Explanation of Responses:

- Represents LTIP Units of Vornado Realty L.P. (the "Operating Partnership"), the operating partnership of Vornado Realty Trust (the "Company"). The LTIP Units are a class of units of the Operating Partnership that following the occurrence of certain events and upon vesting are convertible by the holder into an equivalent number of Class A Units of the Operating Partnership ("Class A Units"). Class A Units of the Operating Partnership are redeemable by the holder for cash or, at the Company's election, common shares of the Company on a one-for-one basis or the cash value of such shares. The rights to convert LTIP Units into Class A Units and redeem Class A Units do not have expiration dates.
- The LTIP Units were originally issued in January 2023 and were subject to performance-based vesting hurdles based on achievement of operational performance metrics for the year ended December 31, 2023, and remain subject to certain additional performance-based vesting hurdles based on the Company's total shareholder return for the period from January 11, 2023 through January 11, 2026 (the "TSR Performance Period"). On February 8, 2024, the Company's Compensation Committee determined the level of achievement of the operational performance-based vesting hurdles for these LTIP Units, resulting in the number of LTIP Units reported initially being earned, which amount may be adjusted downwards by up to 30.0% at the conclusion of the TSR Performance Period based on the Company's total shareholder return.
- Earned LTIP Units will vest in equal installments on each of January 11, 2026 and January 11, 2027, subject to continued employment. Each LTIP and Class A Unit acquired upon conversion of such LTIP Unit is subject to an additional three-year transfer restriction pursuant to which such LTIP Unit and Class A Unit generally may not be transferred, and the redemption right associated with the Class A Unit may not be exercised until three years after the vesting date.
