EXPLANATORY NOTE

This report combines the quarterly reports on Form 10-Q for the period ended March 31, 2025 of Vornado Realty Trust and Vornado Realty L.P. Unless stated otherwise or the context otherwise requires, references to “Vornado” refer to Vornado Realty Trust, a Maryland real estate investment trust (“REIT”), and references to the “Operating Partnership” refer to Vornado Realty L.P., a Delaware limited partnership. References to the “Company,” “we,” “us” and “our” mean collectively Vornado, the Operating Partnership and those subsidiaries consolidated by Vornado.

The Operating Partnership is the entity through which we conduct substantially all of our business and own, either directly or through subsidiaries, substantially all of our assets. Vornado is the sole general partner and also a 91.4% limited partner of the Operating Partnership. As the sole general partner of the Operating Partnership, Vornado has exclusive control of the Operating Partnership’s day-to-day management.

Under the limited partnership agreement of the Operating Partnership, unitholders may present their Class A units for redemption at any time (subject to restrictions agreed upon at the time of issuance of the units that may restrict such right for a period of time). Class A units may be tendered for redemption to the Operating Partnership for cash; Vornado, at its option, may assume that obligation and pay the holder either cash or Vornado common shares on a one-for-one basis. Because the number of Vornado common shares outstanding at all times equals the number of Class A units owned by Vornado, the redemption value of each Class A unit is equivalent to the market value of one Vornado common share, and the distribution to a Class A unitholder is equal to the dividend paid to a Vornado common shareholder. This one-for-one exchange ratio is subject to specified adjustments to prevent dilution. Vornado generally expects that it will elect to issue its common shares in connection with each such presentation for redemption rather than having the Operating Partnership pay cash. With each such exchange or redemption, Vornado’s percentage ownership in the Operating Partnership will increase. In addition, whenever Vornado issues common shares other than to acquire Class A units of the Operating Partnership, Vornado must contribute any net proceeds it receives to the Operating Partnership and the Operating Partnership must issue to Vornado an equivalent number of Class A units of the Operating Partnership. This structure is commonly referred to as an umbrella partnership REIT, or UPREIT.

The Company believes that combining the quarterly reports on Form 10-Q of Vornado and the Operating Partnership into this single report provides the following benefits:

- enhances investors’ understanding of Vornado and the Operating Partnership by enabling investors to view the business as a whole in the same manner as management views and operates the business;
- eliminates duplicative disclosure and provides a more streamlined and readable presentation because a substantial portion of the disclosure applies to both Vornado and the Operating Partnership; and
- creates time and cost efficiencies in the preparation of one combined report instead of two separate reports.

The Company believes it is important to understand the few differences between Vornado and the Operating Partnership in the context of how Vornado and the Operating Partnership operate as a consolidated company. The financial results of the Operating Partnership are consolidated into the financial statements of Vornado. Vornado does not have any significant assets, liabilities or operations, other than its investment in the Operating Partnership. The Operating Partnership, not Vornado, generally executes all significant business relationships other than transactions involving the securities of Vornado. The Operating Partnership holds substantially all of the assets of Vornado. The Operating Partnership conducts the operations of the business and is structured as a partnership with no publicly traded equity. Except for the net proceeds from equity offerings by Vornado, which are contributed to the capital of the Operating Partnership in exchange for Class A units of partnership in the Operating Partnership, and the net proceeds of debt offerings by Vornado, which are contributed to the Operating Partnership in exchange for debt securities of the Operating Partnership, as applicable, the Operating Partnership generates all remaining capital required by the Company’s business. These sources may include working capital, net cash provided by operating activities, borrowings under the revolving credit facilities, the issuance of secured and unsecured debt and equity securities and proceeds received from the disposition of certain properties.

To help investors better understand the key differences between Vornado and the Operating Partnership, certain information for Vornado and the Operating Partnership in this report has been separated, as set forth below:

- Item 1. Financial Statements (unaudited), which includes the following specific disclosures for Vornado Realty Trust and Vornado Realty L.P.:
 - Note 9. Redeemable Noncontrolling Interests
 - Note 10. Shareholders' Equity/Partners' Capital
 - Note 12. Income (Loss) Per Share and Per Class A Unit
- Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations includes information specific to each entity, where applicable.

This report also includes separate Part I, Item 4. Controls and Procedures and Part II, Item 2. Unregistered Sales of Equity Securities and Use of Proceeds sections and separate Exhibits 31 and 32 certifications for each of Vornado and the Operating Partnership in order to establish that the requisite certifications have been made and that Vornado and the Operating Partnership are compliant with Rule 13a-15 or Rule 15d-15 of the Securities Exchange Act of 1934 and 18 U.S.C. §1350.

VORNADO REALTY TRUST AND VORNADO REALTY L.P.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(UNAUDITED)

1. Organization

Vornado Realty Trust (“Vornado”) is a fully-integrated real estate investment trust (“REIT”) and conducts its business through, and substantially all of its interests in properties are held by, Vornado Realty L.P. (the “Operating Partnership”), a Delaware limited partnership. Vornado is the sole general partner of and owned approximately 91.4% of the common limited partnership interest in the Operating Partnership as of March 31, 2025. All references to the “Company,” “we,” “us” and “our” mean, collectively, Vornado, the Operating Partnership and those subsidiaries consolidated by Vornado.

2. Basis of Presentation

The accompanying consolidated financial statements are unaudited and include the accounts of Vornado and the Operating Partnership and their consolidated subsidiaries. All adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and changes in cash flows have been made. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”) have been condensed or omitted. These consolidated financial statements have been prepared in accordance with the instructions to Form 10-Q of the Securities and Exchange Commission (“SEC”) and should be read in conjunction with the consolidated financial statements and notes thereto included in our Annual Report on Form 10-K for the year ended December 31, 2024, as filed with the SEC.

We have made estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates. The results of operations for the three months ended March 31, 2025 are not necessarily indicative of the operating results for the full year. In addition, certain prior year balances have been reclassified in order to conform to the current period presentation.

3. Recently Issued Accounting Literature

In December 2023, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2023-09, *Income Taxes (Topic 740): Improvements to Income Tax Disclosures* (“ASU 2023-09”). ASU 2023-09 requires entities to disclose additional information with respect to the effective tax rate reconciliation and to disclose the disaggregation by jurisdiction of income tax expense and income taxes paid. ASU 2023-09 is effective for fiscal years beginning after December 15, 2024, with early adoption permitted. We are currently evaluating the impact of ASU 2023-09 on our consolidated financial statements.

In November 2024, the FASB issued ASU 2024-03, *Income Statement - Reporting Comprehensive Income - Expense Disaggregation Disclosures (Subtopic 220-40): Disaggregation of Income Statement Expenses* (“ASU 2024-03”), and in January 2025, the FASB issued ASU 2025-01, *Income Statement - Reporting Comprehensive Income - Expense Disaggregation Disclosures (Subtopic 220-40): Clarifying the Effective Date* (“ASU 2025-01”). ASU 2024-03 requires additional disclosure of the nature of expenses included in the income statement as well as disclosures about specific types of expenses included in the expense captions presented in the income statement. ASU 2024-03, as clarified by ASU 2025-01, is effective for fiscal years beginning after December 15, 2026, and interim periods within fiscal years beginning after December 15, 2027, with early adoption permitted. We are currently evaluating the impact of these standards on our consolidated financial statements.

