EXPLANATORY NOTE

This report combines the quarterly reports on Form 10-Q for the period ended June 30, 2024 of Vornado Realty Trust and Vornado Realty L.P. Unless stated otherwise or the context otherwise requires, references to “Vornado” refer to Vornado Realty Trust, a Maryland real estate investment trust (“REIT”), and references to the “Operating Partnership” and “VRLP” refer to Vornado Realty L.P., a Delaware limited partnership. References to the “Company,” “we,” “us” and “our” mean collectively Vornado, the Operating Partnership and those subsidiaries consolidated by Vornado.

The Operating Partnership is the entity through which we conduct substantially all of our business and own, either directly or through subsidiaries, substantially all of our assets. Vornado is the sole general partner and also a 90.9% limited partner of the Operating Partnership. As the sole general partner of the Operating Partnership, Vornado has exclusive control of the Operating Partnership’s day-to-day management.

Under the limited partnership agreement of the Operating Partnership, unitholders may present their Class A units for redemption at any time (subject to restrictions agreed upon at the time of issuance of the units that may restrict such right for a period of time). Class A units may be tendered for redemption to the Operating Partnership for cash; Vornado, at its option, may assume that obligation and pay the holder either cash or Vornado common shares on a one-for-one basis. Because the number of Vornado common shares outstanding at all times equals the number of Class A units owned by Vornado, the redemption value of each Class A unit is equivalent to the market value of one Vornado common share, and the distribution to a Class A unitholder is equal to the dividend paid to a Vornado common shareholder. This one-for-one exchange ratio is subject to specified adjustments to prevent dilution. Vornado generally expects that it will elect to issue its common shares in connection with each such presentation for redemption rather than having the Operating Partnership pay cash. With each such exchange or redemption, Vornado’s percentage ownership in the Operating Partnership will increase. In addition, whenever Vornado issues common shares other than to acquire Class A units of the Operating Partnership, Vornado must contribute any net proceeds it receives to the Operating Partnership and the Operating Partnership must issue to Vornado an equivalent number of Class A units of the Operating Partnership. This structure is commonly referred to as an umbrella partnership REIT, or UPREIT.

The Company believes that combining the quarterly reports on Form 10-Q of Vornado and the Operating Partnership into this single report provides the following benefits:

- enhances investors’ understanding of Vornado and the Operating Partnership by enabling investors to view the business as a whole in the same manner as management views and operates the business;
- eliminates duplicative disclosure and provides a more streamlined and readable presentation because a substantial portion of the disclosure applies to both Vornado and the Operating Partnership; and
- creates time and cost efficiencies in the preparation of one combined report instead of two separate reports.

The Company believes it is important to understand the few differences between Vornado and the Operating Partnership in the context of how Vornado and the Operating Partnership operate as a consolidated company. The financial results of the Operating Partnership are consolidated into the financial statements of Vornado. Vornado does not have any significant assets, liabilities or operations, other than its investment in the Operating Partnership. The Operating Partnership, not Vornado, generally executes all significant business relationships other than transactions involving the securities of Vornado. The Operating Partnership holds substantially all of the assets of Vornado. The Operating Partnership conducts the operations of the business and is structured as a partnership with no publicly traded equity. Except for the net proceeds from equity offerings by Vornado, which are contributed to the capital of the Operating Partnership in exchange for Class A units of partnership in the Operating Partnership, and the net proceeds of debt offerings by Vornado, which are contributed to the Operating Partnership in exchange for debt securities of the Operating Partnership, as applicable, the Operating Partnership generates all remaining capital required by the Company’s business. These sources may include working capital, net cash provided by operating activities, borrowings under the revolving credit facilities, the issuance of secured and unsecured debt and equity securities and proceeds received from the disposition of certain properties.

To help investors better understand the key differences between Vornado and the Operating Partnership, certain information for Vornado and the Operating Partnership in this report has been separated, as set forth below:

2. Basis of Presentation

The accompanying consolidated financial statements are unaudited and include the accounts of Vornado and the Operating Partnership and their consolidated subsidiaries. All adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and changes in cash flows have been made. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”) have been condensed or omitted. These condensed consolidated financial statements have been prepared in accordance with the instructions to Form 10-Q of the Securities and Exchange Commission (“SEC”) and should be read in conjunction with the consolidated financial statements and notes thereto included in our Annual Report on Form 10-K for the year ended December 31, 2023, as filed with the SEC.

We have made estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates. The results of operations for the three and six months ended June 30, 2024 are not necessarily indicative of the operating results for the full year. In addition, certain prior year balances have been reclassified in order to conform to the current period presentation.

3. Recently Issued Accounting Literature

In November 2023, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2023-07, *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures* (“ASU 2023-07”). 5. Investments in Partially Owned Entities

Fifth Avenue and Times Square JV

As of June 30, 2024, we own a 51.5% common interest in a joint venture ("Fifth Avenue and Times Square JV") which owns interests in properties located at 640 Fifth Avenue, 655 Fifth Avenue, 666 Fifth Avenue, 689 Fifth Avenue, 697-703 Fifth Avenue, 1535 Broadway and 1540 Broadway (collectively, the "Properties"). The remaining 48.5% common interest in the joint venture is owned by a group of institutional investors (the "Investors"). Our 51.5% common interest in the joint venture represents an effective 51.0% interest in the Properties. The 48.5% common interest in the joint venture owned by the Investors represents an effective 47.2% interest in the Properties. We provide various services to Fifth Avenue and Times Square JV in accordance with management, development, leasing and other agreements.

We also own \$1.828 billion aggregate liquidation preference of preferred equity interests in certain of the Properties. The preferred equity had an annual coupon of 4.25% through April 2024, increasing to 4.75% for the subsequent five years and thereafter at a formulaic rate. It can be redeemed under certain conditions on a tax deferred basis.

Fifth Avenue and Times Square JV operates pursuant to a limited partnership agreement (the "Partnership Agreement") among VRLP, a wholly owned subsidiary of VRLP ("Vornado GP") and the Investors. Vornado GP is the general partner of Fifth Avenue and Times Square JV. VRLP is jointly and severally liable with Vornado GP for Vornado GP's obligations under the Partnership Agreement. Pursuant to the Partnership Agreement and the organizational documents of the entities owning the Properties, the Investors or directors of the entities owning the Properties appointed by the Investors, as the case may be, have the right to approve annual business plans and budgets for the Properties and certain other specified major decisions with respect to the Properties and Fifth Avenue and Times Square JV. The Partnership Agreement affords the Investors the right to remove and replace Vornado GP in the event Vornado GP or certain of its affiliates commit fraud or other bad acts in connection with Fifth Avenue and Times Square JV, become bankrupt or insolvent, or default on certain of their respective obligations under the Partnership Agreement (subject to notice and cure periods in certain circumstances). The Partnership Agreement includes (i) remedies for the failure of any partner to make a required capital contribution for necessary expenses and (ii) liquidity provisions, including transfer rights subject to mutual rights of first offer and a mutual buy-sell, customary for similar partnerships. Subject to certain limitations, either party may transfer more than 50% or control of its respective interests in Fifth Avenue and Times Square JV or exercise a buy-sell on a Property-by-Property basis (with only one property subject to a buy-sell at any time), and commencing April 18, 2029, either party may exercise a buy-sell on multiple properties concurrently. In the event the buy-sell is exercised with respect to any Property in which VRLP holds preferred equity and VRLP is the selling partner in the buy-sell, VRLP may elect whether or not to include its preferred equity in the buy-sell for the Property to be sold.

As of June 30, 2024, the carrying amount of our investment in the joint venture was less than our share of the equity in the net assets of the joint venture by approximately \$833,048,000, the basis difference primarily resulting from non-cash impairment losses recognized in prior periods. Substantially all of this basis difference was allocated, based on our estimates of the fair values of Fifth Avenue and Times Square JV's assets and liabilities, to real estate (land and buildings). We are amortizing the basis difference related to the buildings into earnings as a reduction to depreciation expense over their estimated useful lives.

On June 10, 2024, the Fifth Avenue and Times Square JV completed a \$400,000,000 refinancing of 640 Fifth Avenue. The non-recourse loan matures in July 2029, bears interest at a fixed rate of 7.47% and amortizes at \$7,000,000 per annum. The loan replaces the previous \$500,000,000 loan, which the joint venture paid down by \$100,000,000. The previous loan was fully recourse to the Operating Partnership and bore interest at SOFR plus 1.11%.

Alexander's, Inc. ("Alexander's") (NYSE: ALX)

As of June 30, 2024, we own 1,654,068 Alexander's common shares, or approximately 32.4% of Alexander's common equity. We manage, develop and lease Alexander's properties pursuant to agreements which expire in March of each year and are automatically renewable. In addition, wholly owned subsidiaries of Vornado provide cleaning, engineering, security, and garage management services to certain Alexander's properties.

As of June 30, 2024, the market value ("fair value" pursuant to ASC Topic 820, *Fair Value Measurements* ("ASC 820")) of our investment in Alexander's, based on Alexander's June 30, 2024 closing share price of \$224.86, was \$371,934,000, or \$292,336,000 in excess of the carrying amount on our consolidated balance sheets. As of June 30, 2024, the carrying amount of our investment in Alexander's, excluding amounts owed to us, exceeded our share of the equity in the net assets of Alexander's by approximately \$29,320,000. The majority of this basis difference resulted from the excess of our purchase price for the Alexander's common stock acquired over the book value of Alexander's net assets. Substantially all of this basis difference was allocated, based on our estimates of the fair values of Alexander's assets and liabilities, to real estate (land and buildings). We are amortizing the basis difference related to the buildings into earnings as additional depreciation expense over their estimated useful lives. This depreciation is not material to our share of equity in Alexander's net income.

5. Investments in Partially Owned Entities - continued

Alexander's - continued

We provide Alexander's with leasing services for a fee of 3% of rent for the first ten years of a lease term, 2% of rent for the eleventh through the twentieth year of a lease term, and 1% of rent for the twenty-first through thirtieth year of a lease term, subject to the payment of rents by tenants. Under the agreements in effect prior to May 1, 2024, in the event third-party real estate brokers were used, the fees due to us increased by 1% and we were responsible for the payment of fees to the third-party real estate brokers ("Third-Party Lease Commissions"). On May 1, 2024, our Board of Trustees approved amendments to the leasing agreements, subject to applicable consents from Alexander's lenders, pursuant to which Alexander's is directly responsible for any Third-Party Lease Commissions and, in such circumstances, our fee is 33% of the applicable Third-Party Lease Commissions.

On May 3, 2024, Alexander's and Bloomberg L.P. reached an agreement to extend the leases covering approximately 947,000 square feet at 731 Lexington Avenue that were scheduled to expire in February 2029 for a term of eleven years to February 2040.

In connection with the lease amendments discussed above, Alexander's paid a leasing commission to a third-party real estate broker and paid us a \$5,500,000 leasing commission override.

50-70 West 93rd Street

On May 13, 2024, we sold our 49.9% interest in 50-70 West 93rd Street to our joint venture partner. We received net proceeds of \$2,000,000 after deducting our share of the existing \$83,500,000 mortgage loan, which was scheduled to mature in December 2024, resulting in a net gain of \$873,000. The net gain is included in "net gains on disposition of wholly owned and partially owned assets" on our consolidated statements of income.

280 Park Avenue

On April 4, 2024, a joint venture, in which we have a 50% interest, amended and extended the \$1,075,000,000 mortgage loan on 280 Park Avenue. The maturity date on the amended loan was extended to September 2026, with options to fully extend to September 2028, subject to certain conditions. The interest rate on the amended loan remains at SOFR plus 1.78%. On July 8, 2024, the joint venture swapped the interest rate to a fixed rate of 5.84% through September 2028. Additionally, on April 4, 2024, the joint venture amended and extended the \$125,000,000 mezzanine loan, and subsequently repaid the loan for \$62,500,000. In connection with the repayment of the mezzanine loan, we recognized our \$31,215,000 share of the debt extinguishment gain which is included in "income from partially owned entities" on our consolidated statements of income.

8. Debt

435 Seventh Avenue

On April 9, 2024, we completed a \$75,000,000 refinancing of 435 Seventh Avenue, of which \$37,500,000 is recourse to the Operating Partnership. The interest-only loan bears a rate of SOFR plus 2.10% and matures in April 2028. The interest rate on the loan was swapped to a fixed rate of 6.96% through April 2026. The loan replaces the previous \$95,696,000 fully recourse loan, which bore interest at SOFR plus 1.41%.

Unsecured Revolving Credit Facility

On May 3, 2024, we extended one of our two unsecured revolving credit facilities to April 2029 (as fully extended). The new \$915,000,000 facility replaced the \$1.25 billion facility that was due to mature in April 2026. The new facility currently bears interest at a rate of SOFR plus 1.20% with a facility fee of 25 basis points. Our \$1.25 billion revolving credit facility matures in December 2027 (as fully extended) and has an interest rate of SOFR plus 1.15% and a facility fee of 25 basis points.

9. Redeemable Noncontrolling Interests

Redeemable Noncontrolling Partnership Units

Redeemable noncontrolling partnership units are primarily comprised of Class A Operating Partnership units held by third parties and are recorded at the greater of their carrying amount or redemption value at the end of each reporting period. Changes in the value from period to period are charged to “additional capital” in Vornado’s consolidated statements of changes in equity and to “partners’ capital” on the consolidated balance sheets of the Operating Partnership. Class A units may be tendered for redemption to the Operating Partnership for cash; Vornado, at its option, may assume that obligation and pay the holder either cash or Vornado common shares on a one-for-one basis. Because the number of Vornado common shares outstanding at all times equals the number of Class A units owned by Vornado, the redemption value of each Class A unit is equivalent to the market value of one Vornado common share, and a distribution made to a Class A unitholder is equal to the dividend paid to a Vornado common shareholder.

Below is a table summarizing the activity of redeemable noncontrolling partnership units.

(Amounts in thousands)

Ending balance	\$ 454,693	\$ 410,276	\$ 454,693	\$ 410,276

As of June 30, 2024 and December 31, 2023, the aggregate redemption value of redeemable Class A units of the Operating Partnership, which are those units held by third parties, was \$451,158,000 and \$480,251,000, respectively, based on Vornado’s quarter-end closing common share price.

Redeemable noncontrolling partnership units exclude our Series G-1 through G-4 convertible preferred units and Series D-13 cumulative redeemable preferred units, as they are accounted for as liabilities in accordance with ASC Topic 480, *Distinguishing Liabilities and Equity*. Accordingly, the fair value of these units is included as a component of “other liabilities” on our consolidated balance sheets and aggregated \$49,383,000 and \$49,386,000 as of June 30, 2024 and December 31, 2023, respectively. Changes in the value from period to period, if any, are charged to “interest and debt expense” on our consolidated statements of income.

Redeemable Noncontrolling Interest in a Consolidated Subsidiary

A consolidated joint venture, in which we hold a 95% interest, developed and owns the Farley Building (the "Farley Project"). As of June 30, 2024, a historic tax credit investor (the "Tax Credit Investor") has funded \$205,068,000 of capital contributions to the Farley Project in connection with the development.

The arrangement includes a put option whereby the joint venture may be obligated to purchase the Tax Credit Investor’s ownership interest in the Farley Project at a future date. The put price is calculated based on a pre-determined formula. As exercise of the put option is outside of the joint venture’s control, the Tax Credit Investor’s interest, together with the put option, have been recorded to “redeemable noncontrolling interest in a consolidated subsidiary” on our consolidated balance sheets. The redeemable noncontrolling interest is recorded at the greater of the carrying amount or redemption value at the end of each reporting period. Changes in the value from period to period are charged to “additional capital” in Vornado’s consolidated statements of changes in equity and to “partners’ capital” on the consolidated balance sheets of the Operating Partnership. There was no adjustment required for the three and six months ended June 30, 2024 and 2023.

Below is a table summarizing the activity of the redeemable noncontrolling interest in a consolidated subsidiary.

We anticipate that we will pay a common share dividend for 2024 in the fourth quarter, subject to approval by our Board of Trustees.

Share Repurchase Program

In April 2023, our Board of Trustees authorized a share repurchase plan under which Vornado is authorized to repurchase up to \$200,000,000 of its outstanding common shares. To the extent Vornado repurchases any of its common shares, in order to fund the common share repurchase and maintain the one-to-one ratio of the number of Vornado common shares outstanding and the number of Class A units owned by Vornado, the Operating Partnership will repurchase from Vornado an equal number of its Class A units at the same price.

Share repurchases may be made from time to time in the open market, through privately negotiated transactions or through other means as permitted by federal securities laws, including through block trades, accelerated share repurchase transactions and/or trading plans intended to qualify under Rule 10b5-1. The timing, manner, price and amount of any repurchases will be determined in Vornado's discretion depending on business, economic and market conditions, corporate and regulatory requirements, prevailing prices for Vornado's common shares, alternative uses for capital and other considerations. The program does not have an expiration date and may be suspended or discontinued at any time and does not obligate Vornado to make any repurchases of its common shares.

During the three and six months ended June 30, 2024, no shares were repurchased. In total, Vornado has repurchased 2,024,495 common shares at an average price per share of \$14.40. The Operating Partnership repurchased Class A units from Vornado equivalent to the number and price of common shares repurchased by Vornado. As of June 30, 2024, \$170,857,000 remained available and authorized for repurchases.

