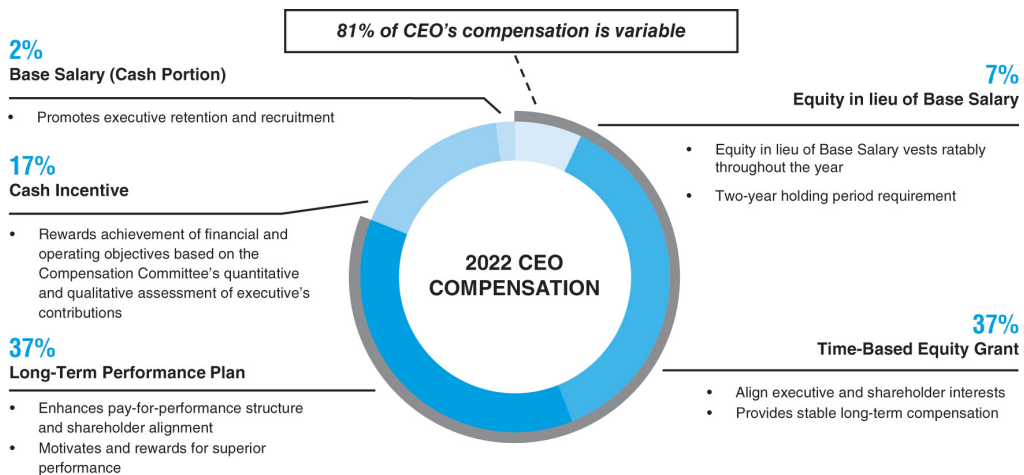

Total Direct/Realizable and Total Realized Compensation are calculated as described in the Compensation Discussion and Analysis section of this Proxy Statement.

Pay-for-Performance Alignment

Our executive compensation program is designed so that the actual Total Realized Compensation closely aligns with our actual Share performance. As the chart above demonstrates, Total Direct/Realizable Compensation for our CEO was approximately flat for the 2020-2022 period, and his Total Realized Compensation is significantly lower than Total Direct/Realizable Compensation for each year. Performance-based, long-term equity awards for the three- or four-year performance periods ending in 2019, 2020, 2021 and 2023 were not earned and no payouts were made in respect of these awards, demonstrating the at-risk nature of our performance-based program and its alignment with our actual Share performance.

The following shows the 2022 pay mix for our CEO. 81% of his Total Direct/Realizable 2022 compensation is variable and subject to Company performance:

The following graphic summarizes the performance periods and outcomes for our recent performance-based equity grants. The performance hurdles for the Outperformance Plan (“OPP”) awards granted in each of 2015, 2016, 2017, 2018 and 2020 and the Performance Conditioned Appreciation-Only LTIP awards granted in 2019 did not meet the applicable performance condition and accordingly each of those awards were forfeited in their entirety.

| Performance Programs | 2015 | 2016 | 2017 | 2018 | 2019 | 2020 | 2021 | 2022 | 2023 | 2024 | 2025 | Status | Payout as a % of Maximum |
|----------------------|----------------|----------------|----------------|----------------|----------------|----------------|---------------|------|---------------------|------|------|--------------------------|--------------------------|
| 2015 | 100% Completed | | | | | | | | | | | Forfeited | 0% |
| 2016 | | 100% Completed | | | | | | | | | | Forfeited | 0% |

| 2021 | | | | | | | 50% Completed | | / / / / / / / / / / | | | Tracking to be Forfeited | 0% |
| 2022 | | | | | | | 39% Completed | | / / / / / / / / / / | | | Partially Earned | 19% |

Our Performance Conditioned AO LTIP Units granted in 2019 included a performance condition requiring that our Share price close 10% above the strike price of \$62.62 for 20 consecutive trading days before January 14, 2023. That performance condition was not met and consequently these units were forfeited.

Our 2020 OPP Plan provided participants the opportunity to earn equity awards if Vornado achieved certain absolute total shareholder returns and/or outperformed a benchmark weighted index consisting of other office and retail real estate companies. As of March 30, 2023, the end of the 2020 OPP measurement period, Vornado’s total shareholder return over the measurement period was -52.08% compared to a -8.60% return for the weighted index during such period and accordingly all awards under the 2020 OPP Plan were forfeited in their entirety.

Executive Compensation Philosophy

Our compensation program is based on a pay-for-performance philosophy and is designed to incentivize executives to achieve financial and strategic goals that are aligned with the Company’s long-term business strategy and the creation of sustained, long-term value for our shareholders.

The objectives of the program include:

| | |
|------------------|--|
| RETAIN | a highly experienced, “best-in-class” team of executives who have worked together as a team for a long period of time and who make major contributions to our success. |
| ATTRACT | other highly qualified executives to strengthen that team as needed. |
| MOTIVATE | our executives to contribute to the achievement of company-wide and business-unit goals as well as to pursue individual goals. |
| EMPHASIZE | equity-based incentives with long-term performance measurement periods and vesting conditions. |
| ALIGN | the interests of executives with shareholders by linking payouts under annual incentives to performance measures that promote the creation of long-term shareholder value. |
| ACHIEVE | an appropriate balance between risk and reward in our compensation programs that does not encourage excessive or inappropriate risk-taking. |

Board and Committee Refreshment

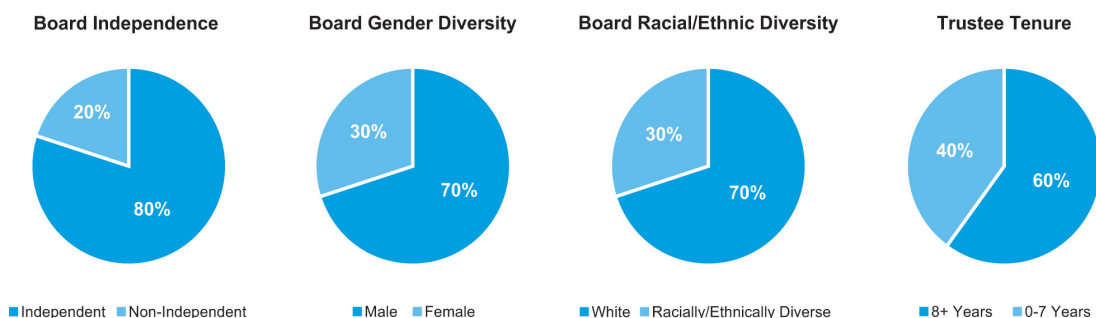

On March 31, 2022, our Board elected Mr. Raymond J. McGuire to the Board to replace Dr. Richard West whose service as Trustee ended at the 2022 Annual Meeting of Shareholders, after 40 years of service.

Over the last seven years, we have added four new independent Trustees, comprising 40% of our Board: Ms. Hamza Bassey, Mr. Helman, Mr. McGuire and Ms. Puri.

We are also focused on committee rotation and have made committee assignment changes in recent years. In 2020, we appointed Ms. Puri as Chair of the Audit Committee, in 2021 we added Ms. Hamza Bassey to the Compensation Committee, in 2022 we added Ms. Hamza Bassey to the Audit Committee and in 2023 we added Mr. McGuire to the Compensation Committee.

As demonstrated by our Board's actions over the past several years, we remain committed to ongoing Board refreshment and will continue to pursue qualified, diverse candidates for election to our Board.

The following charts summarize the composition of our Board following our recent refreshment:

In the past four years, our Board added three new independent Trustees:

- **Ms. Hamza Bassey** joined our Board in 2020. She has served as the Group General Counsel, Chief Compliance Officer and Corporate Secretary of Atlas Mara Ltd., an African-focused banking group, since February 2015. She has brought legal, investment, financial and international experience.
- **Mr. Helman** joined our Board in 2019. He has brought investment, technology, private equity, capital markets, and public company board experience.
- **Mr. McGuire** joined our Board in 2022. He is President of Lazard Ltd. and was previously Vice Chairman of Citigroup and Chairman of Citi's Banking, Capital Markets and Advisory business and brings investment, financial, capital markets and strategic experience.

We believe that the balance of skills and experiences of our Board members, enhanced by the fresh perspectives brought by our newer Trustees, and the industry and company-specific expertise and institutional knowledge of our longer-tenured Trustees, provide substantive support for the Board's oversight of the Company's business and strategy. In combination with Board refreshment, we have also rotated committee memberships to bring new perspectives to committees.

PROXY STATEMENT

Annual Meeting of Shareholders to Be Held on May 18, 2023

The accompanying proxy is being solicited by the Board of Trustees (the “Board of Trustees” or the “Board”) of Vornado Realty Trust, a Maryland real estate investment trust (“we,” “us,” “our,” the “Company” or “Vornado”), for exercise at our 2023 Annual Meeting of Shareholders (the “Annual Meeting”) to be held on Thursday, May 18, 2023, beginning at 11:30 A.M., New York City time, virtually via the Internet. Our principal executive office is located at 888 Seventh Avenue, New York, New York 10019. Our proxy materials, including this proxy statement, the Notice of Annual Meeting of Shareholders, the proxy card or voting instruction form and our 2022 Annual Report are being distributed and made available on or about the date of this proxy statement.

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission (the “SEC”), we have elected to provide our shareholders access to our proxy materials on the Internet. Accordingly, a notice of Internet availability of proxy materials will be mailed on or about the date of this proxy statement to our shareholders of record as of the close of business on March 20, 2023. Shareholders may (1) access the proxy materials on the website referred to in the notice or (2) request that a printed set of the proxy materials be sent, at no cost to them, by following the instructions in the notice. **You will need your 16-digit control number that is included with the notice mailed on or about the date of this proxy statement, to authorize your proxy for your Shares (as defined below) through the Internet. If you are a shareholder of the Company as of the close of business on March 20, 2023 and have not received a copy of this notice of Internet availability, please contact our investor relations department at 201-587-1000 or send an e-mail to inquiries@vno.com. QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

How do you vote?

If you hold your shares of record in your own name as a registered holder, you may vote over the Internet at the Annual Meeting or you may authorize a proxy to vote your shares over the Internet (at www.proxyvote.com), by telephone (at 1-800-690-6903) or by executing and returning a proxy card. Once you authorize a proxy, you may revoke that proxy by (1) timely executing and submitting a later-dated proxy card or voting instruction form, (2) subsequently authorizing a proxy through the Internet or by telephone, (3) timely sending a written revocation of your proxy to our Secretary at our principal executive office or (4) attending the Annual Meeting and voting via the Internet (but your attendance at the Annual Meeting will not automatically revoke your proxy unless you validly vote again during the Annual Meeting).

If you hold your shares in "street name" (that is, as beneficial owner through a bank, broker or other nominee), your broker or nominee will not be permitted to vote your shares (other than with respect to the ratification of the appointment of our independent registered public accounting firm) unless you provide instructions to your broker or other nominee on how to vote your shares. If you hold your shares in "street name," you will receive instructions and a voting instruction form from your nominee that you must follow in order to have your proxy authorized, or you may contact your nominee directly to request these voting instructions. You should instruct your broker or nominee how to vote your shares by following the directions provided by your broker or nominee.

To be effective, later-dated proxy cards, voting instruction forms, proxies authorized via the Internet or telephone or written revocations of proxies must be received by us by 11:59 P.M., New York City time, on Wednesday, May 17, 2023.

We will pay the cost of soliciting proxies. We have hired MacKenzie Partners, Inc. to solicit proxies for a fee not to exceed \$6,000. In addition to solicitation by mail, by telephone and by e-mail or the Internet, arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to their principals and we may reimburse them for their expenses in so doing. Members of our Board and members of management of the Company may also solicit proxies.

Who is entitled to vote?

Only holders of record of our common shares of beneficial interest, par value \$0.04 per share (our "Shares"), as of the close of business on March 20, 2023 are entitled to notice of and to vote at the Annual Meeting. We refer to this date as the "record date." On that date, 191,880,615 of our Shares were outstanding. Holders of Shares as of the record date are entitled to one vote per Share on each matter properly presented at the Annual Meeting.

How do you attend, vote and ask questions during the meeting?

This year's Annual Meeting will be a virtual meeting of shareholders conducted via live audio webcast. To be admitted to the Annual Meeting, you must have been a shareholder at the close of business on the record date of March 20, 2023 or be the legal proxy holder or qualified representative of such shareholder. The virtual Annual Meeting will afford shareholders the same rights as if the meeting were held in person, including the ability to vote shares electronically at the Annual Meeting and to ask questions in accordance with the rules of conduct for the meeting, which will be available on www.virtualshareholdermeeting.com/VNO2023 during the Annual Meeting.

To attend and participate in the virtual meeting, please visit www.virtualshareholdermeeting.com/VNO2023. You will need the 16-digit control number included on your Notice of Internet Availability of Proxy Materials or your proxy card (if you received a printed copy of the proxy materials) to access the virtual meeting.

Shareholders must provide advance written notice to the Company if they intend to have a legal proxy (other than the persons appointed as proxies on the Company's proxy card) or a qualified representative attend the Annual Meeting on their behalf. The notice must include the name and address of the legal proxy holder or qualified representative and must be received by 5:00 p.m. New York City time on May 5, 2023 in order to allow enough time to register such person to attend the Annual Meeting.

If you have not voted your Shares prior to the Annual Meeting or you wish to change your vote, you will be able to vote or re-vote your Shares electronically during the Annual Meeting by clicking “Vote Here” on the meeting website. Whether or not you plan to attend the Annual Meeting, you are encouraged to vote your Shares prior to the meeting date by one of the methods described in this proxy statement.

If you wish to submit a question, you may do so live during the Annual Meeting by attending the Annual Meeting at www.virtualshareholdermeeting.com/VNO2023.

Only questions pertinent to meeting matters will be answered during the Annual Meeting, subject to time constraints. If any questions pertinent to meeting matters cannot be answered during the Annual Meeting due to time constraints, we will post and answer a representative set of these questions online at <https://investors.vno.com>. The questions and answers will be available as soon as reasonably practicable after the Annual Meeting and will remain available until one week after posting.

Attendance at the Annual Meeting is subject to capacity limits set by the virtual meeting platform provider. If you have any technical difficulties or any questions regarding the virtual meeting website, our platform provider will be ready to assist you. If there are any technical issues in convening or hosting the Annual Meeting, we will promptly post information to our investor relations website, <https://investors.vno.com>, including information on when the Annual Meeting will be reconvened.

What is the quorum necessary for the meeting?

The holders of a majority of the outstanding Shares entitled to vote as of the close of business on the record date, present in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting.

How will votes be counted?

Any proxy, properly executed and returned, will be voted as directed and, if no direction is given, will be voted as recommended by the Board of Trustees in this proxy statement and in the discretion of the proxy holder as to any other matter that may properly come before the Annual Meeting. A broker non-vote or an abstention from voting, as applicable, will count for the purposes of determining a quorum, but will have no effect on the result of the votes on any of the proposals. Any proxy marked “withhold” will count for the purposes of determining a quorum and will have no effect on the result of the votes on election of Trustees, but, if any nominee for Trustee fails to receive approval of a majority of the votes cast (for this purpose, more “for” votes cast than “withhold” votes with respect to the applicable nominee), that Trustee must tender his or her offer of resignation to the Board of Trustees for its consideration. A broker non-vote is a vote that is not cast on a non-routine matter because the Shares entitled to cast the vote are held in street name, the broker lacks discretionary authority to vote the Shares on that matter and the broker has not received voting instructions from the beneficial owner.

The election of each of our nominees for Trustee (Proposal 1) requires a plurality of the votes cast at the duly called Annual Meeting, with a quorum present; however, any nominee for Trustee who does not receive the approval of a majority of the votes cast (more “for” votes than “withhold” votes with respect to the applicable nominee) will be required, pursuant to our Corporate Governance Guidelines, to tender his or her offer of resignation to the Board of Trustees for its consideration. The ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm (Proposal 2), the approval of the non-binding, advisory vote on executive compensation (Proposal 3), the approval of the non-binding, advisory vote on the frequency of executive compensation advisory votes (Proposal 4) and the approval of the Company’s 2023 Omnibus Share Plan (Proposal 5) each requires the affirmative vote of a majority of the votes cast on such matter at the Annual Meeting.

PROPOSAL 1: ELECTION OF TRUSTEES

Trustees Standing for Election

Our Board has 10 Trustees, all of whom have been nominated for election at our Annual Meeting. Our Board, on the recommendation of our Corporate Governance and Nominating Committee, has nominated each of Mr. Steven Roth, Ms. Candace K. Beinecke, Mr. Michael D. Fascitelli, Ms. Beatrice Hamza Basse, Mr. William W. Helman IV, Mr. David M. Mandelbaum, Mr. Raymond J. McGuire, Ms. Mandakini Puri, Mr. Daniel R. Tisch and Mr. Russell B. Wight, Jr. for election at our Annual Meeting. If elected, such persons will serve until the Annual Meeting of Shareholders in 2024 and until their respective successors are duly elected and qualified. Each of these nominees currently serves as a member of our Board.

Unless you direct otherwise in your signed and returned proxy, each of the persons named in the accompanying proxy will vote your Shares for the election of each of the 10 nominees for Trustees. If any nominee at the time of election is unavailable to serve, it is intended that each of the persons named in the proxy as a proxy holder will vote for an alternate nominee who will be recommended by the Corporate Governance and Nominating Committee of our Board and nominated by the Board. Alternatively, the Board may reduce the size of the Board and the number of nominees. Proxies may be exercised only for the nominees named or such alternates. We do not currently anticipate that any nominee for Trustee will be unable to serve as a Trustee.

The Board of Trustees recommends that shareholders vote “FOR” the election of each of the nominees listed below to serve as a Trustee until the Annual Meeting of Shareholders in 2024 and until his or her respective successor has been duly elected and qualified.

Under our Bylaws, a plurality of all the votes cast at the Annual Meeting, if a quorum is present, is sufficient to elect a Trustee. A “withhold” vote or an abstention, as applicable, will count for the purposes of determining a quorum, but will have no effect on the result of the votes on this proposal. However, any Trustee who does not receive the affirmative vote of a majority of the votes cast for his or her election to the Board (for this purpose, a greater number of “for” votes than “withhold” votes) in an uncontested election (such as this election) will be required, pursuant to our Corporate Governance Guidelines, to tender his or her offer of resignation to the Board for its consideration.

The following table lists the nominees for election to the Board to serve until the 2024 Annual Meeting of Shareholders and until his or her successor is duly elected and qualified. For each such person, the table lists the age, principal occupation, position presently held with the Company, if any, and the year in which the person first became a member of our Board or a director of our predecessor, Vornado, Inc.

Each of these other Boards upon which Mr. Roth serves is either a current affiliate of the Company or a company spun-off from Vornado. Management Succession Planning

- Our Corporate Governance and Nominating Committee actively monitors our succession planning.

Our Board regularly reviews future candidates for the CEO position and other senior leadership roles and potential succession timing for those positions, including under emergency circumstances. Our Board has adopted a formal CEO-succession plan and reviews that plan regularly.
- The Board reviews and discusses career development plans for individuals identified as high-potential candidates for senior leadership positions and the Board members interact with these candidates in formal and informal settings during the year.
- The Board recognizes that succession planning is a key component of the Company's continued success. Pursuant to our Corporate Governance Guidelines, on at least an annual basis and typically more frequently, the Board, in full meetings and in its executive sessions, considers and reviews succession candidates for the CEO and other executive leadership positions for both near-term and long-term planning. The Board reviews potential candidates for promotion in light of their performance, leadership qualities and ability to manage additional responsibilities. The Board also considers potential risks regarding the retention of the Company's current executive officers and succession candidates, the timeline for implementing the succession plan, and the extent of disruption likely to be caused as a result of unplanned attrition. In addition, as part of its risk management process, the Board has developed an interim emergency succession plan.

Sustainability, Corporate Responsibility and Political Contributions

- Our Corporate Governance and Nominating Committee as well as our full Board actively monitor our programs and initiatives on sustainability, environmental matters, climate change and social responsibility and receive updates regularly. Our Board delegated to our Corporate Governance and Nominating Committee responsibility for direct oversight to monitor the effects of climate change on the Company and to develop policies relating thereto.
- Our Corporate Governance and Nominating Committee monitors our policy restricting political contributions and spending. Our policy strictly restricts political contributions or political spending on behalf of the Company subject to senior management approval and Corporate Governance and Nominating Committee oversight.
- Consistent with Vornado's past practices, we did not make any direct political contributions to candidate campaigns in 2022.

Board Independence

The Board has determined that Mses. Beinecke, Hamza Bassey and Puri and Messrs. Helman, Mandelbaum, McGuire, Tisch and Wight are independent Trustees under the Corporate Governance Standards of the NYSE, with the result that eight of our 10 Trustees standing for election are independent. The Board reached these conclusions after considering all applicable relationships between or among such Trustees and the Company or management of the Company. These relationships are described in the sections of this proxy statement entitled "Relationships Among Our Trustees" and "Certain Relationships and Related Transactions." Among other factors considered by the Board in making its determinations regarding independence was the Board's determination that these Trustees met all of the "bright-line" requirements of the NYSE's Corporate Governance Standards as well as the categorical standards adopted by the Board as contained in our Corporate Governance Guidelines.

Approval of Related Party Transactions

Our Code of Business Conduct and Ethics includes a policy for the review and approval of transactions involving the Company and related parties. Under the policy, "related parties" means our executive officers and Trustees, as well as any such person's immediate family members. The policy also covers entities that are owned or controlled by related parties, or entities in or of which related parties have a substantial ownership interest or control. Under

the policy, all related party transactions are submitted to the Board or an independent committee thereof for review and are subject to approval.

Board Participation

Our Board is actively involved in strategic, risk and management oversight and regularly has in-depth discussions concerning the Company's strategies and risks during which the Board actively questions and considers these topics. Our Board is involved in every strategic decision made by the Company; agendas are organized so that, at every regular meeting, strategic and business decisions receive the most prominence and our CEO regularly consults with Board members on these matters between meetings. Furthermore, the Board regularly meets with the Company's most senior executive officers as well as the officers who directly report to the most senior executives. The Board believes a good working knowledge of these multiple levels of management aid it considerably in its important role of management oversight as well as with succession planning. Our Company relies upon the measured financial and strategic guidance, probing questions and judgment of our Board members.

Board Leadership Structure

Our Board is deeply focused on our corporate governance practices. We value independent board oversight as an essential component of strong corporate performance to enhance shareholder value. All of our Trustees are independent, except our current and former Chief Executive Officers. In addition, all of the members of our Board's committees, except the Executive Committee, are independent.