5. Investments in Partially Owned Entities

Fifth Avenue and Times Square JV

As of March 31, 2025, we own a 51.5% common interest in a joint venture ("Fifth Avenue and Times Square JV") which owns interests in properties located at 640 Fifth Avenue, 655 Fifth Avenue, 666 Fifth Avenue, 689 Fifth Avenue, 697-703 Fifth Avenue, 1535 Broadway and 1540 Broadway (collectively, the "Properties"). The remaining 48.5% common interest in the joint venture is owned by a group of institutional investors (the "Investors"). Our 51.5% common interest in the joint venture represents an effective 51.0% interest in the Properties. The 48.5% common interest in the joint venture owned by the Investors represents an effective 47.2% interest in the Properties. We provide various services to Fifth Avenue and Times Square JV in accordance with management, development, leasing and other agreements.

As of March 31, 2025, we owned \$1.486 billion aggregate liquidation preference of preferred equity interests in certain of the properties, which had been reduced from \$1.828 billion as of December 31, 2024, following the January 8, 2025, \$342,000,000 partial redemption discussed below. The preferred equity has an annual coupon of 4.75% through April 2029 and will then be based on a formulaic rate. It can be redeemed under certain conditions on a tax deferred basis. The preferred equity interests balance was further reduced to \$1.079 billion in April 2025 upon the financing of 1535 Broadway, see Note 19 – *Subsequent Events* for further details.

On January 8, 2025, the Fifth Avenue and Times Square JV completed the sale to UNIQLO of the portion of its U.S. flagship store at 666 Fifth Avenue owned by the joint venture for \$350,000,000 and realized net proceeds of \$342,000,000. The net proceeds were used to partially redeem Vornado's preferred equity on the asset. The joint venture continues to own 23,832 square feet of retail space (7,416 square feet at grade) at 666 Fifth Avenue consisting of the Abercrombie & Fitch and Tissot stores. We recognized a financial statement gain of \$76,162,000, which is included in "income from partially owned entities" on our consolidated statements of income.

As of March 31, 2025, the carrying amount of our investment in the joint venture was less than our share of the equity in the net assets of the joint venture by approximately \$722,891,000, the basis difference primarily resulting from non-cash impairment losses recognized in prior periods. Substantially all of this basis difference was allocated, based on our estimates of the fair values of Fifth Avenue and Times Square JV's assets and liabilities, to real estate (land and buildings). We are amortizing the basis difference related to the buildings into earnings as a reduction to depreciation expense over their estimated useful lives.

Alexander's, Inc. ("Alexander's") (NYSE: ALX)

As of March 31, 2025, we own 1,654,068 Alexander's common shares, or approximately 32.4% of Alexander's common equity. We manage, develop and lease Alexander's properties pursuant to agreements which expire in March of each year and are automatically renewable. In addition, wholly owned subsidiaries of Vornado provide cleaning, engineering, security, and garage management services to certain Alexander's properties.

As of March 31, 2025, the market value ("fair value" pursuant to ASC Topic 820, *Fair Value Measurements* ("ASC 820")) of our investment in Alexander's, based on Alexander's March 31, 2025 closing share price of \$209.16, was \$345,965,000, or \$281,288,000 in excess of the carrying amount on our consolidated balance sheets. As of March 31, 2025, the carrying amount of our investment in Alexander's, excluding amounts owed to us, exceeded our share of the equity in the net assets of Alexander's by approximately \$29,247,000. The majority of this basis difference resulted from the excess of our purchase price for the Alexander's common stock acquired over the book value of Alexander's net assets. Substantially all of this basis difference was allocated, based on our estimates of the fair values of Alexander's assets and liabilities, to real estate (land and buildings). We are amortizing the basis difference related to the buildings into earnings as additional depreciation expense over their estimated useful lives. This depreciation is not material to our share of equity in Alexander's net income.

6. Dispositions

220 Central Park South

During the three months ended March 31, 2025, we closed on the sale of two condominium units and ancillary amenities at 220 Central Park South ("220 CPS") for net proceeds of \$24,713,000, resulting in a financial statement net gain of \$13,576,000 which is included in "net gains on disposition of wholly owned and partially owned assets" on our consolidated statements of income. In connection with these sales, \$2,548,000 of income tax expense was recognized on our consolidated statements of income. Two units remain unsold, with a carrying value of \$10,585,000 which is included in "other assets" on our consolidated balance sheets.

9. Redeemable Noncontrolling Interests

Redeemable Noncontrolling Partnership Units

Redeemable noncontrolling partnership units are primarily comprised of Class A Operating Partnership units held by third parties and are recorded at the greater of their carrying amount or redemption value at the end of each reporting period. Changes in the value from period to period are charged to “additional capital” in Vornado’s consolidated statements of changes in equity and to “partners’ capital” on the consolidated balance sheets of the Operating Partnership. Class A units may be tendered for redemption to the Operating Partnership for cash; Vornado, at its option, may assume that obligation and pay the holder either cash or Vornado common shares on a one-for-one basis. Because the number of Vornado common shares outstanding at all times equals the number of Class A units owned by Vornado, the redemption value of each Class A unit is equivalent to the market value of one Vornado common share, and a distribution made to a Class A unitholder is equal to the dividend paid to a Vornado common shareholder.

Below is a table summarizing the activity of redeemable noncontrolling partnership units.

(Amounts in thousands)

	For the Three Months Ended March 31,	
	2025	2024
Beginning balance	\$ 711,943	\$ 483,786
Net income (loss)	7,889	(786)
Other comprehensive (loss) income	(2,777)	3,682
Distributions	(493)	(28)
Redemption of Class A units for Vornado common shares, at redemption value	(45,151)	(2,489)
Redeemable Class A unit measurement adjustment	(54,535)	4,375
Other, net	6,065	7,427
Ending balance	<u>\$ 622,941</u>	<u>\$ 495,967</u>

As of March 31, 2025 and December 31, 2024, the aggregate redemption value of redeemable Class A units of the Operating Partnership, which are those units held by third parties, was \$619,406,000 and \$708,408,000, respectively, based on Vornado’s quarter-end closing common share price.

Redeemable noncontrolling partnership units exclude our Series G-1 through G-4 convertible preferred units and Series D-13 cumulative redeemable preferred units, as they are accounted for as liabilities in accordance with ASC Topic 480, *Distinguishing Liabilities and Equity*. Accordingly, the fair value of these units is included as a component of “other liabilities” on our consolidated balance sheets and aggregated \$49,589,000 and \$49,684,000 as of March 31, 2025 and December 31, 2024, respectively. Changes in the value from period to period, if any, are charged to “interest and debt expense” on our consolidated statements of income.

Redeemable Noncontrolling Interest in a Consolidated Subsidiary

A consolidated joint venture, in which we hold a 95% interest, developed and owns the Farley Building (the "Farley Project"). As of March 31, 2025, a historic tax credit investor (the "Tax Credit Investor") has funded \$208,407,000 of capital contributions to the Farley Project in connection with the development.

The arrangement includes a put option whereby the joint venture may be obligated to purchase the Tax Credit Investor’s ownership interest in the Farley Project at a future date. The put price is calculated based on a pre-determined formula. As exercise of the put option is outside of the joint venture’s control, the Tax Credit Investor’s interest, together with the put option, have been recorded to “redeemable noncontrolling interest in a consolidated subsidiary” on our consolidated balance sheets. The redeemable noncontrolling interest is recorded at the greater of the carrying amount or redemption value at the end of each reporting period. Changes in the value from period to period are charged to “additional capital” in Vornado’s consolidated statements of changes in equity and to “partners’ capital” on the consolidated balance sheets of the Operating Partnership. There was no adjustment required for the three months ended March 31, 2025 and 2024.