12. Income Per Share/Income Per Class A Unit

Vornado Realty Trust

Basic net income per common share is computed by dividing (i) net income attributable to common stockholders after allocation of dividends and undistributed earnings to participating securities by (ii) the weighted average number of common shares outstanding for the period. Diluted earnings per share reflects the dilutive impact of potential common shares and is computed after allocation of earnings to participating securities. Vornado's participating securities include unvested restricted common shares. Employee stock options, OPP Units, AO LTIP Units, Performance AO LTIP Units and LTPP Units are included in the calculation of diluted income per share using the treasury stock method, if the effect is dilutive. Series A convertible preferred shares, Series G-1 through G-4 convertible preferred units, and Series D-13 redeemable preferred units, are included in the calculation of diluted income per share using the if-converted method, if the effect is dilutive. Net income is allocated to redeemable Class A units of the Operating Partnership on a one-for-one basis with Vornado common shares. As such, redemption of these units for Vornado common shares would not have a dilutive effect on income per common share.

13. Variable Interest Entities ("VIEs")

Unconsolidated VIEs

As of June 30, 2024 and December 31, 2023, we had several unconsolidated VIEs. We do not consolidate these entities because we are not the primary beneficiary and the nature of our involvement in the activities of these entities does not give us power over decisions that significantly affect these entities' economic performance. We account for our investment in these entities under the equity method (see Note 5 – *Investments in Partially Owned Entities*). As of June 30, 2024 and December 31, 2023, the carrying amount of assets related to our unconsolidated VIEs was \$252,546,000 and \$109,220,000, respectively, included in "investments in partially owned entities" on our consolidated balance sheets. Our maximum exposure to loss from our unconsolidated VIEs as of June 30, 2024 and December 31, 2023 was \$295,396,000 and \$196,394,000, respectively, which includes our completion guarantee provided to the lender of the Pier 94 JV.

Consolidated VIEs

Our most significant consolidated VIEs are the Operating Partnership (for Vornado), the Farley Project and certain properties that have noncontrolling interests. These entities are VIEs because the noncontrolling interests do not have substantive kick-out or participating rights. We consolidate these entities because we control all significant business activities.

As of June 30, 2024, the total assets and liabilities of our consolidated VIEs, excluding the Operating Partnership, were \$4,876,146,000 and \$2,736,207,000, respectively. As of December 31, 2023, the total assets and liabilities of our consolidated VIEs, excluding the Operating Partnership, were \$4,901,150,000 and \$2,735,826,000, respectively.

14. Fair Value Measurements

ASC 820 defines fair value and establishes a framework for measuring fair value. The objective of fair value is to determine the price that would be received upon the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). ASC 820 establishes a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three levels: Level 1 – quoted prices (unadjusted) in active markets that are accessible at the measurement date for assets or liabilities as well as certain U.S. Treasury securities that are highly liquid and are actively traded in secondary markets; Level 2 – observable prices that are based on inputs not quoted in active markets, but corroborated by market data; and Level 3 – unobservable inputs that are used when little or no market data is available. The fair value hierarchy gives the highest priority to Level 1 inputs and the lowest priority to Level 3 inputs. In determining fair value, we utilize valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible, as well as consider counterparty credit risk in our assessment of fair value. Considerable judgment is necessary to interpret Level 2 and 3 inputs in determining the fair value of our financial and non-financial assets and liabilities. Accordingly, our fair value estimates, which are made at the end of each reporting period, may be different than the amounts that may ultimately be realized upon sale or disposition of these assets.

14. Fair Value Measurements - continued

Financial Assets and Liabilities Measured at Fair Value on a Recurring Basis

Financial assets and liabilities that are measured at fair value on our consolidated balance sheets consist of (i) the assets in our deferred compensation plan (for which there is a corresponding liability on our consolidated balance sheets), (ii) loans receivable (for which we have elected the fair value option under ASC Subtopic 825-10, *Financial Instruments* ("ASC 825-10")), (iii) interest rate swaps and caps and (iv) mandatorily redeemable instruments (Series G-1 through G-4 convertible preferred units and Series D-13 cumulative redeemable preferred units). The tables below aggregate the fair values of these financial assets and liabilities by their levels in the fair value hierarchy.

Deferred Compensation Plan Assets

Deferred compensation plan assets that are classified as Level 3 consist of investments in limited partnerships and investment funds, which are managed by third parties. We receive quarterly financial reports that provide net asset values on a fair value basis from a third-party administrator, which are compiled from the quarterly reports provided to them from each limited partnership and investment fund. The period of time over which these underlying assets are expected to be liquidated is unknown. The third-party administrator does not adjust these values in determining our share of the net assets and we do not adjust these values when reported in our consolidated financial statements.

The table below summarizes the changes in the fair value of deferred compensation plan assets that are classified as Level 3.

Derivatives and Hedging

We use derivative instruments principally to reduce our exposure to interest rate increases. We do not enter into or hold derivative instruments for speculative trading purposes. We recognize the fair values of all derivatives in "other assets" or "other liabilities" on our consolidated balance sheets. Changes in the fair value of our cash flow hedges are recognized in other comprehensive income until the hedged item is recognized in earnings. Reported net income and equity may increase or decrease prospectively, depending on future levels of interest rates and other variables affecting the fair values of hedging instruments and hedged items, but will have no effect on cash flows. Cash payments and receipts related to our interest rate hedges are classified as operating activities and included within our disclosure of cash paid for interest on our consolidated statements of cash flows, consistent with the classification of the hedged interest payments.

The following table summarizes our consolidated hedging instruments, all of which hedge variable rate debt, as of June 30, 2024 and December 31, 2023.

Fair Value Measurements on a Nonrecurring Basis

There were no assets measured at fair value on a nonrecurring basis on our consolidated balance sheets as of June 30, 2024.

As of December 31, 2023, we had \$76,570,000 of assets measured at fair value on a nonrecurring basis, comprised of \$55,097,000 of consolidated real estate assets and \$21,473,000 of investments in partially owned entities. These assets were written down to estimated fair value for impairment purposes and were classified as Level 3 investments. The fair values of these assets were measured using discounted cash flow analyses and the significant unobservable quantitative inputs in the table below.

Unobservable Quantitative Input	As of December 31, 2023	
	Range	Weighted Average (based on fair value of investments)
Discount rates	7.50% - 8.00%	7.99%
Terminal capitalization rates	5.50%	5.50%

Financial Assets and Liabilities not Measured at Fair Value

Financial assets and liabilities that are not measured at fair value on our consolidated balance sheets include cash equivalents (primarily money market funds, which invest in obligations of the United States government) and our secured and unsecured debt. The fair values of these instruments are estimated using discounted cash flow analyses provided by a third-party specialist. For floating rate debt, we use forward rates derived from observable market yield curves to project the expected cash flows we would be required to make under the instrument. The fair value of cash equivalents and borrowings under our unsecured revolving credit facilities and unsecured term loan are classified as Level 1. The fair value of our secured debt and unsecured debt are classified as Level 2. The table below summarizes the carrying amounts and fair value of these financial instruments.

17. Commitments and Contingencies

Insurance

For our properties, we maintain general liability insurance with limits of \$300,000,000 per occurrence and per property, of which \$275,000,000 includes communicable disease coverage and we maintain all risk property and rental value insurance with limits of \$2.0 billion per occurrence, with sub-limits for certain perils such as flood and earthquake, excluding communicable disease coverage. Our California properties have earthquake insurance with coverage of \$350,000,000 per occurrence and in the aggregate, subject to a deductible in the amount of 5% of the value of the affected property. We maintain coverage for certified terrorism acts with limits of \$6.0 billion per occurrence and in the aggregate (as listed below), \$1.2 billion for non-certified acts of terrorism, and \$5.0 billion per occurrence and in the aggregate for terrorism involving nuclear, biological, chemical and radiological (“NBCR”) terrorism events, as defined by the Terrorism Risk Insurance Act of 2002, as amended to date and which has been extended through December 2027.

Penn Plaza Insurance Company, LLC (“PPIC”), our wholly owned consolidated subsidiary, acts as a re-insurer with respect to a portion of all risk property and rental value insurance and a portion of our earthquake insurance coverage, and as a direct insurer for coverage for acts of terrorism including NBCR acts. Coverage for acts of terrorism (excluding NBCR acts) is fully reinsured by third-party insurance companies and the Federal government with no exposure to PPIC. For NBCR acts, PPIC is responsible for a deductible of \$2,112,753 and 20% of the balance of a covered loss and the Federal government is responsible for the remaining portion of a covered loss. We are ultimately responsible for any loss incurred by PPIC.

Certain condominiums in which we own an interest (including the Farley Condominiums) maintain insurance policies with different per occurrence and aggregate limits than our policies described above.

We continue to monitor the state of the insurance market and the scope and costs of coverage for acts of terrorism and other events. However, we cannot anticipate what coverage will be available on commercially reasonable terms in the future. We are responsible for uninsured losses and for deductibles and losses in excess of our insurance coverage, which could be material.

Our debt instruments, consisting of mortgage loans secured by our properties, senior unsecured notes and revolving credit agreements contain customary covenants requiring us to maintain insurance. Although we believe that we have adequate insurance coverage for purposes of these agreements, we may not be able to obtain an equivalent amount of coverage at reasonable costs in the future. Further, if lenders insist on greater coverage than we are able to obtain it could adversely affect our ability to finance or refinance our properties and expand our portfolio.

Other Commitments and Contingencies

We are from time to time involved in legal actions arising in the ordinary course of business. In our opinion, after consultation with legal counsel, the outcome of such matters is not currently expected to have a material adverse effect on our financial position, results of operations or cash flows.

Each of our properties has been subjected to varying degrees of environmental assessment at various times. The environmental assessments did not reveal any material environmental contamination. However, there can be no assurance that the identification of new areas of contamination, changes in the extent or known scope of contamination, the discovery of additional sites, or changes in cleanup requirements would not result in significant costs to us.

In January 2022, we exercised the second of three 25-year renewal options on our PENN 1 ground lease. The first renewal option period commenced June 2023 and, together with the second option exercise, extends the lease term through June 2073. The ground lease is subject to fair market value resets at each 25-year renewal period. The rent reset process for the June 2023 renewal period is currently ongoing and the timing is uncertain. The final fair market value determination may be materially higher or lower than our January 2022 estimate.

We may, from time to time, enter into guarantees including, but not limited to, payment guarantees to lenders of unconsolidated joint ventures for tax purposes, completion guarantees for development and redevelopment projects, and guarantees to fund leasing costs. These agreements terminate either upon the satisfaction of specified obligations or repayment of the underlying loans. As of June 30, 2024, the aggregate dollar amount of these guarantees was approximately \$574,500,000, primarily comprised of payment guarantees for the mortgage loans secured by 7 West 34th Street and 435 Seventh Avenue, and the completion guarantee provided to the lender of the Pier 94 JV. Other than these loans, our mortgage loans are non-recourse to us.

As of June 30, 2024, \$30,233,000 of letters of credit were outstanding under one of our unsecured revolving credit facilities. Our unsecured revolving credit facilities contain financial covenants that require us to maintain minimum interest coverage and maximum debt to market capitalization ratios and provide for higher interest rates in the event of a decline in the credit rating assigned to our senior unsecured notes. Our unsecured revolving credit facilities also contain customary conditions precedent to borrowing, including representations and warranties, and also contain customary events of default that could give rise to accelerated repayment, including such items as failure to pay interest or principal.

Our 95% consolidated joint venture (5% is owned by Related Companies ("Related")) developed and owns the Farley Building. In connection with the development of the property, the joint venture admitted a historic tax credit investor partner. Under the terms of the historic tax credit arrangement, the joint venture is required to comply with various laws, regulations, and contractual provisions. Non-compliance with applicable requirements could result in projected tax benefits not being realized and, therefore, may require a refund or reduction of the Tax Credit Investor's capital contributions. As of June 30, 2024, the Tax Credit Investor has made \$205,068,000 in capital contributions. Vornado and Related have guaranteed certain of the joint venture's obligations to the Tax Credit Investor.

We are the general partner and investment manager of Vornado Capital Partners Real Estate Fund (the "Fund") and own a 25.0% interest in the Fund. As of June 30, 2024, our share of unfunded commitments to the Fund was \$5,769,000.

As of June 30, 2024, we had construction commitments aggregating approximately \$45,819,000.

18. Segment Information

We operate in two reportable segments, New York and Other, which is based on how we manage our business.

Net operating income ("NOI") at share represents total revenues less operating expenses including our share of partially owned entities. NOI at share - cash basis represents NOI at share adjusted to exclude straight-line rental income and expense, amortization of acquired below and above market leases, accruals for ground rent resets yet to be determined, and other non-cash adjustments. We consider NOI at share - cash basis to be the primary non-GAAP financial measure for making decisions and assessing the unlevered performance of our segments as it relates to the total return on assets as opposed to the levered return on equity. As properties are bought and sold based on NOI at share - cash basis, we utilize this measure to make investment decisions as well as to compare the performance of our assets to that of our peers. NOI at share and NOI at share - cash basis should not be considered alternatives to net income or cash flow from operations and may not be comparable to similarly titled measures employed by other companies.

666 Fifth Avenue (Fifth Avenue and Times Square JV)

On August 2, 2024, the Fifth Avenue and Times Square JV entered into an agreement to sell UNIQLO the portion of its U.S. flagship store at 666 Fifth Avenue owned by the retail joint venture for \$350,000,000. The joint venture owns the fee condominium interest in 17,295 square feet (6,477 square feet at grade) of UNIQLO's 90,732 square foot store. In conjunction with the closing, the pass-through leases between the office condominium owner and the retail joint venture will be terminated.

The joint venture will continue to own 23,832 square feet of retail space (7,416 square feet at grade) at 666 Fifth Avenue consisting of the Abercrombie & Fitch and Tissot stores.

All of the estimated \$340,000,000 of net proceeds from the sale are expected to be used to partially repay Vornado's \$390,000,000 of preferred equity on the asset.

The sale is subject to customary closing conditions and the concurrent closing by UNIQLO of its separate transaction with the office condominium owner for the remainder of its store and is expected to close once the formation of the new condominium interests are completed, anticipated to occur by the first quarter of 2025.

We conducted our reviews in accordance with standards of the PCAOB. A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the standards of the PCAOB, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Management's Discussion and Analysis of Financial Condition and Results of Operations includes a discussion of our consolidated financial statements for the three and six months ended June 30, 2024. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates. The results of operations for the three and six months ended June 30, 2024 are not necessarily indicative of the operating results for the full year. Certain prior year balances have been reclassified in order to conform to the current year presentation.

Overview

Vornado Realty Trust (“Vornado”) is a fully-integrated real estate investment trust (“REIT”) and conducts its business through, and substantially all of its interests in properties are held by, Vornado Realty L.P. (the “Operating Partnership”), a Delaware limited partnership. Vornado is the sole general partner of and owned approximately 90.9% of the common limited partnership interest in the Operating Partnership as of June 30, 2024. All references to the “Company,” “we,” “us” and “our” mean, collectively, Vornado, the Operating Partnership and those subsidiaries consolidated by Vornado.

We compete with a large number of real estate investors, property owners and developers, some of whom may be willing to accept lower returns on their investments. Principal factors of competition are rents charged, sales prices, attractiveness of location, the quality of the property and the breadth and the quality of services provided. Our success depends upon, among other factors, trends of the global, national, regional and local economies, the financial condition and operating results of current and prospective tenants and customers, availability and cost of capital, construction and renovation costs, taxes, governmental regulations, legislation, population and employment trends. See “Risk Factors” in Part I, Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2023 for additional information regarding these factors.

Our business has been, and may continue to be, affected by the increase in interest rates and inflation and other uncertainties including the potential for an economic downturn. These factors could have a material impact on our business, financial condition, results of operations and cash flows.

NOI At Share by Segment for the Three Months Ended June 30, 2024 and 2023

NOI at share represents total revenues less operating expenses including our share of partially owned entities. NOI at share - cash basis represents NOI at share adjusted to exclude straight-line rental income and expense, amortization of acquired below and above market leases, accruals for ground rent resets yet to be determined, and other non-cash adjustments. We consider NOI at share - cash basis to be the primary non-GAAP financial measure for making decisions and assessing the unlevered performance of our segments as it relates to the total return on assets as opposed to the levered return on equity. As properties are bought and sold based on NOI at share - cash basis, we utilize this measure to make investment decisions as well as to compare the performance of our assets to that of our peers. NOI at share and NOI at share - cash basis should not be considered alternatives to net income or cash flow from operations and may not be comparable to similarly titled measures employed by other companies.

Below is a summary of NOI at share and NOI at share - cash basis by segment for the three months ended June 30, 2024 and 2023.

Interest and Debt Expense

Interest and debt expense was \$188,879,000 for the six months ended June 30, 2024, compared to \$173,402,000 for the prior year's six months, an increase of \$15,477,000. This was primarily due to higher average interest rates, inclusive of the impact of our interest rate hedging instruments, partially offset by higher capitalized interest and debt expense.

Net Gains on Disposition of Wholly Owned and Partially Owned Assets

Net gains on disposition of wholly owned and partially owned assets were \$16,048,000 for the six months ended June 30, 2024, primarily resulting from the sale of two condominium units at 220 CPS. Net gains on disposition of wholly owned and partially owned assets were \$8,456,000 for the six months ended June 30, 2023, primarily resulting from the sale of a condominium unit at 220 CPS.

Income Tax Expense

Income tax expense for the six months ended June 30, 2024 was \$12,024,000 compared to \$9,164,000 for the prior year's six months, an increase of \$2,860,000. This was primarily due to income tax expense recognized upon the sale of two 220 CPS condominium units in 2024.