Our Board is responsible for selecting the Chairman of the Board and the CEO. The Board annually reviews its leadership structure. The Board has determined that the combined role of Chairman and CEO, alongside an active and Lead Independent Trustee position, is currently the best structure for Vornado and its shareholders. In its review of our leadership structure, the Board considered the following:

- Our current structure promotes clear lines of responsibility and accountability, while maintaining the Board's independence from management.
- Mr. Roth, our Chairman and CEO, is a well-seasoned leader with over 40 years of experience in building and leading our Company. He has effectively guided the Company through various real estate cycles and has skillfully led the Company throughout the COVID-19 pandemic challenge. After considering the views expressed by our shareholders and other constituents, as well as the particular circumstances affecting the Company, the Board concluded he is the best person to continue to serve as Chairman and CEO.
- Mr. Roth fulfills his responsibilities in chairing an independent board through close interaction with our Lead Independent Trustee, Ms. Beinecke.
- The power and authority of our Lead Independent Trustee role was increased in 2015 and 2017, and the Lead Independent Trustee works closely with Mr. Roth in identifying overall Company strategy and other matters to be discussed in depth at regular Board meetings and takes an active role in engaging with our investors. See "Lead Independent Trustee Role."
- The views expressed by shareholders through direct outreach and engagement.

- Our governance culture fosters open communication among the Lead Independent Trustee, Chairman and other Trustees, which we believe is essential to developing an understanding of important issues, promoting appropriate oversight and encouraging frank discussion of key topics relevant to a complex and dynamic enterprise.

Lead Independent Trustee Role

A Lead Independent Trustee is elected annually by the independent Trustees. Ms. Beinecke was first elected by our independent Trustees to serve as Lead Independent Trustee for a one-year term on March 16, 2016, and was most recently re-elected on February 9, 2023. When making the selection, the independent Trustees considered the attributes desired in a Lead Independent Trustee, including being an effective communicator, having the ability to provide leadership and encourage open dialogue, and having a relevant background and the ability to devote sufficient time and attention to the position.

Our Lead Independent Trustee position has clearly defined duties and responsibilities, which are set forth in our Corporate Governance Guidelines. They include the following authorities and responsibilities:

- preside at all meetings of the Board at which the Chairman is not present;
- serve as liaison between the Chairman and the independent Trustees;
- approve, in consultation with the Chairman:
 - the schedule of Board meetings,
 - Board meeting agenda items, and
 - materials sent in advance of Board meetings, including the quality, quantity, appropriateness and timeliness of such information;
- ability to call meetings of the independent Trustees as necessary and appropriate;
- participate in annual self-evaluations of the Board and its committees;
- contribute to ongoing management succession and development planning;
- communicate to management, as appropriate, the results of private discussions among independent trustees;
- participate in shareholder outreach, and be available for consultation and direct communication if requested by major shareholders; and
- communicate shareholder feedback to the full Board.

As Lead Independent Trustee, Ms. Beinecke works closely with Mr. Roth identifying overall Company strategy and other matters to be discussed in depth at regular Board meetings and takes an active role in engaging with our investors.

As both Lead Independent Trustee and Chair of the Corporate Governance and Nominating Committee, Ms. Beinecke has been actively involved in governance-related discussions with our shareholders. As Lead Independent Trustee, Ms. Beinecke has worked closely with our Chairman, Mr. Roth, to develop Board meeting agenda items and ensure sufficient time allocation to these items and Ms. Beinecke has also facilitated robust discussions regarding long-term strategy and shareholder value creation and talent retention and development. Ms. Beinecke also actively oversees the Company's ESG policies and is involved in ongoing discussions with senior management and our shareholders regarding such matters.

The strong working relationships among the Lead Independent Trustee, Chairman and other Trustees are supported by a Board governance culture that fosters open communications among the members, both during meetings and in the intervals between meetings. The Board believes that open communication is important to develop an understanding of issues, promote appropriate oversight, and encourage the frank discussion of matters essential to leading a complex and dynamic enterprise.

Board and Committee Refreshment

Over the last seven years, we have added four new independent Trustees, Ms. Hamza Basse, Mr. Helman, Mr. McGuire and Ms. Puri. Currently, 40% of our Board members have joined the Board within the last seven years.

We are also focused on committee rotation and have made committee assignment changes in recent years. In 2020, we appointed Ms. Puri as Chair of the Audit Committee, in 2021, we added Ms. Hamza Bassey to the Compensation Committee, in 2022 we added Ms. Hamza Bassey to the Audit Committee and in 2023, we added Mr. McGuire to the Compensation Committee.

Commitment of Our Board

| | 2022 Meetings |
|---|---------------|
| Board (with six Board executive sessions) | 7 |
| Audit Committee | 5 |
| Compensation Committee | 2 |
| Corporate Governance and Nominating Committee | 2 |

Committees of the Board

The Board has an Audit Committee, a Compensation Committee, a Corporate Governance and Nominating Committee and an Executive Committee. Other than the Executive Committee, each committee is comprised solely of independent Trustees.

The Board held seven meetings during 2022. Each of our Trustees then in office attended at least 75% of the combined total of the meetings of the Board and all committees on which he or she served during 2022.

In addition to full meetings of the Board, our non-management Trustees met six times in sessions without members of management present. Ms. Beinecke, as Lead Independent Trustee, acted as presiding member during these non-management sessions. We do not have a formal policy with regard to Trustees' attendance at the Annual Meetings of Shareholders. All of our Trustees serving at the time of our 2022 Annual Meeting of Shareholders attended the virtual meeting.

Audit Committee

The Audit Committee held five meetings during 2022. From January to April 2022, the members of the Audit Committee were Ms. Puri, as Chair, Mr. Tisch and Dr. West, and thereafter, for the rest of 2022, the members of the Audit Committee were Ms. Puri, as Chair, Mr. Tisch and Ms. Hamza Bassey.

The Board has adopted a written Audit Committee Charter, which sets forth the membership requirements and responsibilities of the Audit Committee, among other matters. The Audit Committee Charter is available on our website (www.vno.com/governance/committee-charters). The Board has determined that all existing Audit Committee members meet the NYSE and SEC standards for independence and the NYSE standards for financial literacy.

The Board has determined that each of Ms. Puri and Mr. Tisch is an "audit committee financial expert," as defined by SEC Regulation S-K (and thus the Board has two such experts serving on its Audit Committee), and that each of such persons also meets the NYSE standards for financial management expertise. The Board reached this conclusion based on the relevant experience of each of Ms. Puri and Mr. Tisch, including as described above under "Biographies of our Trustees."

The Audit Committee's purposes are to: (i) assist the Board in its oversight of (a) the integrity of our financial statements, (b) our compliance with legal and regulatory requirements, (c) the independent registered public accounting firm's qualifications and independence and (d) the performance of the independent registered public accounting firm and the Company's internal audit function; and (ii) prepare an Audit Committee report as required by the SEC for inclusion in our annual proxy statement. The function of the Audit Committee is oversight. The management of the Company is responsible for the preparation, presentation and integrity of our financial statements and for the effectiveness of internal control over financial reporting. Management is responsible for maintaining appropriate accounting and financial reporting principles and policies and internal controls and

procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for planning and carrying out a proper audit of our annual financial statements prior to the filing of our Annual Report on Form 10-K, reviewing our quarterly financial statements prior to the filing of each of our Quarterly Reports on Form 10-Q and annually auditing the effectiveness of internal control over financial reporting and other procedures. Persons interested in contacting our Audit Committee members with regard to accounting, auditing or financial concerns will find information on how to do so on our website (www.vno.com/governance/confidential-board-contact).

Compensation Committee

The Compensation Committee is responsible for establishing the terms of the compensation of the executive officers and the granting and administration of awards under the Company's omnibus share plans. The committee, which held two meetings in 2022 consisted of the following members: Mr. Tisch, as Chair, Mr. Helman and Ms. Hamza Basse. Each of Ms. Hamza Basse, Mr. Helman and Mr. Tisch was determined by the Board to be independent. In February 2023, Mr. McGuire was added as a member of the Compensation Committee and he was determined by the Board to be independent. The Board has adopted a written Compensation Committee Charter which is available on our website (www.vno.com/governance/committee-charters).

Compensation decisions for our executive officers are made by the Compensation Committee. Decisions regarding compensation of other employees are made by our Chief Executive Officer or other senior managers and, to the extent an employee's total compensation is greater than \$200,000 per year, the employee's compensation is subject to review and approval of the Compensation Committee. Compensation decisions for our Trustees are made by the Compensation Committee and/or the full Board.

The agenda for meetings of the Compensation Committee is determined by its Chairman with the assistance of the Company's Secretary and/or other members of management. Compensation Committee meetings are attended from time to time by members of management at the invitation of the Compensation Committee. The Compensation Committee's Chairman reports the committee's determination of executive compensation to the Board. The Compensation Committee has authority under its charter to select, retain and approve fees for, and to terminate the engagement of, compensation consultants, special counsel or other experts or consultants as it deems appropriate to assist in the fulfillment of its responsibilities. The Compensation Committee reviews the total fees paid by us to outside consultants to ensure that such consultants maintain their objectivity and independence when rendering advice to the committee. The Compensation Committee may receive advice from compensation consultants, special counsel or other experts or consultants only after consideration of relevant factors related to their fees, services and potential conflicts of interests, as outlined in the Compensation Committee's Charter.

The Compensation Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee of the committee. In particular, the Compensation Committee may delegate the approval of certain transactions to a subcommittee consisting solely of members of the committee who are (i) "Non-Employee Directors" for the purposes of SEC Rule 16b-3; and (ii) "outside directors" for the purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended. Currently, all members of the Compensation Committee meet these criteria.

See "Compensation Discussion and Analysis" below for a discussion of the role of executive officers in determining or recommending compensation for our executive officers. We have also included under "Compensation Discussion and Analysis" a discussion of the role of compensation consultants in determining or recommending the amount or form of executive or Trustee compensation.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee, which met twice during 2022, currently consists of Ms. Beinecke, as Chair, and Mr. Helman and Ms. Puri as the two other members. During 2022, members of the Corporate Governance and Nominating Committee led discussions of governance matters with the full Board. Further, in the past year, Ms. Beinecke (and members of management) met in person or telephonically with several significant shareholders to discuss our governance practices. Each of Ms. Beinecke, Mr. Helman and Ms. Puri have been determined by the Board to be independent. The Board has adopted a written Corporate Governance and Nominating Committee Charter, which is available on our website (www.vno.com/governance/committee-charters). The committee's responsibilities include the selection of

potential candidates for the Board and the development and review of our governance principles. It also reviews Trustee compensation and benefits and oversees annual self-evaluations of the Board and its committees. The committee also makes recommendations to the Board concerning the structure and membership of the other Board committees as well as management succession plans. The committee selects and evaluates candidates for the Board in accordance with the criteria set out in the Company's Corporate Governance Guidelines and as are set forth below. The committee is then responsible for recommending to the Board a slate of candidates for Trustee positions for the Board's approval. Generally, candidates for a position as a member of the Board are suggested by existing Board members; however, the Corporate Governance and Nominating Committee will consider shareholder recommendations for candidates for the Board sent to the Corporate Governance and Nominating Committee, c/o Steven J. Borenstein, Secretary, Vornado Realty Trust, 888 Seventh Avenue, New York, New York 10019, and will evaluate any such recommendations using the criteria set forth in the Corporate Governance and Nominating Committee Charter and our Corporate Governance Guidelines.

In nominating Steven Roth for re-election at the 2023 Annual Meeting and assuming Mr. Roth were to be re-elected at all the boards on which he currently serves, the Corporate Governance and Nominating Committee (and later the full Board) considered that Mr. Roth currently services on boards of two public companies in addition to our Board. However, the Committee noted that one of those companies, Alexander's, is an affiliate for which we manage its properties and Mr. Roth serves as Chief Executive Officer of Alexander's, and the other company (Urban Edge) resulted from spinning-off a business from our Company. The Corporate Governance and Nominating Committee and the full Board each determined that Mr. Roth's service on these other Boards does not detract from his ability to represent, and devote time to, our Company and that such other Board service may in fact benefit our Company. In particular, the Corporate Governance and Nominating Committee considered that:

- Alexander's is managed by the Company, Mr. Roth serves as Chief Executive Officer of Alexander's and Mr. Roth's service on the Alexander's Board is important to the performance of his duties to Vornado; and
- Prior to the spinoff, Mr. Roth served as the Chief Executive Officer of the business comprising Urban Edge, which was fully integrated in Vornado. The spinoff represented a significant reduction in Mr. Roth's time devoted to this business. In the Corporate Governance and Nominating Committee's view, Mr. Roth's current service on the Board of Urban Edge provides industry knowledge that benefits Vornado and the Vornado shareholders that continue to own Urban Edge.

In addition, Mr. Roth is not standing for re-election at Urban Edge's 2023 Annual Meeting and accordingly his term as an Urban Edge trustee will end in May 2023.

The Corporate Governance and Nominating Committee will continue to assess the benefits of Mr. Roth's service on these Boards.

Executive Committee

The Executive Committee possesses and may exercise certain powers of the Board in the direction of the management of the business and affairs of the Company. The Executive Committee consists of three members: Mr. Roth, Ms. Beinecke and Mr. Wight. Mr. Roth is the Chairman of the Executive Committee. The Executive Committee did not meet in 2022.

The Board's Role in Risk Oversight

While day-to-day risk management is primarily the responsibility of the Company's senior management team, the Board is responsible for the overall supervision of the Company's risk management activities. The Board's oversight of the material risks faced by our Company occurs at both the full Board level and at the committee level. The Board's role in the Company's risk oversight process includes receiving reports from members of senior management on areas of material risk to the Company, including operational, financial, legal and regulatory, strategic, reputational, cybersecurity, environmental, social, governance and climate change risks. The full Board (or the appropriate committee in the case of risks that are under the purview of a particular committee) receives these reports from the appropriate "risk owner" within our organization or in connection with other management-prepared presentations of risk to enable the Board (or committee, as applicable) to understand our risk identification, risk management and risk mitigation strategies. By "risk owner," we mean that person or group of persons who is or are primarily responsible for overseeing a particular risk. As part of its charter, the Audit Committee discusses our guidelines and policies with respect to which our management assesses and manages the Company's exposure to risk and reports to the full Board its conclusions as a partial basis for further discussion

by the full Board. This enables the Board and the applicable committees to coordinate the risk oversight role, particularly with respect to risk interrelationships. In addition to the Board's review of risks applicable to the Company generally, the Board conducts regular strategic and personnel reviews.

Delinquent Section 16(a) Reports

Section 16(a) of the Securities Exchange Act requires our Trustees and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership of, and transactions in, certain classes of our equity securities with the SEC. Such Trustees, executive officers and 10% shareholders are also required to furnish us with copies of all Section 16(a) reports they file.

Based solely on a review of the Forms 3, 4 and 5, and any amendments thereto, furnished to us, and on written representations from certain reporting persons, we believe that there were no filing deficiencies under Section 16(a) by our Trustees, executive officers and 10% shareholders in the year ended December 31, 2022 (or in 2023, prior to the mailing of this proxy statement).

Approach of this Compensation Discussion and Analysis

This Compensation Discussion and Analysis, or "CD&A," describes our executive compensation program for 2022, including certain elements of our 2023 program and the executive compensation philosophy used by our Compensation Committee to make decisions.

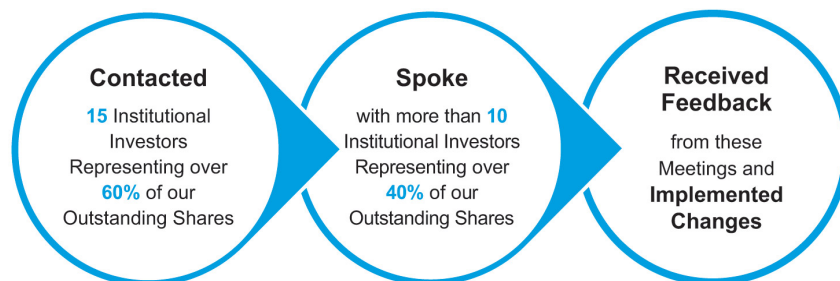

We use our program to attract, retain and appropriately reward our senior executive team. This CD&A explains how the Compensation Committee made 2022 compensation decisions for the following five named executive officers (the “Named Executive Officers” or “NEOs”):

- Steven Roth, Chairman and Chief Executive Officer (our “CEO”);
- Michael J. Franco, President and Chief Financial Officer;
- Haim Chera, Executive Vice President—Head of Retail;
- Barry S. Langer, Executive Vice President—Development and Co-Head of Real Estate; and
- Glen J. Weiss, Executive Vice President—Office Leasing and Co-Head of Real Estate.

These five individuals, together with, for 2022, Mr. Thomas J. Sanelli, comprise our senior management team and are referred to in this Proxy Statement as the “Senior Executives”. Under SEC rules and regulations, the “Summary Compensation Table” must report the salary paid and cash bonus earned during that year. That table also requires all equity-based awards to be reported in the year granted, even if that year is different than the year for which a grant applies. We grant annual incentive equity retrospectively—in the first quarter of a new year for the actual performance in the most recently completed year. To more accurately present our compensation information in line with how we make decisions about compensation (as described in more detail under “—Comparison of 2020-2022 Total Direct/Realizable Compensation”), the following discusses both the salary and bonus paid for a year and the equity granted in the following year for that year. We also present (under “—Total Realized Compensation Table”), the actual compensation received for 2022, 2021, and 2020. We believe Total Realized Compensation is helpful in evaluating the effectiveness of the pay-for-performance alignment of our compensation program.

Shareholder Engagement and Board Responsiveness

At our 2022 Annual Meeting of Shareholders, our say-on-pay proposal received the support of the holders of over 70% of Shares that voted at the meeting. While we were pleased that over two-thirds of our shareholders voted in favor of the say-on-pay proposal, our goal is to increase the percentage of our shareholders voting in favor of our say-on-pay proposal and accordingly we engaged in an extensive shareholder outreach program. Since our 2022 annual meeting, we reached out to shareholders representing more than 60% of our outstanding Shares (as of December 31, 2022) and spoke with shareholders representing more than 40% of our outstanding Shares. Our Lead Independent Trustee participated in conversations with several of these largest shareholders.

In addition to our ESG-focused engagements and discussions in the ordinary course of business, we engaged directly with our investors in various forums including at the Citi 2022 Global Property CEO and NAREIT REITworld conferences.

Based on feedback received from shareholders since the 2022 annual meeting and in recognition of the increased importance of ESG matters, we:

- Incorporated ESG metrics in our 2023 LTTPP, as described below;
- Maintained our high percentage of equity compensation and performance-based awards relative to total compensation for senior management, to continue to align pay with performance; and
- Disclosed in this CD&A the structure of the Annual Incentive Plan and explained how bonus amounts for NEOs were determined.

| Feedback Theme | Specific Topics | Stockholder Feedback ("What We Heard") | Action ("What We Did") |
|-------------------------------|---|--|--|
| Executive Compensation | 2022 Vote Discussion | Shareholders who voted against Say-on-Pay in 2022 consistently indicated that a reason they did so was because they disagreed with the discretionary elements in our Annual Incentive Plan program. | The Compensation Committee demonstrated its rigorous evaluation of each Senior Executive in determining the Annual Incentive Plan payouts by authorizing aggregate 2022 cash bonus payments of \$7.9 million, out of the \$11.4 million available in the 2022 Annual Incentive Plan, despite double-digit growth in FFO per share, as adjusted, and the highly competitive job market. |
| | Overall Compensation Philosophy | Shareholders support the overall quantum of pay to our NEOs and our pay-for-performance compensation structure that aligns shareholder returns with executives' realized compensation. | The Compensation Committee has continued its emphasis on equity compensation, including with our 2023 Long Term Performance Plan ("LTTP") and other time-vesting equity grants. |
| ESG | Board and Committee Refreshment | Shareholders strongly supported our board refreshment program, including the appointment of Raymond J. McGuire to our Board in 2022, and requested further board refreshment and committee rotation. | Our Board remains focused on board refreshment over time and continued updating the composition of Board committees by adding Ms. Hamza Basseyy to the Audit Committee in 2022 and Mr. McGuire to the Compensation Committee in 2023. |
| | ESG Disclosure | Shareholders praised our ESG report and noted that Vornado is an industry leader in sustainability and ESG disclosure. | In 2023, we continued to furnish our ESG report to the SEC on a Form 8-K, and the ESG report includes disclosures in accordance with SASB's Real Estate Sustainability Accounting Standards and the Science-Based Target Initiative. |
| | ESG Metrics in Executive Compensation Program | Shareholders supported the incorporation of ESG metrics in our 2022 LTTP. | Our Compensation Committee included ESG metrics in our 2023 LTTP, generally raising the required achievement levels. |

- Sustainability—In 2022, we (i) were selected as a global “Sector Leader” for Diversified Office/Retail REITs in the Global Real Estate Sustainability Benchmark (“GRESB”), ranking first in the United States amongst peers and ranking third among 112 responding listed companies within the Americas, and received the “Green Star” distinction for the tenth consecutive year and GRESB’s five star rating, (ii) received the Leader in the Light Award by the National Association for Real Estate Investment Trusts (NAREIT) for diversified REITs for the twelfth time, and (iii) were recognized as an EPA ENERGY STAR Partner of the Year with the distinction of having demonstrated eight years of sustained excellence. We continue to prioritize addressing climate change with our Vision 2030 plan to make our buildings carbon neutral by 2030. Our commitment to carbon neutrality and associated emissions reduction targets have been approved by the Science Based Targets Initiative as consistent with a 1.5°C climate scenario, the most ambitious goal of the Paris Agreement.

Executive Compensation Philosophy

Our compensation program is based on a pay-for-performance philosophy and is designed to incentivize executives to achieve financial and strategic goals that are aligned with the Company's long-term business strategy and the creation of sustained, long-term value for our shareholders.

The objectives of the program include:

RETAIN a highly experienced, "best-in-class" team of executives who have worked together as a team for a long period of time and who make major contributions to our success.

ATTRACT other highly qualified executives to strengthen that team as needed.

MOTIVATE our executives to contribute to the achievement of company-wide and business-unit goals as well as to pursue individual goals.

EMPHASIZE equity-based incentives with long-term performance measurement periods and vesting conditions.

ALIGN the interests of executives with shareholders by linking payouts under annual incentives to performance measures that promote the creation of long-term shareholder value.

ACHIEVE an appropriate balance between risk and reward in our compensation programs that does not encourage excessive or inappropriate risk-taking.

The following shows the 2022 pay mix for our CEO. 81% of his Total Direct/Realizable 2022 Compensation is variable and subject to Company performance.

The following graphic summarizes the performance periods and outcomes for our recent performance-based equity grants. The performance hurdles for the Outperformance Plan ("OPP") awards granted in each of 2015, 2016, 2017, 2018 and 2020 and the Performance Conditioned Appreciation-Only LTIP awards granted in 2019 did not meet the applicable performance condition and accordingly each of those awards were forfeited in their entirety.