4.45% Series O: authorized 12,000,000 shares/units	0.2781	0.2781

(1) Preferred share dividends/preferred unit distributions are cumulative and are payable quarterly in arrears.

(2) Redeemable at the option of Vornado under certain circumstances, at a redemption price of 1.9531 common shares/Class A units per Series A preferred share/unit plus accrued and unpaid dividends/distributions through the date of redemption, or convertible at any time at the option of the holder for 1.9531 common shares/Class A units per Series A preferred share/unit.

(3) Series L and Series M preferred shares/units are redeemable at Vornado's option at a redemption price of \$25.00 per share/unit, plus accrued and unpaid dividends/distributions through the date of redemption. Series N preferred shares/units are redeemable commencing November 2025 and Series O preferred shares/units are redeemable commencing September 2026, each at a redemption price of \$25.00 per share/unit.

We anticipate that we will pay a common share dividend for 2025 in the fourth quarter, subject to approval by our Board of Trustees.

Share Repurchase Program

In April 2023, our Board of Trustees authorized a share repurchase plan under which Vornado is authorized to repurchase up to \$200,000,000 of its outstanding common shares. To the extent Vornado repurchases any of its common shares, in order to fund the common share repurchase and maintain the one-to-one ratio of the number of Vornado common shares outstanding and the number of Class A units owned by Vornado, the Operating Partnership will repurchase from Vornado an equal number of its Class A units at the same price.

Share repurchases may be made from time to time in the open market, through privately negotiated transactions or through other means as permitted by federal securities laws, including through block trades, accelerated share repurchase transactions and/or trading plans intended to qualify under Rule 10b5-1. The timing, manner, price and amount of any repurchases will be determined in Vornado's discretion depending on business, economic and market conditions, corporate and regulatory requirements, prevailing prices for Vornado's common shares, alternative uses for capital and other considerations. The plan does not have an expiration date and may be suspended or discontinued at any time and does not obligate Vornado to make any repurchases of its common shares.

During the three months ended March 31, 2025, no shares were repurchased. In total, Vornado has repurchased 2,024,495 common shares at an average price per share of \$14.40. The Operating Partnership repurchased Class A units from Vornado equivalent to the number and price of common shares repurchased by Vornado. As of March 31, 2025, \$170,857,000 remained available and authorized for repurchases.

12. Income (Loss) Per Share and Per Class A Unit

Vornado Realty Trust

Basic net income (loss) per common share is computed by dividing (i) net income (loss) attributable to common stockholders after allocation of dividends and undistributed earnings to participating securities by (ii) the weighted average number of common shares outstanding for the period. Diluted earnings per share reflects the dilutive impact of potential common shares and is computed after allocation of earnings to participating securities. Vornado's participating securities include unvested restricted common shares. Employee stock options, OPP Units, AO LTIP Units, Performance AO LTIP Units and LTPP Units are included in the calculation of diluted income (loss) per share using the treasury stock method, if the effect is dilutive. Series A convertible preferred shares, Series G-1 through G-4 convertible preferred units, and Series D-13 redeemable preferred units are included in the calculation of diluted income (loss) per share using the if-converted method, if the effect is dilutive. Net income (loss) is allocated to redeemable Class A units of the Operating Partnership on a one-for-one basis with Vornado common shares. As such, redemption of these units for Vornado common shares would not have a dilutive effect on income (loss) per common share.

13. Variable Interest Entities ("VIEs")

Unconsolidated VIEs

As of March 31, 2025 and December 31, 2024, we had several unconsolidated VIEs. We do not consolidate these entities because we are not the primary beneficiary and the nature of our involvement in the activities of these entities does not give us power over decisions that significantly affect these entities' economic performance. We primarily account for our investment in these entities under the equity method (see Note 5 – *Investments in Partially Owned Entities*). As of March 31, 2025 and December 31, 2024, \$263,988,000 and \$261,443,000, respectively, of the carrying amount of assets related to our unconsolidated VIEs was included in "investments in partially owned entities" on our consolidated balance sheets. Additionally, as of March 31, 2025 and December 31, 2024, \$54,708,000 and \$52,530,000, respectively was included in "other assets" on our consolidated balance sheets. Our maximum exposure to loss from our unconsolidated VIEs as of March 31, 2025 and December 31, 2024 was \$321,696,000 and \$316,973,000, respectively.

Consolidated VIEs

Our most significant consolidated VIEs are the Operating Partnership (for Vornado), the Farley Project and certain properties that have noncontrolling interests. These entities are VIEs because the noncontrolling interests do not have substantive kick-out or participating rights. We consolidate these entities because we control all significant business activities.

As of March 31, 2025, the total assets and liabilities of our consolidated VIEs, excluding the Operating Partnership, were \$4,807,906,000 and \$2,751,906,000, respectively. As of December 31, 2024, the total assets and liabilities of our consolidated VIEs, excluding the Operating Partnership, were \$4,804,481,000 and \$2,738,539,000, respectively.

14. Fair Value Measurements

ASC 820 defines fair value and establishes a framework for measuring fair value. The objective of fair value is to determine the price that would be received upon the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). ASC 820 establishes a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three levels: Level 1 – quoted prices (unadjusted) in active markets that are accessible at the measurement date for assets or liabilities as well as certain U.S. Treasury securities that are highly liquid and are actively traded in secondary markets; Level 2 – observable prices that are based on inputs not quoted in active markets, but corroborated by market data; and Level 3 – unobservable inputs that are used when little or no market data is available. The fair value hierarchy gives the highest priority to Level 1 inputs and the lowest priority to Level 3 inputs. In determining fair value, we utilize valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible, as well as consider counterparty credit risk in our assessment of fair value. Considerable judgment is necessary to interpret Level 2 and 3 inputs in determining the fair value of our financial and non-financial assets and liabilities. Accordingly, our fair value estimates, which are made at the end of each reporting period, may be different than the amounts that may ultimately be realized upon sale or disposition of these assets.

14. Fair Value Measurements - continued

Financial Assets and Liabilities Measured at Fair Value on a Recurring Basis

Financial assets and liabilities that are measured at fair value on our consolidated balance sheets consist of (i) the assets in our deferred compensation plan (for which there is a corresponding liability on our consolidated balance sheets), (ii) loans receivable (for which we have elected the fair value option under ASC Subtopic 825-10, *Financial Instruments* ("ASC 825-10")), (iii) interest rate swaps and caps and (iv) mandatorily redeemable instruments (Series G-1 through G-4 convertible preferred units and Series D-13 cumulative redeemable preferred units). Deferred Compensation Plan Assets

Deferred compensation plan assets that are classified as Level 3 consist of investments in limited partnerships and investment funds, which are managed by third parties. We receive quarterly financial reports that provide net asset values on a fair value basis from a third-party administrator, which are compiled from the quarterly reports provided to them from each limited partnership and investment fund. The period of time over which these underlying assets are expected to be liquidated is unknown. The third-party administrator does not adjust these values in determining our share of the net assets and we do not adjust these values when reported in our consolidated financial statements.

The table below summarizes the changes in the fair value of deferred compensation plan assets that are classified as Level 3.

(1) The fair value for \$32,984 of the balance was determined by using a discounted cash flow model and Level 3 inputs, which include a terminal capitalization rate of 5.5% and a discount rate of 8.0% as of March 31, 2025. The terminal capitalization rate and discount rate disclosed reflect both the range and the weighted average. The fair value for the remaining balance at March 31, 2025 was based on comparable sales data.