Net Loss Attributable to Noncontrolling Interests in Consolidated Subsidiaries

Net loss attributable to noncontrolling interests in consolidated subsidiaries was \$25,872,000 for the six months ended June 30, 2024, compared to \$12,709,000 for the prior year's six months, an increase of \$13,163,000. This resulted primarily from higher average interest rates on mortgage loans of our non-wholly owned consolidated subsidiaries.

Liquidity and Capital Resources

Our cash requirements include property operating expenses, capital improvements, tenant improvements, debt service, leasing commissions, dividends to our shareholders, distributions to unitholders of the Operating Partnership, as well as acquisition and development and redevelopment costs. The sources of liquidity to fund these cash requirements include rental revenue, which is our primary source of cash flow and is dependent upon the occupancy and rental rates of our properties, proceeds from debt financings, including mortgage loans, senior unsecured borrowings, unsecured term loans and unsecured revolving credit facilities; proceeds from the issuance of common and preferred equity; and asset sales.

As of June 30, 2024, we had \$2.7 billion of liquidity comprised of \$1.1 billion of cash and cash equivalents and restricted cash and \$1.6 billion available on our \$2.2 billion revolving credit facilities. The ongoing challenges posed by the increase in interest rates and inflation could adversely impact our cash flow from continuing operations but we anticipate that cash flow from continuing operations over the next twelve months together with cash balances on hand will be adequate to fund our business operations, cash distributions to unitholders of the Operating Partnership, cash dividends to our shareholders, debt amortization and recurring capital expenditures. We anticipate that we will pay a common share dividend for 2024 in the fourth quarter, subject to approval by our Board of Trustees. Capital requirements for development and redevelopment expenditures and acquisitions may require funding from borrowings, equity offerings and/or asset sales.

We may from time to time repurchase or retire our outstanding debt securities or repurchase or redeem our equity securities. Such purchases, if any, will depend on prevailing market conditions, liquidity requirements and other factors. The amounts involved in connection with these transactions could be material to our consolidated financial statements.

In April 2023, our Board of Trustees authorized the repurchase of up to \$200,000,000 of our outstanding common shares under a share repurchase program. As of June 30, 2024, \$170,857,000 remained available and authorized for repurchases.

Summary of Cash Flows

Cash and cash equivalents and restricted cash was \$1,116,854,000 as of June 30, 2024, a \$144,730,000 decrease from the balance as of December 31, 2023.

Our cash flow activities are summarized as follows:

(Amounts in thousands)

	For the Six Months Ended June 30,		(Decrease) Increase in Cash Flow
	2024	2023	
Net cash provided by operating activities	\$ 226,164	\$ 374,741	\$ (148,577)

Net cash used in financing activities	(63,794)	(236,138)	172,344

Operating Activities

Net cash provided by operating activities primarily consists of cash inflows from rental revenues and operating distributions from our unconsolidated partially owned entities less cash outflows for property expenses, general and administrative expenses and interest expense. For the six months ended June 30, 2024, net cash provided by operating activities of \$226,164,000 was comprised of \$282,855,000 of cash from operations, including distributions of income from partially owned entities of \$54,618,000, and a net decrease of \$56,691,000 in cash due to the timing of cash receipts and payments related to changes in operating assets and liabilities.

Investing Activities

Net cash (used in) provided by investing activities is impacted by the timing and extent of our development, capital improvement, acquisition and disposition activities during the year.

The following table details the net cash (used in) provided by investing activities:

Development and Redevelopment Expenditures

Development and redevelopment expenditures consist of all hard and soft costs associated with the development and redevelopment of a property. We plan to fund these development and redevelopment expenditures from operating cash flow, existing liquidity, and/or borrowings. See the detailed discussion below for our current development and redevelopment projects.

PENN District

PENN 2

We are redeveloping PENN 2, a 1,795,000 square foot (as expanded) office building located on the west side of Seventh Avenue between 31st and 33rd Street. The development cost of this project is estimated to be \$750,000,000, of which \$675,504,000 of cash has been expended as of June 30, 2024.

We are also making districtwide improvements within the PENN District. The development cost of these improvements is estimated to be \$100,000,000, of which \$60,493,000 of cash has been expended as of June 30, 2024.

Sunset Pier 94 Studios

On August 28, 2023, we, together with Hudson Pacific Properties and Blackstone Inc., formed a joint venture to develop Sunset Pier 94 Studios (“Pier 94 JV”), a 266,000 square foot purpose-built studio campus in Manhattan. We own a 49.9% equity interest in the joint venture. The development cost of the project is estimated to be \$350,000,000, which will be funded with \$183,200,000 of construction financing and \$166,800,000 of equity contributions. Our share of equity contributions will be funded by (i) our \$40,000,000 Pier 94 leasehold interest contribution and (ii) \$34,000,000 of cash contributions, which are net of an estimated \$9,000,000 for our share of development fees and reimbursement for overhead costs incurred by us. We have funded \$19,494,000 of cash contributions as of June 30, 2024.

350 Park Avenue

On January 24, 2023, we and the Rudin family (“Rudin”) completed agreements with Citadel Enterprise Americas LLC (“Citadel”) and with an affiliate of Kenneth C. Griffin, Citadel’s Founder and CEO (“KG”), for a series of transactions relating to 350 Park Avenue and 40 East 52nd Street. In connection therewith, we entered into a joint venture with Rudin (the “Vornado/Rudin JV”) that purchased 39 East 51st Street for \$40,000,000, funded on a 50/50 basis by Vornado and Rudin. 39 East 51st Street will be combined with 350 Park Avenue and 40 East 52nd Street to create a premier development site (the “350 Park Site”). From October 2024 to June 2030, an affiliate of KG will have the option to either (i) acquire a 60% interest in a joint venture with the Vornado/Rudin JV (with Vornado having an effective 36% interest in the entity) to build a new 1,700,000 square foot office tower, valuing the 350 Park Site at \$1.2 billion or (ii) purchase the 350 Park Site for \$1.4 billion (\$1.085 billion to Vornado). From October 2024 to September 2030, the Vornado/Rudin JV will have the option to put the 350 Park Site to KG for \$1.2 billion (\$900,000,000 to Vornado).

We are also evaluating other development and redevelopment opportunities at certain of our properties in Manhattan including, in particular, the PENN District.

There can be no assurance that the above projects will be completed, completed on schedule or within budget.

Insurance

For our properties, we maintain general liability insurance with limits of \$300,000,000 per occurrence and per property, of which \$275,000,000 includes communicable disease coverage and we maintain all risk property and rental value insurance with limits of \$2.0 billion per occurrence, with sub-limits for certain perils such as flood and earthquake, excluding communicable disease coverage. Our California properties have earthquake insurance with coverage of \$350,000,000 per occurrence and in the aggregate, subject to a deductible in the amount of 5% of the value of the affected property. We maintain coverage for certified terrorism acts with limits of \$6.0 billion per occurrence and in the aggregate (as listed below), \$1.2 billion for non-certified acts of terrorism, and \$5.0 billion per occurrence and in the aggregate for terrorism involving nuclear, biological, chemical and radiological (“NBCR”) terrorism events, as defined by the Terrorism Risk Insurance Act of 2002, as amended to date and which has been extended through December 2027.

Penn Plaza Insurance Company, LLC (“PPIC”), our wholly owned consolidated subsidiary, acts as a re-insurer with respect to a portion of all risk property and rental value insurance and a portion of our earthquake insurance coverage, and as a direct insurer for coverage for acts of terrorism including NBCR acts. Coverage for acts of terrorism (excluding NBCR acts) is fully reinsured by third-party insurance companies and the Federal government with no exposure to PPIC. For NBCR acts, PPIC is responsible for a deductible of \$2,112,753 and 20% of the balance of a covered loss and the Federal government is responsible for the remaining portion of a covered loss. We are ultimately responsible for any loss incurred by PPIC.

Certain condominiums in which we own an interest (including the Farley Condominiums) maintain insurance policies with different per occurrence and aggregate limits than our policies described above.

We continue to monitor the state of the insurance market and the scope and costs of coverage for acts of terrorism and other events. However, we cannot anticipate what coverage will be available on commercially reasonable terms in the future. We are responsible for uninsured losses and for deductibles and losses in excess of our insurance coverage, which could be material.

Our debt instruments, consisting of mortgage loans secured by our properties, senior unsecured notes and revolving credit agreements contain customary covenants requiring us to maintain insurance. Although we believe that we have adequate insurance coverage for purposes of these agreements, we may not be able to obtain an equivalent amount of coverage at reasonable costs in the future. Further, if lenders insist on greater coverage than we are able to obtain it could adversely affect our ability to finance or refinance our properties and expand our portfolio.

Other Commitments and Contingencies

We are from time to time involved in legal actions arising in the ordinary course of business. In our opinion, after consultation with legal counsel, the outcome of such matters is not currently expected to have a material adverse effect on our financial position, results of operations or cash flows.

Each of our properties has been subjected to varying degrees of environmental assessment at various times. The environmental assessments did not reveal any material environmental contamination. However, there can be no assurance that the identification of new areas of contamination, changes in the extent or known scope of contamination, the discovery of additional sites, or changes in cleanup requirements would not result in significant costs to us.

Liquidity and Capital Resources - continued

Other Commitments and Contingencies - continued

In January 2022, we exercised the second of three 25-year renewal options on our PENN 1 ground lease. The first renewal option period commenced June 2023 and, together with the second option exercise, extends the lease term through June 2073. The ground lease is subject to fair market value resets at each 25-year renewal period. The rent reset process for the June 2023 renewal period is currently ongoing and the timing is uncertain. The final fair market value determination may be materially higher or lower than our January 2022 estimate.

We may, from time to time, enter into guarantees including, but not limited to, payment guarantees to lenders of unconsolidated joint ventures for tax purposes, completion guarantees for development and redevelopment projects, and guarantees to fund leasing costs. These agreements terminate either upon the satisfaction of specified obligations or repayment of the underlying loans. As of June 30, 2024, the aggregate dollar amount of these guarantees was approximately \$574,500,000, primarily comprised of payment guarantees for the mortgage loans secured by 7 West 34th Street and 435 Seventh Avenue, and the completion guarantee provided to the lender of the Pier 94 JV. Other than these loans, our mortgage loans are non-recourse to us.

As of June 30, 2024, \$30,233,000 of letters of credit were outstanding under one of our unsecured revolving credit facilities. Our unsecured revolving credit facilities contain financial covenants that require us to maintain minimum interest coverage and maximum debt to market capitalization ratios and provide for higher interest rates in the event of a decline in the credit rating assigned to our senior unsecured notes. Our unsecured revolving credit facilities also contain customary conditions precedent to borrowing, including representations and warranties, and also contain customary events of default that could give rise to accelerated repayment, including such items as failure to pay interest or principal.

Our 95% consolidated joint venture (5% is owned by Related Companies ("Related")) developed and owns the Farley Building. In connection with the development of the property, the joint venture admitted a historic tax credit investor partner (the "Tax Credit Investor"). Under the terms of the historic tax credit arrangement, the joint venture is required to comply with various laws, regulations, and contractual provisions. Non-compliance with applicable requirements could result in projected tax benefits not being realized and, therefore, may require a refund or reduction of the Tax Credit Investor's capital contributions. As of June 30, 2024, the Tax Credit Investor has made \$205,068,000 in capital contributions. Vornado and Related have guaranteed certain of the joint venture's obligations to the Tax Credit Investor.

We are the general partner and investment manager of Vornado Capital Partners Real Estate Fund (the "Fund") and own a 25.0% interest in the Fund. As of June 30, 2024, our share of unfunded commitments to the Fund was \$5,769,000.

As of June 30, 2024, we had construction commitments aggregating approximately \$45,819,000.

Funds From Operations (“FFO”)

Vornado Realty Trust

FFO is computed in accordance with the definition adopted by the Board of Governors of the National Association of Real Estate Investment Trusts (“NAREIT”). NAREIT defines FFO as GAAP net income or loss adjusted to exclude net gains from sales of certain real estate assets, impairment write-downs of certain real estate assets and investments in entities when the impairment is directly attributable to decreases in the value of depreciable real estate held by the entity, depreciation and amortization expense from real estate assets and other specified items, including the pro rata share of such adjustments of unconsolidated subsidiaries. FFO and FFO per diluted share are non-GAAP financial measures used by management, investors and analysts to facilitate meaningful comparisons of operating performance between periods and among our peers because it excludes the effect of real estate depreciation and amortization and net gains on sales, which are based on historical costs and implicitly assume that the value of real estate diminishes predictably over time, rather than fluctuating based on existing market conditions. FFO does not represent cash generated from operating activities and is not necessarily indicative of cash available to fund cash requirements and should not be considered as an alternative to net income as a performance measure or cash flow as a liquidity measure. FFO may not be comparable to similarly titled measures employed by other companies. The calculations of both the numerator and denominator used in the computation of income per share are disclosed in Note 12 – *Income Per Share/Income Per Class A Unit* in Part I, Item 1 of this Quarterly Report on Form 10-Q. Details of certain adjustments to FFO are discussed in the financial results summary of our “Overview”.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

We have exposure to fluctuations in market interest rates. Market interest rates are sensitive to many factors that are beyond our control. Our exposure to a change in interest rates on our consolidated and non-consolidated debt (all of which arises out of non-trading activity) is as follows:

Borrower shall have not less than two (2) Credit Ratings at all times, one of which shall be from S&P or Moody's. In the event that Borrower receives only two (2) Credit Ratings, and such Credit Ratings are not equivalent, the Applicable Margin shall be the higher of the two Credit Ratings. Borrower's Credit Rating (S&P or Fitch/Moody's Ratings)	Applicable Margin for Base Rate Loans (% per annum)	Applicable Margin for Term Benchmark Loans and RFR Loans (% per annum)

BBB/Baa2	0.000	0.900
BBB-/Baa3	0.100	1.100
BB+/Ba1	0.300	1.300
Below BB+/Ba1 or unrated	0.650	1.650

It is hereby understood and agreed that the Applicable Margin shall be adjusted from time to time based upon the Sustainability Margin Adjustment (to be calculated and applied as set forth in Section 1.08); provided that in no event shall the Applicable Margin be less than zero.

For the avoidance of doubt, (i) if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination and (ii) the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (1) or (2) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

(3) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such Benchmark (or such component thereof) or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof) are no longer, or as of a specified future date will no longer be, representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Unavailability Period” means, with respect to any Benchmark, the period (if any) (x) beginning at the time that a Benchmark Replacement Date pursuant to clauses (1) or (2) of that definition has occurred if, at such time, no Benchmark Replacement has replaced such then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 3.02 and (y) ending at the time that a Benchmark Replacement has replaced such then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 3.02.

The interest rate on a Loan denominated in dollars may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event, Section 3.02(b) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative

rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Bank or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

SECTION 1.06. Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the amount of such Letter of Credit available to be drawn at such time; provided that with respect to any Letter of Credit that, by its terms of any Letter of Credit Agreement related thereto, provides for one or more automatic increases in the available amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum amount is available to be drawn at such time.

SECTION 1.07. Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its equity interests at such time.

SECTION 1.08. Sustainability Adjustments.

(a) Following the date on which Borrower provides a Pricing Certificate in respect of the most recently ended calendar year, commencing with the calendar year ended December 31, 2024, (i) the Applicable Margin shall be increased or decreased (or not adjusted), as applicable, pursuant to the Sustainability Margin Adjustment as set forth in such Pricing Certificate and (ii) the Facility Fee shall be increased or decreased (or not adjusted), as applicable, pursuant to the Sustainability Facility Fee Adjustment as set forth in such Pricing Certificate. For purposes of the foregoing, (A) the Sustainability Margin Adjustment and the Sustainability Facility Fee Adjustment shall be determined and applied as of the fifth Banking Day following receipt by the Administrative Agent of a Pricing Certificate delivered pursuant to Section 1.08(f) based upon the KPI Metric set forth in such Pricing Certificate and the calculations of the Sustainability Margin Adjustment and the Sustainability Facility Fee Adjustment therein (such day, the "Sustainability Pricing Adjustment Date") and (B) each change in the Applicable Margin and Facility Fee resulting from a Pricing Certificate shall be effective during the period commencing on and including the applicable Sustainability Pricing Adjustment Date and ending on the date immediately preceding the next such Sustainability Pricing Adjustment Date (or, in the case of non-delivery of a Pricing Certificate, the last day such Pricing Certificate could have been delivered pursuant to the terms of Section 1.08(f)).

(b) For the avoidance of doubt, only one Pricing Certificate may be delivered in respect of any calendar year. It is further understood and agreed that the Applicable Margin will never be reduced or increased by more than 0.04% and the Facility Fee will never be reduced or

increased by more than 0.01%, pursuant to the Sustainability Margin Adjustment and the Sustainability Facility Fee Adjustment, respectively, during any calendar year. For the avoidance of doubt, any adjustment to the Applicable Margin or Facility Fee by reason of meeting the KPI Metric in any year shall not be cumulative year-over-year. Each applicable adjustment shall only apply until the date on which the next adjustment is due to take place.

(c) It is hereby understood and agreed that if no such Pricing Certificate is delivered by Borrower with regard to a particular calendar year within the period set forth in Section 1.08(f), the Sustainability Margin Adjustment will be positive 0.04% and the Sustainability Facility Fee Adjustment will be positive 0.01% commencing on the last day such Pricing Certificate could have been delivered pursuant to the terms of Section 1.08(f) and continuing until Borrower delivers a Pricing Certificate to the Administrative Agent for the applicable calendar year.