Our Performance Conditioned AO LTIP Units granted in 2019 included a performance condition requiring that our Share price close 10% above the strike price of \$62.62 for 20 consecutive trading days before January 14, 2023. The performance condition was not met and consequently the units were forfeited.

Our 2020 OPP Plan provided participants the opportunity to earn equity awards if Vornado achieved certain absolute total shareholder returns and/or outperformed a benchmark weighted index consisting of other office and retail real estate companies. As of March 30, 2023, the end of the 2020 OPP measurement period, Vornado's total shareholder return over the measurement period was -52.08% compared to a -8.60% return for the benchmark weighted index during such period and accordingly all awards under the 2020 OPP Plan were forfeited in their entirety.

Compensation Components

Our Named Executive Officers' compensation currently has three primary components:

- annual base salary, which includes cash payments and/or equity in lieu thereof;
- annual incentive award, which includes cash payments and/or equity in lieu thereof; and
- long-term equity incentive, which includes restricted units and long-term incentive performance awards.

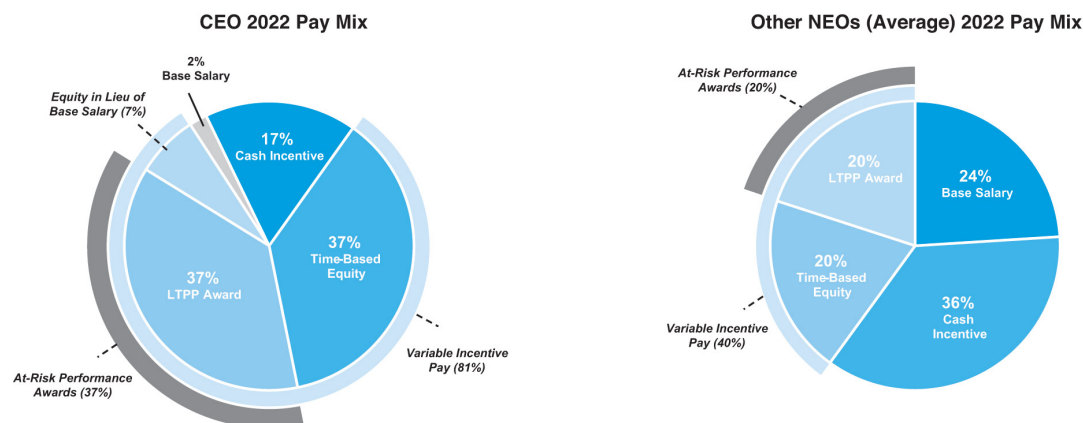

The overall compensation levels and allocation among these components are determined annually by our Compensation Committee considering the Company's performance during the year and a review of the competitive market for executive talent. Historically, most of the total compensation for our CEO has been in long-term equity awards. These longer-term, equity-based awards reflect the Compensation Committee's desire to directly align management and shareholder interests and to provide incentives to successfully implement our long-term strategic objectives.

The compensation program for our Senior Executives is described in the table below.

| PAY ELEMENT | COMPENSATION TYPE | OBJECTIVE AND KEY FEATURES |
|--|---|--|
| Base Salary | Cash | <p>Objective: To provide appropriate fixed compensation that will promote executive retention and recruitment.</p> <p>Key Features/Actions:</p> <ul style="list-style-type: none"> • Fixed Compensation • No more than \$1,000,000 in salary • No increases to NEO base salaries since 2018 and no increases to CEO base salary in over 20 years |

| Annual Restricted Equity Grants | Long-Term Variable Incentive Equity | <p>Objective: To align executive and shareholder interests, promote retention with multi-year vesting and provide stable long-term compensation.</p> <p>Key Features/Actions:</p> <ul style="list-style-type: none"> • Aligns executive and shareholder interests • Vest ratably over four years • Subject to a two-year holding period (regardless of vesting) and a "book-up" event (typically an increase in Share price) to have value |

Earned payouts are also subject to an additional one-year holding period following vesting, or in the case of our CEO, a three-year holding period |

Pay Mix

We believe that the executive team's compensation should be tied to Company goals. 81% of the Chief Executive Officer's 2022 compensation and 40% of the other NEOs' 2022 compensation is tied to performance. Approximately 37% of our Chief Executive Officer's 2022 compensation and 20% of the other NEOs' 2022 compensation is dependent on the achievement of objective performance criteria. The charts below reflect the pay mix of our CEO and other NEOs, based on their 2022 Total Direct/Realizable Compensation.

How Pay Aligns with Performance

2022 Performance Metrics Considered

For 2022 compensation, among the subjective and objective factors considered were the increases in the Company's results during the year (NOI at share and FFO, as adjusted, among other financial results), leasing volume, development progress, financing activities, progress on ESG goals, and the factors mentioned below. "NOI" (or Net Operating Income) means total revenues less operating expenses including our share of partially owned entities. "FFO" means funds from operations as defined by NAREIT. "FFO, as adjusted," means FFO as adjusted to exclude non-comparable gains and losses, impairments and non-real estate related items. Each of these metrics are presented in our regular annual and quarterly reports with reconciliations to the most comparable metric presented in accordance with GAAP. Although they are non-GAAP metrics, we use them in making compensation decisions because they facilitate meaningful comparisons in operating performance between periods and among our peers. TSR means our total shareholder return (including dividends) for a given period.

Key Year-Over-Year Comparisons

Our TSR for 2022 was negative 46.7% while that of our NY REIT Peers (comprised of Empire State Realty Trust, Paramount Group, Inc. and SL Green Realty Corp.) was negative 40.0% and that of the FTSE NAREIT Office Index was negative 37.6%. As shown in the "Total Realized Compensation Table," in 2022, our CEO's Total Realized Compensation was 63% of his Total Direct/Realizable Compensation reflecting alignment with our actual Share performance. The average of our other NEOs' Total Realized Compensation was 80% of the average of their Total Direct/Realizable Compensation.

Key Considerations

We operate in a highly competitive commercial real estate industry where we actively compete for business opportunities and executive talent. In determining compensation levels for 2022, our Compensation Committee did not attribute a numeric weight to any one factor, but sought to find a balance among (i) appropriately recognizing the significant operational and financial achievements during the year, (ii) maintaining total compensation levels in line with the highly competitive market for executive talent and at a level adequate to address our recruitment and retention needs and (iii) maintaining a balanced program to foster alignment of management and shareholder interests consistent with evolving market "best practices" as well as views of our shareholders.

How We Determine Executive Compensation

Our Compensation Committee, comprised solely of independent Trustees, determines compensation for our Named Executive Officers and other senior executives. Our Compensation Committee exercises independent judgment on executive compensation and administers our equity incentive programs, including reviewing and approving equity grants under our Omnibus Share Plan (as may be, or has been amended, the “Omnibus Plan”). Our Compensation Committee operates under a written charter adopted by the Board, which is available on our website (www.vno.com/governance/committee-charters).

We make our compensation decisions in the first quarter of a year. These decisions cover the prior year’s performance and contributions. In addition, in the first quarter of a fiscal year, we establish that year’s performance threshold for our short-term annual incentive program and in the first quarter of 2023 we also established the metrics and applicable threshold, targets and maximum levels for our 2023 LTTP.

Our compensation decisions are based primarily upon our assessment of each executive’s leadership, operational performance and potential to enhance long-term shareholder value. For our CEO, this assessment is made by the Compensation Committee. For our other Named Executive Officers, this assessment is initially made by our CEO subject to the review and approval of the Compensation Committee. Our annual, short-term incentive program provides for a minimum performance threshold for, and a cap on, a bonus pool for annual incentive awards to our Senior Executives. Key factors we consider when making compensation decisions include: actual performance compared to the financial, operational and strategic goals established for the Company or the executive’s operating division; the nature, scope and level of responsibilities; contribution to the Company’s financial and operational results, particularly on metrics such as NOI at share, FFO, FFO, as adjusted, TSR and leasing activity for the year; contribution to the Company’s ESG efforts, including progress on our Vision 2030 Plan and other ESG goals; contribution to our substantial ongoing development projects; financing and investment activities; capital allocation; and contribution to the Company’s commitment to corporate responsibility, including success in creating a culture of unyielding integrity and compliance with applicable laws and our ethics policies. These factors may be considered on an absolute and/or relative basis with respect to other companies or indices.

In determining individual pay levels, we also consider each executive’s historical compensation, the appropriate balance between incentives for long-term and short-term performance and the compensation paid to the executive’s peers within the Company. We also consider competitive market compensation paid by other companies that operate in our business or that compete for the same talent pool, such as other REITs, other real estate companies operating in our core markets and, in some cases, private equity firms, investment banking firms and hedge funds. However, we do not formulaically tie our compensation decisions to any particular range or level of total compensation paid to executives at these companies. Furthermore, we consider the actual Total Realized Compensation historically received by our management in determining whether our compensation program meets our goals of alignment with shareholder interests.

In addition, we encourage alignment with shareholders through equity-based compensation. We apportion incentive awards in order to provide the appropriate incentives to meet our compensation objectives both individually and in the aggregate for executives and other employees. Typically, our CEO receives a higher proportion of his compensation in equity than other Named Executive Officers who, in turn, receive a higher proportion in equity than our other employees. We regularly review our compensation program to determine whether we have given the proper incentives to our Named Executive Officers to deliver superior performance on a cost-effective basis and for them to continue their careers with us.

Role of the Corporate Governance and Nominating Committee, Compensation Committee, and CEO

The Corporate Governance and Nominating Committee is responsible for evaluating potential candidates for Chairman and CEO, and for overseeing executive succession plans. The Compensation Committee (1) reviews and approves the compensation of our executive officers and other employees whose total cash compensation exceeds \$200,000 per year, (2) oversees the administration and implementation of our incentive compensation and other equity-based awards, and (3) regularly evaluates the effectiveness of our overall executive compensation program.

The Compensation Committee oversees the compensation program for our CEO and our other Named Executive Officers. The Compensation Committee evaluates CEO performance and sets his compensation. Our CEO and the Compensation Committee together assess the performance of other senior executives and our Compensation

Committee determines their compensation, based on the initial recommendations of our CEO. The other NEOs do not play a role in determining their own compensation, other than discussing individual performance objectives with our CEO.

In support of these responsibilities, members of our senior executive team, along with other senior executives, have the initial responsibility of reviewing the performance of the employees reporting to them and recommending compensation for those employees.

Role of Compensation Consultants

The Compensation Committee has engaged the services of FTI Consulting, Inc. (“FTI Consulting”), as a compensation consultant, including for 2022 compensation. The Compensation Committee assessed the independence of FTI Consulting in accordance with the NYSE listing standards and concluded that no conflict of interest existed that would prevent FTI Consulting from independently advising the Compensation Committee. Prior to such engagement, FTI Consulting provided services to the Company, assisting with gathering and presenting third-party data used in determining industry- or market-specific results. Our Compensation Committee is authorized by the Board to set FTI Consulting’s compensation and to replace FTI Consulting as its independent outside compensation consultant or hire additional consultants at any time.

For 2022 compensation decisions, at the request of the Compensation Committee, FTI Consulting reviewed the Company’s 2021 peer group and assessed the industries, geographies, market capitalization, revenues, among other factors, of the peer group relative to the Company and recommended removing two of the largest companies, by market capitalization, that were in the 2021 peer group. Following FTI Consulting’s recommendation, the Compensation Committee adopted the following peer group for 2022.

| | | |
|---|---------------------------------------|--------------------------------|
|  Realty Income Corporation Ventas, Inc. (Average Total Capitalization \$45.6 billion) | Alexandria Real Estate Equities, Inc. | Kilroy Realty Corporation |
| | Boston Properties, Inc. | Kimco Realty Corporation |
| | Douglas Emmett, Inc. | Medical Properties Trust, Inc. |
| | Equity Residential | SL Green Realty Corp. |
| | Healthpeak Properties, Inc. | W.P. Carey Inc. |
| | Host Hotels & Resorts, Inc. | |
| | Hudson Pacific Properties, Inc. | |
| | | |
| | | |
| | | |

Our Compensation Committee has elected to use the foregoing executive compensation peer group, because the competitive landscape in which we compete for investment capital and executive talent is comprised of other publicly-traded REITs as well as real estate operating companies. Additionally, as many of our competitors in the markets in which we operate, particularly with respect to our New York division, are private equity and investment management firms not structured as REITs and private entities such as real estate opportunity funds, sovereign wealth funds and pension funds, among others, our Compensation Committee, from time to time, has also considered compensation levels and trends among our non-public competitors as obtained from surveys and other proprietary data sources.

Consistent with prior years, the Compensation Committee reviewed and discussed the analyses prepared by FTI Consulting and determined that the analyses were useful in indicating that the compensation opportunities awarded to executive officers are in line with the prevailing competitive market. Furthermore, Total Realized Compensation metrics align with the performance of the Company and the shareholder value created.

Analysis of Risk Associated with Our Executive Compensation Program

Our Compensation Committee has discussed risk as it relates to our executive compensation program and the Compensation Committee does not believe our program encourages excessive or inappropriate risk-taking for the reasons stated below.

We structure our pay to consist of both fixed and variable compensation. The fixed portion (base salary) of compensation is designed to provide a base level of income regardless of our financial or Share price performance.

The variable elements of compensation encourage and reward both short- and long-term corporate performance. For short-term performance, annual incentives are based on the formulaic thresholds of our annual incentive pool and assessments of performance during the prior year. For long-term performance, awards generally vest over three, four or five years. Awards of LTTP Units, OPP Units, Performance Conditioned AO LTIP Units, AO LTIP Units or options have value only if our Share price increases over time (and, in the case of LTTP Units, if we meet specified operational goals). Awards of restricted units can be redeemed for Shares only if our Share price increases over time. Awards of restricted units require a two-year holding period (regardless of vesting). For LTTP and OPP awards, we require our Named Executive Officers to hold the equity received on earned and vested awards for one additional year after they have vested (or three years, in the case of our CEO). We and our Compensation Committee also believe that the mix of formulaic criteria and a non-formulaic evaluation of historic performance provides an incentive for our executives to produce superior performance without the distorting effects of providing a pre-determinable compensation award based on the performance of only one division or business unit or upon other results that may not result in long-term value creation.

As demonstrated above, our executive compensation program is structured to achieve its objectives by (i) providing incentives to manage the Company for the long-term, (ii) avoiding disproportionately large, short-term incentives that could encourage the taking of excessive risks or sacrificing long-term value, (iii) requiring our executives to maintain a significant investment in the Company and (iv) evaluating annually an array of performance criteria rather than focusing on a singular metric that may encourage unnecessary risk-taking. This combination of factors encourages our executives to manage the Company prudently.

Elements of Our Compensation Program

Annual Base Salary

Base salaries are established based on the scope of responsibilities, taking into account the compensation paid by other companies as well as salaries of peers within the Company. Consistent with our pay-for-performance philosophy, annual base salary is a relatively low percentage of total compensation. Excluding temporary salary reductions implemented during 2020 due to the impact of the COVID-19 pandemic on our business, there were no increases in our Named Executive Officers' base salary levels for 2022 and there have not been any increases in our Chief Executive Officer's base salary in over 20 years.

For each of 2022, 2021 and 2020, Mr. Roth elected to receive 80% of his annual base salary in restricted units that vest pro rata over the applicable year.

Annual Incentive Awards

Our Compensation Committee has established a short-term incentive program for the senior management team that formulaically ties a maximum award pool to achieving a level of FFO, as adjusted, of at least 80% of the prior year, or, with respect to the 2023 Annual Incentive Plan, at least 65% of 2022, and set a cap for the aggregate pool of bonuses to the Senior Executives at 1.75% of FFO, as adjusted. The Company believes FFO, as adjusted, is one of the key operating metrics within the REIT industry and a primary driver of long-term TSR performance. We use FFO, as adjusted, as the primary metric for our annual incentive awards rather than total FFO. FFO, as adjusted, excludes the impact of certain non-recurring items, such as gains on the sale of certain property, non-cash impairment losses, income or loss from discontinued operations and sold properties, gains and losses from the early extinguishment of debt and restructuring costs, among others, and thus the Compensation Committee believes it provides a better metric than total FFO for assessing management's performance. Under our annual compensation program, participants may earn annual cash incentive payments and/or equity awards if and only if FFO, as adjusted, is at least 80% or more (or with respect to the 2023 Annual Incentive Plan, 65% or more) of the prior year's comparable FFO, as adjusted. Moreover, even if the Company does achieve the stipulated FFO, as adjusted, performance requirement, the Compensation Committee retains the right, consistent with best practices, to elect to reduce or make no payments under the program.

For 2022, the maximum pool available for annual incentive bonuses to Senior Executives was \$11.4 million (1.75% of FFO, as adjusted) but nevertheless, due to our relative performance, our Compensation Committee granted a reduced aggregate amount of \$7.90 million in aggregate annual bonuses to Senior Executives, equal to 1.21% of FFO, as adjusted.

As described in more detail below under “—Current Year Compensation Decisions”, individual award allocations are determined by the Compensation Committee based on an assessment of individual and Company performance. Performance criteria used when determining awards include, among others, the following:

- Leasing performance and occupancy levels;
- Execution of our development and redevelopment projects;
- Capital markets performance and maintenance of a strong balance sheet;
- Acquisitions, dispositions and financing activity;
- Same store NOI at share;
- FFO and FFO, as adjusted;
- Implementation and achievement of goals, including expense control and adherence to budget, and ESG initiatives; and
- Achievement of business unit and/or departmental objectives.

Any awards under the annual incentive program are payable in cash and/or equity awards, generally in the first quarter of each year for the prior year’s performance.

Long-Term Equity Incentives

Compensation is typically awarded in long-term equity issued under our Omnibus Plan through performance-based awards, such as our LTPP Units (awarded in 2022 for 2021 performance), OPP Units (awarded in 2021 and 2020 for 2020 and 2019 performance, respectively) or Performance Conditioned AO LTIP Units (awarded in 2019 for 2018 performance), and grants of time-based restricted units. Equity awards link compensation directly to the performance of our Share price. We believe this encourages our NEOs to make business decisions with an ownership mentality. Our NEOs were awarded LTPP Units and time-based restricted units on an approximately 50/50 basis for 2022 performance. Other employees received awards of time-based restricted units for 2022 performance. There were no Performance Conditioned AO LTIP Units granted for 2020, 2021 or 2022 performance. Our LTPP program was developed with the input of FTI Consulting (the Compensation Committee’s compensation consultant).

Description of Awards:

2022 LTPP

In January 2022 we granted LTPP Units to our Senior Executives with respect to 2021 performance. 50% of the LTPP Units may be earned based on our relative TSR performance over a three-year period ending in January 2025 and 50% may be earned based on the achievement of specified operating/ESG performance measures over a one-year period ending December 31, 2022, in each case with further modifiers based on the Company’s absolute TSR over a three-year period.

The relative TSR portion of the LTPP is equally bifurcated based on our performance relative to (1) the Dow Jones U.S. Real Estate Office Index (“DJ Office Index”) and (2) a custom Northeast Peer Group index comprised of six other companies with office real estate portfolios concentrated in the Northeast United States. We included this Northeast Peer Group index in order to more closely link a portion of the LTPP to our TSR performance relative to companies that are most comparable to us and that operate in similar markets.

Vesting of the LTPP units is generally subject to continued employment with us, and satisfaction of the performance hurdles.

The following tables describe the structure of the 2022 LTPP granted to our Senior Executives for 2021 performance, with payouts between performance levels subject to straight-line interpolation. As of December 31, 2022, based on our one-year TSR relative to the DJ Office Index and the Northeast Peer Group index, our performance would have placed us in the 39th Percentile and 36th Percentile, respectively.

Dow Jones U.S. Real Estate Office Index Relative TSR Component (25% of Total Award)

| Level | Percentage of Target Amount Earned | Relative TSR (Three Years) |
|------------------|------------------------------------|---|
| Threshold | 50% | 25 th percentile of DJ Office Index companies |
| Target | 100% | 50 th percentile of DJ Office Index companies |
| Maximum | 200% | 75 th percentile or greater of DJ Office Index companies |

Northeast Peer Group Relative TSR Component (25% of Total Award)⁽¹⁾

| Level | Percentage of Target Amount Earned | Relative TSR (Three Years) |
|------------------|------------------------------------|--|
| Threshold | 50% | 33 rd percentile of Northeast Peer Group companies |
| Target | 100% | 50 th percentile of Northeast Peer Group companies |
| Maximum | 200% | 66 th percentile or greater of Northeast Peer Group companies |

(1) The Northeast Peer Group index is comprised of the following companies: Boston Properties, Inc., Brandywine Realty Trust, Empire State Realty Trust, JBG Smith, Paramount Group, Inc. and SL Green Realty Corp.

Operational Performance Component (50% of Total Award)

The operational component of our annual performance-based equity awards measures our performance against four objective criteria over a one-year performance period, which remain subject to an absolute TSR modifier based on our absolute TSR performance over a three-year performance period, as described below. The FFO per share, as adjusted, target was set in January 2022 based on our internal budget forecast for 2022 performance and the ESG targets were set in consultation with our senior management and sustainability team. The following table lists the four performance criteria, the applicable weightings and targets and actual 2022 performance in each of these categories.

| Performance Condition/Reason Selected | Weighting | Threshold (50%) | Target (100%) | Maximum (200%) |
|---|-----------|-----------------|---------------|----------------|
| FFO Per Share, as adjusted Widely-used non-GAAP measure of earnings performance for REITs, used both by investors and our management | 75% | \$3.05 | \$3.20 | \$3.35 |
| Scope 1 and Scope 2 Greenhouse Emissions Reductions below 2019 levels Indicator of our progress to Vision 2030 reduction goal of 50% and carbon neutrality by 2030 | 12.5% | 27.5% | 30% | 32.5% |
| GRESB Score Assessment of our overall ESG program, goals and achievements against peer group | 6.25% | 86 | 90 | 94 |
| Green Building Certifications (LEED Gold or Platinum) Commitment to top tier building operations including comprehensive energy, water, waste, IAQ and tenant engagement programming. | 6.25% | 80% | 82.5% | 85% |

Absolute Modifiers

Awards under the Relative TSR Component of the 2022 LTPP are subject to reduction (but not increase) if the Company's aggregate three-year TSR is less than 12%, with a maximum reduction of 30% of units that would otherwise be earned under the Relative TSR Component if the Company's TSR is negative over the three-year

measurement period. As of December 31, 2022, our one-year absolute TSR performance would have resulted in the maximum 30% downward reduction.

Awards under the Operational Performance Component of the 2022 LTPP are subject to reduction (but not increase) if the Company's aggregate three-year TSR is less than 21%, with a maximum reduction of 30% of LTPP Units that would otherwise be earned under the Operational Performance Component if the Company's TSR is negative over the three-year measurement period. As of December 31, 2022, our one-year absolute TSR performance would have resulted in the maximum 30% downward reduction.