Derivatives and Hedging

We use derivative instruments principally to reduce our exposure to interest rate increases. We do not enter into or hold derivative instruments for speculative trading purposes. We recognize the fair values of all derivatives in "other assets" or "other liabilities" on our consolidated balance sheets. Changes in the fair value of our cash flow hedges are recognized in other comprehensive income until the hedged item is recognized in earnings. Reported net income and equity may increase or decrease prospectively, depending on future levels of interest rates and other variables affecting the fair values of hedging instruments and hedged items, but will have no effect on cash flows. Cash payments and receipts related to our interest rate hedges are classified as operating activities and included within our disclosure of cash paid for interest on our consolidated statements of cash flows, consistent with the classification of the hedged interest payments.

The following table summarizes our consolidated hedging instruments, all of which hedge variable rate debt, as of March 31, 2025 and December 31, 2024.

Fair Value Measurements on a Nonrecurring Basis

There were no assets measured at fair value on a nonrecurring basis on our consolidated balance sheets as of March 31, 2025 and December 31, 2024.

Financial Assets and Liabilities not Measured at Fair Value

Financial assets and liabilities that are not measured at fair value on our consolidated balance sheets include cash equivalents (primarily money market funds, which invest in obligations of the United States government) and our secured and unsecured debt. The fair values of these instruments are estimated using discounted cash flow analyses provided by a third-party specialist. For floating rate debt, we use forward rates derived from observable market yield curves to project the expected cash flows we would be required to make under the instrument. The fair value of cash equivalents and borrowings under our unsecured revolving credit facilities and unsecured term loan are classified as Level 1. The fair value of our secured debt and unsecured debt are classified as Level 2. The table below summarizes the carrying amounts and fair value of these financial instruments.

17. Commitments and Contingencies

Insurance

For our properties, we maintain general liability insurance with limits of \$300,000,000 per occurrence and per property, of which \$275,000,000 includes communicable disease coverage and we maintain all risk property and rental value insurance with limits of \$2.0 billion per occurrence, with sub-limits for certain perils such as flood and earthquake, excluding communicable disease coverage. Our California properties have earthquake insurance with coverage of \$350,000,000 per occurrence and in the aggregate, subject to a deductible in the amount of 5% of the value of the affected property. We maintain coverage for certified terrorism acts with limits of \$6.0 billion per occurrence and in the aggregate (as listed below), \$1.2 billion for non-certified acts of terrorism, and \$5.0 billion per occurrence and in the aggregate for terrorism involving nuclear, biological, chemical and radiological (“NBCR”) terrorism events, as defined by the Terrorism Risk Insurance Act of 2002, as amended to date and which has been extended through December 2027.

Penn Plaza Insurance Company, LLC (“PPIC”), our wholly owned consolidated subsidiary, acts as a re-insurer with respect to a portion of all risk property and rental value insurance and a portion of our earthquake insurance coverage, and as a direct insurer for coverage for acts of terrorism including NBCR acts. Coverage for acts of terrorism (excluding NBCR acts) is fully reinsured by third-party insurance companies and the Federal government with no exposure to PPIC. For NBCR acts, PPIC is responsible for a deductible of \$2,396,808 and 20% of the balance of a covered loss and the Federal government is responsible for the remaining portion of a covered loss. We are ultimately responsible for any loss incurred by PPIC.

Certain condominiums in which we own an interest (including the Farley Condominiums) maintain insurance policies with different per occurrence and aggregate limits than our policies described above.

We continue to monitor the state of the insurance market and the scope and costs of coverage for acts of terrorism and other events. However, we cannot anticipate what coverage will be available on commercially reasonable terms in the future. We are responsible for uninsured losses and for deductibles and losses in excess of our insurance coverage, which could be material.

Our debt instruments, consisting of mortgage loans secured by our properties, senior unsecured notes and revolving credit agreements contain customary covenants requiring us to maintain insurance. Although we believe that we have adequate insurance coverage for purposes of these agreements, we may not be able to obtain an equivalent amount of coverage at reasonable costs in the future. Further, if lenders insist on greater coverage than we are able to obtain it could adversely affect our ability to finance or refinance our properties and expand our portfolio.

Other Commitments and Contingencies

We are from time to time involved in legal actions arising in the ordinary course of business. In our opinion, after consultation with legal counsel, the outcome of such matters is not currently expected to have a material adverse effect on our financial position, results of operations or cash flows.

Each of our properties has been subjected to varying degrees of environmental assessment at various times. The environmental assessments did not reveal any material environmental contamination. However, there can be no assurance that the identification of new areas of contamination, changes in the extent or known scope of contamination, the discovery of additional sites, or changes in cleanup requirements would not result in significant costs to us.

In January 2022, we exercised the second of three 25-year renewal options on our PENN 1 ground lease. The first renewal option period commenced June 2023 and, together with the second option exercise, extends the lease term through June 2073. The ground lease is subject to fair market value resets at each 25-year renewal period. On April 22, 2025, an arbitration panel (the “Panel”) appointed to determine the ground rent payable for the 25-year period beginning June 17, 2023 determined that the annual rent payable will be \$15,000,000.

Further, litigation is currently pending between the parties in New York County Supreme Court relating to the matter. To date, the court denied our motion to dismiss the action and we have filed a notice of appeal. The Panel’s decision provides that if the fee owner prevails in a final judgment in the litigation, the annual rent for the 25-year term will be \$20,220,000, retroactive to June 17, 2023.

We may, from time to time, enter into guarantees including, but not limited to, payment guarantees to lenders of unconsolidated joint ventures for tax purposes, completion guarantees for development and redevelopment projects, and guarantees to fund leasing costs. These agreements terminate either upon the satisfaction of specified obligations or repayment of the underlying loans. As of March 31, 2025, the aggregate dollar amount of these guarantees is approximately \$517,346,000, including the payment guarantee for the mortgage loan secured by 7 West 34th Street and partial payment guarantees on 435 Seventh Avenue and 150 West 34th Street. Other than these loans, our mortgage loans are non-recourse to us.

Other Commitments and Contingencies - continued

As of March 31, 2025, \$50,141,000 of letters of credit were outstanding under our unsecured revolving credit facilities. Our unsecured revolving credit facilities contain financial covenants that require us to maintain minimum interest coverage and maximum debt to market capitalization ratios and provide for higher interest rates in the event of a decline in the credit rating assigned to our senior unsecured notes. Our unsecured revolving credit facilities also contain customary conditions precedent to borrowing, including representations and warranties, and also contain customary events of default that could give rise to accelerated repayment, including such items as failure to pay interest or principal.

Our 95% consolidated joint venture (5% is owned by Related Companies ("Related")) developed and owns the Farley Building. In connection with the development of the property, the joint venture admitted a historic tax credit investor partner. Under the terms of the historic tax credit arrangement, the joint venture is required to comply with various laws, regulations, and contractual provisions. Non-compliance with applicable requirements could result in projected tax benefits not being realized and, therefore, may require a refund or reduction of the Tax Credit Investor's capital contributions. As of March 31, 2025, the Tax Credit Investor has made \$208,407,000 in capital contributions. Vornado and Related have guaranteed certain of the joint venture's obligations to the Tax Credit Investor.

As of March 31, 2025, we had construction commitments aggregating approximately \$49,176,000.

18. Segment Information

The Company's operating segments are based on our method of internal reporting which classifies our operations by geographic area. We aggregate these operating segments into two reportable segments, New York and Other, which is based on similar economic characteristics.