(d) If (i)(A) any Bank becomes aware of any material inaccuracy in the Sustainability Margin Adjustment, the Sustainability Facility Fee Adjustment or the KPI Metric as reported in a Pricing Certificate (any such material inaccuracy, a “Pricing Certificate Inaccuracy”) and such Bank delivers, not later than 10 Banking Days after obtaining knowledge thereof, a written notice to the Administrative Agent describing such Pricing Certificate Inaccuracy in reasonable detail (which description shall be shared with each Bank and the Borrower), or (B) the Borrower becomes aware of a Pricing Certificate Inaccuracy and the Borrower and the Administrative Agent shall mutually agree that there was a Pricing Certificate Inaccuracy at the time of delivery of a Pricing Certificate, and (ii) in either case, a proper calculation of the Sustainability Margin Adjustment, the Sustainability Facility Fee Adjustment or the KPI Metric would have resulted in no adjustment or an increase in the Applicable Margin or Facility Fee for any period, (x) commencing on the fifth Banking Day following delivery of a corrected Sustainability Certificate to the Administrative Agent, the Applicable Margin and Facility Fee shall be adjusted to reflect such corrected calculations of the Sustainability Margin Adjustment and the Sustainability Facility Fee Adjustment and (y) the Borrower shall be obligated to pay to the Administrative Agent for the account of the applicable Banks or the applicable Fronting Banks, as the case may be, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to any Borrower under the Bankruptcy Code (or any comparable event under non-U.S. Debtor Relief Laws), automatically and without further action by the Administrative Agent, any Bank or any Fronting Bank), but in any event within 10 Banking Days after the Borrower has received written notice of (in the case of clause (d)(i)(A) above), or has agreed in writing that there was (in the case of clause (d)(i)(B) above), a Pricing Certificate Inaccuracy, an amount equal to the excess of (1) the amount of interest and fees that should have been paid for such period over (2) the amount of interest and fees actually paid for such period. If Borrower becomes aware of any Pricing Certificate Inaccuracy and, in connection therewith, if a proper calculation of the Sustainability Margin Adjustment, Sustainability Facility Fee Adjustment or the KPI Metric would have resulted in a decrease in the Applicable Margin or Facility Fee for any period, then, upon receipt by the Administrative Agent of notice from the Borrower of such Pricing Certificate Inaccuracy (which notice shall include corrections to the calculations of the Sustainability Margin Adjustment or the KPI Metric, as applicable), commencing on the 10th Banking Day following receipt by the Administrative Agent of such notice, the Applicable Margin and Facility Fee shall be adjusted (but only with respect to periods commencing after such 10th Banking Day) to reflect the corrected calculations of the Sustainability Margin Adjustment, Sustainability Facility Fee

Adjustment or the KPI Metric, as applicable, for all periods occurring no sooner than 10 Banking Days after receipt by the Administrative Agent of such notice. For the avoidance of any doubt, the parties agree that any such adjustment to reflect a decrease in the Applicable Margin or Facility Fee for any period shall only be effective on a prospective basis and shall not require any adjustments to amounts previously paid by the Borrower prior to the discovery of a Pricing Certificate Inaccuracy.

It is understood and agreed that any Pricing Certificate Inaccuracy shall not constitute a Default or Event of Default or otherwise result in the failure of any condition precedent to any advance or the issuance of any letter of credit; provided, that, the Borrower complies with the terms of this Section 1.08(d) and Section 6.09(17) with respect to such Pricing Certificate Inaccuracy. Notwithstanding anything to the contrary herein, unless such amounts shall be due upon the occurrence of an actual or deemed entry of an order for relief with respect to Borrower under the Bankruptcy Code (or any comparable event under non-U.S. Debtor Relief Laws), (a) any additional amounts required to be paid pursuant to the immediately preceding paragraph shall not be due and payable until 10 Banking Days after the Borrower has received written notice of (in the case of clause (d)(i)(A) above), or has agreed in writing that there was (in the case of clause (d)(i)(B) above), a Pricing Certificate Inaccuracy (such date, the "Certificate Inaccuracy Payment Date"), (b) any nonpayment of such additional amounts prior to the Certificate Inaccuracy Payment Date shall not constitute a Default (whether retroactively or otherwise) and (c) none of such additional amounts shall be deemed overdue prior to the Certificate Inaccuracy Payment Date or shall accrue interest at the Default Rate prior to the Certificate Inaccuracy Payment Date.

(e) Each party hereto hereby agrees that neither the Administrative Agent nor the Sustainability Structuring Agent shall have (x) any duty to ascertain, inquire into or otherwise independently verify any sustainability related information or any other information or materials provided by the Borrower and used in connection with the sustainability provisions of the credit facility described in this Agreement, including with respect to the applicable KPI Metrics nor (y) any responsibility for (or liability in respect of) the completeness or accuracy of such information. Each party hereto hereby agrees that neither the Administrative Agent nor the Sustainability Structuring Agent nor any Lead Arranger shall have any responsibility for (or liability in respect of) reviewing, auditing or otherwise evaluating any calculation by the Borrower of any Sustainability Facility Fee Adjustment or any Sustainability Margin Adjustment (or any of the data or computations that are part of or related to any such calculation) set forth in any Pricing Certificate or notice as to a Pricing Certificate Inaccuracy (and the Administrative Agent and the Sustainability Structuring Agent may rely conclusively on any such certificate or notice, without further inquiry).

(f) As soon as available and in any event within 120 days following the end of each calendar year (commencing with the calendar year ending December 31, 2024), Borrower shall deliver a Pricing Certificate to the Administrative Agent (and the Administrative Agent shall promptly provide a copy to each Bank) for the most recently-ended calendar year; provided, that, for any calendar year the Borrower may elect not to deliver a Pricing Certificate, and such election shall not constitute a Default or Event of Default (but such failure to so deliver a Pricing Certificate by the end of such 120-day period shall result in the Sustainability Margin Adjustment and the Sustainability Fee Adjustment being applied as set forth in Section 1.08(c)). In the event (i) Borrower's fiscal year is changed to a non-calendar year fiscal year or (ii)

Borrower elects, in accordance with applicable rules, regulations or guidance of the SEC, to disclose its annual sustainability reporting with or following the filing of its quarterly report on Form 10-Q for the second quarter of its fiscal year, Borrower will be permitted to adjust the timing of delivery of the Pricing Certificate at its election to be coordinated with fiscal year and periodic reporting schedule.

(g) If, after the date hereof, there occurs any Sustainability Recalculation Event, and either (i) the Borrower notifies the Administrative Agent in writing that the Borrower requests an amendment to any provision hereof to eliminate, accommodate or otherwise take into account the effect of such Sustainability Recalculation Event, or (ii) the Administrative Agent notifies the Borrower that the Required Banks request an amendment to any provision or provisions hereof for such purpose (it being understood and agreed that any such notice may be given before or after such Sustainability Recalculation Event has occurred), then (A) the Borrower and the Administrative Agent shall negotiate in good faith to amend the provisions hereof to eliminate, accommodate or otherwise take into account the effect of such Sustainability Recalculation Event for the period from and after the occurrence of such Sustainability Recalculation Event, and (B) the provisions of this Agreement shall be interpreted on the basis of the provisions in effect and applied immediately prior to such Sustainability Recalculation Event for a period of not more than 30 days following the date of any such notice (unless the provisions hereof shall have been amended in accordance herewith or such notice shall have been withdrawn). If, after 30 days following the date of any such notice, the consent of the Borrower, the Administrative Agent and the requisite Banks under Section 12.02 has not been obtained (provided that adjustments to the KPI Target, KPI Threshold, Standard for Sustainability Reporting and/or Sustainability Table in connection with a Sustainability Recalculation Event shall not be deemed to be an amendment described in clause (1) of Section 12.02), (x) on the one-year anniversary of the date a delivered Pricing Certificate was most recently delivered or due and not delivered, as applicable, the Applicable Margin shall be calculated without regard to this Section 1.08, which Section and related definitions shall have no further force or effect, and (y) thereafter, no party to this Agreement shall make any public or private representations or description of the credit facility described in this Agreement as a sustainability-linked loan.

(h) The Borrower reserves the right to adjust the baseline set forth in the Sustainability Table, in consultation with the Sustainability Structuring Agent, in alignment with mandatory regulatory disclosure requirements and/or a new Science-Based Target (SBTi) aligned goal but the Sustainability Table shall maintain the 2.5% annual improvement for each year as the KPI Target and 1% annual improvement for each year as the KPI Threshold, in each case, from the 2022 baseline as so adjusted. In the event that the baseline is so adjusted, the Borrower, the Administrative Agent and the Sustainability Structuring Agent shall amend the Sustainability Table in accordance with the foregoing sentence, and the Administrative Agent shall provide the amended Sustainability Table to the Banks.

ARTICLE II

THE LOANS

SECTION 2.01. Ratable Loans. (a) Subject to the terms and conditions of this Agreement, the Banks agree to make loans to Borrower as provided in this Article II.

(b) Each of the Banks severally agrees to make a loan to Borrower in Dollars (each such loan by a Bank, a “Ratable Loan”) in an amount up to its Loan Commitment pursuant to which such Bank shall from time to time advance and readvance to Borrower an amount equal to its Pro Rata Share of the excess (the “Available Total Loan Commitment”) of the Total Loan Commitment minus the sum of (1) all advances previously drawn and currently outstanding made by the Banks which remain unpaid and (2) the LC Exposure. Within the limits set forth herein, Borrower may borrow from time to time under this paragraph (b) and prepay from time to time pursuant to Section 2.10 (subject, however, to the restrictions on prepayment set forth in said Section), and thereafter reborrow pursuant to this paragraph (b). The Ratable Loans may be outstanding as: (1) Base Rate Loans; (2) Term Benchmark Loans; (3) RFR Loans; or (4) a combination of the foregoing, as Borrower shall elect and notify Administrative Agent in accordance with Section 2.14. Each Term Benchmark Loan, Base Rate Loan and RFR Loan of each Bank shall be maintained at such Bank’s Applicable Lending Office.

(c) The obligations of the Banks under this Agreement are several, and no Bank shall be responsible for the failure of any other Bank to make any advance of a Loan to be made by such other Bank. However, the failure of any Bank to make any advance of each Loan to be made by it hereunder on the date specified therefor shall not relieve any other Bank of its obligation to make any advance of its Loans specified hereby to be made on such date.

SECTION 2.02. [Reserved].

SECTION 2.03. [Reserved].

SECTION 2.04. Advances, Generally. The Initial Advance shall be at least One Million Dollars (\$1,000,000) and in an integral multiple of One Hundred Thousand Dollars (\$100,000) and shall be made upon satisfaction of the conditions set forth in Section 4.01. Subsequent advances shall be made upon satisfaction of the conditions set forth in Section 4.02. The amount of each advance subsequent to the Initial Advance shall, subject to Section 2.13, be at least One Million Dollars (\$1,000,000) (unless less than One Million Dollars (\$1,000,000) is available for disbursement pursuant to the terms hereof at the time of any subsequent advance, in which case the amount of such subsequent advance shall be equal to such remaining availability) and in an integral multiple of One Hundred Thousand Dollars (\$100,000).

Each advance shall be subject, in addition to the limitations and conditions applicable to advances of the Loans generally, to Administrative Agent’s receipt, on or immediately prior to the date the request for such advance is made, of a certificate from the officer requesting the advance certifying that Borrower is in compliance with all covenants enumerated in paragraphs 3(a) and 3(b) of Section 6.09 and containing covenant compliance calculations with respect to Sections 8.02 and 8.06 only, that include the proforma adjustments described below, which calculations shall demonstrate Borrower’s compliance with covenants on a proforma basis.

In connection with each advance of Loan proceeds, the following proforma adjustments shall be made to the covenant compliance calculations required with respect to Sections 8.02 and 8.06 as of the end of the most recently ended calendar quarter for which financial results are required hereunder to have been reported by Borrower:

(i) Total Outstanding Indebtedness and Unsecured Indebtedness (or Secured Indebtedness in the event of an advance in respect of a Refinancing Mortgage which Borrower elects to treat as Secured Indebtedness) shall be adjusted by adding thereto, respectively, all Debt and Unsecured Indebtedness (or Secured Indebtedness if applicable), respectively, that is incurred by Borrower in connection with such advance;

(ii) Capitalization Value, shall be adjusted by adding thereto the purchase price of any Real Property Assets (including capitalized acquisition costs determined in accordance with GAAP) or the Net Equity Value of any Other Investments, together with the Borrower's Pro Rata Share of any Unrestricted Cash and Cash Equivalents, the book value of notes and mortgage loans receivable and marketable securities and the cost of non-marketable securities that are acquired in connection with such advance; and

(iii) Capitalization Value of Unencumbered Assets, if applicable, shall be adjusted by adding thereto the purchase price of any Real Property Assets (including capitalized acquisition costs determined in accordance with GAAP) that are Unencumbered Assets together with Borrower's Pro Rata Share of any Unrestricted Cash and Cash Equivalents, if applicable, the book value of notes and mortgage loans receivable and marketable securities and the cost of non-marketable securities that are acquired in connection with such advance.

SECTION 2.05. Procedures for Advances. In the case of advances of Ratable Loans, Borrower shall submit to Administrative Agent a request for each advance signed by an authorized officer of the Borrower (provided that if such request is submitted through an Approved Borrower Portal, such signature requirement may be waived at the sole discretion of the Administrative Agent), stating the type and date of such advance (and Interest Period, if a Term Benchmark Loan), the amount requested and the expected purpose for which such advance is to be used, no later than 11:00 a.m. (New York time) on the date, in the case of advances of Base Rate Loans and RFR Loans, which is the proposed date of such Base Rate Loan or RFR Loan, and, in the case of advances of Term Benchmark Loans, which is three (3) Banking Days, prior to the date such advance is to be made. Administrative Agent, upon its receipt and approval of the request for advance, will so notify the Banks. Not later than 12:00 p.m. (New York time) on the date of each advance (or 1:00 p.m. (New York time) in the case of a Base Rate Loan or a RFR Loan for which the Borrower has made a Loan request on such date), each Bank shall, through its Applicable Lending Office and subject to the conditions of this Agreement, make the amount to be advanced by it on such day available to Administrative Agent, at Administrative Agent's Office and in immediately available funds for the account of Borrower. The amount so received by Administrative Agent shall, subject to the conditions of this Agreement, be made available to Borrower, in immediately available funds, by Administrative Agent's to an account designated by Borrower.

SECTION 2.06. Interest Periods; Renewals. In the case of the Term Benchmark Loans, Borrower shall select an Interest Period of any duration in accordance with the definition of Interest Period in Section 1.01, subject to the following limitations: (1) no Interest Period may extend beyond the Maturity Date; (2) if an Interest Period would end on a day which is not a Banking Day, such Interest Period shall be extended to the next Banking Day, unless such Banking Day would fall in the next calendar month, in which event such Interest Period shall end on the immediately preceding Banking Day; and (3) only eight (8) discrete segments of a Bank's

Ratable Loans that are Term Benchmark Loans for a designated Interest Period pursuant to a particular Election, Conversion or Continuation, may be outstanding at any one time (each such segment of each Bank's Ratable Loan corresponding to a proportionate segment of each of the other Banks' Ratable Loans).

Upon notice to Administrative Agent as provided in Section 2.14, Borrower may Continue any Term Benchmark Loan on the last day of the Interest Period of the same or different duration in accordance with the limitations provided above.

SECTION 2.07. Interest. Borrower shall pay interest to Administrative Agent for the account of the applicable Bank on the outstanding and unpaid principal amount of the Loans, at a rate per annum as follows: (1) for Base Rate Loans at a rate equal to the Base Rate plus the Applicable Margin; (2) for Term Benchmark Loans at a rate equal to the applicable Adjusted Term SOFR Rate for the Interest Period in effect for such Loan plus the Applicable Margin; and (3) for RFR Loans at a rate equal to the Adjusted Daily Effective SOFR Rate plus the Applicable Margin. Any principal amount not paid when due (when scheduled, at acceleration or otherwise) shall bear interest thereafter, payable on demand, at the Default Rate.

The interest rate on Base Rate Loans shall change when the Base Rate changes, and the interest rate on RFR Loans shall change when Daily Effective SOFR changes. Interest shall be calculated for the actual number of days elapsed on the basis of a year consisting of three hundred sixty (360) days (except that interest computed by reference to the Base Rate when based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year). In each case interest shall be payable for the actual number of days elapsed (including the first day but excluding the last day). All interest hereunder on any Loan shall be computed on a daily basis based upon the outstanding principal amount of such Loan as of the applicable date of determination. The applicable Base Rate, Adjusted Term SOFR Rate, Term SOFR Rate, Adjusted Daily Effective SOFR Rate or Daily Effective SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Bank holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this paragraph shall be cumulated and the interest and Charges payable to such Bank in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Bank.

Accrued interest shall be due and payable in arrears, in the case of Base Rate Loans, Term Benchmark Loans and RFR Loans on each Interest Payment Date; provided, however, that interest accruing at the Default Rate shall be due and payable on demand.

SECTION 2.08. Fees. Borrower shall, during the term of the Loans commencing as of the Execution Date, pay to Administrative Agent for the account of each Bank a facility fee computed, on the daily Loan Commitment of such Bank, by multiplying the aggregate Loan Commitments on such day by an amount equal to the daily Facility Fee, calculated on the basis of a year of three hundred sixty (360) days for the actual number of days elapsed. The accrued Facility Fee shall be due and payable in arrears on the fifteenth day of January, April, July and October of each year, commencing on the first such date after the Execution Date, and upon the Maturity Date (as the case may be accelerated) or earlier termination of the Loan Commitments.