2023 LTPP

In January 2023 we granted LTPP Units to our Senior Executives with respect to 2022 performance. The structure of the 2023 LTPP is substantially similar to the 2022 LTPP described above, with the same relative performance metrics and modifiers and substantially similar operational performance condition categories, but updated threshold, target and maximum levels in the operational performance component based on the Company's applicable 2023 expectations and budget projections.

2023 LTPP Grant Amounts

The tables below indicate the amount of 2023 LTPP Units granted to each of our NEOs and their target amount Grant Date Fair Values.

Post-Vesting Holding Period

If the designated performance objectives are achieved, awards earned under the LTPPs will vest 50% on the third anniversary of the grant date and 50% on the fourth anniversary of the grant date. The Chief Executive Officer is required to hold any earned and vested awards for three years following each such vesting date and all other award recipients are required to hold such awards for one year following each such vesting date. Dividends on awards granted under the LTPPs accrue during the applicable performance period and are paid to participants to the extent that awards are ultimately earned based on the achievement of the designated performance objectives.

In designing our LTPP, we carefully selected performance criteria across important financial and TSR goals and we also incorporated ESG goals, demonstrating the emphasis that the Company places on ESG matters and aligning Senior Executives' compensation with such priorities. We also included a range of performance periods that, taken together, aim to account for the complexities of operating our business over both the short-term and the long-term.

OPP Awards

We awarded OPP Units in 2021 for 2020 performance and in 2020 for 2019 performance. These awards were granted to the Senior Executives and certain other members of our management team. The 2021 OPP awards

are earned over a four-year period, and, if earned, vest 50% in 2025, at the end of the four-year period, and 50% in 2026. The awards provide for immediate cancellation if the executive voluntarily leaves or is terminated for cause (and, in either case, such person is no longer providing services to the Company, excluding certain outstanding awards held by retirement eligible executives over the age of 65). Furthermore, we require our Senior Executives to hold earned and vested awards for one additional year after they have vested.

Our OPP is designed to provide compensation in a “pay-for-performance” structure. OPP Unit awards are a class of units of the Company’s Operating Partnership, Vornado Realty L.P. If the specific performance objectives of the OPP are achieved, earned OPP Units become convertible into Class A common units of the Operating Partnership (and ultimately into Shares) following vesting, and their value fluctuates with changes in the value of our Shares. If the performance objectives are not met, the OPP Units are cancelled. Generally, unvested OPP Units are forfeited if the executive leaves the Company. OPP Units are intended to also provide recipients with more favorable income tax attributes than grants of Shares. Under our 2021 OPP, participants have the opportunity to earn compensation payable in equity if we outperform a predetermined TSR and/or outperform the market on relative TSR over a four-year performance period measured at the end of the fourth year. Awards under our 2021 OPP may be earned if the Company (i) achieves a TSR above that of an industry index or indices over a four-year period (the “Relative Component”), and/or (ii) achieves a TSR level greater than 28% (over the four-year performance period) (the “Absolute Component”). For the 2021 OPP Plan (awarded for 2020 performance), we used a combination of the SNL Office Index (80%) and the SNL Retail Index (20%) for the Relative Component. To the extent awards would be earned under the Absolute Component, but the Company underperforms the Index by more than a specified margin, awards earned under the Absolute Component would be reduced based on the degree to which the Company underperforms the Index with the maximum payout being 50% under the Absolute Component. If the Company outperforms the Index, but awards would not otherwise be earned under the Absolute Component, awards may still be earned under the Relative Component. Moreover, to the extent awards would otherwise be earned under the Relative Component but the Company fails to achieve at least a 2% per annum absolute TSR level, awards earned under the Relative Component would be reduced. If the TSR is less than 0% the maximum payout is 50% of the total award regardless of relative performance. If the performance objectives are achieved, 50% of the OPP Units underlying a given award remain subject to time-based vesting for one additional year. This creates a five-year retention period (plus the additional one-year holding period for Executives) for participants. Holders will continue to bear the same Share price and total return risk as our shareholders and have the same “book-up” requirements as apply to restricted units and which are described below. Dividend payments on OPP Units accrue during the performance period and are paid to participants if awards are ultimately earned.

Following discontinuance of the SNL Office Index and SNL Retail Index in August 2021, the Compensation Committee determined that the Company should continue calculating the relative components of the 2021 OPP based on the index constituents that were part of such indices at the discontinuance date, with quarterly re-weighting of such constituents.

Restricted Shares and Units

“Restricted shares” are grants of Shares issued under our Omnibus Plan that generally vest in three or four equal annual installments beginning approximately one year after grant. “Restricted units” are grants of limited partnership interests in Vornado Realty L.P. under our Omnibus Plan. These units generally vest in three or four equal annual installments beginning approximately one year after grant and include a two-year holding requirement. Vested restricted units are exchangeable on a one-for-one basis into Vornado Realty L.P.’s Class A common units under certain circumstances, which principally include the requirement that certain tax “book-up” events for Vornado Realty L.P. have occurred whereby sufficient book gain has been specially allocated to the restricted units so that they have the same per unit capital account value as Class A common units. In addition to the limitation on exchangeability, the ability to receive the same liquidation value as Class A common units also is dependent on sufficient amounts of book gain being specially allocated to the restricted units. Book gain is only eligible to be specially allocated to the capital account of a restricted unit on a book-up event to the extent aggregate book gain exceeds aggregate book loss since the issuance of the restricted unit, which generally corresponds to appreciation in the value of the assets of Vornado Realty L.P. during such period. During the restricted period, each restricted share or restricted unit entitles the recipient to receive payments equal to the dividends on one Share.

Our Compensation Committee believes that restricted units are a key component of our long-term incentive program because they offer recipients a long-term incentive that is similar to restricted shares with more favorable U.S. federal income tax treatment under current law. We believe that the use of restricted units has (i) enhanced our equity-based compensation package overall, (ii) advanced the goal of promoting long-term equity ownership by our management, (iii) not adversely impacted dilution as compared to restricted shares, and (iv) further aligned the interests of our management with the interests of our shareholders.

In light of the significant, adverse impact that the COVID-19 pandemic had on our business and our Share price, and to enhance the retentive effect of certain of our previously granted restricted units, during 2020, our Compensation Committee made a one-time amendment to the “income tax book-up” Share price required to be achieved with respect to certain of our restricted units granted between 2015 and 2020 to 92 of our senior officers and other managers, including our NEOs. The amended “income tax book-up” price was approximately \$40 per Share and represents the price per Share that must be achieved for the restricted units to be exchangeable into Class A common units. This change did not result in a repricing of the restricted units, the number of restricted units awarded did not change, the decline in economic value of the units from the date of grant did not change and the one-for-one exchange ratio of the existing restricted units for Class A common units was not altered. Thus, there was no change in the value that an employee would realize upon receiving Shares in exchange for restricted units and therefore no additional dilution to shareholders. Vesting provisions were not modified and NEOs were required to agree to a new two-year holding requirement with respect to their amended restricted units. No amendments were made to the terms of our previously granted AO LTIP Units, OPP awards or Performance Conditioned AO LTIP Units and no amendment to the “income tax book-up” Share price was made in 2021 or thereafter.

Nonqualified Deferred Compensation Plans

We maintain two nonqualified deferred compensation plans, the Vornado Realty Trust Nonqualified Deferred Compensation Plan (“Plan I”) and the Vornado Realty Trust Nonqualified Deferred Compensation Plan II (“Plan II”). Plan I and Plan II are substantially similar, except that Plan II, which applies to deferrals on and after January 1, 2005, is designed to comply with the restrictions of Section 409A of the Internal Revenue Code, as amended.

Employees having annual compensation of at least \$200,000 can participate in Plan II, *provided* they are “accredited investors” under securities laws. Members of our Board are also eligible to participate. To participate, an individual must make an irrevocable election to defer at least \$20,000 of compensation (whether cash or equity) per year. Participant deferrals are fully vested. The Company may make discretionary credits on behalf of participants but has not done so to date. Deferrals are credited with the rate of return of specific investments or various “benchmark funds”, some of which are based on the performance of the Company’s securities. Participants may have their deferrals in a “Retirement Account” or a “Fixed Date Account.” Retirement Accounts are generally payable following retirement or termination of employment. Fixed Date Accounts are generally payable at a date that is at least two full calendar years after the year for which deferrals are made. Participants may elect to receive distributions as a lump sum or in the form of annual installments over no more than 10 years. In the event of a change of control of the Company, all accounts become immediately payable in a lump sum. Plan I also permits a participant to withdraw all or a portion of their account at any time, subject to a 10% withdrawal penalty.

Retirement and 401(k) Plans

We offer a 401(k) Retirement Plan to all of our employees in which we provide matching contributions (up to 75% of the statutory maximum but not more than 7.5% of cash compensation) that fully vest after five years of employment. We do not sponsor any other retirement plan. Retirement plans are not a factor in our current compensation determinations.

Perquisites and Other Compensation

We provide select perquisites we believe are reasonable and in line with the competitive market. These perquisites include supplemental life insurance and an allowance for financial counseling and tax preparation services for certain Executives. Additionally, due to the extensive business-related travel requirements, we provide some of our Senior Executives with a car and/or driver. Providing a car and driver allows these executive officers to use their travel time efficiently and productively for business purposes. The amounts disclosed in this proxy statement for car and driver costs include the entire value of the benefit, both business purpose and personal use.

Equity Ownership Guidelines

To further foster the strong ownership culture among our senior executive team and ensure the continued direct alignment of management and shareholder interests, and consistent with emerging corporate governance trends, we have adopted equity ownership guidelines requiring a minimum ownership level. The equity ownership requirements (Shares and certain securities convertible or redeemable for Shares) for our executives are as follows:

| | |
|------------------------------|------------------------------------|
| Chairman and CEO | 6 times his annual base salary |
| All Other Executive Officers | 3 times their annual base salaries |

Executive officers have five years from the date of becoming an executive officer to satisfy the ownership requirement. All of our Named Executive Officers satisfy these guidelines.

We have also adopted equity ownership guidelines for members of our Board. Under the guidelines, all non-employee Trustees are required to maintain a minimum ownership having a value at least five times their annual cash retainers. Non-employee Trustees have five years from the time of initial election to satisfy the guidelines. All non-employee Trustees currently satisfy these guidelines or are expected to satisfy these guidelines.

Comparison of 2020-2022 Total Direct/Realizable Compensation

Each year the “Summary Compensation Table” must report the salary paid during that year, the annual incentive earned for that year and the equity-based, long-term incentive granted during that year, which for us is the long-term incentive award for the *prior* year’s performance. Because the equity we award in the first quarter of each year is determined based on performance in the prior year, the SEC’s approach differs from the way we think about pay—salary, annual cash incentive and the Fair Value of equity-based pay—earned for any one year. In order to provide our shareholders with the aggregate amount of compensation *potentially earnable* for a given calendar year, we are including below a supplemental Total Direct/Realizable Compensation Table. The Total Direct/Realizable Compensation Table consists of (i) the actual salary paid for the year, (ii) the annual incentives awarded for the year and (iii) the Fair Value of equity awarded for service and performance for the year, irrespective of when ultimately granted. The table excludes the value of certain perquisites, which are disclosed in the Summary Compensation Table. We believe this table demonstrates further the ongoing correlation between the executive’s pay and overall Company performance. “Fair Value” is determined in accordance with securities and accounting rules (excluding the impact of estimated forfeitures related to service-based vesting conditions).

The principal difference between the Total Direct/Realizable Compensation Table and the Summary Compensation Table is that the Total Direct/Realizable Compensation Table achieves an “apples to apples” presentation of equity awards in the performance year to which such grants relate, rather than in the year in which such grants were made. Other companies may calculate Total Direct/Realizable Compensation differently than we do. The table presented below is not a substitute for, and should be read in conjunction with, the Summary Compensation Table.

Comparison of Total Realized Compensation with Total Direct/Realizable Compensation

The following table illustrates compensation awarded to and earned by each of the Named Executive Officers for service and performance from 2020 through 2022. This table is prepared on the same basis as the “Total Direct/Realizable Compensation Table” except that the value actually realized from the respective performance-based compensation maturing each applicable year is shown instead of the accounting cost of what was awarded. Our Compensation Committee believes that “Total Realized Compensation” is an important metric to consider when determining whether our compensation program achieves its goals of alignment with our actual Share performance.

The amounts reported below meaningfully differ from the amounts determined under SEC rules and reported in the “Summary Compensation Table.” This table is not a substitute for, and should be read in conjunction with, the “Summary Compensation Table.”

Current Year Compensation Decisions

We generally make our incentive compensation decisions in the first quarter of a year with respect to performance during the prior year. In addition, in the first quarter of 2022, we established the 2022 performance thresholds and caps for our formula-based short-term annual incentive program.

The compensation levels discussed in this Compensation Discussion and Analysis section are not directly comparable to the amounts presented in the “Summary Compensation Table.”

In addition, in the discussion below, when we discuss the “Fair Value” of equity awards, the “fair value” is determined in accordance with accounting rules (excluding the impact of estimated forfeitures related to service-based vesting conditions). Fair Value is the method used for presenting values for equity awards in our “Summary Compensation Table” and elsewhere under “Executive Compensation.” When we discuss the “Market Value” of equity awards, we refer to values based on the market price at the date of grant (the values considered by our Compensation Committee in making compensation decisions).

Total Compensation of Our CEO (with Equity Determined at Fair Value)

For 2022, Mr. Roth’s Total Direct/Realizable compensation was \$9,102,606 compared to \$8,864,214 in the prior year, a 2.7% increase. For 2022, Mr. Roth’s Total Realized Compensation was \$5,712,423 compared to \$4,831,100 in the prior year, an 18.2% increase.

For 2021, Mr. Roth’s Total Direct/Realizable compensation was \$8,864,214 compared to \$9,294,192 in the prior year, a 4.6% decrease. For 2021, Mr. Roth’s Total Realized Compensation was \$4,831,100 compared to \$5,174,937 in the prior year, a 6.6% decrease.

For 2020, Mr. Roth’s Total Direct/Realizable compensation was \$9,294,192 compared to \$11,087,246 in the prior year, a 16.2% decrease. For 2020, Mr. Roth’s Total Realized Compensation was \$5,174,937 compared to \$6,217,991 in the prior year, a 16.8% decrease.

Mr. Roth’s salary, incentives and equity awards were based on an evaluation of those factors previously described and were approved by the Compensation Committee. Among the factors considered, both objective and subjective, were the strategic position of the Company, the changes in the Company’s operating and performance metrics over the applicable period (NOI at share, FFO, as adjusted, and FFO per Share), our TSR over the applicable period and the other factors previously described, including the Company’s progress on ESG matters, and executing on the redevelopment of the PENN District. These factors were considered as a whole, and no numerical weight was attributed to any particular factor. The substantial majority of Mr. Roth’s compensation is in the form of equity to further align his interests with those of our shareholders.

Cash Compensation of Our CEO

Mr. Roth has served as our CEO since April 15, 2013. Mr. Roth’s base salary of \$1,000,000 was established in March 2001 and has remained unchanged since then. Mr. Roth receives 80% of this base salary amount in the form of restricted units which vest ratably throughout the calendar year. Mr. Roth’s total cash compensation for 2022, 2021 and 2020 was \$200,000, \$200,000 and \$125,000, respectively. The lower amount in 2020 was due to his waiver of 50% of his annual base salary which was effective April 1, 2020 through December 31, 2020.

Equity Compensation of Our CEO

Mr. Roth’s long-term equity incentive compensation award for 2022 performance (granted in 2023) was 319,973 LTPP Units (granted based on the maximum performance level but subject to performance conditions described above) and 181,393 restricted units. The Fair Value at the date of grant of these LTPP Units and restricted units was \$6,780,187 and represents a 7% decrease in Fair Value of long-term equity grants compared to the prior year.

Mr. Roth’s long-term equity incentive compensation award for 2021 performance (granted in 2022) was 199,557 LTPP Units (granted based on the maximum performance level but subject to performance conditions described above) and 77,992 restricted units. The Fair Value at the date of grant of these LTPP Units and restricted units was \$7,286,379 and represents a 7% decrease in Fair Value of long-term equity grants compared to the prior year. In addition, Mr. Roth elected to receive all of his annual bonus for 2021 (awarded in 2022) in the form of

22,056 restricted units having a Fair Value of \$753,014 on the date of grant. Equity received in lieu of cash bonus is included in the short-term bonus column of the Summary Compensation Table.

Mr. Roth's long-term equity incentive compensation award for 2020 performance (granted in 2021) was 507,588 OPP units and 114,193 restricted units. The Fair Value at the date of grant of these OPP Units and restricted units was \$7,873,225 and represents a 16.0% decrease in Fair Value of long-term equity grants compared to the prior year. In addition, Mr. Roth elected to receive all of his annual bonus for 2020 (awarded in 2021) in the form of 26,466 restricted units having a Fair Value of \$756,013 on the date of grant. Equity received in lieu of cash bonus is included in the short-term bonus column of the Summary Compensation Table.

Basis for Compensation of Other Named Executive Officers

For other Named Executive Officers (Messrs. Franco, Chera, Langer and Weiss), salary, annual incentive and long-term equity awards were based on an evaluation of those factors previously described and approved by the Compensation Committee. Among the factors considered, both objectively and subjectively, were the strategic position of the Company, the operating and performance metrics (NOI at share, FFO, as adjusted, and FFO per Share), our TSR over the applicable period and other factors, including the Company's ESG progress and the Company's 350 Park Avenue transaction with affiliates of Citadel Enterprise Americas LLC and an affiliate of Kenneth C. Griffin. With regard to Mr. Franco, we considered these factors as they apply to our Company as a whole and also considered the Company's G&A expense management, capital markets and financing activities, acquisitions and dispositions. For Messrs. Langer and Weiss, we also considered the performance of our overall Real Estate operations, including our 2022 leasing activity (in the case of Mr. Weiss) and extensive development activities in the PENN District (in the case of Mr. Langer). For Mr. Chera, we also considered the performance of the Company's retail assets, for which he is primarily responsible. We also considered these executives' contributions to the Company's overall strategic direction. In all cases, these factors were considered as a whole and no numerical weight was attributed to any particular factor.

Other Compensation Policies and Practices

Equity Grant Practices

All of our equity-based compensation awards are made under our shareholder-approved Omnibus Plan. Our 2019 Omnibus Share Plan (our current plan, as amended, the "2019 Plan") provides up to 5,500,000 Share equivalents with each award of a Share (or other securities that have the value equivalent) counting as one Share equivalent, and each award of an option to acquire our Shares (or other securities that require the payment of an exercise price or deduction of a strike price) counting as one-half of a Share equivalent. Under the 2019 Plan, the exercise price of each stock option must be no less than the average of the high and low price of our Shares on the date that the award was granted. The vast majority of our equity awards are granted in the first quarter of each year. In addition, and from time to time, additional equity awards may be granted in connection with new hires or promotions. We have never repriced options and our Omnibus Plan does not permit repricing of options without shareholder approval.

Employment, Severance and Change of Control Agreements

For those of our senior executive team who have employment agreements, these agreements generally provide for a severance payment (for termination by us without cause or by the executive with good reason (each as defined in the employment agreement and further described below under "Employment Contracts")) and change of control payment (if employment is terminated following a change of control) in the range of one to two times the executive's annual salary and incentive. These change of control arrangements compensate management in the event of a termination following a fundamental change in the Company, and to provide an incentive to continue with the Company at least through such time. Severance and change of control arrangements do not generally affect other compensation arrangements for a particular period. A more complete description of employment agreements, severance and change of control arrangements pertaining to the Named Executive Officers is set forth under "Employment Contracts" and "Severance and Change of Control Arrangements."

Tax Deductibility of Compensation

The tax efficiency of compensation is one of many factors that the Compensation Committee considers in the design of our compensation programs. We look at a combination of the rates at which our executives will be taxed

and the value of any deduction that we may be entitled to when developing our approach to compensation. We believe that the limitations of Section 162(m) of the Internal Revenue Code, as amended, (which limits the corporate tax deduction for certain executive officer compensation that exceeds \$1 million a year) does not apply to most of the compensation we paid to our Named Executive Officers for 2022 and only a small portion of their compensation may not be deductible due to that limitation.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Trustees of Vornado Realty Trust, a Maryland real estate investment trust (the "Company"), has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K of the Securities and Exchange Commission with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in the proxy statement and incorporated by reference in the Company's Annual Report on Form 10-K for the year ended December 31, 2022.

On January 12, 2022 and January 20, 2021, Mr. Franco also received restricted units with a Grant Date Fair Value of \$240,912 and \$604,526, respectively, in lieu of a portion of his 2021 and 2020 cash bonuses. The 2022 amount for Mr. Weiss and the 2020 amounts for Messrs. Roth and Franco include payments for long-term service with the Company of \$6,129, \$5,680 and \$1,124, respectively, that are paid to each Vornado employee on the five-year anniversary of the employee's employment commencement date with Vornado, and every fifth year thereafter, in amounts equal to a net payment of \$100 per year of service.
- (3) Information presented in this column includes the value of grants of restricted units, LTTP Units and OPP Unit awards granted during the applicable period. Information presented in these columns reflects the aggregate Grant Date Fair Value of equity awards granted in the applicable fiscal year computed in accordance with FASB ASC Topic 718. Assumptions used in the calculation of these amounts are included in footnote 14 to our consolidated financial statements included in our Annual Report on Form 10-K (the "Form 10-K") for the year ended December 31, 2022 as filed with the SEC. Pursuant to the rules and regulations of the SEC, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. Dividends or dividend equivalents are paid on both the vested and unvested portion of restricted share and restricted unit awards. In accordance with applicable SEC rules, amounts shown exclude restricted units that were granted in lieu of salary or bonuses, which are reflected in the "Salary" and "Bonus" columns, respectively. Furthermore, as required by SEC rules, the amounts presented in these columns also include the Grant Date

Fair Value of both restricted unit awards and of performance awards (such as our LTPP and OPP awards). Assuming that maximum performance would have been achieved under our 2022 performance-based equity awards, the value at the grant date of the awards would each have been as follows: Mr. Roth—\$9,000,021; Mr. Franco—\$2,424,982; Mr. Chera—\$774,998; Mr. Langer—\$1,949,989; and Mr. Weiss—\$2,249,994. For 2022, 2021, and 2020, the Grant Date Fair Value of time-based restricted unit and LTPP or OPP awards were as follows:

Mr. Weiss received a car allowance in 2020 and was provided with a car and driver in 2022 and 2021. Each such Named Executive Officer has used the car and driver for both business and personal purposes and the amounts shown for such executive reflect the aggregate incremental cost to the Company for the car, driver and related expenses without allocating costs between business and personal uses. Mr. Chera's 2022 amount also includes \$147,008 for the aggregate incremental cost to us for Mr. Chera's personal use of an airplane in 2022 for transportation to receive medical treatments, and represents the actual amount we paid a company owned by Mr. Roth for Mr. Chera's use of an airplane owned by such company. (1) Amounts reflect awards granted under the 2022 LTTP. The awards of LTTP Units, if earned, vest 50% in the third year and 50% in the fourth year from the date of grant.