Net operating income ("NOI") at share represents total revenues less operating expenses including our share of partially owned entities. The Company's chief operating decision maker ("CODM") is its Chief Executive Officer, who considers NOI at share to be the measure of segment profit and loss for making decisions on how to allocate resources and assessing the unlevered performance of our segments as it relates to the return on assets as opposed to the levered return on equity.

Below is a summary of NOI at share by segment for the three months ended March 31, 2025 and 2024.

1535 Broadway (Fifth Avenue and Times Square JV)

On April 14, 2025, the Fifth Avenue and Times Square JV completed a \$450,000,000 financing of 1535 Broadway. The interest-only non-recourse loan bears interest at a fixed rate of 6.90% and matures in May 2030. After transaction costs and reserves, \$407,000,000 of the net proceeds from the financing were used to partially redeem Vornado's Fifth Avenue and Times Square JV preferred equity. In connection with the financing, the annual coupon for the remaining preferred equity interest in 1535 Broadway was increased to 5.75% from 4.75% through the maturity of the new loan and then will be based on a formulaic rate.

PENN 1 Ground Rent Reset Determination

On April 22, 2025, the Panel appointed to determine the ground rent payable for the PENN 1 land parcel for the 25-year period beginning June 17, 2023 determined that the annual rent payable will be \$15,000,000.

Further, litigation is currently pending between the parties in New York County Supreme Court relating to the matter. To date, the court denied our motion to dismiss the action and we have filed a notice of appeal. The Panel's decision provides that if the fee owner prevails in a final judgment in the litigation, the annual rent for the 25-year term will be \$20,220,000, retroactive to June 17, 2023.

We were accruing \$26,205,000 per annum of ground rent based on a previous estimate and therefore, in connection with the Panel's determination, we reversed \$17,240,000 of previously accrued rent expense during the three months ended March 31, 2025. Additionally, commencing in the first quarter of 2025, we are now paying based on the \$15,000,000 annual rent.

770 Broadway

On May 5, 2025, we completed a master lease with New York University ("NYU") to lease 1,076,000 square feet at 770 Broadway, on an "as is", triple net basis for a 70-year lease term. Under the terms of the master lease, a rental agreement under Section 467 of the Internal Revenue Code, NYU made a prepaid lease payment of \$935,000,000, and will also make annual lease payments of approximately \$9,300,000 during the lease term. NYU has an option to purchase the leased premises in both 2055 and at the end of the lease term in 2095. NYU will assume the existing office leases and related tenant income at the property.

We used a portion of the prepaid lease payment to repay the \$700,000,000 mortgage loan which previously encumbered the property.

In connection with the transaction, pursuant to GAAP, we will recognize an approximate \$800,000,000 financial statement gain in the second quarter of 2025.

Vornado will retain the 92,000 square feet retail condominium leased to Wegmans.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholders and the Board of Trustees of Vornado Realty Trust

Results of Review of Interim Financial Information

We have reviewed the accompanying consolidated balance sheet of Vornado Realty Trust and subsidiaries (the “Company”) as of March 31, 2025, the related consolidated statements of income, comprehensive income, changes in equity, and cash flows for the three-month periods ended March 31, 2025 and 2024, and the related notes (collectively referred to as the “interim financial information”). Based on our reviews, we are not aware of any material modifications that should be made to the accompanying interim financial information for it to be in conformity with accounting principles generally accepted in the United States of America.

We have previously audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheet of the Company as of December 31, 2024, and the related consolidated statements of income, comprehensive income, changes in equity, and cash flows for the year then ended (not presented herein); and in our report dated February 10, 2025, we expressed an unqualified opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying consolidated balance sheet as of December 31, 2024, is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.

Basis for Review Results

This interim financial information is the responsibility of the Company's management. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our reviews in accordance with standards of the PCAOB. A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the PCAOB, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Partners of Vornado Realty L.P. and the Board of Trustees of Vornado Realty Trust

Results of Review of Interim Financial Information

We have reviewed the accompanying consolidated balance sheet of Vornado Realty L.P. and subsidiaries (the “Partnership”) as of March 31, 2025, the related consolidated statements of income, comprehensive income, changes in equity, and cash flows for the three-month periods ended March 31, 2025 and 2024, and the related notes (collectively referred to as the “interim financial information”). Based on our reviews, we are not aware of any material modifications that should be made to the accompanying interim financial information for it to be in conformity with accounting principles generally accepted in the United States of America.

We have previously audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheet of the Partnership as of December 31, 2024 and the related consolidated statements of income, comprehensive income, changes in equity, and cash flows for the year then ended (not presented herein); and in our report dated February 10, 2025, we expressed an unqualified opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying consolidated balance sheet as of December 31, 2024, is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.

Basis for Review Results

This interim financial information is the responsibility of the Partnership's management. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Partnership in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our reviews in accordance with standards of the PCAOB. A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the PCAOB, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

You can find many of these statements by looking for words such as "approximates," "believes," "expects," "anticipates," "estimates," "intends," "plans," "would," "may" or other similar expressions in this Quarterly Report on Form 10-Q. We also note the following forward-looking statements: in the case of our development and redevelopment projects, the estimated completion date, estimated project cost and cost to complete; estimates of future rents; estimates of future capital expenditures, dividends to common and preferred shareholders and operating partnership distributions. Many of the factors that will determine the outcome of these and our other forward-looking statements are beyond our ability to control or predict. For further discussion of factors that could materially affect the outcome of our forward-looking statements, see "Item 1A. Risk Factors" in Part I of our Annual Report on Form 10-K for the year ended December 31, 2024.

For these statements, we claim the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. You are cautioned not to place undue reliance on our forward-looking statements, which speak only as of the date of this Quarterly Report on Form 10-Q or the date of any document incorporated by reference. All subsequent written and oral forward-looking statements attributable to us or any person acting on our behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. We do not undertake any obligation to release publicly any revisions to our forward-looking statements to reflect events or circumstances occurring after the date of this Quarterly Report on Form 10-Q.

Management's Discussion and Analysis of Financial Condition and Results of Operations includes a discussion of our consolidated financial statements for the three months ended March 31, 2025. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates. The results of operations for the three months ended March 31, 2025 are not necessarily indicative of the operating results for the full year. Certain prior year balances have been reclassified in order to conform to the current year presentation.

Overview

Vornado Realty Trust (“Vornado”) is a fully-integrated real estate investment trust (“REIT”) and conducts its business through, and substantially all of its interests in properties are held by, Vornado Realty L.P. (the “Operating Partnership”), a Delaware limited partnership. Vornado is the sole general partner of and owned approximately 91.4% of the common limited partnership interest in the Operating Partnership as of March 31, 2025. All references to the “Company,” “we,” “us” and “our” mean, collectively, Vornado, the Operating Partnership and those subsidiaries consolidated by Vornado.

We compete with a large number of real estate investors, property owners and developers, some of whom may be willing to accept lower returns on their investments. Principal factors of competition are rents charged, sales prices, attractiveness of location, the quality of the property and the breadth and the quality of services provided. Our success depends upon, among other factors, trends of the global, national, regional and local economies, the financial condition and operating results of current and prospective tenants and customers, availability and cost of capital, construction and renovation costs, taxes, governmental regulations, legislation, population and employment trends. See “Risk Factors” in Part I, Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2024 for additional information regarding these factors.

Our business has been, and may continue to be, affected by interest rate fluctuations, the effects of inflation and other uncertainties including the potential for an economic downturn. These factors could have a material impact on our business, financial condition, results of operations and cash flows.