SECTION 2.09. Notes. Unless otherwise requested by a Bank, any Ratable Loans made by each Bank under this Agreement shall be evidenced by, and repaid with interest in accordance with, a promissory note of Borrower in the form of EXHIBIT B duly completed and executed by Borrower, in a principal amount equal to such Bank's Loan Commitment, payable to such Bank for the account of its Applicable Lending Office (each such note, as the same may hereafter be amended, modified, extended, severed, assigned, substituted, renewed or restated from time to time, including any substitute note pursuant to Section 3.07 or 12.05, a "Ratable Loan Note"). A particular Bank's Ratable Loan Note(s) are referred to collectively in this Agreement as such Bank's "Note"; all such Ratable Loan Notes and interests are referred to collectively in this Agreement as the "Notes". The Ratable Loans shall mature, and all outstanding principal and accrued interest and other Obligations shall be paid in full, on the Maturity Date, as the same may be accelerated in accordance with this Agreement.

Each Bank is hereby authorized by Borrower to endorse on the schedule attached to the Ratable Loan Note held by it, the amount of each advance, and each payment of principal received by such Bank for the account of its Applicable Lending Office(s) on account of its Ratable Loans, which endorsement shall, in the absence of manifest error, be conclusive as to the outstanding balance of the Ratable Loans made by such Bank. The failure by any Bank to make such notations with respect to the Loans or each advance or payment shall not limit or otherwise affect the obligations of Borrower under this Agreement or the Notes.

In connection with a Refinancing Mortgage, Borrower shall deliver to the Administrative Agent, a mortgage note, payable to the Administrative Agent for the account of the Banks, which shall be secured by the applicable Refinancing Mortgage. Such note shall be in such form as shall be requested by Borrower, subject to the Administrative Agent's reasonable approval. Each reference in this Agreement to the "Notes" shall be deemed to refer to and include any or all of such mortgage notes, as the context may require.

SECTION 2.10. Prepayments.

Without prepayment premium or penalty but subject to Section 3.05, Borrower may, upon at least one (1) Banking Day's notice (by 2:00 p.m. New York time) to Administrative Agent in the case of the Base Rate Loans and RFR Loans, and at least three (3) Banking Days' notice (by 2:00 p.m. New York time) to Administrative Agent in the case of Term Benchmark Loans, prepay the Ratable Loans, in whole or in part, provided that (1) any partial prepayment under this Section shall be in integral multiples of One Million Dollars (\$1,000,000) (or such lesser amount as is then outstanding); and (2) each prepayment under this Section shall include, at Administrative Agent's option, all interest accrued on the amount of principal prepaid to (but excluding) the date of prepayment.

SECTION 2.11. Method of Payment.

Borrower shall make each payment under this Agreement and under the Notes not later than 1:00 p.m. (New York time) on the date when due in Dollars to Administrative Agent at Administrative Agent's Office in immediately available funds, without condition or deduction for any counterclaim, defense, recoupment or setoff. Borrower shall deliver federal reference number(s) evidencing the applicable wire transfer(s) to Administrative Agent as soon as available thereafter on such day. Administrative Agent will thereafter, on the day of its receipt of each such payment(s), cause to be distributed to each Bank (1) such Bank's appropriate share (based upon the respective outstanding principal amounts and interest due under the Loans of the Banks) of the payments of principal and interest in like funds for the account of such Bank's Applicable Lending Office; and (2) fees payable to such Bank by Borrower in accordance with the terms of this Agreement. If and to the extent that the Administrative Agent shall receive any such payment for the account of the Banks on or before 11:00 a.m. (New York time) on any Banking Day, and Administrative Agent shall not have distributed to any Bank its applicable share of such payment on such day, Administrative Agent shall distribute such amount to such Bank together with interest thereon paid by the Administrative Agent, for each day from the date such amount should have been distributed to such Bank until the date Administrative Agent distributes such amount to such Bank, at the Federal Funds Effective Rate.

Except to the extent provided in this Agreement, whenever any payment to be made under this Agreement or under the Notes is due on any day other than a Banking Day, such payment shall be made on the next succeeding Banking Day, and such extension of time shall in such case be included in the computation of the payment of interest and other fees, as the case may be.

SECTION 2.12. Elections, Conversions or Continuation of Loans.

Subject to the provisions of Article III and Sections 2.06 and 2.13, Borrower shall have the right to Elect to have all or a portion of any advance of the Ratable Loans be Term Benchmark Loans, Base Rate Loans, RFR Loans or a combination of the foregoing, to Convert Base Rate Loans into Term Benchmark Loans or RFR Loans, to convert RFR Loans into Base Rate Loans or Term Benchmark Loans, to Convert Term Benchmark Loans into Base Rate Loans or RFR Loans, or to Continue Term Benchmark Loans as Term Benchmark Loans, at any time or from time to time, provided that: (1) Borrower shall give Administrative Agent notice of each such Election, Conversion or Continuation as provided in Section 2.14 signed by an authorized officer of the Borrower (provided that if such notice is submitted through an Approved Borrower Portal, such signature requirement may be waived at the sole discretion of the Administrative Agent); and (2) a Term Benchmark Loan may be Continued or Converted only on the last day of the applicable Interest Period for such Term Benchmark Loan. Except as otherwise provided in this Agreement, each Election, Continuation and Conversion shall be applicable to each Bank's Ratable Loan in accordance with its Pro Rata Share. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing, the Administrative Agent, at the request of the Required Banks, may require, by notice to Borrower, that (i) no outstanding Ratable Loan may be converted to or continued as a Term Benchmark Loan and (ii) unless repaid, each Ratable Loan shall be converted to a Base Rate Loan at the end of the Interest Period applicable thereto.

SECTION 2.13. Minimum Amounts.

With respect to the Ratable Loans as a whole, each Election and each Conversion shall be in an amount at least equal to One Million Dollars (\$1,000,000) and in integral multiples of One Hundred Thousand Dollars (\$100,000) or such lesser amount as shall be available or outstanding, as the case may be.

SECTION 2.14. Certain Notices Regarding Elections, Conversions and Continuations of Loans.

Notices by Borrower to Administrative Agent of Elections, Conversions and Continuations of Term Benchmark Loans shall be irrevocable and shall be effective only if received by Administrative Agent not later than 11:00 a.m. (New York time) on the number of Banking Days prior to the date of the relevant Election, Conversion or Continuation specified below:

<u>Notice</u>	<u>Number of Banking Days Prior</u>
Elections of, Conversions into or Continuations as Base Rate Loans or RFR Loans	Same Banking Day
Elections of, Conversions into or Continuations as Term Benchmark Loans	Three (3)

Promptly following its receipt of any such notice, Administrative Agent shall so advise the Banks. Each such notice of Election shall specify the portion of the amount of the advance that is to be Term Benchmark Loans (subject to Section 2.13) and the duration of the Interest Period applicable thereto (subject to Section 2.06); each such notice of Conversion shall specify the Term Benchmark Loans, RFR Loans or Base Rate Loans to be Converted; and each such notice of Conversion or Continuation shall specify the date of Conversion or Continuation (which shall be a Banking Day), the amount thereof (subject to Section 2.13) and the duration of the Interest Period applicable thereto (subject to Section 2.06). In the event that Borrower fails to Elect to have any portion of an advance of the Ratable Loans be Term Benchmark Loans, the portion of such advance for which a Term Benchmark Loan Election is not made shall constitute Base Rate Loans. In the event that Borrower fails to Continue Term Benchmark Loans within the time period and as otherwise provided in this Section, such Term Benchmark Loans will be automatically Converted into Base Rate Loans on the last day of the then current applicable Interest Period for such Term Benchmark Loans.

SECTION 2.15. Payments Generally. If any Bank shall fail to make any payment required to be made by it pursuant to Section 2.17(h) or 10.05, then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Bank for the benefit of the Administrative Agent or the Fronting Bank to satisfy such Bank's obligations to it under such Section until all such unsatisfied obligations are fully paid, and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Bank under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.16. Changes of Loan Commitments.

(a) At any time, Borrower shall have the right, without premium or penalty, to terminate any unused Loan Commitments existing as of the date of such termination, in whole or in part, from time to time, provided that: (1) Borrower shall give notice of each such termination to Administrative Agent (which shall promptly notify each of the Banks) no later than 10:00 a.m. (New York time) on the date which is three (3) Banking Days prior to the effectiveness of such termination; (2) the Loan Commitments of each of the Banks must be terminated (and, in the case of a partial termination, on a pro rata basis) and simultaneously with those of the other Banks; and (3) each partial termination of the Loan Commitments in the aggregate (and corresponding reduction of the Total Loan Commitment) shall be in an integral multiple of One Million Dollars (\$1,000,000).

(b) The Loan Commitments, to the extent terminated pursuant to this Section 2.16, may not be reinstated.

(c) (i) Unless a Default or an Event of Default has occurred and is continuing, Borrower, by written notice to Administrative Agent, may request on up to four (4) occasions during the term of this Agreement that (A) the Total Loan Commitment be increased (the “New Ratable Commitments”) or (B) new term loan commitments be established (the “New Term Commitments”, and together with the New Ratable Commitments, the “Incremental Commitments”) by an amount not less than Ten Million Dollars (\$10,000,000) per request for any Incremental Commitment and not more than Eight Hundred and Thirty-Five Million Dollars (\$835,000,000) in the aggregate for all Incremental Commitments (such that the sum of the Total Loan Commitment plus the initial amount of all New Term Loans (as defined below) made pursuant to the New Term Commitments after such Incremental Commitments shall never exceed One Billion Seven Hundred Fifty Million Dollars (\$1,750,000,000) less any voluntary reductions in the Loan Commitments pursuant to Section 2.16(a)); provided that for any such request for an Incremental Commitment in the event that existing Banks do not elect to provide such Incremental Commitment, the Lead Arrangers shall use commercially reasonable efforts to locate additional Qualified Institutions willing to hold the requested Incremental Commitment, and Borrower may also identify additional Qualified Institutions willing to hold the requested Incremental Commitment; provided however that Administrative Agent and each Fronting Bank (in the case of a New Ratable Commitment) shall have the right to approve any such additional Qualified Institutions, which approval will not be unreasonably withheld or delayed. If (x) existing or new Banks are willing to provide such New Ratable Commitments, the Total Loan Commitment may be increased from time to time by the addition of a new Bank or the increase of the Loan Commitment of an existing Bank (each, a “New Ratable Bank”, and the loans made pursuant to any New Ratable Commitment being referred to herein as “New Ratable Loans”) or (y) Banks are willing to provide such New Term Commitments, term loans may be made hereunder (the “New Term Loans”) by such Banks (each, a “New Term Bank”). No Bank shall have any obligation to provide any Incremental Commitment.

(ii) Any Incremental Commitments hereunder shall be evidenced by the execution and delivery of an amendment to this Agreement by the Borrower, the Administrative Agent, the Fronting Banks (in the case of New Ratable Commitments) and the New Ratable Banks or New Term Banks, as applicable, providing such Incremental Commitments, a copy of which shall be forwarded to each Bank by the

Administrative Agent promptly after execution thereof. Each such amendment executed in connection with an Incremental Commitment hereunder may, without the consent of any other Banks, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the good faith judgment of Administrative Agent, to effect the provisions of this Section 2.16(c), subject to approval by the Borrower and the New Ratable Banks or New Term Banks, as applicable, including without limitation to (x) include the New Ratable Banks and/or New Term Banks as “Banks” hereunder, (y) to include the New Ratable Loans and New Term Loans as “Loans” hereunder, and (z) to include the New Ratable Banks and their Pro Rata Shares and/or the New Term Banks and their New Term Loans for purposes of the definition of “Required Banks”; provided however, that any amendments to Articles V through IX, inclusive, and Section 12.02 that adversely affect a Bank or any amendment to provisions of this Agreement other than those effecting this Section 2.16(c) shall be subject to Section 12.02. All such amendments and joinder agreements entered into with the Borrower by the Administrative Agent, the Fronting Banks (in the case of New Ratable Commitments) and the New Ratable Banks or New Term Banks, as applicable, shall be binding and conclusive on all Banks.

(iii) On the effective date of any New Ratable Commitments, the Total Loan Commitment and the Loan Commitments of the New Ratable Banks shall be increased, the Pro Rata Shares shall be adjusted and the Borrower and the Administrative Agent shall cause the New Ratable Banks to hold their Pro Rata Share of all Ratable Loans outstanding at the close of business on such day, by either funding more than its or their Pro Rata Share of New Ratable Loans made on such date or purchasing shares of outstanding Ratable Loans held by the other Banks or a combination thereof. The Banks agree to cooperate in any required sale and purchase of outstanding Ratable Loans to achieve such result. The Borrower agrees to pay all fees associated with the New Ratable Commitments including any amounts due under Section 3.05 in connection with any reallocation of Term Benchmark Loans.

(iv) On the effective date of any New Term Commitments of any Series, (a) each New Term Bank of such Series shall make a New Term Loan to the Borrower in an amount equal to its New Term Commitment of such Series, and (b) each New Term Bank of such Series shall become a Bank hereunder with respect to the New Term Commitments of such Series and the New Term Loans of such Series made pursuant thereto. Any New Term Loans made on such effective date shall be designated a separate series (a “Series”) of New Term Loans for all purposes of this Agreement.

(v) The terms and provisions of the New Ratable Loans and New Ratable Commitments shall be identical to the then existing Ratable Loans and Loan Commitments. The terms of any New Term Loans of any Series made hereunder (a) shall not provide for any amortization payments on or prior to the Maturity Date, but may permit voluntary prepayments, (b) shall provide that the applicable New Term Loan maturity date of each Series shall be no earlier than the Maturity Date, (c) shall rank pari passu to the other Loans hereunder and (d) subject to paragraph (c)(ii) above, shall include such other terms and pricing as may be agreed by the Borrower, the Administrative Agent and the New Term Banks.

(vi) Notwithstanding the foregoing, no Incremental Commitment shall become effective under this Section 2.16(c) unless (a) on the date of such effectiveness, the conditions set forth in Section 4.02 shall be satisfied or otherwise waived by the Banks providing such Incremental Commitments and the Administrative Agent shall have received a certificate to that effect dated such date and executed by an authorized signatory of the Borrower, (b) the Administrative Agent shall have received a certificate of an authorized signatory of the Borrower as to the board resolutions evidencing authority for such Incremental Commitment and as to any changes to the formation documents of the Borrower since the Closing Date, (c) the Borrower shall be in pro forma compliance with the covenants set forth in Article VIII after giving effect to the Loans to be made on such date pursuant to such Incremental Commitments and the application of the proceeds therefrom as if made and applied on such date to the extent such Incremental Commitments are drawn and funded on such date, (d) the Borrower shall deliver any legal opinions reasonably requested by the Administrative Agent in connection with such Incremental Commitments, consistent with those delivered on the Closing Date, and (e) the Borrower shall have paid all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent pursuant to Section 12.04 and all agreed-upon fees payable to the Administrative Agent and the New Ratable Banks or New Term Banks, as applicable, in connection with such Incremental Commitments.

(vii) Notwithstanding the foregoing, nothing in this Section 2.16(c) shall constitute or be deemed to constitute an agreement by any Bank to provide any Incremental Commitment.

SECTION 2.17. Letters of Credit.

(a) Borrower, by notice to Administrative Agent and the applicable Fronting Bank, may request, in lieu of advances of proceeds of the Ratable Loans, that such Fronting Bank issue unconditional, irrevocable standby letters of credit (each, a "Letter of Credit") for the account of Borrower or its designee (which shall be an Affiliate or Subsidiary of Borrower) (it being understood that the issuance of a Letter of Credit for the account of a designee shall not in any way relieve Borrower of any of its obligations hereunder), payable by sight drafts, for such beneficiaries and with such other terms as Borrower shall specify. Unless the applicable Fronting Bank has received written notice from the Administrative Agent, not less than one (1) Banking Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Section 4.02 shall not have been satisfied, then, subject to the terms and conditions hereof, such Fronting Bank, on the requested date, shall issue a Letter of Credit for the account of the Borrower or enter into the applicable amendment, as the case may be, in each case in a form reasonably acceptable to such Fronting Bank and in accordance with such Fronting Bank's usual and customary business practices; provided that there shall not at any time be more than a total of 20 Letters of Credit outstanding. Promptly upon issuance of a Letter of Credit, the applicable Fronting Bank shall notify Administrative Agent and Administrative Agent shall notify each of the Banks.

Notwithstanding anything herein to the contrary, the Fronting Banks shall have no obligation hereunder to issue, amend or extend, and shall not issue, amend or extend, any Letter of Credit the proceeds of which would be made available to any Person (i) to fund any activity or business of or with any Sanctioned Person, or in any country or territory that, at the time of such funding,

is the subject of any Sanctions or (ii) in any manner that would result in a violation of any Sanctions by any party to this Agreement. In addition, a Fronting Bank shall not be under any obligation to issue, amend or extend any Letter of Credit if (x) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Fronting Bank from issuing, amending or extending the Letter of Credit, or any Law applicable to such Fronting Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Fronting Bank shall prohibit, or request that such Fronting Bank refrain from, the issuance, amendment or extension of letters of credit generally or the Letter of Credit in particular or shall impose upon such Fronting Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which the Fronting Bank is not otherwise compensated hereunder) not in effect on the Execution Date, or shall impose upon the Fronting Bank any unreimbursed loss, cost or expense which was not applicable on the Execution Date and which such Fronting Bank in good faith deems material to it or (y) the issuance, amendment or extension of such Letter of Credit would violate one or more policies of such Fronting Bank applicable to letters of credit generally.