(2) The information presented in this column represents the number of restricted units that were granted to the Named Executive Officers. Restricted units are a separate class of units in Vornado Realty L.P. which will be convertible into Class A common units of Vornado Realty L.P. and will be ultimately redeemable for, at our option, cash or our Shares on a one-for-one basis. These restricted units vest ratably over four years, unless the recipient is eligible for retirement, in which case the units are vested upon grant. A portion of these grants represents the grant of restricted units in lieu of cash bonus for the previous year which vest on grant (for recipients eligible for retirement) or one year following grant. A portion of these grants represent the grants of restricted units in lieu of cash salary for the year in which granted. These units vested ratably throughout 2022 subject to the continued employment of the recipient.

(3) The amounts presented in this column represent the full grant date fair value of equity awards (calculated pursuant to FASB ASC Topic 718) granted to the Named Executive Officers in 2022. Pursuant to the rules and regulations of the SEC, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. The Grant Date Fair Value, including the impact of estimated forfeitures related to service-based vesting conditions, is the amount we would expense in our consolidated financial statements over the award's vesting schedule. For additional information on our value assumptions, refer to footnote 14 of our consolidated financial statements included in our Annual Report on Form 10-K, as filed with the SEC.

Outstanding Equity Awards at Year-End

(1) The awards under the column entitled "Number of Shares or Units That Have Not Vested" vest ratably over four years from the date of grant. The awards under the column entitled "Equity Incentive Plan Awards: Number of Unearned Shares, Units or Other Rights That Have Not Vested" are awards of OPP and LTPP Units. The awards under the column titled "Number of Securities Underlying Unexercised Options" are awards of Performance Conditioned Appreciation-Only Long-Term Incentive Plan Units for all NEO's other than Messrs. LTPP and OPP Units awarded in 2022, 2021 and 2020, respectively, do not have any value unless specified performance criteria are met and specified criteria for converting and/or redeeming units for Shares are also met. As of December 31, 2022, the applicable performance periods have not yet been completed. In accordance with applicable SEC rules, the values presented in the table for these OPP and LTPP Units are calculated based on our year-end Share price as if the performance, converting and redemption conditions for these units had been met as of that date.

Severance and Change of Control Arrangements

Of our Named Executive Officers, each of Messrs. Franco, Chera, Langer and Weiss has an employment agreement that provides for certain payments in the event of a termination of employment, including one following a change of control. Neither Mr. Roth nor any of our Trustees has an employment agreement or other individual severance arrangement. Our omnibus share plans, which govern all of our equity-based awards and the related forms of equity award agreements, provide that equity awards do not vest automatically upon a change of control. In addition, our deferred compensation plans provide that all applicable deferred compensation is paid out to an executive or Trustee upon his or her departure from the Company. The Company does not maintain a retirement plan other than a 401(k) plan. In addition, upon the death or disability of an executive, that executive, or his or her estate, may be entitled to insurance benefits under policies with third parties maintained by us.

Our employment agreements are negotiated on a case-by-case basis. Generally, our agreements govern severance payments under the following circumstances: (1) termination of the employee for "cause"; (2) termination by the employee for "good reason" (such as breach of the employment agreement by the Company or, in certain cases, if a change of control occurs and the employee then decides to terminate his employment) or by the Company without "cause"; (3) termination following a disability; (4) termination due to death; and (5) in certain cases, termination upon retirement after the employee reaches the age of 65. Reference should be made to the actual employment agreements for the specific terms. Generally, however, on any termination, the applicable executive officer will receive his accrued and unpaid salary and other benefits until the date of termination. For "cause" terminations by the Company, the employee will not receive any additional payment. If the employee terminates his employment for "good reason" or the Company terminates his employment without "cause," the employee typically receives an additional payment (or payments over a specified period) that may vary from one year of salary and bonus to up to two years of salary and bonus. Generally, cash payments are in a lump sum other than in the case of termination on disability or death when the costs of benefits may be paid for a period of one to two years (depending upon the applicable executive's agreement). For terminations due to disability or death, an executive who has this provision in the applicable agreement typically receives between one year of salary or bonus and two years of salary and bonus. In certain cases, the employment agreements also provide for continued benefits for specified periods. Historically, severance payments following a change of control under employment agreements for our Named Executive Officers require that the change of control must occur and be followed by any termination of employment (for whatever reason) in order for there to be a payment. We believe that our current severance provisions appropriately achieve the benefits of ensuring the dedication of employees in connection with a change of control without providing for an automatic payment under the employment agreement for a change of control.

Our equity-based compensation awards are governed by the individual award agreements issued under our omnibus share plans. Generally, upon terminations of employment, no unvested awards are accelerated but employees are entitled to keep awards that have already vested if they exercise options or similar awards within specified periods after termination. In Mr. Franco's case, however, his employment agreement provides that on a termination by the Company without cause or by Mr. Franco with good reason, his unvested equity awards (other

than unearned performance units) then vest. Our forms of award agreements for annual equity awards provide that unvested equity awards vest following a change of control only if the applicable employee's employment is terminated by the Company without "cause" or by such employee with "good reason." We believe these vesting provisions for equity awards following a change of control are appropriate due to the change in the nature of the award caused by a change of control. In the case of retirement after the age of 65, options automatically vest and OPP Units and LTPP Units continue to vest on their original schedule subject to the applicable performance conditions. Beginning with awards granted in 2019, in the case of retirement (as defined above), Performance Conditioned AO LTIP Units, restricted shares and restricted units continue to vest on their original schedule (subject to performance conditions, as applicable). In the case of a termination due to disability, options, Performance Conditioned AO LTIP Units, OPP Units and LTPP Units remain outstanding subject to actual performance, and in the case of death, all equity awards vest.

The information presented below reflects the estimated payments that each of our Named Executive Officers would have received under the employment termination scenarios set forth below (including following a change of control) if employment termination were to have occurred on December 31, 2022. In calculating the value of equity-based awards, the presentation uses a price per Share of \$20.81, the closing price of our Shares on the New York Stock Exchange on the last trading day in 2022. In addition, in estimating bonuses payable for the calculation of severance payments, we have used the actual bonuses paid in 2023 for 2022 performance (including, for these presentation purposes only, the value of all restricted units granted as a bonus in the first quarter of 2023). The actual amounts that would be paid on any termination of employment can only be determined at the time of any actual separation from the Company.

(1) Payments upon retirement from the Company are available to those Named Executive Officers who retire after reaching the age of 65. Mr. Roth would have qualified for retirement at December 31, 2022. Except as otherwise provided in these tables, no payments are due upon any other voluntary termination prior to retirement.

(2) Our annual award agreements provide that unvested grants of options and restricted units vest following a change of control only upon specified terminations of employment. These amounts do not include the value of equity that vests for those persons due to their retirement after the age of 65 as opposed to amounts payable solely due to a change of control.

(3) Severance amount is based on 42.75 years of service through December 31, 2022 with two weeks of salary and average bonus compensation payable for each year of service.

(4) Information presented as to the costs of benefits is based on an estimated total annual cost of benefits for such Named Executive Officer. In certain cases, continued benefits made available following a termination will be less than the total benefits currently payable.

Pay Versus Performance Table

The Company's compensation philosophy is to pay for performance over the long- and short-term taking into consideration a range of factors, including both financial and non-financial performance measures. We align executive and shareholder interests through a compensation program providing a mix of salary, annual cash bonus incentives, and equity compensation, as further described in the "Compensation Discussion and Analysis" section above.

As required by SEC rules, the table below shows the following information for the past three fiscal years: (i) "total" compensation for our named executive officers (NEOs) for purposes of the "Summary Compensation Table"; (ii) the "Compensation Actually Paid" to named executive officers (calculated using rules required by the SEC); (iii) our total shareholder return (TSR); (iv) the TSR of the NAREIT All Equity Index; (v) our net income; and (vi) our FFO as adjusted per share. "Compensation Actually Paid" does not represent the value of cash and equity compensation received by named executive officers during the year, but rather is an amount calculated under SEC rules and includes, among other things, year-over-year changes in the value of unvested equity-based awards. As a result of the calculation methodology required by SEC rules, "Compensation Actually Paid" amounts below differ from compensation actually received by the individuals above and the compensation decisions described in the "Compensation Discussion and Analysis" section above.

Pay Ratio Disclosure Rule

In August 2015, pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, the SEC adopted a rule requiring annual disclosure of the ratio of the median employee's annual total compensation to the total annual compensation of the principal executive officer ("PEO"). The Company's PEO is Mr. Roth. Pursuant to the SEC rules, we determined a "Median Employee" and compared such employee's total annual compensation to that of Mr. Roth. For purposes of this ratio, we calculated the annual total compensation of each of the Median Employee and Mr. Roth in accordance with the methodology that we use to calculate total compensation for purposes of the Summary Compensation Table. As of December 31, 2022, the Company employed 3,146 persons of which 2,622 persons are employed by BMS, our cleaning and maintenance services business ("BMS Employees"). The applicable information is set forth below:

| | |
|--|-------------|
| Median Employee total annual compensation | \$ 75,267 |
| Median Employee (excluding BMS Employees) total annual compensation | \$ 116,570 |
| Mr. Roth ("PEO") total annual compensation | \$9,929,707 |
| Ratio of PEO to Median Employee Compensation | 132:1 |
| Ratio of PEO to Median Employee Compensation (excluding BMS Employees) | 85:1 |

In determining the median employee, we prepared a listing of all employees as of December 31, 2022. Employees on leave of absence or persons on furlough as of December 31, 2022 were excluded from the list and wages and salaries were annualized for those permanent employees who were not employed for the full year of 2022. The median employee was selected from the annualized list.

COMPENSATION OF TRUSTEES

Trustees who are not officers of the Company receive an annual retainer. During 2022, Mr. Roth received no compensation for his service as a Trustee. Non-management members of the Board are compensated as follows: (1) each such member receives an annual cash retainer equal to \$75,000; (2) each such member receives an annual grant of restricted shares or restricted units with a value equal to \$175,000 (not to be sold while such member is a Trustee, except in certain circumstances); (3) the Lead Independent Trustee receives an additional annual cash retainer of \$75,000; (4) the Audit Committee Chair receives an additional annual cash retainer of \$50,000 and other Audit Committee members each receive an annual cash retainer of \$25,000; and (5) the Chair and members of all other committees (other than the Executive Committee) each receive an additional annual cash retainer of \$30,000 and \$5,000, respectively.

The following table sets forth the compensation that was earned or paid in 2022 for the non-management members of our Board.

(1) The amounts presented in this column reflect the grant date fair value of equity awards (calculated pursuant to FASB ASC Topic 718) granted in 2022. The grant date fair value is the amount we would expense in our consolidated financial statements over the award's anticipated vesting schedule. These amounts differ from that set forth in the first introductory paragraph above as that amount is based on the market price for our Shares on the date of grant. For additional information on our value assumptions, refer to footnote 14 of our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2022 as filed with the SEC. Dividends are paid on both the vested and unvested portion of Restricted Share and Restricted Unit awards. For information concerning the aggregate equity awarded to non-management Trustees under our omnibus share plans, see Note 7 to the Principal Security Holders table.

(2) Mr. McGuire was elected as a Trustee on March 31, 2022. Fees paid in cash include his partial year of service. Mr. McGuire's Share/Unit Awards include a one-time grant of restricted equity with a value on the date of grant of \$196,775 in connection with him joining the Board.

(3) Represents the incremental cost of secretarial services and office space provided to Mr. Fascitelli at one of our properties.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee grants awards under the Company's omnibus share plans and makes all other executive compensation determinations. Mr. Roth is the only officer or employee of the Company who is also a member of the Board. There are no interlocking relationships involving the Board which require disclosure under the executive compensation rules of the SEC.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval of Related Person Transactions

We review all relationships and transactions in which we and our significant shareholders, Trustees and our executive officers or their respective immediate family members are participants (including transactions required to be disclosed under Item 404 of Regulation S-K) to determine whether such persons have a direct or indirect material interest in the transaction. Our policy (as set forth in our Code of Business Conduct and Ethics) is to determine whether such an interest exists, applying the standards set forth in Item 404 of Regulation S-K and our Corporate Governance Guidelines. Our legal and financial staff is primarily responsible for the development and implementation of processes and controls to obtain information from our significant shareholders, Trustees and our executive officers with respect to related person transactions and for then determining, based on the facts and circumstances, whether we or a related person has a direct or indirect material interest in the transaction. As required under SEC rules, transactions that are determined to be directly or indirectly material to the Company or a related person are disclosed in this proxy statement. We also disclose transactions or categories of transactions we consider in determining that a Trustee is independent. In addition, our Audit Committee and/or our Corporate Governance and Nominating Committee reviews and, if appropriate, approves or ratifies any related person transaction that is required to be disclosed. These committees, in the course of their review of a disclosable related-party transaction, consider: (1) the nature of the related person's interest in the transaction; (2) the material terms of the transaction; (3) the importance of the transaction to the related person; (4) the importance of the transaction to the Company; (5) whether the transaction would impair the judgment of a Trustee or executive officer to act in the best interest of the Company; and (6) any other matters these committees deem appropriate.

Transactions Involving Interstate Properties

As of March 20, 2023, Interstate and its partners collectively beneficially owned approximately 7% of our outstanding Shares and approximately 26% of Alexander's outstanding common stock. Interstate is a general partnership in which Steven Roth, David M. Mandelbaum and Russell B. Wight, Jr. are the partners. Mr. Roth is Chairman of the Board and Chief Executive Officer of the Company, the Managing General Partner of Interstate, and the Chairman of the Board of Directors and Chief Executive Officer of Alexander's. Messrs. Mandelbaum and Wight are Trustees of the Company and also directors of Alexander's.

We manage and lease the real estate assets of Interstate pursuant to a management agreement for which we receive an annual fee equal to 4% of annual base rent and percentage rent. The management agreement has a term of one year and automatically renews unless terminated by either of the parties on 60 days' notice at the end of the term. We believe, based upon comparable fees charged by other real estate companies, that the terms are fair to us. We earned \$204,000 in management fees under the agreement for the year ended December 31, 2022.

Transactions Involving Alexander's

As of March 20, 2023, Interstate and its three general partners—Steven Roth (Chairman of the Board and Chief Executive Officer of the Company and Chairman of the Board of Directors and Chief Executive Officer of Alexander's), David M. Mandelbaum (a Trustee of the Company and director of Alexander's) and Russell B. Wight, Jr. (a Trustee of the Company and director of Alexander's)—beneficially owned approximately 7% of our outstanding Shares and approximately 26% of Alexander's outstanding common stock. The Company beneficially owns approximately 32% of the outstanding common stock of Alexander's. Ms. Puri, our trustee, also serves as a director of Alexander's.

We manage, develop and lease Alexander's properties pursuant to the agreements described below, which expire in March of each year and renew automatically.

Management and Development Agreements. Pursuant to our management and development agreement with Alexander's, we receive an annual fee for managing Alexander's and all of its properties equal to the sum of (i) \$2,800,000, (ii) 2% of the gross revenue from the Rego Park II Shopping Center, (iii) \$0.50 per square foot of the tenant-occupied office and retail space at 731 Lexington Avenue, and (iv) \$354,000, escalating at 3% per annum, for managing the common area of 731 Lexington Avenue.

In addition, we are entitled to a development fee of 6% of development costs, as defined.

Leasing and Other Agreements. We provide Alexander's with leasing services for a fee of 3% of rent for the first ten years of a lease term, 2% of rent for the eleventh through the twentieth year of a lease term, and 1% of rent for the twenty-first through thirtieth year of a lease term, subject to the payment of rents by Alexander's tenants. In the event that third-party real estate brokers are used, our leasing fee increases by 1% and we are responsible for the fees to the third-party real estate brokers. We are also entitled to a commission upon the sale of any of Alexander's assets of 3% of gross proceeds, as defined, for asset sales of less than \$50,000,000, or 1% of gross proceeds, as defined, for asset sales of \$50,000,000 or more.

Other Agreements. BMS, our wholly-owned subsidiary supervises (i) the cleaning, engineering and security services at Alexander's 731 Lexington Avenue property and (ii) security services at Alexander's Rego Park I, Rego Park II properties and The Alexander apartment tower.

During the year ended December 31, 2022, Alexander's incurred \$2,800,000 in management fees, \$3,000 in development fees, \$1,378,000 in leasing fees and \$5,912,000 for property management and other fees under its agreements with the Company and/or BMS.

At December 31, 2022, Alexander's owed the Company (i) \$742,000 for management, property management, cleaning, engineering and security fees, and (ii) \$59,000 for leasing fees.

Certain Other Transactions or Relationships

With respect to our building at 888 Seventh Avenue, we are the lessee under a ground lease that expires in 2067, assuming all renewal options are exercised. The lessor under the ground lease is a limited liability company that is owned by several members, some of which include trusts for the benefit of the family of Mr. David M. Mandelbaum (one of our Trustees), his children, his brother, his sister and his sister's family. Mr. Mandelbaum has no voting or pecuniary interest in these trusts or in the ground lease. The underlying fee property was purchased by the parents of Mr. Mandelbaum in 1961 and placed into trusts at that time for the benefit of their children and grandchildren. Since 1961, this property has been owned 20% by these trusts and, when the trusts expired, descendants of Mr. Mandelbaum's parents. The remaining 80% of the limited liability company is owned by two unrelated families. One family owns 55% of the limited liability company and is its managing member. Mr. Mandelbaum's personal interest in the property is an indirect 2.66% interest. We acquired the building at 888 Seventh Avenue (and the tenant's interest under the ground lease) from an unrelated party in 1998. The limited liability company owning the ground receives under the ground lease an aggregate payment of \$3,350,000 per year in rent.

In 2022, Mr. Mandelbaum's spouse and his brother collectively paid approximately \$175,000 in condominium fees with respect to their apartments at 220 Central Park South, a Vornado development.

Our property, Wayne Town Center, is subject to a ground lease owned by members of David M. Mandelbaum's family or trusts for their benefit. The rent on the ground lease in 2022 was \$5,047,657 and increases by the greater of CPI or 6% per year. Mr. Mandelbaum has no direct voting or pecuniary interest in these trusts or in the ground lease.

Steven Roth, our Chairman and Chief Executive Officer, also serves as a member of the Board of Trustees of Urban Edge Properties, a former affiliate of the Company until its 2023 annual meeting, and, until May 2021, Mr. Roth also served as Chairman of the Board of Directors of JBG Smith Properties, a former affiliate of the Company.

Daryl Roth Productions Ltd., owned by Mr. Roth's family, is also a tenant at our building at 888 Seventh Avenue in New York City pursuant to a lease at market terms. Pursuant to the lease, during 2022, Daryl Roth Productions paid rent of \$464,161. In addition, Daryl Roth Productions paid \$58,275 to Vornado in 2022 for information technology services.

During 2022, the Company reimbursed a company owned by Mr. Roth \$125,420 for the use, for Company-business purposes, of an airplane owned by such company. In 2023, the Company made an additional payment of \$147,008 to the company owned by Mr. Roth in respect of use of such airplane by Mr. Chera during 2022 for Mr. Chera's personal use to provide transportation to receive medical treatments.

We provide various services to the Manhattan High Street and Times Square Joint Venture in accordance with management, development, leasing and other agreements. Haim Chera, Executive Vice President—Head of

Retail, has an investment in Crown Acquisitions Inc. and Crown Retail Services LLC (collectively, "Crown"), companies controlled by Mr. Chera's family. Crown has a nominal minority interest in our Manhattan High Street and Times Square JV. Crown also has an approximately 10% interest in our 697-703 Fifth Avenue property. Additionally, we have other investments with Crown. In addition, Mr. Chera is the guarantor on a residential lease pursuant to which Mr. Chera's son leased a residential apartment from us on market terms. Pursuant to the lease, Mr. Chera's son paid aggregate rent of \$143,000 in 2022.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee's purposes are to: (i) assist the Board of Trustees (the "Board of Trustees" or the "Board") of Vornado Realty Trust, a Maryland real estate investment trust (the "Company"), in its oversight of (a) the integrity of the Company's financial statements, (b) the Company's compliance with legal and regulatory requirements, (c) the qualifications and independence of the Company's independent registered public accounting firm, and (d) the performance of the Company's independent registered public accounting firm and the Company's internal audit function; and (ii) prepare an Audit Committee report as required by the Securities and Exchange Commission (the "SEC") for inclusion in the Company's annual proxy statement. The function of the Audit Committee is oversight. The Board of Trustees, in its business judgment and upon the recommendation of the Corporate Governance and Nominating Committee of the Board, has determined that all members of the Audit Committee are "independent," as required by applicable listing standards of the New York Stock Exchange (the "NYSE"), as currently in effect, and in accordance with the rules and regulations promulgated by the SEC. The Board of Trustees has also determined that each member of the Audit Committee is financially literate and has accounting or related financial management expertise, as such qualifications are defined under the rules of the NYSE and that each of Ms. Puri and Mr. Tisch is an "audit committee financial expert" within the meaning of the rules of the SEC. The Audit Committee operates pursuant to an Audit Committee Charter.

Management is responsible for the preparation, presentation and integrity of the Company's financial statements and for the establishment and effectiveness of internal control over financial reporting, and for maintaining appropriate accounting and financial reporting principles and policies and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm, Deloitte & Touche LLP, is responsible for planning and carrying out a proper audit of the Company's annual financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) ("PCAOB"), expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles and auditing the effectiveness of internal control over financial reporting.

In performing its oversight role, the Audit Committee has considered and discussed the audited consolidated financial statements with management and Deloitte & Touche LLP. The Audit Committee has also discussed with Deloitte & Touche LLP the matters required to be discussed by PCAOB Auditing Standard No. 16, *Communications with Audit Committees*. The Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by PCAOB Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence*. The Audit Committee has also discussed with the independent registered public accounting firm its independence. The independent registered public accounting firm has free access to the Audit Committee to discuss any matters the firm deems appropriate.

Based on the reports and discussions described in the preceding paragraph and subject to the limitations on the role and responsibilities of the Audit Committee referred to below and in the Audit Committee Charter in effect during 2022, the Audit Committee recommended to the Board of Trustees that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2022.

Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's consolidated financial statements has been carried out in accordance with the auditing standards of the PCAOB, that the consolidated financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that Deloitte & Touche LLP is in fact "independent" or the effectiveness of the Company's internal controls.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu and their respective affiliates (collectively, the "Deloitte Entities") have been the Company's independent registered public accounting firm since 1976. The Audit Committee selected Deloitte & Touche LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2023. Among other matters, the Audit Committee concluded that current requirements for audit partner rotation, limitation of services and other regulations affecting the audit engagement process substantially assist in supporting auditor independence. As a matter of good corporate governance, the Audit Committee has determined to submit its selection to shareholders for ratification. In the event that this selection of an independent registered public accounting firm is not ratified by the affirmative vote of a majority of the votes cast on the proposal, the Audit Committee will review its future selection of an independent registered public accounting firm but will retain all rights of selection.

Even if the selection of the Deloitte Entities is ratified at the Annual Meeting, the Audit Committee, in its discretion, may change the appointment at any time during the year.

We expect that representatives of the Deloitte Entities will be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Audit Fees

The aggregate fees billed by the Deloitte Entities for the years ended December 31, 2022 and 2021, for professional services rendered for the audits of the Company's annual consolidated financial statements included in the Company's Annual Reports on Form 10-K, for the reviews of the consolidated interim financial statements included in the Company's Quarterly Reports on Form 10-Q and reviews of other filings or registration statements under the Securities Act of 1933, as amended, and Securities Exchange Act during those fiscal years were \$2,779,000 and \$2,637,000, respectively.

Audit-Related Fees

The aggregate fees billed by the Deloitte Entities for the years ended December 31, 2022 and 2021 for professional services rendered that are related to the performance of the audits or reviews of the Company's consolidated financial statements which are not reported above under "Audit Fees" were \$1,578,000 and \$1,791,000, respectively. "Audit-Related Fees" generally includes fees for stand-alone audits of subsidiaries.

Tax Fees

The aggregate fees billed by the Deloitte Entities for the years ended December 31, 2022 and 2021 for professional services rendered for tax compliance, tax advice and tax planning were \$1,284,000 and \$1,166,000, respectively. "Tax Fees" generally include fees for tax consultations regarding return preparation and REIT tax law compliance.

All Other Fees

Other than those described above under "Audit Fees," "Audit-Related Fees" and "Tax Fees," there were no other fees billed by the Deloitte Entities for the years ended December 31, 2022 and 2021.

Pre-Approval Policies and Procedures

In May 2003, the Audit Committee established a policy of reviewing and approving engagement letters with the Deloitte Entities for the services described above under "Audit Fees" before the provision of those services commences. For all other services, the Audit Committee has detailed policies and procedures pursuant to which it has pre-approved the use of the Deloitte Entities for specific services for which the Audit Committee has set an aggregate quarterly limit of \$250,000 on the amount of other services that the Deloitte Entities can provide the Company. Any services not specified that exceed the quarterly limit, or which would cause the amount of total other services provided by the Deloitte Entities to exceed the quarterly limit, must be approved by the Audit Committee Chairman before the provision of such services commences. The Audit Committee also requires

management to provide it with regular quarterly reports of the amount of services provided by the Deloitte Entities. Since the adoption of such policies and procedures, all of such fees were approved by the Audit Committee in accordance therewith.

The Board of Trustees recommends that you vote “FOR” the ratification of the appointment of Deloitte & Touche LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2023.

The affirmative vote of holders of a majority of the votes cast on this proposal at the Annual Meeting, assuming a quorum is present, is required for its approval. Because banks, brokers and other nominees are entitled to vote on this matter in their discretion if they do not receive instructions from the applicable beneficial owner of Shares, we do not expect there to be any broker non-votes on this proposal. Abstentions will not be counted as votes cast and will have no effect on the result of this vote.

PROPOSAL 3: NON-BINDING, ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION

The Compensation Discussion and Analysis section appearing earlier in this proxy statement describes our executive compensation program and the compensation decisions made by the Compensation Committee in or for 2022 with respect to our Chief Executive Officer and other officers named in the Summary Compensation Table (whom we refer to as the “Named Executive Officers”). In accordance with the rules and regulations of the SEC, the Board of Trustees is asking shareholders to vote for the following non-binding, advisory resolution:

Advisory Resolution on Executive Compensation

Proposal: That the shareholders of Vornado Realty Trust (the “Company”) approve, by a non-binding, advisory resolution, the compensation of the Company’s executive officers named in the Summary Compensation Table, as disclosed in the proxy statement for this Annual Meeting pursuant to the compensation disclosure rules of the Securities and Exchange Commission (which disclosure includes the Compensation Discussion and Analysis, the tables and the related footnotes and narrative accompanying the tables contained in our “Executive Compensation” section).

Supporting Statement: In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, our shareholders have the opportunity to vote to approve, on an advisory and non-binding basis, the compensation of our Named Executive Officers. At our 2017 Annual Meeting of Shareholders, our shareholders elected, via an affirmative vote of a majority of all votes cast on the matter, to hold such non-binding, advisory votes on executive compensation on an annual basis, and, accordingly, we have elected to continue to annually hold an advisory vote on the compensation of our Named Executive Officers.

Our executive compensation programs are described in detail in this proxy statement in the section titled “Compensation Discussion and Analysis,” the accompanying tables and the related narrative disclosure in this Proxy Statement. These programs are designed to attract and retain talented individuals who possess the skills and expertise necessary to lead Vornado and to promote our business objectives while aligning the interests of the Named Executive Officers with our shareholders to enhance positive financial results. The Compensation Committee regularly assesses all elements of the compensation paid to our Named Executive Officers.

The results of this advisory vote are not binding on the Compensation Committee, the Company or our Board of Trustees. Nevertheless, our Board of Trustees values input from our shareholders and will consider carefully the results of this vote when making future decisions concerning executive compensation.

The Board of Trustees unanimously recommends a vote “FOR” the non-binding, advisory resolution on executive compensation.

The affirmative vote of a majority of the votes cast on this proposal at the Annual Meeting, assuming a quorum is present, is necessary to approve, on an advisory basis, the compensation of our Named Executive Officers. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of this vote.

PROPOSAL 4: NON-BINDING, ADVISORY RESOLUTION ON THE FREQUENCY OF EXECUTIVE COMPENSATION ADVISORY VOTES

In Proposal 3, shareholders are being asked to cast a non-binding, advisory vote with respect to the compensation of the Company's executive officers named in the Summary Compensation Table. In this Proposal 4, as required by the rules and regulations of the SEC, the Board of Trustees is asking shareholders to cast a non-binding, advisory vote on how frequently such votes with respect to executive compensation should be held in the future. Shareholders will be able to cast their votes on whether to hold votes with respect to executive compensation every one, two or three years. Alternatively, you may abstain from casting a vote. This advisory vote is not binding on the Board.

Advisory Resolution on Frequency of Executive Compensation

Proposal: That the shareholders of Vornado Realty Trust recommend, by a non-binding, advisory vote, whether a non-binding, advisory shareholder vote to approve the compensation of the Company's named executive officers should occur every one, two or three years.

Board of Trustees Statement: After careful consideration, our Board of Trustees has determined that an advisory vote on executive compensation that occurs every year is the most appropriate for our Company.

The Board of Trustees unanimously recommends a vote for the option of "1 YEAR" as the frequency with which shareholders are provided a non-binding, advisory vote on executive compensation.

The option of one, two or three years receiving the affirmative vote of a majority of all the votes cast on this proposal at the Annual Meeting, assuming a quorum is present, will be considered the frequency recommended by shareholders. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. Shareholder approval of this proposal is not binding upon the Board of Trustees. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of this vote.

PROPOSAL 5: APPROVAL OF THE COMPANY'S 2023 OMNIBUS SHARE PLAN

The Board of Trustees is asking the Company's shareholders to approve the 2023 Omnibus Share Plan of Vornado Realty Trust (the "2023 Omnibus Share Plan" or the "2023 Plan"). The 2023 Omnibus Share Plan is intended to supersede and replace the Company's 2019 Omnibus Share Plan (the "2019 Plan") that is currently in effect. If the 2023 Plan is approved, upon such approval, no additional awards will be made under the 2019 Plan, but the terms and conditions of any outstanding awards granted under the 2019 Plan will not be affected. If the 2023 Plan is not approved by shareholders, no awards will be made under the 2023 Plan, the 2023 Plan will be null and void in its entirety, and the 2019 Plan will remain in full force and effect in accordance with its terms and conditions.

The Board of Trustees has determined that it is in the best interests of the Company to adopt the 2023 Plan, which was unanimously approved by the Board on February 9, 2023. Including the number of Shares remaining available under the 2019 Plan as of April 5, 2023, which was approximately 2.8 million full value Shares, the 2023 Plan provides for the issuance of equity-based awards covering up to 10,800,000 Shares if all awards were full value awards (restricted stock and full value restricted units) or 21,600,000 Shares if all awards were not full value awards (awards that require the grantee to pay an exercise or conversion price or otherwise do not deliver the full value of the underlying Share or underlying OP Unit).

The Board of Trustees believes that the maximum of 10,800,000 full value Share awards that would be available for grant under the 2023 Plan would provide sufficient Shares for equity-based compensation needs of the Company from May 2023 through the 2027 annual shareholder meeting, subject to headcount growth and any unexpected factors. This estimate is based on our recent usage of equity-based awards and growth estimates and is adjusted upward to allow for any one-time performance-based awards that the Board or Compensation Committee may determine to grant in the future to retain and incentivize Company employees, the potential that performance-based awards may be earned above target goals and for flexibility around the types of equity-based awards that may be used. The Company may determine to utilize a substantial portion of Shares available under the 2023 Plan (if adopted by Shareholders), to make one-time grants to certain Company employees, including non-NEOs, for retention purposes and in order to align such employees' with shareholder returns. While the Compensation Committee has not made any determinations regarding the size or structure of any such awards, and the Compensation Committee may determine not to grant such awards, our current expectation is that awards will be comprised of a mix of time-based and performance-based awards (including tied to operational performance) and a large portion will be performance-based awards that will be linked to total shareholder returns. The actual structure of any awards could be materially different from the description above.

As of April 5, 2023, approximately 2.8 million full value Shares remained available for issuance under the 2019 Plan, which, based on the analysis above and our "burn rate" discussed below and retention considerations, we believe to be sufficient to continue our current grant practices for no more than approximately one year. Running out of capacity to grant additional equity-based compensation, could have significant negative consequences and could, among other things, inhibit our ability to align employees' interests with those of shareholders through equity-based compensation and impede our ability to attract and retain talent.

Therefore, the Board of Trustees urges you to vote to approve the 2023 Plan.

Features of the 2023 Omnibus Share Plan

- *No Evergreen or Liberal Share Recycling Provisions.* The 2023 Plan does not contain an evergreen provision and authorizes a fixed number of Shares available for grant. Shares tendered by a participant or withheld by the Company in payment of the exercise price or consideration required to be paid, or to satisfy any tax withholding obligation, with respect to an award are not available for future awards.
- *No Discounted Awards or Repricings* The exercise price per Share of options and stock appreciation rights may not be less than the fair market value of a Share on the grant date and options and stock appreciation rights may not be repriced without shareholder approval.
- *Clawback, Equity Ownership and Anti-Hedging Policies.* Awards under the 2023 Plan will be subject to our policies, including our clawback policy, equity ownership guidelines and anti-hedging policy.
- *One-year Minimum Vesting for all Award Types.* Subject to acceleration of vesting for certain events and for certain grants to retirement eligible employees to the extent permitted under the 2023 Plan, awards are subject to a minimum of one-year vesting with a limited exception that up to five percent of available Shares may be subject to awards without this minimum vesting period.

Burn Rate and Overhang

The Company's historical share usage under its equity compensation plans (sometimes referred to as "burn rate") and the potential dilution of the Company's shareholders that could occur as a result of the Company's equity plans (sometimes referred to as "overhang") are summarized below.

Burn Rate. The following table sets forth information regarding awards granted and earned, the "burn rate" for each of the last three fiscal years and the average burn rate over the last three years.

| | 2020 | 2021 | 2022 | Average |
|--|-------------|-------------|------------------|-------------|
| (a) Time-based restricted stock/units granted ⁽¹⁾ | 546,600 | 816,019 | 501,169 | 621,263 |
| (b) Performance-based Units earned in the respective years | — | — | — ⁽³⁾ | — |
| (c) Options/AO LTIP Units granted to employees ⁽¹⁾ | 206,753 | — | — | 68,918 |
| (d) Net increase in diluted shares due to equity awards (a+b+c) ⁽¹⁾ | 753,353 | 816,019 | 501,169 | 690,180 |
| (e) Weighted-average shares outstanding | 191,146,220 | 191,551,085 | 191,774,873 | 191,490,726 |
| (f) Burn rate (d/e) ⁽²⁾ | 0.39% | 0.43% | 0.26% | 0.36% |

(1) Reflects the gross maximum number of Shares underlying awards granted during the respective year.

(2) Not adjusted for forfeitures, withholding and expirations, which would reduce the burn rate if taken into account.

(3) In April 2023, the Compensation Committee determined that 102,366 LTPP Units were initially earned with respect to the operational component of the 2022 LTPP. These units are not reflected in the table above.

Share Overhang. Based on the calculations set forth below, the total potential dilution or “overhang” resulting from the 10.8 million shares that would be available for grant following adoption of the 2023 Plan, would be 5.63% based on our basic Shares outstanding, or 5.23% based on the diluted Shares outstanding, as of April 5, 2023. Taking into account Shares underlying outstanding awards under the 2010 and 2019 Omnibus Share Plans, the dilution rate would be 8.79% or 8.16% on a basic and diluted basis, respectively.

We believe that shareholders should evaluate the “share overhang” or dilution rate, based on the number of Shares available under the 2023 plan (as calculated in rows (i) and (j) below) without taking into account the Shares underlying outstanding awards under the 2010 and 2019 Omnibus Share Plans because such awards are already outstanding regardless of adoption of the 2023 Plan.

In addition, we believe that shareholders should evaluate the “share overhang” or dilution rate, as set forth in the table below, using 10,800,000 shares available under the 2023 Plan (row (a)) which represents the maximum amount of Full-Value shares that would be available under the 2023 Plan, rather than using the 21,600,000 number of options that are available under the 2023 Plan (representing two times the amount of full-value shares available) given that option awards require the holder to pay an exercise to the Company based on the grant date Share price.

| | | |
|-----|---|-------------|
| (a) | Shares available under the 2023 Plan | 10,800,000 |
| (b) | Shares underlying outstanding awards under the 2010 and 2019 Omnibus Share Plans ⁽¹⁾ | 6,070,183 |
| (c) | Shares remaining available under the 2010 and 2019 Omnibus Share Plans (upon adoption of the 2023 Omnibus Share Plan) | — |
| (d) | Total Shares authorized for or outstanding under equity awards (a+b+c) | 16,870,189 |
| (e) | Common shares outstanding | 191,880,615 |
| (f) | Diluted Shares outstanding | 206,698,025 |
| (g) | Overhang of Total Shares authorized for or outstanding under equity awards per basic common shares outstanding (d/e) | 8.79% |
| (h) | Overhang per diluted common shares outstanding (d/f) | 8.16% |
| (i) | Overhang of Shares available under the 2023 Plan per basic common shares outstanding (a/e) | 5.63% |
| (j) | Overhang of Shares available under the 2023 Plan per diluted common shares outstanding (a/f) | 5.23% |

(1) Shares underlying outstanding awards include 367,374 stock options and AO LTIP Units. The weighted average strike price for these awards is \$64.22 and the average remaining term is 5.15 years. In addition, there are awards of 5,702,809 shares and units outstanding, of which 2,140,276 are performance-based awards.

SUMMARY OF THE 2023 OMNIBUS SHARE PLAN

A copy of the full text of the 2023 Plan is attached as Annex A to this proxy statement and the summary below of the 2023 Plan is qualified in its entirety by reference to the text of the 2023 Plan. For additional information regarding equity-based compensation granted to our Named Executive Officers in 2022, see “Compensation Discussion and Analysis.”

Purpose

The purpose of the 2023 Plan is to promote the interests of the Company by encouraging its employees and the employees of its subsidiaries, including officers (together, the “Employees”), its non-employee trustees and non-employee directors of its subsidiaries (together, the “Non-Employee Trustees”) and certain non-employee advisors and consultants that provide bona fide services to the Company or its subsidiaries (together, the “Consultants”) to acquire an ownership position in the Company, enhancing its ability to attract and retain Employees, Non-Employee Trustees and Consultants of outstanding ability and providing such Employees, Non-Employee Trustees and Consultants with a way to acquire or increase their proprietary interest in the Company’s success and to further align the interests of Employees, Non-Employee Trustees and Consultants with shareholders.

Overview

Under the 2023 Plan, eligible participants may be granted awards of stock options, stock appreciation rights, performance shares, restricted stock, other stock-based awards (including the grant or offer for sale of unrestricted Shares) and limited partnership units (“OP Units”) of Vornado Realty L.P. (or any successor entity), the entity through which the Company conducts substantially all its business (including appreciation-only OP Units). Awards of performance shares, restricted stock and other stock-based awards may provide the holder with dividends or dividend equivalents and voting rights prior to vesting. If dividends or dividend equivalents are granted, dividend and dividend equivalents will be paid to the holder at the same time as the Company pays dividends to holders of the Company’s Shares but not less than annually. Notwithstanding the foregoing, a holder’s right to dividends and dividend equivalent payments in the case of an award that is subject to performance-based conditions will be treated as unvested so long as the performance conditions have not been met, and any such dividend equivalent payments that would otherwise have been paid during the performance period will instead be accumulated and paid within 30 days following the date on which such award is determined by the Company to have been earned.

Shares Available for Grant under the 2023 Plan

Subject to adjustment as described below, awards may be granted under the 2023 Plan with respect to a maximum of 10,800,000 Share Equivalents (as defined below), which, in accordance with the share counting provisions of the 2023 Plan, would result in the issuance of up to a maximum of 10,800,000 Shares if all awards granted under the 2023 Plan were Full Value Awards (as defined below) and 21,600,000 Shares if all of the awards granted under the 2023 Plan were Not Full Value Awards (as defined below) (which includes approximately 2.8 million Shares remaining under the 2019 Plan on April 5, 2023). “Share Equivalents” are the measuring unit for determining the number of Shares that may be subject to awards.

The 2023 Plan is commonly referred to as a fungible unit plan. Restricted shares, restricted units or other securities that have a value equivalent to a full Share are referred to as “Full Value Awards.” Securities such as options, appreciation-only OP Units or stock appreciation rights that require the grantee to pay an exercise or conversion price or otherwise do not deliver the full value of the underlying Share or underlying OP Unit due to the deduction of a strike price are referred to as “Not Full Value Awards.” When a grant is made under the 2023 Plan, we will reduce the number of Share Equivalents available under the 2023 Plan (1) one Share Equivalent for each Share awarded pursuant to an award that is a Full Value Award and (2) one-half a Share Equivalent for each Share awarded pursuant to an award that is a Not Full Value Award, such that a Share underlying a Full Value Award reduces the number of Share Equivalents available under the 2023 Plan by double the number that a Share underlying a Non-Full Value Award would. This means, for instance, if we were to award only restricted shares under the 2023 Plan, we could award 10,800,000 restricted shares. On the other hand, if we were to award only options under the 2023 Plan, we could award options to purchase 21,600,000 Shares (at the applicable exercise price). We also could issue any combination of the foregoing (or of other securities available under the 2023 Plan) with the reductions in availability to be made in accordance with the foregoing ratios.

If any award granted under the 2023 Plan expires or is forfeited, terminated or cancelled, or is paid in cash in lieu of Shares, then the Shares underlying any such award will again become available for grant under the 2023 Plan in an amount equal to one Share Equivalent for each Share that is subject to a Full Value Award and by one-half Share Equivalent for each Share that is subject to an award that is a Not Full Value Award, in each case, at the time such award expires or is forfeited, terminated or cancelled. Awards that are settled in cash do not affect the number of Share Equivalents available for awards under the 2023 Plan to the extent paid or settled in cash.

The number of Share Equivalents available under the 2023 Plan will be reduced (1) upon the exercise of a stock option, appreciation-only OP Unit or a stock appreciation right by one-half of the gross number of Shares for which the award is exercised even if the award is exercised by means of a net-settlement exercise procedure or if Shares are withheld to satisfy any tax withholding obligation and (2) by one Share for each Share withheld to satisfy any tax withholding obligation with respect to any Full Value Award. Awards issued or assumed under the 2023 Plan in connection with any merger, consolidation, acquisition of property or stock, reorganization or similar transaction will not count against the number of Share Equivalents that may be granted under the 2023 Plan.

No more than 21,600,000 Shares (subject to adjustment as described below) may be issued upon the exercise of "incentive stock options" (within the meaning of Section 422 of the Internal Revenue Code) granted under the 2023 Plan.

Shares issued under the 2023 Plan would be authorized and unissued Shares. The fair market value of one Share on March 20, 2023 was \$14.61 per Share (the average of the high and low market price on the New York Stock Exchange on that date).

Estimate of Benefits

Because awards under the 2023 Plan are made on a discretionary basis by the Board or Compensation Committee, it is not possible to determine the benefits that will be received by our executive officers and other key employees. Information on our most recent equity awards is set forth under "Compensation Discussion and Analysis," "Executive Compensation" and "New Plan Benefits."

Adjustment of and Changes in Shares

In the event of any change in the outstanding Shares by reason of any share dividend or split, reverse split, reclassification, recapitalization, merger, consolidation, spinoff, combination or exchange of Shares or other corporate change, or any distributions to shareholders other than regular cash dividends (including, without limitation, a distribution of common or preferred shares of beneficial interest of the Trust), the Compensation Committee will make such substitution or adjustment, if any, as it deems equitable to (1) the kinds of common shares, preferred shares or other securities, and the number of Share Equivalents, for which awards may be granted under the 2023 Plan, (2) the number and kinds of Shares or other securities issued or reserved for issuance pursuant to outstanding awards and (3) the number and kinds of Shares or other common shares that can be issued through incentive stock options.

Administration

The 2023 Plan will be administered and interpreted by the Compensation Committee. The Compensation Committee is authorized to select Employees, Non-Employee Trustees and Consultants to receive awards, determine the type of awards to be made, determine the number of equity-based securities subject to any award and the other terms and conditions of such awards. Our Board of Trustees, in its sole discretion, also may grant awards or administer the 2023 Plan.

Eligibility

As of December 31, 2022, 560 Employees, 9 Non-Employee Trustees and 4 Consultants would have been eligible to participate in and receive awards under the 2023 Plan, if it had been adopted and effective at such time.