Vornado Realty Trust

Quarter Ended March 31, 2025 Financial Results Summary

Net income attributable to common shareholders for the quarter ended March 31, 2025 was \$86,842,000, or \$0.43 per diluted share, compared to a net loss attributable to common shareholders of \$9,034,000, or \$0.05 per diluted share, for the prior year’s quarter. The increase is primarily due to the \$76,162,000 net gain recognized upon the disposition of a portion of the 666 Fifth condominium to UNIQLO, and the \$17,240,000 reversal of PENN 1 rent expense previously accrued following the April 2025 rent reset determination.

Funds from operations (“FFO”) attributable to common shareholders plus assumed conversions for the quarter ended March 31, 2025 was \$135,039,000, or \$0.67 per diluted share, compared to \$104,129,000, or \$0.53 per diluted share, for the prior year’s quarter. FFO attributable to common shareholders plus assumed conversions for the quarters ended March 31, 2025 and 2024 include certain items that impact the comparability of period-to-period FFO, which are listed in the table below. The aggregate of these items, net of amounts attributable to noncontrolling interests, increased FFO attributable to common shareholders plus assumed conversions for the quarter ended March 31, 2025 by \$8,794,000, or \$0.04 per diluted share, and decreased FFO attributable to common shareholders plus assumed conversions by \$4,718,000, or \$0.02 per diluted share, for the quarter ended March 31, 2024.

The following table reconciles the difference between our FFO attributable to common shareholders plus assumed conversions and our FFO attributable to common shareholders plus assumed conversions, as adjusted:

Same Store Net Operating Income (“NOI”) At Share

The percentage increase (decrease) in same store NOI at share and same store NOI at share - cash basis of our New York segment, THE MART and 555 California Street are below.

Three months ended March 31, 2025 compared to March 31, 2024	Total	New York	THE MART	555 California Street
Same store NOI at share % increase	3.5 %	3.0 % ⁽¹⁾	9.7 %	5.2 %
Same store NOI at share - cash basis % increase (decrease)	0.9 %	(0.7)%	16.7 %	7.1 %

(1) Excludes the impact of the \$17,240,000 reversal of previously accrued PENN 1 ground rent.

Calculations of same store NOI at share, reconciliations of our net income (loss) to NOI at share, NOI at share - cash basis and FFO and the reasons we consider these non-GAAP financial measures useful are provided in the following pages of Management’s Discussion and Analysis of Financial Condition and Results of Operations.

PENN 1 Ground Rent Reset Determination

On April 22, 2025, an arbitration panel (the “Panel”) appointed to determine the ground rent payable for the PENN 1 land parcel for the 25-year period beginning June 17, 2023 determined that the annual rent payable will be \$15,000,000.

Further, litigation is currently pending between the parties in New York County Supreme Court relating to the matter. To date, the court denied our motion to dismiss the action and we have filed a notice of appeal. The Panel’s decision provides that if the fee owner prevails in a final judgment in the litigation, the annual rent for the 25-year term will be \$20,220,000, retroactive to June 17, 2023.

We were accruing \$26,205,000 per annum of ground rent based on a previous estimate and therefore, in connection with the Panel’s determination, we reversed \$17,240,000 of previously accrued rent expense during the three months ended March 31, 2025. Additionally, commencing in the first quarter of 2025, we are now paying based on the \$15,000,000 annual rent.

Dispositions

666 Fifth Avenue (Fifth Avenue and Times Square JV)

On January 8, 2025, the Fifth Avenue and Times Square JV completed the sale to UNIQLO of the portion of its U.S. flagship store at 666 Fifth Avenue owned by the joint venture for \$350,000,000 and realized net proceeds of \$342,000,000. The net proceeds were used to partially redeem Vornado’s preferred equity on the asset. The joint venture continues to own 23,832 square feet of retail space (7,416 square feet at grade) at 666 Fifth Avenue consisting of the Abercrombie & Fitch and Tissot stores. We recognized a financial statement gain of \$76,162,000, which is included in “income from partially owned entities” on our consolidated statements of income.

220 Central Park South

During the three months ended March 31, 2025, we closed on the sale of two condominium units and ancillary amenities at 220 CPS for net proceeds of \$24,713,000, resulting in a financial statement net gain of \$13,576,000 which is included in "net gains on disposition of wholly owned and partially owned assets" on our consolidated statements of income. In connection with these sales, \$2,548,000 of income tax expense was recognized on our consolidated statements of income. Two units remain unsold, with a carrying value of \$10,585,000 which is included in "other assets" on our consolidated balance sheets.

Financings

Senior Unsecured Notes due 2025

We repaid our \$450,000,000 3.50% senior unsecured notes on their January 15, 2025 maturity date.

NOI At Share by Segment for the Three Months Ended March 31, 2025 and 2024

NOI at share represents total revenues less operating expenses including our share of partially owned entities. NOI at share - cash basis represents NOI at share adjusted to exclude straight-line rental income and expense, amortization of acquired below and above market leases, accruals for ground rent resets yet to be determined, and other non-cash adjustments. We consider NOI at share to be the primary non-GAAP financial measure for making decisions and assessing the unlevered performance of our segments as it relates to the return on assets as opposed to the levered return on equity. As properties are bought and sold based on NOI at share - cash basis, we utilize this measure to make investment decisions as well as to compare the performance of our assets to that of our peers. NOI at share and NOI at share - cash basis should not be considered alternatives to net income or cash flow from operations and may not be comparable to similarly titled measures employed by other companies.

Below is a summary of NOI at share and NOI at share - cash basis by segment for the three months ended March 31, 2025 and 2024.

Interest and Debt Expense

Interest and debt expense for the three months ended March 31, 2025 was \$95,816,000, compared to \$90,478,000 for the prior year's quarter, an increase of \$5,338,000. This was primarily due to (i) \$11,618,000 of higher interest expense resulting from higher average interest rates, inclusive of the impact of our interest rate hedging instruments, partially offset by (ii) \$3,978,000 of lower interest expense resulting from lower average debt balances and (iii) \$3,788,000 of lower amortization of interest rate cap premiums.

Net Gains on Disposition of Wholly Owned and Partially Owned Assets

Net gains on disposition of wholly owned and partially owned assets for the three months ended March 31, 2025 were \$15,551,000, primarily consisting of \$13,576,000 from the sale of two condominium units and ancillary amenities at 220 CPS.

Income Tax Expense

Income tax expense for the three months ended March 31, 2025 was \$7,193,000, compared to \$6,740,000 for the prior year's quarter, an increase of \$453,000. This was primarily due to higher income tax expense incurred by our taxable REIT subsidiaries.

Net Loss Attributable to Noncontrolling Interests in Consolidated Subsidiaries

Net loss attributable to noncontrolling interests in consolidated subsidiaries was \$10,433,000 for the three months ended March 31, 2025, compared to \$11,982,000 for the prior year's quarter, a decrease of \$1,549,000.

Same Store Net Operating Income At Share

Same store NOI at share represents NOI at share from operations which are in service in both the current and prior year reporting periods. Same store NOI at share - cash basis is same store NOI at share adjusted to exclude straight-line rental income and expense, amortization of acquired below and above market leases, accruals for ground rent resets yet to be determined, and other non-cash adjustments. We use these non-GAAP measures to (i) facilitate meaningful comparisons of the operational performance of our properties and segments, (ii) make decisions on whether to buy, sell or refinance properties, and (iii) compare the performance of our properties and segments to those of our peers. Same store NOI at share and same store NOI at share - cash basis should not be considered alternatives to net income or cash flow from operations and may not be comparable to similarly titled measures employed by other companies.