(b) To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable Fronting Bank) to the Fronting Bank or Fronting Banks which are being requested to issue (or has or have issued, in the case of an amendment, renewal or extension) such Letter of Credit and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension, but in any event no less than three Banking Days or such shorter period as the applicable Fronting Bank shall agree to) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Banking Day), the identity of the Fronting Bank(s) selected to issue such Letter of Credit, the date on which such Letter of Credit is to expire (which shall comply with paragraph (e) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the Fronting Bank, Borrower also shall submit a letter of credit application on the Fronting Bank's standard form in connection with any request for a Letter of Credit; provided that the provisions of this Agreement shall prevail if there is an inconsistency between this Agreement and such letter of credit application. The Borrower and the Fronting Banks shall use reasonable efforts, to the extent practical, to cause any Letters of Credit to be issued by the Fronting Banks on a proportionate basis in accordance with their respective Letter of Credit Commitments, although, for the avoidance of doubt, no single Letter of Credit will be required to be issued by more than one Fronting Bank unless the amount of such Letter of Credit will exceed the available Letter of Credit Commitment of the applicable Fronting Bank. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) (x) the aggregate undrawn amount of all outstanding Letters of Credit issued by the applicable Fronting Bank at such time plus (y) the aggregate amount of all drawings under Letters of Credit issued by such Fronting Bank that have not yet been reimbursed by or on behalf of the Borrower (including, for clarity, by means of advances of Loans pursuant to this Agreement) at such time shall not exceed its Letter of Credit Commitment (unless agreed to by such Fronting Bank), (ii) the aggregate LC

Exposure at such time shall not exceed \$150,000,000 (as such amount may be reduced by written notice from the Borrower consistent with Section 2.16(a) so long as the outstanding Letters of Credit do not exceed such reduced amount), (iii) the amount of such Letter of Credit shall not exceed the Available Total Loan Commitment, and (iv) the amount of such Letter of Credit shall not exceed the excess of the Fronting Bank's Loan Commitment minus the sum of the outstanding principal amount of such Fronting Bank's Ratable Loans and LC Exposure at such time. The Borrower may, at any time and from time to time, reduce the Letter of Credit Commitment of any Fronting Bank with the consent of such Fronting Bank; provided that the Borrower shall not reduce the Letter of Credit Commitment of any Fronting Bank if, after giving effect of such reduction, the conditions set forth in clauses (i) through (iv) of this paragraph (b) shall not be satisfied. The amount of each Letter of Credit issued and outstanding shall effect a reduction, by an equal amount, of the Available Total Loan Commitment as provided in Section 2.01(b) (such reduction to be allocated to each Bank's Loan Commitment ratably in accordance with the Banks' respective Pro Rata Shares).

(c) The amount of each Letter of Credit shall be further subject to the conditions and limitations applicable to amounts of advances set forth in Section 2.04 and except as otherwise provided in clause (b) above, the procedures for the issuance of each Letter of Credit shall be the same as the procedures applicable to the making of advances as set forth in the first sentence of Section 2.05.

(d) The Fronting Bank's issuance of each Letter of Credit shall be subject to Borrower's satisfaction of all conditions precedent to its entitlement to an advance of proceeds of the Loans.

(e) Each Letter of Credit shall (i) unless approved by the Administrative Agent and the applicable Fronting Bank, expire no later than the earlier of (x) fourteen (14) days prior to the Maturity Date or (y) one (1) year after the date of its issuance (without regard to any automatic renewal provisions thereof), and (ii) be in a minimum amount of One Hundred Thousand Dollars (\$100,000), or such lesser amount approved by the Fronting Bank. In no event shall a Letter of Credit expire later than the first anniversary of the Maturity Date. Notwithstanding the foregoing, in the event that, with the approval of the Administrative Agent and the Fronting Bank, any Letters of Credit are issued and outstanding on the date that is fourteen (14) days prior to the Maturity Date, Borrower shall deliver to Administrative Agent on such date by wire transfer of immediately available funds a cash deposit in the amount of such Letters of Credit in accordance with the provisions of Section 2.17(i). Such funds shall be held by Administrative Agent and applied to repay the amount of each drawing under such Letters of Credit on or after the Maturity Date, if applicable. Such funds, with any interest earned thereon, will be returned to Borrower (and may be returned from time to time with respect to any applicable Letter of Credit) on the earlier of (a) the date that the applicable Letter of Credit or Letters of Credit expire in accordance with their terms; and (b) the date that the applicable Letter of Credit or Letters of Credit are cancelled.

(f) In connection with, and as a further condition to the issuance of, each Letter of Credit, Borrower shall execute and deliver to the Fronting Bank an application for the Letter of Credit in such form, and together with such other documents, opinions and assurances, as the Fronting Bank shall reasonably require.

(g) In connection with each Letter of Credit, Borrower hereby covenants to pay (i) to Administrative Agent, quarterly in arrears (on the fifteenth day of the month following the end of each calendar quarter following the issuance of such Letter of Credit), a fee, payable to Administrative Agent for the account of the Banks, computed daily (calculated on the basis of a year of three hundred and sixty (360) days for the actual number of days elapsed) on the face amount of such Letter of Credit issued and outstanding at a rate per annum equal to the “Banks’ L/C Fee Rate” (as hereinafter defined) and (ii) to the Fronting Bank, payable quarterly in arrears (on the fifteenth day of the month following the end of each calendar quarter), a fee, payable to the Fronting Bank for its own account, computed daily (calculated on the basis of a year of three hundred and sixty (360) days for the actual number of days elapsed) on the amount of such Letter of Credit issued and outstanding at a rate per annum equal to 0.125%. Administrative Agent shall have no responsibility for the collection of the fee for any Letter of Credit that is payable to the Fronting Bank. For purposes of this Agreement, the “Banks’ L/C Fee Rate” shall mean, provided no Event of Default has occurred and is continuing, a rate per annum (calculated on the basis of a year of three hundred and sixty (360) days for the actual number of days elapsed) equal to the Applicable Margin for Term Benchmark Loans minus 0.125% and, in the event an Event of Default has occurred and is continuing, a rate per annum (calculated on the basis of a year of three hundred and sixty (360) days for the actual number of days elapsed) equal to 3%. It is understood and agreed that the last installment of the fees provided for in this paragraph (g) with respect to any particular Letter of Credit shall be due and payable on the fifteenth day of the month following the end of the calendar quarter of the surrender or cancellation, of such Letter of Credit.

(h) The Fronting Bank shall promptly notify Administrative Agent of any drawing under a Letter of Credit issued by such Fronting Bank. The parties hereto acknowledge and agree that, immediately upon notice from Administrative Agent of any drawing under a Letter of Credit, each Bank shall, notwithstanding the existence of a Default or Event of Default or the non-satisfaction of any conditions precedent to the making of an advance of the Loans, advance proceeds of its Ratable Loan as a Base Rate Loan, in an amount equal to its Pro Rata Share of such drawing, which advance shall be made to Administrative Agent for disbursement to the Fronting Bank issuing such Letter of Credit to reimburse the Fronting Bank, for its own account, for such drawing, all in satisfaction of Borrower’s obligation to reimburse such drawing. Each of the Banks further acknowledges that its obligation to fund its Pro Rata Share of drawings under Letters of Credit as aforesaid shall survive the Banks’ termination of this Agreement or enforcement of remedies hereunder or under the other Loan Documents. If any Ratable Loan cannot for any reason be made on the date otherwise required above (including, without limitation, as a result of the commencement of a proceeding under any applicable bankruptcy law with respect to Borrower), then Borrower shall immediately reimburse such drawing by paying to the Administrative Agent the amount of such drawing and each of the Banks shall purchase (on the date such Ratable Loan would otherwise have been made) from the Fronting Bank a participation interest in any unreimbursed drawing in an amount equal to its Pro Rata Share of such unreimbursed drawing.

(i) Borrower agrees, upon and during the continuance of an Event of Default and at the request of Administrative Agent or the Required Banks (or automatically upon an Event of Default under Section 9.01(5)), (x) to deposit with Administrative Agent cash collateral in the amount of all the outstanding Letters of Credit, which cash collateral is hereby pledged and shall be held by Administrative Agent for the benefit of the Banks and the Fronting Banks in an

account as security for Borrower's obligations in connection with the Letters of Credit and (y) to execute and deliver to Administrative Agent such documents as Administrative Agent requests to confirm and perfect the assignment of such cash collateral and such account to Administrative Agent for the benefit of the Banks. Any such cash collateral deposited with Administrative Agent shall be returned immediately to Borrower upon the cure of such Event of Default.

(j) It is hereby acknowledged and agreed by the Borrower, the Administrative Agent and all the Banks party hereto that on the Execution Date, the letters of credit previously issued by Bank of America, N.A., JPMorgan Chase Bank, N.A., Wells Fargo Bank, N.A., U.S. Bank National Association and/or PNC Bank, National Association as "Fronting Bank" under the Existing 2021 Credit Agreement and listed on Schedule 2.17(j) attached hereto shall be transferred to this Agreement and shall be deemed to be Letters of Credit hereunder.

(k) A Fronting Bank may be replaced at any time by written agreement in a form reasonably satisfactory to the Administrative Agent among the Borrower, the Administrative Agent, the replaced Fronting Bank and the successor Fronting Bank. In addition, the Borrower, by written agreement in a form reasonably satisfactory to the Administrative Agent among Borrower, Administrative Agent and a Bank delivered to Administrative Agent, may designate such Bank as an additional Fronting Bank with such Letter of Credit Commitment as may be agreed on between such Bank and the Borrower provided that the sum of (x) all Letter of Credit Commitments plus (y) the aggregate undrawn amount of all outstanding Letters of Credit at such time plus (z) the aggregate amount of all drawings under Letters of Credit that have not yet been reimbursed by or on behalf of the Borrower (including, for clarity, by means of advances of Loans pursuant to this Agreement) shall not exceed \$150,000,000 (and the Letter of Credit Commitment of each other Fronting Bank shall be reduced pro rata by the amount of the additional Fronting Bank's Letter of Credit Commitment). The Administrative Agent shall notify the Banks of any such replacement of the Fronting Bank and any additional Fronting Bank. At the time any such replacement of a Fronting Bank shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Fronting Bank pursuant to Section 2.17(g). From and after the effective date of any such replacement or addition of a Fronting Bank, (x) the successor or additional (as applicable) Fronting Bank shall have all the rights and obligations of a Fronting Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (y) references herein to the term "Fronting Bank" shall be deemed to refer to such successor or additional Fronting Bank, or to any previous Fronting Bank, or to such successor or additional, and all previous, Fronting Banks and all other Fronting Banks, as the context shall require. After the replacement of a Fronting Bank hereunder, the replaced Fronting Bank shall remain a party hereto and shall continue to have all the rights and obligations of a Fronting Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit. Subject to the appointment and acceptance by Administrative Agent and Borrower of a successor Fronting Bank, any Fronting Bank may resign as a Fronting Bank at any time upon thirty days' prior written notice to the Administrative Agent, the Borrower and the Banks, in which case, such Fronting Bank shall be replaced as provided above.

(l) The Borrower's obligation to reimburse drawings under Letters of Credit as provided in paragraph (h) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any

Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Fronting Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Banks nor the Fronting Bank shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Fronting Bank; provided that the foregoing shall not be construed to excuse the Fronting Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by the Fronting Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Fronting Bank (as finally determined by a court of competent jurisdiction), the Fronting Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Fronting Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(m) Notwithstanding that a Letter of Credit issued or outstanding hereunder supports any obligations of, or is for the account of, a Subsidiary or Affiliate of the Borrower, or states that a Subsidiary or Affiliate of the Borrower is the "account party," "applicant," "customer," "instructing party," or the like of or for such Letter of Credit, and without derogating from any rights of the applicable Fronting Bank (whether arising by contract, at law, in equity or otherwise) against such Subsidiary or Affiliate in respect of such Letter of Credit, the Borrower (i) shall reimburse, indemnify and compensate the applicable Fronting Bank hereunder for such Letter of Credit (including to reimburse any and all drawings thereunder) as if such Letter of Credit had been issued solely for the account of the Borrower and (ii) irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Subsidiary or Affiliate in respect of such Letter of Credit. The Borrower hereby acknowledges that the issuance of such Letters of Credit for its Subsidiaries and Affiliates inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries and Affiliates.

SECTION 2.18. Extension Option. Borrower may extend the Maturity Date two (2) times only for a period of six (6) months per extension upon satisfaction of the following terms and conditions for each extension: (i) delivery by Borrower of a written notice to Administrative Agent (an “Extension Notice”) on or before a date that is not more than one hundred twenty (120) days nor less than one (1) month prior to the then-scheduled Maturity Date, which Extension Notice Administrative Agent shall promptly deliver to the Banks, which Extension Notice shall include a certification dated as of the date of such Extension Notice signed by a duly authorized signatory of Borrower, stating, to the best of the certifying party’s knowledge, (x) all representations and warranties contained in this Agreement and in each of the other Loan Documents are true and correct on and as of the date of such Extension Notice (except in those cases where such representation or warranty expressly relates to an earlier date, in which case such representations and warranties were true and correct as of such date, and except for changes in factual circumstances not prohibited under the Loan Documents), and (y) no Event of Default has occurred and is continuing; (ii) no Event of Default shall have occurred and be continuing on the original Maturity Date (an “Extension Date”); and (iii) Borrower shall pay to Administrative Agent on or before such Extension Date a fee equal to 0.075% of the Total Loan Commitment on such Extension Date for each extension, which fee shall be distributed by Administrative Agent pro rata to each of the Banks based on each Bank’s Pro Rata Share. Borrower’s delivery of an Extension Notice shall be irrevocable.

ARTICLE III

YIELD PROTECTION; ILLEGALITY; ETC.

SECTION 3.01. Additional Costs. Borrower shall pay directly to each Bank and Fronting Bank from time to time on demand such amounts as such Bank or Fronting Bank may reasonably determine to be necessary to compensate it for any increased costs which such Bank or Fronting Bank determines are attributable to its making or maintaining any Loan, or its obligation to issue, maintain or participate in any Letter of Credit, or its obligation to make or maintain any Loan, or its obligation to Convert any Loan hereunder, or any reduction in any amount receivable by such Bank or Fronting Bank hereunder in respect of its Loan(s) or such obligations (such increases in costs and reductions in amounts receivable being herein called “Additional Costs”), in each case resulting from any Regulatory Change which:

(1) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, and (B) Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(2) (other than to the extent any reserve requirement is taken into account in determining the Adjusted Term SOFR Rate at the commencement of the applicable Interest Period) imposes or modifies any reserve, special deposit, liquidity, deposit insurance or assessment, minimum capital, capital ratio or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities of, such Bank (including any Term Benchmark Loan or RFR Loan), or any commitment of such Bank (including such Bank’s Loan Commitment hereunder); or

(3) imposes any other condition, cost or expense (other than Taxes) affecting this Agreement or the Notes (or any of such extensions of credit or liabilities).

Without limiting the effect of the provisions of the first paragraph of this Section, in the event that, by reason of any Regulatory Change, any Bank becomes subject to restrictions on the amount of such a category of liabilities or assets which it may hold, then, if such Bank so elects by notice to Borrower (with a copy to Administrative Agent), the obligation of such Bank to permit Elections of, to Continue, or to Convert Loans shall be suspended (in which case the provisions of Section 3.04 shall be applicable) until such Regulatory Change ceases to be in effect.

The obligations of Borrower under this Section shall survive the repayment of all amounts due under or in connection with any of the Loan Documents and the termination of the Loan Commitments in respect of the period prior to such termination.

Determinations and allocations by a Bank for purposes of this Section of the effect of any Regulatory Change pursuant to the first or second paragraph of this Section, on its costs or rate of return of making or maintaining its Loan or portions thereof or on amounts receivable by it in respect of its Loan or portions thereof, and the amounts required to compensate such Bank under this Section, shall be included in a calculation of such amounts given to Borrower and shall be conclusive absent manifest error.

Notwithstanding anything contained in this Article III to the contrary, Borrower shall only be obligated to pay any amounts due under this Section 3.01 or under Section 3.06 if, and a Bank shall not exercise any right under this Section 3.01 or Sections 3.02, 3.03, 3.04 or 3.06 unless, the applicable Bank has certified that it is generally imposing a similar charge on, or otherwise similarly enforcing its agreements with, its other similarly situated borrowers. In addition, Borrower shall not be obligated to compensate any Bank under any such provision for any amounts attributable to any period which is more than nine (9) months prior to such Bank's delivery of notice thereof to Borrower (except that if a Regulatory Change is retroactive, then such period shall be extended to include the period of retroactive effect, provided that such Bank delivered notice thereof to Borrower no later than nine (9) months after the date on which the Regulatory Change with such retroactive effect was made).

For purposes of this Section 3.01, the term "Bank" includes any Fronting Bank.