Transfer Restrictions

Awards are not assignable or transferable except by will or the laws of descent and distribution and no right or interest of any holder may be subject to any lien, obligation or liability of the holder. The Compensation Committee

may determine, at the time of grant or thereafter, that an award (other than stock options intended to be incentive stock options within the meaning of Section 422 of the Internal Revenue Code) is transferable by a holder to such holder's immediate family members (or trusts, partnerships or limited liability companies established for such immediate family members).

Clawback/Recoupment

Awards granted under the 2023 Plan will be subject to the requirement that the awards be forfeited or repaid to the Company after they have been distributed to the participant (i) to the extent set forth in an award agreement or (ii) to the extent covered by any clawback or recapture policy adopted by the Company from time to time, or any applicable laws that impose mandatory forfeiture or recoupment, under circumstances set forth in such applicable laws.

Term; Amendment and Termination

The 2023 Plan has a term through May 18, 2033, but any award granted prior to such date, and the Compensation Committee's authority to administer the terms of such awards, will remain in effect until the award is settled or lapses. The 2023 Plan will be effective, subject to its approval by the shareholders, as of the date of the approval by the requisite number of shareholders of the Trust at the 2023 Annual Meeting. The Compensation Committee may amend or terminate the 2023 Plan or any portion of the 2023 Plan at any time, except that no amendment may be made without shareholder approval if such amendment (i) would increase the maximum aggregate number of Shares that may be issued under the 2023 Plan, (ii) would materially expand the class of service providers eligible to participate in the 2023 Plan, (iii) would result in a material increase in the benefits accrued to participants under the 2023 Plan, (iv) would reduce the exercise or conversion price of outstanding stock options or stock appreciation rights or cancel outstanding stock options or stock appreciation rights in exchange for cash, other awards or stock options or stock appreciation rights with an exercise or conversion price that is less than the exercise or conversion price of the original stock options or stock appreciation rights or (v) requires shareholder approval to comply with any applicable laws, regulations or rules, including the rules of a securities exchange or self-regulatory agency. If there is a change in applicable tax law such that OP Units become taxable to the holder of such OP Units as ordinary income, the Operating Partnership, at any time in the sole discretion of the Company or the general partner of the Operating Partnership, may cause the OP Units to be restructured and/or substituted for other awards in a way that permits a tax deduction to the Operating Partnership or the Company while preserving substantially similar pre-tax economics to the holder of such OP Units.

Types of Awards

Operating Partnership Units

OP Units are valued by reference to the value of the underlying Shares to which such award relates. The employment conditions, the length of the period for vesting and other applicable conditions and restrictions of OP Unit awards, including computation of financial metrics and/or achievement of pre-established performance goals, are established by the Compensation Committee. Such OP Unit awards may provide the holder with dividend-equivalent rights prior to vesting.

Appreciation-Only OP Units (or AO LTIP Units).

"AO LTIP Units" are a class of OP Units that are intended to produce for holders a substantially similar non-tax economic effect as that of options. Each AO LTIP Unit is potentially convertible into Class A OP Units (each one of which is ultimately redeemable for one Share or cash at the option of the Company). Each AO LTIP Unit will be issued under the 2023 Plan and may be convertible for up to a period of 10 years from the date of grant. The employment conditions, the length of the period for vesting and other applicable conditions and restrictions of AO LTIP Unit awards, including computation of financial metrics and/or achievement of pre-established performance goals, are established by the Compensation Committee. On the date of grant, each AO LTIP Unit is awarded with a specified conversion price. That conversion price will never be lower (and may be significantly higher) than the price for one Share on the date of grant. Each AO LTIP Unit, on conversion, will be converted into such number of Class A OP Units that has a value equal to the excess of the closing price per Share on the date of conversion on the New York Stock Exchange over the specified conversion price. After a required two-year

holding period, those Class A OP Units, in turn, may be redeemable for Shares. Such AO LTIP Unit awards may provide the holder with dividend-equivalent rights prior to vesting.

Stock Options

Stock options entitle the holder to purchase the Company's Shares at a per Share price determined by the Compensation Committee, which in no event may be less than the fair market value of the Shares on the date of grant. Options may be either "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code or "non-qualified" stock options.

Stock options are exercisable for such period as is determined by the Compensation Committee, but in no event may options be exercisable after 10 years from the date of grant. The option price for Shares purchased upon the exercise of an option must be paid in full at the time of exercise and may be paid in cash, by tender of Shares, by such other consideration as the Compensation Committee deems appropriate or by a combination of cash, Shares and such other consideration. Like the 2019 Plan, the 2023 Plan does not provide for the grant of "reload stock options" (meaning, if a grantee were to pay the applicable exercise in Shares already owned, the grantee would automatically be granted a new option in the amount of the surrendered Shares).

Stock Appreciation Rights

Stock appreciation rights entitle the holder to receive from the Company an amount equal to the amount by which the fair market value of a Share on the date of exercise exceeds the grant price. The Compensation Committee will establish the grant price, which may not be less than the fair market value of the Shares on the date of grant and the term, which will not be more than 10 years from the date of grant. Stock appreciation rights may be granted in tandem with a stock option or in addition to a stock option or may be freestanding and unrelated to a stock option. The Compensation Committee is authorized to determine whether a stock appreciation right will be settled in cash, Shares or a combination thereof. Stock appreciation rights settled in cash will not reduce the number of Shares issuable under the 2023 Plan.

Performance Shares

Performance share awards consist of a grant of actual Shares or Share units having a value equal to an identical number of the Company's Shares in amounts determined by the Compensation Committee at the time of grant. Performance share awards consisting of actual Shares entitle the holder to receive Shares in an amount based upon performance conditions of the Company over a performance period as determined by the Compensation Committee at the time of grant. Such performance share awards may provide the holder with dividends and voting rights prior to vesting, subject to dividend accumulation until vested as described above. Performance share awards consisting of Share units entitle the holder to receive the value of such units in cash, Shares or a combination thereof based upon performance conditions and over a performance period as determined by the Compensation Committee at the time of grant.

Restricted Shares

Restricted share awards consist of a grant of actual Shares or Share units having a value equal to an identical number of Shares of the Company. Restricted share awards consisting of actual Shares entitle the holder to receive Shares of the Company. Such restricted share awards may provide the holder with dividends and voting rights prior to vesting. Restricted share awards consisting of Share units entitle the holder to receive the value of such units in cash, Shares or a combination thereof as determined by the Compensation Committee and may provide the holder with dividends. The employment or other conditions and the length of the period for vesting of restricted share awards are established by the Compensation Committee at the time of grant.

Other Stock-Based Awards

Other types of equity-based or equity-related awards, including the grant or offer for sale of unrestricted Shares, may be granted under such terms and conditions as may be determined by the Compensation Committee.

Vesting

The Compensation Committee will determine the time or times at which awards become vested, unrestricted or may be exercised, subject to the following limitations. Subject to accelerated vesting upon certain events that may

be specified in an award agreement, including upon an involuntary termination of employment or service, the occurrence of a change in control or a grantee's retirement, disability, hardship or death, (i) awards that are not Full Value Awards will not vest or be exercisable earlier than the first anniversary of the date on which such award is granted, (ii) time-based vesting awards of Full Value Awards will be subject to a minimum one-year vesting period and (iii) performance-based vesting awards of Full Value Awards will have a performance period that ends no earlier than the first anniversary of the commencement of the period over which performance is evaluated. Notwithstanding the foregoing, (x) a maximum of 5% of the maximum aggregate number of Share Equivalents available under the 2023 Plan in respect of awards and (y) Share Equivalents granted to retirement eligible grantees can be subject to awards without regard to the minimum vesting limits in the preceding sentence.

Change in Control

In the event of a change in control (as defined in the 2023 Plan), the Compensation Committee may take one or more of the following actions with respect to outstanding awards, in its sole discretion: (i) settle awards for an amount of cash or securities, where in the case of stock options and stock appreciation rights, the value of such amount, if any, will be equal to the in-the-money spread value of such awards; (ii) provide for the assumption of or the issuance of substitute awards; (iii) modify the terms of such awards to add events, conditions or circumstances upon which the vesting of such awards or lapse of restrictions thereon will accelerate; (iv) deem any performance conditions satisfied or provide for the performance conditions to continue (in accordance with their terms or as adjusted by the Compensation Committee) after the change in control or (v) provide that for a period of at least 20 days prior to the change in control, any stock options or stock appreciation rights that would not otherwise become exercisable prior to the change in control will be exercisable as to all Shares subject thereto (but any such exercise will be contingent upon and subject to the occurrence of the change in control) and that any stock options or stock appreciation rights not exercised prior to the consummation of the change in control will terminate.

Material U.S. Federal Income Tax Consequences of Awards

Below is a brief summary of the principal U.S. federal income tax consequences of awards under the 2023 Plan under current law. This summary is not intended to be exhaustive and does not describe, among other things, state, local or foreign income, withholding and payroll tax matters, and other tax consequences. The specific tax consequences to a participant will depend on that participant's individual circumstances.

Incentive Stock Options. Upon the grant or exercise of an incentive stock option, no income will be recognized by the optionee for federal income tax purposes (except as otherwise noted below with respect to the alternative minimum tax), and the Company will not be entitled to any deduction. If the Shares acquired upon exercise are not disposed of within the one-year period beginning on the date of the transfer of the Shares to the optionee, nor within the two-year period beginning on the date of the grant of the option, any gain or loss realized by the optionee upon the disposition of such Shares will be taxed as long-term capital gain or loss. In such event, no deduction will be allowed to the Company. If such Shares are disposed of within the periods referred to above, the excess of the fair market value of the Shares on the date of exercise (or, if less, the fair market value on the date of disposition, if the disposition is a sale or exchange with respect to which a loss, if sustained, would be recognized by the optionee) over the exercise price will be taxable as ordinary income to the optionee at the time of disposition, and the Company generally will be entitled to a corresponding deduction. The amount by which the fair market value of the Shares at the time of exercise of an incentive stock option exceeds the option price will constitute an item of tax preference that could subject the optionee to the alternative minimum tax. Whether the optionee will be subject to such tax depends on the facts and circumstances applicable to the individual.

Non-Qualified Stock Options. Upon the grant of a non-qualified stock option, no income will be realized by the optionee, and the Company will not be entitled to any deduction. Upon the exercise of such an option, the amount by which the fair market value of the Shares at the time of exercise exceeds the exercise price will be taxed as ordinary income to the optionee, and the Company generally will be entitled to a corresponding deduction. All option grants to Non-Employee Trustees and Consultants are treated as non-qualified options for federal income tax purposes.

Stock Appreciation Rights. Upon the grant of a stock appreciation right, no taxable income will be realized by the holder, and the Company will not be entitled to any tax deduction. Upon the exercise of a stock appreciation right, the amount by which the fair market value of the Shares at the time of exercise exceeds the grant price will be taxed as ordinary income to the holder, and the Company generally will be entitled to a corresponding deduction.

Performance Shares and Restricted Shares. A participant will not be subject to tax upon the grant of a restricted share unit, or upon the grant of actual restricted Shares, unless such participant makes the election referred to below with respect to restricted Shares. Upon the vesting date (the date of lapse of the applicable forfeiture conditions or transfer restrictions, in the case of Share awards and, in the case of unit awards, the date of vesting and distribution of the Shares and/or cash underlying the units), the participant will recognize ordinary income equal to the fair market value of the Shares and/or cash received (less any amount such participant may have paid for the Shares), and the Company generally will be entitled to a deduction equal to the amount of income recognized by such participant. In the case of an award of actual restricted Shares, if any dividends are paid on such common shares prior to the vesting date, they will be includible in a participant's income during the restricted period as additional compensation (and not as dividend income).

A participant may elect to recognize immediately, as ordinary income, the fair market value of restricted Shares (less any amount paid for the Shares) on the date of grant, without regard to applicable forfeiture conditions and transfer restrictions. This election is referred to as a Section 83(b) election. If a participant makes this election, the holding period will begin the day after the date of grant, dividends paid on the Shares will be subject to the normal rules regarding distributions on stock and no additional income will be recognized by such participant upon the vesting date. However, if a participant forfeits the restricted Shares before the vesting date, no deduction or capital loss will be available to that participant in excess of any amount paid for the Shares (even though the participant previously recognized income with respect to such forfeited Shares). In the event that the Shares are forfeited by such participant, the Company generally will include in its income the amount of its original deduction.

OP Units. OP Unit awards (including AO LTIP Unit awards) are intended to be structured to qualify as "profits interests" for federal income tax purposes, meaning that, under current law, no income will be recognized by the recipient upon grant or vesting, and the Company will not be entitled to any deduction. If OP Units are not disposed of within the three-year period beginning on the date of grant of the OP Unit award, any gain realized by the recipient upon disposition will generally be taxed as long-term capital gain (assuming the applicable tax elections are made by the grantee in connection with the grant of the award).

Disposition of Shares. Unless stated otherwise above, upon the subsequent disposition of Shares acquired under any of the preceding awards, the participant will recognize capital gain or loss based upon the difference between the amount realized on such disposition and the participant's basis in the Shares, and such amount will be long term capital gain or loss if such Shares were held for more than 12 months.

Additional Tax on Net Investment Income. Participants are subject to a 3.8% tax on the lesser of (i) the participant's "net investment income" for the relevant taxable year and (ii) the excess of the participant's modified adjusted gross income for the taxable year over a certain threshold (between \$125,000 and \$250,000, depending on the participant's circumstances). A participant's net investment income generally includes dividend income and net gains from the disposition of Shares. Participants are urged to consult their tax advisors regarding the applicability of this tax on net investment income to their income and gains in respect of their investment in Shares.

Section 409A. If an award is subject to Section 409A of the Code, but does not comply with the requirements of Section 409A of the Code, the taxable events as described above could apply earlier than described, and could result in the imposition of additional taxes and penalties. Participants are urged to consult with their tax advisors regarding the applicability of Section 409A of the Code to their awards.

Non-Employee Trustees. The discussion above generally applies to awards to Non-Employee Trustees; provided that Non-Employee Trustees are not eligible to receive grants of incentive stock options, and any amounts taxable to Non-Employee Trustees in respect of awards are not subject to Federal Insurance Contributions Act ("FICA") taxes (but may instead be subject to certain self-employment taxes). Generally, cash-based awards, including retainers and fees, will be taxable to the recipient as ordinary income at the time paid.

New Plan Benefits

No awards will be granted under the 2023 Plan prior to its approval by our shareholders. Awards under the 2023 Plan will be granted at the discretion of the Compensation Committee. As a result, it is not possible to determine the number or type of awards that will be granted to any person under the 2023 Plan. The awards granted in 2023 (for 2022 performance) under the 2019 Plan, which would not have changed if the 2023 Plan had been in place instead of the 2019 Plan, are set forth in the table below.

| Name and Position | Dollar Value (\$) ⁽¹⁾ | 2019 Omnibus Share Plan Number of Shares and Units |
|---|----------------------------------|--|
| Steven Roth | 11,167,928 | 501,366 |
| Michael J. Franco | 3,420,304 | 153,549 |
| Haim Chera | 1,091,675 | 49,009 |
| Glen J. Weiss | 3,169,666 | 142,297 |
| Barry S. Langer | 2,749,203 | 123,421 |
| Current executive officers as a group (includes NEOs) | 22,488,261 | 1,009,574 |
| Employees other than executive officers as a group | 1,965,947 | 88,258 |

(1) Dollar value reflects the number of units issued multiplied by the average of the high and low Share price on the date of grant and does not apply a fair value discount and accordingly results in a higher value than the Grant Date Fair Value of such awards.

The Board of Trustees unanimously recommends a vote “FOR” the approval of the Company’s 2023 Omnibus Share Plan.

The affirmative vote of holders of a majority of the votes cast on this proposal at the Annual Meeting, assuming a quorum is present, is necessary to approve the 2023 Plan. Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of this vote.

1. Purpose

The purpose of the 2023 Omnibus Share Plan of Vornado Realty Trust (as amended from time to time, the “Plan”), is to promote the interests of Vornado Realty Trust (the “Trust”), including its growth and performance, by encouraging employees of the Trust and its subsidiaries, including officers (together, the “Employees”), its non-employee trustees of the Trust and non-employee directors of its subsidiaries (together, the “Non-Employee Trustees”) and certain non-employee advisors and consultants that provide *bona fide* services to the Trust or its subsidiaries (together, the “Consultants”) to acquire an ownership position in the Trust, enhancing the ability of the Trust and its subsidiaries to attract and retain Employees, Non-Employee Trustees and Consultants of outstanding ability, and providing Employees, Non-Employee Trustees and Consultants with a way to acquire or increase their proprietary interest in the Trust’s success and to further align the interests of the Employees, Non-Employee Trustees and Consultants with shareholders of the Trust. Each of the terms set forth in the Appendix is defined in the Section of the Plan set forth opposite such term.

The Plan replaces the Vornado Realty Trust 2019 Omnibus Share Plan, as amended (the “Predecessor Plan”), for awards granted on or after the Effective Date (as defined in Section 22). Awards may not be granted under the Predecessor Plan beginning on the Effective Date, but the adoption and effectiveness of the Plan will not affect the terms or conditions of any outstanding grants under the Predecessor Plan prior to the Effective Date.

2. Shares Available for Awards

Subject to the provisions of this Section 2 or any adjustment as provided in Section 18, awards may be granted under the Plan with respect to 10,800,000 Share Equivalents (as defined below), which, in accordance with the share counting provisions of this Section 2, would result in the issuance of up to a maximum of 10,800,000 common shares, par value \$0.04, of beneficial interest in the Trust (the “Shares”) if all awards granted under the Plan were Full Value Awards (as defined below) and 21,600,000 Shares if all awards granted under the Plan were not Full Value Awards (which includes the number of Shares remaining under the Predecessor Plan as of April 5, 2023). The Shares issued under the Plan may be authorized and unissued Shares, as the Trust may from time to time determine. Any Shares that are subject to awards that are not Full Value Awards shall be counted against the number of Share Equivalents available for the grant of awards under the Plan, as set forth in the first sentence of this Section 2, as one-half Share Equivalent for every Share granted pursuant to an award; any Shares that are subject to awards that are Full Value Awards shall be counted as one Share Equivalent for every Share granted pursuant to an award.

“Share Equivalent” shall be the measuring unit for purposes of the Plan to determine the number of Shares that may be subject to awards hereunder, which number of Shares shall not in any event exceed 21,600,000, subject to the provisions of this Section 2 or any adjustment in the kind and number of securities as provided in Section 18. For the avoidance of doubt, if the Trust issues any dividend or distribution to shareholders of the Trust in the form of another equity security of the Trust during the term of this Plan, then the Share Equivalents that may be subject to awards hereunder, including as a result of an adjustment or substitution pursuant to Section 18, shall include (i) the Share Equivalents then-remaining for issuance and (ii) an amount of such other equity securities of the Trust as would have been issued as a dividend or distribution in respect of such Share Equivalents had they been outstanding.

“Full Value Award” means an award under the Plan other than a stock option, stock appreciation right or other award that does not deliver on the grant date of such award the full value of the underlying Shares or underlying OP Units. “OP Units” are undivided fractional limited partnership interests in Vornado Realty L.P. (together with any successor entity, the “Operating Partnership”), of one or more classes established pursuant to the Operating Partnership’s agreement of limited partnership, as amended from time to time. The Operating Partnership is a Delaware limited partnership, the entity through which the Trust conducts its business and an entity that has elected to be treated as a partnership for federal income tax purposes.

The Compensation Committee (the “Committee”) of the Board of Trustees of the Trust (the “Board of Trustees”) may, without affecting the number of Share Equivalents available pursuant to this Section 2, authorize the issuance or assumption of benefits under the Plan in connection with any merger, consolidation, acquisition of property or stock, reorganization or similar transaction upon such terms and conditions as it may deem appropriate, subject to compliance with Section 409A of the Code (“Section 409A”) and any other applicable provisions of the Internal Revenue Code of 1986, as amended (the “Code”).

Shares subject to an award granted under the Plan that expires unexercised, that is forfeited, terminated or cancelled, in whole or in part, or is paid in cash in lieu of Shares, shall thereafter again be available for grant under the Plan; provided, however, that the number of Share Equivalents that shall again be available for the grant under the Plan shall be increased by one Share Equivalent for each Share that is subject to a Full Value Award at the time such Full Value Award expires or is forfeited, terminated or cancelled and by one-half Share Equivalent for each Share that is subject to an award that is not a Full Value Award at the time such award expires or is forfeited, terminated or cancelled. Awards that use Shares as a reference but that are paid or settled in whole or in part in cash shall not affect the number of Share Equivalents available under the Plan pursuant to this Section 2 to the extent paid or settled in cash. The number of Share Equivalents available for the purpose of awards under the Plan shall be reduced by (i) one-half of the gross number of Shares for which stock options or stock appreciation rights are exercised, regardless of whether any of the Shares underlying such awards are not actually issued as the result of a net settlement or to satisfy any tax withholding obligation and (ii) one Share for each Share withheld to satisfy any tax withholding obligation with respect to any Full Value Award, as described further in Section 15.

The maximum aggregate number of Share Equivalents that may be granted under the Plan, as set forth in this Section 2, shall be cumulatively increased from time to time by the number of Shares subject to, or acquired pursuant to, that portion of any award granted under the Predecessor Plan and outstanding as of the Effective Date that, on or after the Effective Date, expires unexercised, that is forfeited, terminated or cancelled, in whole or in part, or is paid in cash in lieu of Shares; provided, however, that the number of Share Equivalents that shall again be available for grant under the Plan shall be increased by one-half Share Equivalent for each Share that is subject to an award granted under the Predecessor Plan that would not have been a Full Value Award if granted under the Plan at the time such award expires or is forfeited, terminated or cancelled.

The maximum aggregate number of Shares that may be issued under the Plan pursuant to the exercise of incentive stock options within the meaning of Section 422 of the Code shall not exceed 21,600,000 Shares (as adjusted pursuant to the provisions of Section 18).

3. Administration

The Plan shall be administered by the Committee. Notwithstanding anything to the contrary contained herein, the Board of Trustees may, in its sole discretion, at any time and from time to time, grant awards or administer the Plan. In any such case, the Board of Trustees will have all of the authority and responsibility granted to the Committee herein.

Subject to the provisions of the Plan, the Committee shall select the Employees, Non-Employee Trustees and Consultants who will be participants in the Plan (together, the "Participants"). The Committee shall (i) determine the type of awards to be made to Participants, determine the Shares or share units subject to awards, and (ii) have the authority to interpret the Plan, to establish, amend, and rescind any rules and regulations relating to the Plan, to determine the terms and provisions of any agreements entered into hereunder, and to make all other determinations necessary or advisable for the administration of the Plan, based on, among other things, information made available to the Committee by the management of the Trust. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or in any award in the manner and to the extent it shall deem desirable to carry it into effect. The determinations of the Committee in its administration of the Plan, as described herein, shall be final and conclusive.