Below are reconciliations of NOI at share to same store NOI at share and NOI at share - cash basis to same store NOI at share - cash basis for our New York segment, THE MART, 555 California Street and other investments for the three months ended March 31, 2025 compared to March 31, 2024.

Liquidity and Capital Resources

Our cash requirements include property operating expenses, capital improvements, tenant improvements, debt service, leasing commissions, dividends to our shareholders, distributions to unitholders of the Operating Partnership, as well as acquisition and development and redevelopment costs. The sources of liquidity to fund these cash requirements include rental revenue, which is our primary source of cash flow and is dependent upon the occupancy and rental rates of our properties; proceeds from debt financings, including mortgage loans, senior unsecured borrowings, unsecured term loans and unsecured revolving credit facilities; proceeds from the issuance of common and preferred equity; and asset sales.

As of March 31, 2025, we had \$2.3 billion of liquidity comprised of \$807.0 million of cash and cash equivalents and restricted cash and \$1.5 billion available on our \$2.2 billion revolving credit facilities. The ongoing challenges posed by fluctuations in interest rates and the effects of inflation could adversely impact our cash flow from continuing operations but we anticipate that cash flow from continuing operations over the next twelve months together with cash balances on hand will be adequate to fund our business operations, cash distributions to unitholders of the Operating Partnership, cash dividends to our shareholders, debt amortization and recurring capital expenditures. We anticipate that we will pay a common share dividend for 2025 in the fourth quarter, subject to approval by our Board of Trustees. Capital requirements for development and redevelopment expenditures and acquisitions may require funding from borrowings, equity offerings and/or asset sales.

We may from time to time repurchase or retire our outstanding debt securities or repurchase or redeem our equity securities. Such purchases, if any, will depend on prevailing market conditions, liquidity requirements and other factors. The amounts involved in connection with these transactions could be material to our consolidated financial statements.

In April 2023, our Board of Trustees authorized the repurchase of up to \$200,000,000 of our outstanding common shares under a share repurchase plan. As of March 31, 2025, \$170,857,000 remained available and authorized for repurchases.

Summary of Cash Flows

Cash and cash equivalents and restricted cash was \$806,888,000 as of March 31, 2025, a \$142,731,000 decrease from the balance as of December 31, 2024.

Our cash flow activities are summarized as follows:

(Amounts in thousands)	For the Three Months Ended March 31,		Increase (Decrease) in Cash Flow
	2025	2024	
Net cash provided by operating activities	\$ 52,034	\$ 31,485	\$ 20,549

Net cash used in financing activities	(470,266)	(15,524)	(454,742)

Operating Activities

Net cash provided by operating activities primarily consists of cash inflows from rental revenues and operating distributions from our unconsolidated partially owned entities less cash outflows for property expenses, general and administrative expenses and interest expense. For the three months ended March 31, 2025, net cash provided by operating activities of \$52,034,000 was comprised of \$154,399,000 of cash from operations, including distributions of income from partially owned entities of \$28,382,000, and a net decrease of \$102,365,000 in cash due to the timing of cash receipts and payments related to changes in operating assets and liabilities.

Investing Activities

Net cash provided by (used in) investing activities is impacted by the timing and extent of our development, capital improvement, acquisition and disposition activities during the year.

The following table details the net cash provided by (used in) investing activities:

Development and Redevelopment Expenditures

Development and redevelopment expenditures consist of all hard and soft costs associated with the development and redevelopment of a property. We plan to fund these development and redevelopment expenditures from operating cash flow, existing liquidity, and/or borrowings. See the detailed discussion below for our current development and redevelopment projects.

PENN District

PENN 2

We are redeveloping PENN 2, a 1,815,000 square foot (as expanded) office building located on the west side of Seventh Avenue between 31st and 33rd Street. The development cost of this project is estimated to be \$750,000,000, of which \$708,267,000 of cash has been expended as of March 31, 2025.

We are also making districtwide improvements within the PENN District. The development cost of these improvements is estimated to be \$100,000,000, of which \$75,189,000 of cash has been expended as of March 31, 2025.

Sunset Pier 94 Studios

On August 28, 2023, we, together with Hudson Pacific Properties and Blackstone Inc., formed a joint venture to develop Pier 94 into a 266,000 square foot purpose-built studio campus in Manhattan. We own a 49.9% equity interest in the joint venture. The development cost of the project is estimated to be \$350,000,000, which will be funded with \$183,200,000 of construction financing (\$60,400,000 drawn as of March 31, 2025) and \$166,800,000 of equity contributions. Our share of equity contributions was funded by (i) our \$40,000,000 Pier 94 leasehold interest contribution and (ii) \$34,000,000 of cash contributions, which are net of an estimated \$9,000,000 for our share of development fees and reimbursement for overhead costs incurred by us. During 2024, we fully funded our share of equity and cash contributions.

350 Park Avenue

On January 24, 2023, we and the Rudin family (“Rudin”) completed agreements with Citadel Enterprise Americas LLC (“Citadel”) and an affiliate of Kenneth C. Griffin, Citadel’s Founder and CEO (“KG”), for a series of transactions relating to 350 Park Avenue and 40 East 52nd Street. In connection therewith, we entered into a joint venture with Rudin (the “Vornado/Rudin JV”) that purchased 39 East 51st Street for \$40,000,000, funded on a 50/50 basis by Vornado and Rudin. 39 East 51st Street will be combined with 350 Park Avenue and 40 East 52nd Street to create a premier development site (the “350 Park Site”). From October 2024 to June 2030, an affiliate of KG will have the option to either (i) acquire a 60% interest in a joint venture with the Vornado/Rudin JV (with Vornado having an effective 36% interest in the entity) to build a new 1,700,000 square foot office tower, valuing the 350 Park Site at \$1.2 billion or (ii) purchase the 350 Park Site for \$1.4 billion (\$1.085 billion to Vornado). From October 2024 to September 2030, the Vornado/Rudin JV has the option to put the 350 Park Site to KG for \$1.2 billion (\$900,000,000 to Vornado).

We are also evaluating other development and redevelopment opportunities at certain of our properties in Manhattan including, in particular, the PENN District.

There can be no assurance that the above projects will be completed, completed on schedule or within budget.

Insurance

For our properties, we maintain general liability insurance with limits of \$300,000,000 per occurrence and per property, of which \$275,000,000 includes communicable disease coverage and we maintain all risk property and rental value insurance with limits of \$2.0 billion per occurrence, with sub-limits for certain perils such as flood and earthquake, excluding communicable disease coverage. Our California properties have earthquake insurance with coverage of \$350,000,000 per occurrence and in the aggregate, subject to a deductible in the amount of 5% of the value of the affected property. We maintain coverage for certified terrorism acts with limits of \$6.0 billion per occurrence and in the aggregate (as listed below), \$1.2 billion for non-certified acts of terrorism, and \$5.0 billion per occurrence and in the aggregate for terrorism involving nuclear, biological, chemical and radiological (“NBCR”) terrorism events, as defined by the Terrorism Risk Insurance Act of 2002, as amended to date and which has been extended through December 2027.

Penn Plaza Insurance Company, LLC (“PPIC”), our wholly owned consolidated subsidiary, acts as a re-insurer with respect to a portion of all risk property and rental value insurance and a portion of our earthquake insurance coverage, and as a direct insurer for coverage for acts of terrorism including NBCR acts. Coverage for acts of terrorism (excluding NBCR acts) is fully reinsured by third-party insurance companies and the Federal government with no exposure to PPIC. For NBCR acts, PPIC is responsible for a deductible of \$2,396,808 and 20% of the balance of a covered loss and the Federal government is responsible for the remaining portion of a covered loss. We are ultimately responsible for any loss incurred by PPIC.