SECTION 3.02. Alternate Rate of Interest. (a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 3.02, if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Loan, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate or the Term SOFR Rate (including because the Term SOFR Reference Rate is not available or published on a current basis), for such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Daily Effective SOFR or the Adjusted Daily Effective SOFR Rate; or

(ii) the Administrative Agent is advised by the Required Banks that (A) prior to the commencement of any Interest Period for a Term Benchmark Loan, the Adjusted Term SOFR Rate for such Interest Period will not adequately and fairly reflect the cost to

such Banks (or Bank) of making or maintaining their Loans (or its Loan) for such Interest Period or (B) at any time, the Adjusted Daily Effective SOFR Rate will not adequately and fairly reflect the cost to such Banks (or Bank) of making or maintaining their Loans (or its Loan);

then the Administrative Agent shall give notice thereof to the Borrower and the Banks by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Borrower and the Banks that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new notice of Election, Conversion or Continuation in accordance with the terms of Section 2.14 or a new borrowing request in accordance with the terms of Section 2.05, (1) any notice of Election, Conversion or Continuation that requests the conversion of any Loan to, or continuation of any Loan as, a Term Benchmark Loan and any borrowing request that requests a Term Benchmark Loan shall instead be deemed to be a notice of Election, Conversion or Continuation or a borrowing request, as applicable, for (x) an RFR Loan so long as the Adjusted Daily Effective SOFR Rate is not also the subject of Section 3.02(a)(i) or (ii) above or (y) a Base Rate Loan if the Adjusted Daily Effective SOFR Rate also is the subject of Section 3.02(a)(i) or (ii) above and (2) any borrowing request that requests an RFR Loan shall instead be deemed to be a borrowing request, as applicable, for a Base Rate Loan; provided that if the circumstances giving rise to such notice affect only one Type of Loan, then all other Types of Loans shall be permitted. Furthermore, if any Term Benchmark Loan or RFR Loan is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 3.02(a) with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until (x) the Administrative Agent notifies the Borrower and the Banks that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new notice of Election, Conversion or Continuation in accordance with the terms of Section 2.14 or a new borrowing request in accordance with the terms of Section 2.05, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan (or the next succeeding Banking Day if such day is not a Banking Day), be converted by the Administrative Agent to, and shall constitute, (x) an RFR Loan so long as the Adjusted Daily Effective SOFR Rate is not also the subject of Section 3.02(a)(i) or (ii) above or (y) a Base Rate Loan if the Adjusted Daily Effective SOFR Rate also is the subject of Section 3.02(a)(i) or (ii) above, on such day, and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute a Base Rate Loan.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Banking Day after the date notice of such Benchmark Replacement is provided to the Banks without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Banks comprising the Required Banks.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming

Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Administrative Agent will promptly notify the Borrower and the Banks of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Bank (or group of Banks) pursuant to this Section 3.02, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.02.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (1) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (2) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (1) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (2) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for (i) a Term Benchmark Loan conversion to or continuation of Term Benchmark Loans to be made, converted or continued or (ii) an RFR Loan or conversion to RFR Loans during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any request for a (1) Term Benchmark Loan into a request for a borrowing of or conversion to (A) an RFR Loan so long as the Adjusted Daily Effective SOFR Rate is not the subject of a Benchmark Transition Event or (B) a Base Rate Loan if the Adjusted Daily Effective SOFR Rate is the subject of a Benchmark Transition Event or (2) an RFR Loan into a request for a Base Rate Loan. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate. Furthermore, if any Term Benchmark Loan or RFR Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with

respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 3.02, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan (or the next succeeding Banking Day if such day is not a Banking Day), be converted by the Administrative Agent to, and shall constitute, (x) an RFR Loan so long as the Adjusted Daily Effective SOFR Rate is not the subject of a Benchmark Transition Event or (y) a Base Rate Loan if the Adjusted Daily Effective SOFR Rate is the subject of a Benchmark Transition Event, and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute a Base Rate Loan.

SECTION 3.03. Illegality. Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Bank or its Applicable Lending Office to honor its obligation to make or maintain a Term Benchmark Loan or a RFR Loan hereunder, to allow Elections or Continuations of a Term Benchmark Loan or a RFR Loan or to Convert a Base Rate Loan into a Term Benchmark Loan or a RFR Loan, or to Convert a RFR Loan into a Term Benchmark Loan, then such Bank shall promptly notify Administrative Agent and Borrower thereof and such Bank's obligation to make or maintain a Term Benchmark Loan or a RFR Loan, or to permit Elections of, to Continue, or to Convert its Base Rate Loan into, a Term Benchmark Loan or a RFR Loan shall be suspended (in which case the provisions of Section 3.04 shall be applicable) until such time as such Bank may again make and maintain a Term Benchmark Loan or a RFR Loan.

SECTION 3.04. Treatment of Affected Loans. If the obligations of any Bank to make or maintain a Term Benchmark Loan or a RFR Loan, or to permit an Election of a Term Benchmark Loan or a RFR Loan, to Continue its Term Benchmark Loan, or to Convert its Base Rate Loan into a Term Benchmark Loan or a RFR Loan, are suspended pursuant to Section 3.01 or 3.03 (each Term Benchmark Loan or RFR Loan so affected being herein called an "Affected Loan"), such Bank's Affected Loan shall be automatically Converted into a Base Rate on the last day of the then current Interest Period for the Affected Loan (or, in the case of a Conversion or conversion resulting from Section 3.03 or a Conversion of a RFR Loan, on such earlier date as such Bank may specify to Borrower).

To the extent that such Bank's Affected Loan has been so Converted, all payments and prepayments of principal which would otherwise be applied to such Bank's Affected Loan shall be applied instead to its Base Rate Loan and such Bank shall have no obligation to Convert its Base Rate Loan into a Term Benchmark Loan or a RFR Loan.

SECTION 3.05. Certain Compensation. Other than in connection with a Conversion of an Affected Loan, Borrower shall pay to Administrative Agent for the account of the applicable Bank, upon the request of such Bank through Administrative Agent which request includes a calculation of the amount(s) due, such amount or amounts as shall be sufficient (in the reasonable opinion of such Bank) to compensate it for any loss, cost or expense which such Bank reasonably determines is attributable to:

(1) any payment or prepayment of a Term Benchmark Loan made by such Bank, or any Conversion of a Term Benchmark Loan made by such Bank, in any such case on a date other than the last day of an applicable Interest Period, whether by reason of acceleration or otherwise;

(2) any failure by Borrower for any reason to Convert a Term Benchmark Loan, a RFR Loan or a Base Rate Loan or to Continue a Term Benchmark Loan, as the case may be, to be Converted or Continued by such Bank on the date specified therefor in the relevant notice under Section 2.14;

(3) any failure by Borrower to borrow a Term Benchmark Loan which would otherwise be made hereunder on the date specified in the relevant Election notice under Section 2.14 given or submitted by Borrower; or

(4) any failure by Borrower to prepay a Term Benchmark Loan on the date specified in a notice of prepayment.

A certificate of any Bank as to the determination of the amounts payable pursuant to this Section shall be conclusive absent manifest error.

The obligations of Borrower under this Section shall survive the repayment of all amounts due under or in connection with any of the Loan Documents and the termination of the Loan Commitments in respect of the period prior to such termination.

SECTION 3.06. Capital Adequacy. If any Bank or Fronting Bank shall have determined that, after the date hereof, due to any Regulatory Change or the adoption of, or any change in, any applicable law, rule or regulation regarding capital adequacy or liquidity requirements, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy or liquidity requirements (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Bank or Fronting Bank (or its Parent) as a consequence of such Bank's or Fronting Bank's obligations hereunder to a level below that which such Bank or Fronting Bank (or its Parent) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy and liquidity) by an amount deemed by such Bank or Fronting Bank to be material, then from time to time, within thirty (30) days after demand by such Bank or Fronting Bank (with a copy to Administrative Agent), Borrower shall pay to such Bank or Fronting Bank such additional amount or amounts as will compensate such Bank or Fronting Bank (or its Parent) for such reduction. Each Bank and Fronting Bank shall allocate such cost increases and reductions among its customers in its discretion reasonably exercised in good faith; provided that in no event shall any Bank or Fronting Bank be obligated to disclose any information relating to its costs that it deems confidential. A certificate of any Bank or Fronting Bank claiming compensation under this Section, setting forth in reasonable detail the basis therefor, shall be conclusive absent manifest error. The obligations of Borrower under this Section shall survive the repayment of all amounts due under or in connection with any of the Loan Documents and the termination of the Loan Commitments in respect of the period prior to such termination.

SECTION 3.07. Substitution of Banks. If any Bank (an “Affected Bank”) (i) makes demand upon Borrower for (or if Borrower is otherwise required to pay) Additional Costs pursuant to Section 3.01, (ii) is unable to make or maintain a Term Benchmark Loan or RFR Loan as a result of a condition described in Section 3.03 or clause (2) of Section 3.02, (iii) has any increased costs as described in Section 3.06, (iv) requires the Borrower to pay any Indemnified Taxes or other amounts to such Bank or any Governmental Authority pursuant to Section 10.13, or (v) becomes a Defaulting Lender, Borrower may, within ninety (90) days of receipt of such demand or notice of the occurrence of an event described above in this Section 3.07 (provided (A) such 90-day limit shall not be applicable for a Defaulting Lender and (B) such 90-day period shall be extended for an additional period of 60 days if Borrower shall have attempted during such 90-day period to secure a Replacement Bank (as defined below) and shall be diligently pursuing such attempt), give written notice (a “Replacement Notice”) to Administrative Agent and to each Bank of Borrower’s intention either (x) to prepay in full the Affected Bank’s Loans and to terminate the Affected Bank’s entire Loan Commitment or (y) to replace the Affected Bank with another financial institution (the “Replacement Bank”) designated in such Replacement Notice. After its replacement, an Affected Bank shall remain entitled to the benefits of Sections 3.01, 3.06, 10.13 and 12.04 in respect of the period prior to its replacement.

In the event Borrower opts to give the Replacement Notice described in clause (x) above, and if the Affected Bank shall not agree within thirty (30) days of its receipt thereof to waive the payment of the Additional Costs, Indemnified Taxes or other amounts in question or the effect of the circumstances described in Section 3.03, in clause (2) of Section 3.02 or in Section 3.06 or the Affected Bank shall continue to be a Defaulting Lender, then, so long as no Event of Default shall exist, Borrower may (notwithstanding the provisions of clause (2) of Section 2.16(a)) terminate the Affected Bank’s entire Loan Commitment, provided that in connection therewith it pays to the Affected Bank all outstanding principal and accrued and unpaid interest under the Affected Bank’s Loans, together with all other amounts, if any, due from Borrower to the Affected Bank, including all amounts properly demanded and unreimbursed under Sections 3.01, 3.05 or 10.13. After any termination as provided in this paragraph, an Affected Bank shall remain entitled to the benefits of Sections 3.01, 3.06, 10.13 and 12.04 in respect of the period prior to such termination.

In the event Borrower opts to give the Replacement Notice described in clause (y) above, and if Administrative Agent shall promptly (and in any event, within thirty (30) days of its receipt of the Replacement Notice), notify Borrower and each Bank in writing that the Replacement Bank is reasonably satisfactory to Administrative Agent, then the Affected Bank shall, so long as no Event of Default shall exist, assign its Loans and all of its rights and obligations under this Agreement to the Replacement Bank, and the Replacement Bank shall assume all of the Affected Bank’s rights and obligations, pursuant to an agreement, substantially in the form of an Assignment and Assumption Agreement, executed by the Affected Bank and the Replacement Bank. In connection with such assignment and assumption, the Replacement Bank shall pay to the Affected Bank an amount equal to the outstanding principal amount of the Affected Bank’s Loans plus all interest accrued thereon, plus all other amounts, if any (other than the Additional Costs in question), then due and payable to the Affected Bank; provided, however, that prior to or simultaneously with any such assignment and assumption, Borrower shall have paid to such Affected Bank all amounts properly demanded and unreimbursed under Sections 3.01, 3.05 and 10.13. Upon the effective date of such assignment and assumption, the

Replacement Bank shall become a Bank Party to this Agreement and shall have all the rights and obligations of a Bank as set forth in such Assignment and Assumption Agreement, and the Affected Bank shall be released from its obligations hereunder, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this Section, a substitute Ratable Loan Note shall be issued to the Replacement Bank by Borrower, in exchange for the return of the Affected Bank's Ratable Loan Note. The obligations evidenced by such substitute note shall constitute "Obligations" for all purposes of this Agreement and the other Loan Documents. If the Replacement Bank is not incorporated under the laws of the United States of America or a state thereof, it shall, prior to the first date on which interest or fees are payable hereunder for its account, deliver to Borrower and Administrative Agent a certification as to exemption from, or reduction of, deduction or withholding of any United States federal income taxes in accordance with Section 10.13. Each Replacement Bank shall be deemed to have made the representations contained in, and shall be bound by the provisions of, Section 10.13. After any assignment as provided in this paragraph, an Affected Bank shall remain entitled to the benefits of Sections 3.01, 3.06, 10.13 and 12.04 in respect of the period prior to such assignment.

Borrower, Administrative Agent and the Banks shall execute such modifications to the Loan Documents as shall be reasonably required in connection with and to effectuate the foregoing.

SECTION 3.08. Obligation of Banks to Mitigate. Each Bank agrees that, as promptly as practicable after such Bank has actual knowledge of the occurrence of an event or the existence of a condition that would cause such Bank to become an Affected Bank or that would entitle such Bank to receive payments under Sections 3.01, 3.02, 3.03, 3.06 or 10.13, it will, to the extent not inconsistent with any applicable legal or regulatory restrictions, use reasonable efforts at the cost and expense of the Borrower (i) to make, issue, fund, or maintain the Loan Commitment of such Bank or the affected Loans of such Bank through another lending office of such Bank, or (ii) to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if as a result thereof the circumstances that would cause such Bank to be an Affected Bank would cease to exist or the additional amounts that would otherwise be required to be paid to such Bank pursuant to Sections 3.01, 3.02, 3.03, 3.06 or 10.13 would be reduced and if, as reasonably determined by such Bank in its sole discretion, the making, issuing, funding, or maintaining of such Loan Commitment or Loans through such other lending office or in accordance with such other measures, as the case may be, would not otherwise adversely affect such Loan Commitment or Loans or would not be otherwise disadvantageous to the interests of such Bank.

Each of its Consolidated Businesses is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization and has all requisite authority to conduct its business in each jurisdiction in which it owns property or conducts business, except where the failure to be so qualified or to obtain such authority would not constitute a Material Adverse Change. General Partner is a REIT duly organized and existing under the laws of the State of Maryland, with its principal executive

office in the State of New York, is duly qualified as a foreign corporation or trust and properly licensed and in good standing in each jurisdiction where the failure to qualify or be licensed would constitute a Material Adverse Change. SECTION 5.02. Corporate/Partnership Powers. The execution, delivery and performance of this Agreement and the other Loan Documents required to be delivered by Borrower hereunder are within its partnership authority, have been duly authorized by all requisite action, and are not in conflict with the terms of any organizational documents of such entity, or any instrument or agreement to which Borrower or General Partner is a party or by which Borrower, General Partner or any of their respective assets may be bound or affected (which conflict with any such instrument or agreement would likely cause a Material Adverse Change).

SECTION 5.03. Power of Officers. The officers of General Partner executing the Loan Documents required to be delivered by it on behalf of Borrower hereunder have been duly elected or appointed and were fully authorized to execute the same at the time each such Loan Document was executed.

The execution and delivery of, and the performance of the obligations required to be performed by Borrower under, the Loan Documents do not and will not (a) violate any provision of, or, except for those which have been made or obtained, require any filing (other than SEC disclosure filings), registration, consent or approval under, any Law (including, without limitation, Regulation U), order, writ, judgment, injunction, decree, determination or award presently in effect having applicability to it, except for such violations, or filings, registrations, consents and approvals which if not done or obtained would not likely cause a Material Adverse Change to occur, (b) result in a breach of or constitute a default under or require any consent under any indenture or loan or credit agreement or any other agreement, lease or instrument to which it may be a party or by which it or its properties may be bound or affected except for consents which have been obtained or which if not obtained are not likely to cause a Material Adverse Change to occur, (c) result in, or require, the creation or imposition of any Lien, upon or with respect to any of its properties now owned or hereafter acquired which would likely cause a Material Adverse Change to occur, or (d) cause it to be in default under any such Law, order, writ, judgment, injunction, decree, determination or award or any such indenture, agreement, lease or instrument which would likely cause a Material Adverse Change to occur; to the best of its knowledge, Borrower is in compliance with all Laws applicable to it and its properties where the failure to be in compliance would cause a Material Adverse Change to occur.

SECTION 5.05. Legally Enforceable Agreements. Each Loan Document is a legal, valid and binding obligation of Borrower, enforceable in accordance with its terms, except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency and other similar laws affecting creditors' rights generally, as well as general principles of equity and an implied covenant of good faith and fair dealing.

SECTION 5.06. Litigation. Except as disclosed in General Partner's SEC Reports existing as of the date hereof, there are no investigations, actions, suits or proceedings pending or, to its knowledge, threatened against Borrower, General Partner or any of their Affiliates before any court or arbitrator or any Governmental Authority reasonably likely to (i) have a material effect on Borrower's ability to repay the Loans, (ii) result in a Material Adverse Change, or (iii) affect the validity or enforceability of any Loan Document.