The Committee's determinations under the Plan and awards need not be uniform and any such determinations may be made by it selectively among persons who receive, or are eligible to receive, awards under the Plan (whether or not such persons are similarly situated). Without limiting the generality of the foregoing, the Committee will be entitled, among other things, to make non-uniform and selective determinations under award agreements and to enter into non-uniform and selective award agreements, as to (a) the persons to receive awards and (b) the provisions of awards.

4. Eligibility

All Employees, Non-Employee Trustees and Consultants, in each case as determined by the Committee, are eligible to be Participants in the Plan.

5. Awards

Awards under the Plan may consist of the following: stock options (either incentive stock options within the meaning of Section 422 of the Code or non-qualified stock options), stock appreciation rights, performance shares, grants of restricted stock and other-stock based awards, including OP Units. Awards of performance shares, restricted stock or share units and other-stock based awards may provide the Participant with dividends or dividend equivalents and voting rights prior to vesting (whether based on a period of time or based on attainment of specified performance conditions). Unless the Committee otherwise specifies in the award agreement, if dividends or dividend equivalent rights are granted, (x) dividends and dividend equivalents shall be paid in respect of any award that is not subject to performance vesting conditions to the Participant at the same time as the Trust pays dividends to common shareholders (even if the Shares subject to the underlying award are held by the Trust) but not less than annually and not later than the fifteenth day of the third month following the end of the calendar year in which the dividends or dividend equivalents are credited (or, if later, the fifteenth day of the third month following the end of the calendar year in which the dividends or dividend equivalents are no longer subject to a "substantial risk of forfeiture" within the meaning of Section 409A) and (y) dividend and dividend equivalent payments in the case of an award that is subject to performance vesting conditions shall be treated as unvested so long as such award remains unvested, and any such dividend and dividend equivalent payments that would otherwise have been paid during the vesting period shall instead be accumulated (and, if paid in cash, reinvested in additional Shares based on the Surrender Value of the Shares on the date of reinvestment) and paid within 30 days following the date on which such award is determined by the Committee to have satisfied such performance vesting conditions. "Surrender Value" means, with respect to a Share, the closing price reported for the Shares on the applicable date as reported on the New York Stock Exchange or, if not so reported, as determined in accordance with a valuation methodology approved by the Committee in a manner consistent with Section 409A, unless determined as otherwise specified herein.

Notwithstanding any other provision of the Plan to the contrary and except for acceleration in the event of the Participant's involuntary termination, retirement, death, disability or hardship (as determined by the Committee) or upon a Change in Control (as defined in [Section 13](#)), (1) Full Value Awards (a) that vest on the basis of the Participant's continued employment or service shall be subject to a minimum vesting schedule of at least one year and (b) that vest on the basis of the attainment of performance goals shall provide for a performance period that ends no earlier than the first anniversary of the commencement of the period over which performance is evaluated; and (2) awards that are not Full Value Awards may not vest or be exercisable earlier than the first anniversary of the date on which such award is granted. Notwithstanding the foregoing, awards (x) with respect to 5% of the maximum aggregate number of Share Equivalents available for the purpose of awards under the Plan pursuant to [Section 2](#) or (y) granted to retirement-eligible Participants may be granted under the Plan to any one or more Participants without respect to such minimum vesting provisions.

6. Operating Partnership Units

Awards may be granted under the Plan in the form of OP Units. Awards of OP Units shall be valued by reference to, or otherwise determined by reference to or based on, Shares. OP Units awarded under the Plan may be (1) convertible, exchangeable or redeemable for other limited partnership interests in the Operating Partnership (including OP Units of a different class or series) or Shares, or (2) valued by reference to the book value, fair value or performance of the Operating Partnership. Except as otherwise determined by the Committee, awards of OP Units are intended to qualify as "profits interests" within the meaning of IRS Revenue Procedure 93-27, as clarified by IRS Revenue Procedure 2001-43, with respect to a Participant in the Plan who is rendering services to or for the benefit of the Operating Partnership, including its subsidiaries.

For purposes of calculating the number of Shares underlying an award of OP Units relative to the total number of Share Equivalents available for issuance under the Plan, the Committee shall establish in good faith the maximum number of Shares to which a Participant receiving such award of OP Units may be entitled upon fulfillment of all applicable conditions set forth in the relevant award documentation, including vesting conditions, partnership capital account allocations, value accretion factors, conversion ratios, exchange ratios and other similar criteria. If and when any such conditions are no longer capable of being met, in whole or in part, the number of Shares underlying such awards of OP Units shall be reduced accordingly by the Committee, and the number of Share Equivalents available for issuance under the Plan shall be increased by one Share Equivalent for each Share so reduced. Awards of OP Units may be granted either alone or in addition to other awards granted under the Plan. The Committee shall determine the eligible Participants to whom, and the time or times at which, awards of OP

Units shall be made; the number of OP Units to be awarded; the price, if any, to be paid by the Participant for the acquisition of such OP Units; and the restrictions and conditions applicable to such award of OP Units. Conditions may be based on continuing employment (or other service relationship), computation of financial metrics (including with reference to the book value of the Operating Partnership or the value of Shares) and/or achievement of pre-established performance goals and objectives, with related length of the service period for vesting, minimum or maximum performance thresholds, measurement procedures and length of the performance period to be established by the Committee at the time of grant, in its sole discretion. The Committee may allow awards of OP Units to be held through a limited partnership, or similar “look-through” entity, and the Committee may require such limited partnership or similar entity to impose restrictions on its partners or other beneficial owners that are not inconsistent with the provisions of this [Section 6](#).

Notwithstanding [Section 5](#) of the Plan, the award agreement or other award documentation in respect of an award of OP Units may provide that the recipient of an award under this [Section 6](#) shall be entitled to receive, currently or on a deferred or contingent basis, dividends or dividend equivalents with respect to the number of Shares underlying the award or other distributions from the Operating Partnership prior to vesting (whether based on a period of time or based on attainment of specified performance conditions), as determined at the time of grant by the Committee, in its sole discretion, and the Committee may provide that such amounts (if any) shall be deemed to have been reinvested in additional Shares or OP Units.

OP Units awarded under this [Section 6](#) may be issued for no cash consideration.

7. Stock Options

The Committee shall establish the option price per Share at the time each stock option is granted, which price shall not be less than 100% of the Fair Market Value (as defined below) of a Share. Stock options shall be exercisable for such period as specified by the Committee but in no event may options be exercisable more than ten years after their date of grant. The option price of each Share as to which a stock option is exercised shall be paid in full at the time of such exercise. Such payment shall be made (i) in cash, (ii) by tender of Shares owned by the Participant valued at Surrender Value as of the date of exercise, (iii) to the extent approved by the Committee in its sole discretion, by surrender of all or part of the Shares issuable upon exercise of the option by the largest whole number of Shares with a Surrender Value that does not exceed the aggregate exercise price; provided, however, that the Trust shall accept a cash or other payment from the Participant to the extent of any remaining balance of the aggregate exercise price not satisfied by such reduction in the number of whole Shares to be issued, (iv) in such other consideration as the Committee deems appropriate, or (v) by a combination of cash, Shares and such other consideration.

For purposes of the Plan, “Fair Market Value” means, with respect to a Share, the average of the high and the low prices reported for the Shares on the applicable date as reported on the New York Stock Exchange or, if not so reported, as determined in accordance with a valuation methodology approved by the Committee in a manner consistent with Section 409A, unless determined as otherwise specified herein. For purposes of the grant of any award, the applicable date will be the trading day on which the award is granted or, if the date the award is granted is not a trading day, the trading day immediately prior to the date the award is granted. For purposes of the exercise of any award, the applicable date is the date a notice of exercise is received by the Trust or, if such date is not a trading day, the trading day immediately following the date a notice of exercise is received by the Trust.

8. Stock Appreciation Rights

Stock appreciation rights may be granted in tandem with a stock option, in addition to a stock option, or may be freestanding and unrelated to a stock option. Stock appreciation rights granted in tandem with or in addition to a stock option may be granted either at the same time as the stock option or at a later time. The Committee shall establish the grant price of each stock appreciation right granted at the time each such stock appreciation right is granted, which price shall not be less than 100% of the Fair Market Value of the Shares subject to such award. No stock appreciation right shall be exercisable later than 10 years from the grant date of such award. A stock appreciation right shall entitle the Participant to receive from the Trust an amount equal to the increase of the Fair Market Value of the Shares on the exercise of the stock appreciation right over the grant price. The Committee, in its sole discretion, shall determine whether the stock appreciation right shall be settled in cash, Shares or a combination of cash and Shares.

9. Performance Shares

Performance shares may be granted in the form of actual Shares or share units having a value equal to an identical number of Shares. In the event that a certificate is issued in respect of Shares subject to a grant of performance shares, such certificate shall be registered in the name of the Participant but shall be held by the Trust until the time the Shares subject to the grant of performance shares are earned. The performance conditions and the length of the performance period shall be determined by the Committee subject to the terms of the Plan. The Committee, in its sole discretion, shall determine whether performance shares granted in the form of share units shall be paid in cash, Shares, or a combination of cash and Shares.

10. Restricted Stock

Restricted stock may be granted in the form of actual Shares or share units having a value equal to an identical number of Shares. In the event that a certificate is issued in respect of Shares subject to a grant of restricted stock, such certificate shall be registered in the name of the Participant but shall be held by the Trust until the end of the restricted period. The employment conditions and the length of the period for vesting of restricted stock shall be established by the Committee at time of grant. The Committee, in its sole discretion, shall determine whether restricted stock granted in the form of share units shall be paid in cash, Shares, or a combination of cash and Shares.

11. Other Stock-Based Awards

Other types of equity-based or equity-related awards (including the grant or offer for sale of unrestricted Shares) may be granted under such terms and conditions as may be determined by the Committee in its sole discretion.

12. Award Agreements

Each award under the Plan shall be evidenced by an agreement setting forth the terms and conditions, as determined by the Committee, which shall apply to such award, in addition to the terms and conditions specified in the Plan.

13. Change in Control

In the event of a Change in Control, after consideration of the requirements of Section 409A, the Committee may take one or more of the following actions with respect to outstanding awards, in its sole discretion: (i) settle such awards for an amount (as determined in the sole discretion of the Committee) of cash or securities, where in the case of stock options and stock appreciation rights, the value of such amount, if any, will be equal to the in-the-money spread value (if any) of such awards; (ii) provide for the assumption of or the issuance of substitute awards that will substantially preserve the otherwise applicable terms of any affected awards previously granted under the Plan, as determined by the Committee in its sole discretion; (iii) modify the terms of such awards to add events, conditions or circumstances (including termination of employment within a specified period after a Change in Control) upon which the vesting of such awards or lapse of restrictions thereon will accelerate; (iv) deem any performance conditions satisfied at target, maximum or actual performance through closing or provide for the performance conditions to continue (in accordance with their terms or as adjusted by the Committee) after the Change in Control or (v) provide that for a period of at least 20 days prior to the Change in Control, any stock options or stock appreciation rights that would not otherwise become exercisable prior to the Change in Control will be exercisable as to all Shares subject thereto (but any such exercise will be contingent upon and subject to the occurrence of the Change in Control and if the Change in Control does not take place within a specified period after giving such notice for any reason whatsoever, the exercise will be null and void) and that any stock options or stock appreciation rights not exercised prior to the consummation of the Change in Control will terminate and be of no further force and effect as of the consummation of the Change in Control. In the event that the consideration paid in the Change in Control includes contingent value rights, earn-out or indemnity payments or similar payments, then the Committee will determine if awards settled under clause (i) above are (a) valued at closing taking into account such contingent consideration (with the value determined by the Committee in its sole discretion) or (b) entitled to a share of such contingent consideration. For the avoidance of doubt, in the event of a Change in Control where all stock options and stock appreciation rights are settled for an amount (as determined in the sole discretion of the Committee) of cash or securities, the Committee may, in its sole discretion, terminate any stock option or stock appreciation right for which the exercise price is equal to or exceeds the per share value of the consideration to be paid in the Change in Control transaction without payment of consideration therefor.

Unless otherwise set forth in an award agreement, a “Change in Control” of the Trust means the occurrence of one of the following events:

(i) individuals who, on the date hereof, constitute the Board of Trustees (the “Incumbent Trustees”) cease for any reason to constitute at least a majority of the Board of Trustees, provided that any person becoming a trustee subsequent to the date hereof whose election or nomination for election was approved by a vote of at least two-thirds of the Incumbent Trustees then on the Board of Trustees (either by a specific vote or by approval of the proxy statement of the Trust in which such person is named as a nominee for trustee, without objection to such nomination) shall be an Incumbent Trustee; provided, however, that no individual initially elected or nominated as a trustee of the Trust as a result of an actual or threatened election contest with respect to trustees or as a result of any other actual or threatened solicitation of proxies by or on behalf of any person other than the Board of Trustees shall be an Incumbent Trustee;

(ii) any “person” (as such term is defined in Section 3(a)(9) of the Securities Exchange Act of 1934 (the “Exchange Act”) and as used in Sections 13(d)(3) and 14(d)(2) of the Exchange Act) is or becomes, after the date hereof, a “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Trust representing 30% or more of the combined voting power of the Trust’s then outstanding securities eligible to vote for the election of the Board of Trustees (the “Trust Voting Securities”); provided, however, that an event described in this paragraph (ii) shall not be deemed to be a Change in Control if any of following becomes such a beneficial owner: (A) the Trust or any majority-owned subsidiary of the Trust (provided that this exclusion applies solely to the ownership levels of the Trust or the majority-owned subsidiary), (B) any tax-qualified, broad-based employee benefit plan sponsored or maintained by the Trust or any such majority-owned subsidiary, (C) any underwriter temporarily holding securities pursuant to an offering of such securities, (D) any person pursuant to a Non-Qualifying Transaction (as defined in paragraph (iii)), (E) (a) any of the partners (as of the date hereof) in Interstate Properties including immediate family members and family trusts or family-only partnerships and any charitable foundations of such partners (the “Interstate Partners”), (b) any entities the majority of the voting interests of which are beneficially owned by the Interstate Partners, or (c) any “group” (as described in Rule 13d-5(b)(1) under the Exchange Act) including the Interstate Partners (the persons in (a), (b) and (c) shall be individually and collectively referred to herein as “Interstate Holders”); or

(iii) the consummation of a merger, consolidation, share exchange or similar form of transaction involving the Trust or any of its subsidiaries, or the sale of all or substantially all of the Trust’s assets (a “Business Transaction”), unless immediately following such Business Transaction (a) more than 50% of the total voting power of the entity resulting from such Business Transaction or the entity acquiring the Trust’s assets in such Business Transaction (the “Surviving Corporation”) is beneficially owned, directly or indirectly, by the Interstate Holders or the Trust’s shareholders immediately prior to any such Business Transaction, and (b) no person (other than the persons set forth in clauses (A), (B), (C), or (E) of paragraph (ii) above or any tax-qualified, broad-based employee benefit plan of the Surviving Corporation or its affiliates) beneficially owns, directly or indirectly, 30% or more of the total voting power of the Surviving Corporation (a “Non-Qualifying Transaction”); or

(iv) Board of Trustees approval of a liquidation or dissolution of the Trust, unless the voting common equity interests of an ongoing entity (other than a liquidating trust) are beneficially owned, directly or indirectly, by the Trust’s shareholders in substantially the same proportions as such shareholders owned the Trust Voting Securities immediately prior to such liquidation and such ongoing entity assumes all existing obligations of the Trust to Participants under this Plan and the award agreements issued thereunder.

14. Clawback/Forfeiture

Awards granted under the Plan will be subject to the requirement that the awards be forfeited or repaid to the Trust after they have been distributed to the Participant (i) to the extent set forth in an award agreement or (ii) to the extent covered by (A) any clawback or recapture policy adopted by the Trust from time to time or (B) any applicable laws that impose mandatory forfeiture or recoupment, under circumstances set forth in such applicable laws.

15. Withholding

The Trust shall have the right to deduct from any payment to be made pursuant to the Plan, or to require prior to the issuance or delivery of any Shares or the payment of cash under the Plan, any taxes required by law to be

withheld therefrom. The Committee, in its sole discretion, may permit a Participant who is an employee of the Trust or its subsidiaries to elect to satisfy such withholding obligation by having the Trust retain the number of Shares (rounded up to the nearest whole number unless the Committee determines otherwise) whose Fair Market Value equals the amount of taxes required by applicable law to be withheld, as determined by the Trust.

16. Nontransferability

No award under the Plan shall be assignable or transferable except by will or the laws of descent and distribution, and no right or interest of any Participant shall be subject to any lien, obligation or liability of the Participant. Notwithstanding the foregoing, the Committee may determine, at the time of grant or thereafter, that an award (other than stock options intended to be incentive stock options within the meaning of Section 422 of the Code) is transferable by the Participant to such Participant's immediate family members (or trusts, partnerships, or limited liability companies established for such immediate family members). For this purpose, immediate family member means, except as otherwise defined by the Committee, the Participant's children, stepchildren, grandchildren, parents, stepparents, grandparents, spouse, siblings (including half brothers and sisters), in-laws and persons related by reason of legal adoption. Such transferees may transfer an award only by will or the laws of descent or distribution. An award transferred pursuant to this Section 16 shall remain subject to the provisions of the Plan, and shall be subject to such other rules as the Committee shall determine. Upon transfer of a stock option, any related stock appreciation right shall be canceled. Except in the case of a holder's incapacity, an award shall be exercisable only by the holder thereof.

17. No Right to Employment

No person shall have any claim or right to be granted an award, and the grant of an award shall not be construed as giving a Participant any right to continue his or her service to the Trust or its subsidiaries as an Employee, Non-Employee Trustee or Consultant. Further, the Trust and its subsidiaries expressly reserve the right at any time to dismiss a Participant free from any liability, or any claim under the Plan, except as provided herein or in any agreement entered into hereunder.

18. Adjustment of and Changes in Shares

In the event of any change in the outstanding Shares by reason of any share dividend or split, reverse split, reclassification, recapitalization, merger, consolidation, spinoff, combination or exchange of Shares or other corporate change, or any distributions to shareholders other than regular cash dividends (including, without limitation, a distribution of common or preferred shares of beneficial interest of the Trust), the Committee shall make such substitution or adjustment, if any, as it deems to be equitable, as to (i) the kinds of common shares, preferred shares or other securities of the Trust, and the number of Share Equivalents, for which awards may be granted under the Plan, (ii) the number and kinds of Shares, common shares, preferred shares or other securities issued or reserved for issuance pursuant to outstanding awards, and (iii) the number and kinds of Shares or other common shares set forth in Section 2 that can be issued through incentive stock options within the meaning of Section 422 of the Code; provided, however, that no such substitution or adjustment shall be required if the Committee determines that such action could cause an award to fail to satisfy the conditions of an applicable exception from the requirements of Section 409A or otherwise could subject a Participant to the additional tax imposed under Section 409A in respect of an outstanding award; and further provided that no Participant shall have the right to require the Committee to make any adjustment or substitution under this Section 18 or have any claim or right whatsoever against the Trust or any of its subsidiaries or affiliates or any of their respective trustees, directors, officer or employees in respect of any action taken or not taken under this Section 18.

19. Amendment; Termination

The Committee may amend or terminate the Plan or any portion thereof from time to time, provided that no amendment shall be made without shareholder approval if such amendment (i) would increase the maximum aggregate number of Shares that may be issued under the Plan (other than pursuant to Section 18), (ii) would materially expand the class of service providers eligible to participate in the Plan, (iii) would result in a material increase in the benefits accrued to Participants under the Plan, (iv) would reduce the exercise price of outstanding stock options or stock appreciation rights or cancel outstanding stock options or stock appreciation rights in exchange for cash, other awards or stock options or stock appreciation rights with an exercise price that is less than the exercise price of the original stock options or stock appreciation rights (other than pursuant to Section 18) or (v) requires shareholder approval to comply with any applicable laws, regulations or rules, including the rules of

a securities exchange or self-regulatory agency. Notwithstanding anything contrary in this Plan, if there is a change in applicable tax law such that OP Units become taxable to the holder of such OP Units as ordinary income, the Operating Partnership, at any time in the sole discretion of the general partner of the Operating Partnership, may cause the OP Units to be restructured and/or substituted for other awards in a way that permits a tax deduction to the Operating Partnership or the Trust while preserving substantially similar pre-tax economics to the holder of such OP Units.

20. Section 409A

It is the Trust's intent that awards under the Plan be exempt from, or comply with, the requirements of Section 409A, and that the Plan be administered and interpreted accordingly. Without limiting the generality of the foregoing, if and to the extent that any award made under the Plan is determined by the Trust to constitute "non-qualified deferred compensation" subject to Section 409A then:

- (i) Any payment due by reason of the Participant's termination of employment, then (i) such payment or benefit shall be made or provided to the Participant only upon a "separation from service" as defined for purposes of Section 409A under applicable regulations and (ii) if the Participant is a "specified employee" (within the meaning of Section 409A and as determined by the Trust), such payment or benefit shall not be made or provided before the date that is six months after the date of the Participant's separation from service (or the Participant's earlier death);
- (ii) Any payment due upon a Change in Control will be paid only if such Change in Control constitutes a "change in ownership" or "change in effective control" within the meaning of Section 409A, and in the event that such Change in Control does not constitute a "change in the ownership" or "change in the effective control" within the meaning of Section 409A, such Award will vest upon the Change in Control and any payment will be delayed until the first compliant date under Section 409A;
- (iii) If the award includes a "series of installment payments" (within the meaning of Section 1.409A-2(b)(2) (iii) of the Treasury Regulations), the participant's right to the series of installment payments will be treated as a right to a series of separate payments and not as a right to a single payment; and
- (iv) If the award includes dividend equivalents, the participant's right to the dividend equivalents will be treated separately from the right to other amounts under the award.

21. Governing Law

The Plan and all awards made and actions taken thereunder will be governed by and construed in accordance with the laws of the state of Maryland, without reference to principles of conflict of laws.

22. Effective Date; Term

The Plan was adopted by the Board of Trustees on February 9, 2023, and shall be effective as of the date of the approval by the requisite shareholders of the Trust at the 2023 Annual Meeting on May 18, 2023 (the "Effective Date"). If the Plan is not so approved by the requisite shareholders of the Trust, then the Plan will be null and void in its entirety and the Predecessor Plan will remain in full force and effect with respect to awards to be granted to Employees and Consultants. Subject to earlier termination pursuant to Section 19, the Plan shall have a term of ten years from the Effective Date; provided, however, that all awards made under the Plan before its termination, and the Committee's authority to administer the terms of such awards, will remain in effect until such awards have been satisfied or terminated in accordance with the terms and provisions of the Plan and the applicable award agreements.