Certain condominiums in which we own an interest (including the Farley Condominiums) maintain insurance policies with different per occurrence and aggregate limits than our policies described above.

We continue to monitor the state of the insurance market and the scope and costs of coverage for acts of terrorism and other events. However, we cannot anticipate what coverage will be available on commercially reasonable terms in the future. We are responsible for uninsured losses and for deductibles and losses in excess of our insurance coverage, which could be material.

Our debt instruments, consisting of mortgage loans secured by our properties, senior unsecured notes and revolving credit agreements contain customary covenants requiring us to maintain insurance. Although we believe that we have adequate insurance coverage for purposes of these agreements, we may not be able to obtain an equivalent amount of coverage at reasonable costs in the future. Further, if lenders insist on greater coverage than we are able to obtain it could adversely affect our ability to finance or refinance our properties and expand our portfolio.

Other Commitments and Contingencies

We are from time to time involved in legal actions arising in the ordinary course of business. In our opinion, after consultation with legal counsel, the outcome of such matters is not currently expected to have a material adverse effect on our financial position, results of operations or cash flows.

Each of our properties has been subjected to varying degrees of environmental assessment at various times. The environmental assessments did not reveal any material environmental contamination. However, there can be no assurance that the identification of new areas of contamination, changes in the extent or known scope of contamination, the discovery of additional sites, or changes in cleanup requirements would not result in significant costs to us.

Liquidity and Capital Resources - continued

Other Commitments and Contingencies - continued

In January 2022, we exercised the second of three 25-year renewal options on our PENN 1 ground lease. The first renewal option period commenced June 2023 and, together with the second option exercise, extends the lease term through June 2073. The ground lease is subject to fair market value resets at each 25-year renewal period. On April 22, 2025, an arbitration panel (the "Panel") appointed to determine the ground rent payable for the 25-year period beginning June 17, 2023 determined that the annual rent payable will be \$15,000,000.

Further, litigation is currently pending between the parties in New York County Supreme Court relating to the matter. To date, the court denied our motion to dismiss the action and we have filed a notice of appeal. The Panel's decision provides that if the fee owner prevails in a final judgment in the litigation, the annual rent for the 25-year term will be \$20,220,000, retroactive to June 17, 2023.

We may, from time to time, enter into guarantees including, but not limited to, payment guarantees to lenders of unconsolidated joint ventures for tax purposes, completion guarantees for development and redevelopment projects, and guarantees to fund leasing costs. These agreements terminate either upon the satisfaction of specified obligations or repayment of the underlying loans. As of March 31, 2025, the aggregate dollar amount of these guarantees is approximately \$517,346,000, including the payment guarantee for the mortgage loan secured by 7 West 34th Street and partial payment guarantees on 435 Seventh Avenue and 150 West 34th Street. Other than these loans, our mortgage loans are non-recourse to us.

As of March 31, 2025, \$50,141,000 of letters of credit were outstanding under our unsecured revolving credit facilities. Our unsecured revolving credit facilities contain financial covenants that require us to maintain minimum interest coverage and maximum debt to market capitalization ratios and provide for higher interest rates in the event of a decline in the credit rating assigned to our senior unsecured notes. Our unsecured revolving credit facilities also contain customary conditions precedent to borrowing, including representations and warranties, and also contain customary events of default that could give rise to accelerated repayment, including such items as failure to pay interest or principal.

Our 95% consolidated joint venture (5% is owned by Related Companies ("Related")) developed and owns the Farley Building. In connection with the development of the property, the joint venture admitted a historic tax credit investor partner (the "Tax Credit Investor"). Under the terms of the historic tax credit arrangement, the joint venture is required to comply with various laws, regulations, and contractual provisions. Non-compliance with applicable requirements could result in projected tax benefits not being realized and, therefore, may require a refund or reduction of the Tax Credit Investor's capital contributions. As of March 31, 2025, the Tax Credit Investor has made \$208,407,000 in capital contributions. Vornado and Related have guaranteed certain of the joint venture's obligations to the Tax Credit Investor.

As of March 31, 2025, we had construction commitments aggregating approximately \$49,176,000.

Funds From Operations (“FFO”)

Vornado Realty Trust

FFO is computed in accordance with the definition adopted by the Board of Governors of the National Association of Real Estate Investment Trusts (“NAREIT”). NAREIT defines FFO as GAAP net income or loss adjusted to exclude net gains from sales of certain real estate assets, impairment write-downs of certain real estate assets and investments in entities when the impairment is directly attributable to decreases in the value of depreciable real estate held by the entity, depreciation and amortization expense from real estate assets and other specified items, including the pro rata share of such adjustments of unconsolidated subsidiaries. FFO and FFO per diluted share are non-GAAP financial measures used by management, investors and analysts to facilitate meaningful comparisons of operating performance between periods and among our peers because it excludes the effect of real estate depreciation and amortization and net gains on sales, which are based on historical costs and implicitly assume that the value of real estate diminishes predictably over time, rather than fluctuating based on existing market conditions. FFO does not represent cash generated from operating activities and is not necessarily indicative of cash available to fund cash requirements and should not be considered as an alternative to net income as a performance measure or cash flow as a liquidity measure. FFO may not be comparable to similarly titled measures employed by other companies. The calculations of both the numerator and denominator used in the computation of income (loss) per share are disclosed in Note 12 – *Income (Loss) Per Share and Per Class A Unit* in Part I, Item 1 of this Quarterly Report on Form 10-Q. Details of certain adjustments to FFO are discussed in the financial results summary of our “Overview”.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

We have exposure to fluctuations in market interest rates. Market interest rates are sensitive to many factors that are beyond our control. Our exposure to a change in interest rates on our consolidated and non-consolidated debt (all of which arises out of non-trading activity) is as follows:

(Amounts in thousands, except per share and per unit amounts)

(2) The impact of the interest rate cap arrangements discussed on the following page is reflected in our calculation of the effect of 1% change in base rates.

(3) Includes variable rate debt with interest rates fixed by interest rate swap arrangements and the \$950,000 1290 Avenue of the Americas mortgage loan which is subject to a 1.00% SOFR interest rate cap arrangement.

(4) Includes variable rate debt subject to interest rate cap arrangements with a total notional amount of \$960,000, of which \$360,000 is attributable to noncontrolling interests. The interest rate cap arrangements have a weighted average SOFR strike rate of 5.07% and a weighted average remaining term of eight months.

(5) Excludes additional 3.00% default interest on the 606 Broadway mortgage loan.

(6) Includes variable rate debt subject to interest rate cap arrangements with a total notional amount of \$243,617 at our pro rata share. The interest rate cap arrangements have a weighted average SOFR strike rate of 4.16% and a weighted average remaining term of six months.

Fair Value of Debt

The estimated fair value of our consolidated debt is calculated based on current market prices and discounted cash flows at the current rate at which similar loans would be made to borrowers with similar credit ratings for the remaining term of such debt. As of March 31, 2025, the estimated fair value of our consolidated debt was \$7,574,000,000.

Derivatives and Hedging

We utilize various financial instruments to mitigate the impact of interest rate fluctuations on our cash flows and earnings, including hedging strategies, depending on our analysis of the interest rate environment and the costs and risks of such strategies. The following table summarizes our consolidated hedging instruments, all of which hedge variable rate debt, as of March 31, 2025.