SECTION 5.07. Good Title to Properties. Borrower and each of its Material Affiliates have good, marketable and legal title to all of the properties and assets each of them purports to own (including, without limitation, those reflected in the financial statements referred to in Sections 4.01(3) and 5.15 and only with exceptions which do not materially detract from the value of such property or assets or the use thereof in Borrower's and such Affiliate's businesses, and except to the extent that any such properties and assets have been encumbered or disposed of since the date of such financial statements without violating any of the covenants contained in Article VII or elsewhere in this Agreement) except where failure to comply with the foregoing would not likely result in a Material Adverse Change. Borrower and its Material Affiliates enjoy peaceful and undisturbed possession of all leased property under leases which are valid and subsisting and are in full force and effect, except to the extent that the failure to be so would not likely result in a Material Adverse Change.

SECTION 5.08. Taxes. Borrower has filed all tax returns (federal, state and local) required to be filed and has paid all taxes, assessments and governmental charges and levies due and payable without the imposition of a penalty, including interest and penalties, except to the extent they are the subject of a Good Faith Contest or where the failure to comply with the foregoing would not likely result in a Material Adverse Change.

SECTION 5.09. ERISA. To the knowledge of Borrower, each Plan is in compliance in all material respects with its terms and all applicable provisions of ERISA. acceleration, demand or otherwise) after the expiration of any applicable grace period, or (b) to perform or observe any material term, covenant, or condition under any agreement or instrument relating to any such Debt, when required to be performed or observed, if the effect of such failure to perform or observe is to accelerate, or to permit the acceleration of, after the giving of notice or the lapse of time, or both (other than in cases where, in the judgment of the Required Banks, meaningful discussions likely to result in (i) a waiver or cure of the failure to perform or observe, or (ii) otherwise averting such acceleration are in progress between Borrower and the obligee of such Debt; it being understood with respect to the foregoing clauses (i) and (ii) that a waiver or cure of the failure to perform or observe under any other credit facility (or any amendment related thereto) that has been acknowledged or agreed by the obligee of such Debt shall not result in an Event of Default being outstanding pursuant to this Agreement), the maturity of such Debt, or any such Debt shall be declared to be due and payable, or required to be prepaid (other than by a regularly scheduled or otherwise required prepayment, repurchase or defeasance), prior to the stated maturity thereof;

(5) If either Borrower or General Partner shall (a) generally not, or be unable to, or shall admit in writing its inability to, pay its debts as such debts become due; (b) make an assignment for the benefit of creditors, petition or apply to any tribunal for the appointment of a custodian, receiver or trustee for it or a substantial part of its assets; (c) commence any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction, whether now or hereafter in effect; (d) have had any such petition or application filed or any such proceeding shall have been commenced, against it, in which an adjudication or appointment is made or order for relief is entered, or which petition, application or proceeding remains undismissed or unstayed for a period of sixty (60) days or more; (e) be the subject of any proceeding under which all or a substantial part of its assets may be subject to seizure, forfeiture or divestiture by any governmental entity; (f) by any act or omission indicate its consent to, approval of or acquiescence in any such petition, application or proceeding or order for relief or the appointment of a custodian, receiver or trustee for all or any substantial part of its property; or (g) suffer any such custodianship, receivership or trusteeship for all or any substantial part of its property, to continue undischarged for a period of sixty (60) days or more;

(6) If one or more judgments, decrees or orders for the payment of money in excess of Fifty Million Dollars (\$50,000,000) in the aggregate shall be rendered against Borrower or General Partner, and any such judgments, decrees or orders shall continue unsatisfied and in effect for a period of thirty (30) consecutive days without being vacated, discharged, satisfied or stayed or bonded pending appeal;

(7) If any of the following events shall occur or exist with respect to any Plan: (a) any Prohibited Transaction; (b) any Reportable Event; (c) the filing under Section 4041 of ERISA of a notice of intent to terminate any Plan or the termination of any Plan; (d) receipt of notice of an application by the PBGC to institute proceedings under Section 4042 of ERISA for the termination of, or for the appointment of a trustee to administer, any Plan, or the institution by the PBGC of any such proceedings; (e) a condition exists which gives rise to imposition of a lien under Section 412(n) or (f) of the Code on Borrower, General Partner or any ERISA Affiliate, and in each case above, if either (1)

such event or conditions, if any, result in Borrower, General Partner or any ERISA Affiliate being subject to any tax, penalty or other liability to a Plan, the PBGC or otherwise (or any combination thereof), which in the aggregate exceeds or is reasonably likely to exceed Twenty Million Dollars (\$20,000,000), and the same continues unremedied or unpaid for a period of forty-five (45) consecutive days after the date upon which such amount became due and payable or (2) such event or conditions, if any, is reasonably likely to result in Borrower, General Partner or any ERISA Affiliate being subject to any tax, penalty or other liability to a Plan, the PBGC or otherwise (or any combination thereof), which in the aggregate exceeds or may exceed Twenty Million Dollars (\$20,000,000) and such event or condition is unremedied, or such tax, penalty or other liability is not reserved against or the payment thereof otherwise secured to the reasonable satisfaction of the Administrative Agent, for a period of forty-five (45) consecutive days after the later of (x) the date upon which such amount became due and payable and (y) notice from the Administrative Agent;

(8) If General Partner shall fail at any time to (i) maintain at least one class of its common shares which has trading privileges on the New York Stock Exchange or the American Stock Exchange or is the subject of price quotations in the over-the-counter market as reported by the National Association of Securities Dealers Automated Quotation System, or (ii) maintain its status as a self-directed and self-administered REIT, and in either case such failure shall remain unremedied for thirty (30) consecutive calendar days after notice thereof;

(9) If General Partner acquires any material assets other than additional interests in Borrower or as permitted by Borrower's partnership agreement and shall fail to dispose of any such material asset for thirty (30) consecutive calendar days after notice thereof;

Loans, all interest thereon, and all other Obligations payable under this Agreement shall automatically be and become forthwith due and payable and the obligation to provide cash collateral for Letters of Credit as provided in Section 2.17(i) shall automatically become effective, in each case, without presentment, demand, protest, or further notice of any kind, all of which are hereby expressly waived by Borrower.

ARTICLE X

ADMINISTRATIVE AGENT; RELATIONS AMONG BANKS

SECTION 10.01. Appointment, Powers and Immunities of Administrative Agent. Each Bank and each Fronting Bank hereby irrevocably appoints and authorizes Administrative Agent to act as its agent hereunder and under any other Loan Document with such powers as are specifically delegated to Administrative Agent by the terms of this Agreement and any other Loan Document, together with such other powers as are reasonably incidental thereto. Administrative Agent shall have no duties or responsibilities except those expressly set forth in this Agreement and any other Loan Document or required by law and its duties are entirely mechanical and administrative in nature. The motivations of the Administrative Agent are commercial in nature and not to invest in the general performance or operations of the Borrower. Administrative Agent shall not by reason of this Agreement be a fiduciary or trustee for any Bank except to the extent that Administrative Agent acts as an agent with respect to the receipt or payment of funds (nor shall Administrative Agent have any fiduciary duty to Borrower nor shall any Bank have any fiduciary duty to Borrower or to any other Bank) (and it is understood and agreed that the use of the term “agent” (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Bank agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and the transactions contemplated hereby. Administrative Agent shall not be responsible to the Banks for any recitals, statements, representations or warranties made by Borrower or any officer, partner or official of Borrower or any other Person contained in this Agreement or any other Loan Document, or in any certificate or other document or instrument referred to or provided for in, or received by any of them under, this Agreement or any other Loan Document, or for the value, legality, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or any other document or instrument referred to or provided for herein or therein (including, for the avoidance of doubt, in connection with the Administrative Agent’s reliance on any Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), for the perfection or priority of any Lien securing the Obligations or for any failure by Borrower to perform any of its obligations hereunder or thereunder. Administrative Agent may

employ agents and attorneys-in-fact and shall not be responsible, except as to money or securities received by it or its authorized agents, for the negligence or misconduct of any such agents or attorneys-in-fact except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such agent or attorney-in-fact. Neither Administrative Agent nor any of its directors, officers, employees or agents shall be liable or responsible for any action taken or omitted to be taken by it or them hereunder or under any other Loan Document or in connection herewith or therewith, except for its or their own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and non-appealable judgment. Borrower shall pay any fee agreed to by Borrower and Administrative Agent with respect to Administrative Agent's services hereunder.

SECTION 10.02. Reliance by Administrative Agent. Administrative Agent shall be entitled to rely upon any certification, notice or other communication (including any thereof by telephone, telefax or cable) believed by it to be genuine and correct and to have been signed or sent by or on behalf of the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by Administrative Agent. Administrative Agent may deem and treat each Bank as the holder of the Loan made by it for all purposes hereof and shall not be required to deal with any Person who has acquired a participation in any Loan or participation from a Bank. As to any matters not expressly provided for by this Agreement or any other Loan Document, Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or refrain from acting (and shall in all cases be fully protected in acting, or in refraining from acting) hereunder in accordance with instructions signed by the Required Banks (or such other number or percentage of Banks required hereunder), and such instructions and any action taken or failure to act pursuant thereto shall be binding on all of the Banks and any other holder of all or any portion of any Loan or participation; provided, however, that the Administrative Agent shall not be required to take any action that (i) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification and is exculpated in a manner satisfactory to it from the Banks with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Banks prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided.

The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default or Event of Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered

to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent.

Without limiting the foregoing, the Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 12.05, (ii) may rely on the Register to the extent set forth in Section 12.05(c), (iii) may consult with legal counsel (including counsel to the Borrower), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (iv) makes no warranty or representation to any Bank and shall not be responsible to any Bank for any statements, warranties or representations made by or on behalf of the Borrower in connection with this Agreement or any other Loan Document, (v) in determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Bank, may presume that such condition is satisfactory to such Bank unless the Administrative Agent shall have received notice to the contrary from such Bank sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit and (vi) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

SECTION 10.03. Defaults. Administrative Agent shall not be deemed to have knowledge of the occurrence of a Default or Event of Default (other than an Event of Default pursuant to Section 9.01(1)) unless Administrative Agent has received notice from a Bank or Borrower specifying such Default or Event of Default and stating that such notice is a "Notice of Default." In the event that Administrative Agent receives a Notice of Default, Administrative Agent shall give prompt notice thereof to the Banks. Administrative Agent, following consultation with the Banks, shall (subject to Section 10.07 and Section 12.02) take such action with respect to such Default or Event of Default which is continuing as shall be directed by the Required Banks; provided that, unless and until Administrative Agent shall have received such directions, Administrative Agent may take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interest of the Banks; and provided further that Administrative Agent shall not send a notice of Default, Event of Default or acceleration to Borrower without the approval of the Required Banks. In no event shall Administrative Agent be required to take any such action which it determines to be contrary to law.

SECTION 10.04. Rights of Agent as a Bank. With respect to its Loan Commitment and the Loan provided by it, each Person serving as an Agent in its capacity as a Bank hereunder shall have the same rights and powers hereunder as any other Bank and may exercise the same as though it were not acting as such Agent, and the term any "Bank" or "Banks" shall include each Person serving as an Agent in its capacity as a Bank. Each Person serving as an Agent and its Affiliates may (without having to account therefor to any Bank) accept deposits from, lend money to (on a secured or unsecured basis), and generally engage in any kind of banking, trust or

other business with, Borrower (and any Affiliates of Borrower) as if it were not acting as such Agent.

SECTION 10.05. Indemnification of Agents. Each Bank agrees to indemnify each Agent (to the extent not reimbursed under Section 12.04 or under the applicable provisions of any other Loan Document, but without limiting the obligations of Borrower under Section 12.04 or such provisions), for its Pro Rata Share of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind and nature whatsoever which may be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of this Agreement, any other Loan Document or any other documents contemplated by or referred to herein or the transactions contemplated hereby or thereby (including, without limitation, the costs and expenses which Borrower is obligated to pay under Section 12.04) or under the applicable provisions of any other Loan Document or the enforcement of any of the terms hereof or thereof or of any such other documents or instruments; provided that no Bank shall be liable for (1) any of the foregoing to the extent they arise from the gross negligence or willful misconduct of the party to be indemnified, (2) any loss of principal or interest with respect to the Loan of any Bank serving as an Agent or (3) any loss suffered by such Agent in connection with a swap or other interest rate hedging arrangement entered into with Borrower.

SECTION 10.06. Non-Reliance on Agents and Other Banks. Each Bank represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility, (ii) it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Bank, in each case in the ordinary course of business, and is making the loans hereunder as commercial loans in the ordinary course of its business and not for the purpose of purchasing, acquiring or holding any other type of financial instrument and (iii) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein. Each Bank agrees that it has, independently and without reliance on any Agent or any other Bank, and based on such documents and information as it has deemed appropriate, made its own credit analysis of Borrower and the decision to enter into this Agreement and that it will, independently and without reliance upon any Agent or any other Bank, and based on such documents and information as it shall deem appropriate at the time, continue to make its own analysis and decisions in taking or not taking action under this Agreement or any other Loan Document. Each Agent shall not be required to keep itself informed as to the performance or observance by Borrower of this Agreement or any other Loan Document or any other document referred to or provided for herein or therein or to inspect the properties or books of Borrower. Except for notices, reports and other documents and information expressly required to be furnished to the Banks by any Agent hereunder, each Agent shall not have any duty or responsibility to provide any Bank with any credit or other information concerning the affairs, financial condition or business of Borrower (or any Affiliate of Borrower) which may come into the possession of such Agent or any of its Affiliates. Each Agent shall not be required to file this Agreement, any other Loan Document or any document or instrument referred to herein or therein for record, or give notice of this Agreement, any other Loan Document or any document or instrument referred to herein or therein, to anyone. Each Bank, by delivering its signature page to this Agreement on the Closing Date, or delivering its signature page to an Assignment and Assumption Agreement or any other Loan Document pursuant to which it shall become a Bank hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document

and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Banks on the Closing Date.

Each Bank and each Fronting Bank also acknowledges and agrees that none of the Administrative Agent, any Joint Lead Arranger, any Co-Syndication Agent, any Documentation Agent, or any Sustainability Structuring Agent acting in such capacities have made any assurances as to (i) whether the credit facility evidenced by this Agreement meet such Bank's or Fronting Bank's criteria or expectations with regard to environmental impact and sustainability performance, (ii) whether any characteristics of the credit facility evidenced by this Agreement, including the characteristics of the relevant key performance indicators to which the Borrower will link a potential margin and/or facility fee adjustment, including their environmental and sustainability criteria, meet any industry standards or market expectations for sustainability-linked credit facilities or (iii) whether the relevant KPI or targets with respect thereto will be attainable or able to be maintained by the Borrower, and (b) each Bank and Fronting Bank has performed its own independent investigation and analysis of the credit facility evidenced by this Agreement and whether such credit facility meet its own criteria or expectations with regard to environmental impact and/or sustainability performance.

SECTION 10.07. Failure of Administrative Agent to Act. Except for action expressly required of Administrative Agent hereunder, Administrative Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall have received further assurances (which may include cash collateral) of the indemnification obligations of the Banks under Section 10.05 in respect of any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

SECTION 10.08. Resignation or Removal of Administrative Agent. Administrative Agent shall have the right to resign at any time. Administrative Agent may be removed at any time with cause by the Required Banks as a result of its gross negligence or willful misconduct as determined by a court of competent jurisdiction by a final and non-appealable judgment, provided that Borrower and the other Banks shall be promptly notified in writing thereof. Upon any such removal or resignation, the Required Banks shall have the right to appoint a successor Administrative Agent which successor Administrative Agent, so long as it is reasonably acceptable both to the Required Banks and, provided that no Default or Event of Default shall then exist, the Borrower, shall be that Bank then having the greatest Loan Commitment (other than the Bank resigning or being removed as Administrative Agent). If such Bank then having the greatest Loan Commitment (other than the Bank resigning or being removed as Administrative Agent) shall not have accepted such appointment within thirty (30) days after the Required Banks' removal or resignation of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Banks, appoint a successor Administrative Agent, which shall be the Bank with the then greatest Loan Commitment willing to serve as such (other than the Bank resigning or being removed as Administrative Agent). The Required Banks or the retiring Administrative Agent, as the case may be, shall upon the appointment of a successor Administrative Agent promptly so notify in writing Borrower and the other Banks. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. After any retiring Administrative Agent's resignation or removal hereunder as Administrative Agent, the

provisions of this Article X and Section 12.04 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Administrative Agent.

SECTION 10.09. Amendments Concerning Agency Function. Notwithstanding anything to the contrary contained in this Agreement, no Agent shall be bound by any waiver, amendment, supplement or modification of this Agreement or any other Loan Document which affects its duties, rights, and/or function hereunder or thereunder unless it shall have given its prior written consent thereto.

SECTION 10.10. Liability of Administrative Agent. Administrative Agent shall not have any liabilities or responsibilities to Borrower on account of the failure of any Bank to perform its obligations hereunder or to any Bank on account of the failure of Borrower to perform its obligations hereunder or under any other Loan Document.

SECTION 10.11. Transfer of Agency Function. Without the consent of Borrower or any Bank, Administrative Agent may at any time or from time to time transfer its functions as Administrative Agent hereunder to any of its offices wherever located in the United States, provided that Administrative Agent shall promptly notify in writing Borrower and the Banks thereof.

SECTION 10.12. Non-Receipt of Funds by Administrative Agent; Erroneous Payments. (a) Unless Administrative Agent shall have received notice from a Bank or Borrower (either one as appropriate being the “Payor”) prior to the date on which such Bank is to make payment hereunder to Administrative Agent of the proceeds of a Loan or Borrower is to make payment to Administrative Agent, as the case may be (either such payment being a “Required Payment”), which notice shall be effective upon receipt, that the Payor will not make the Required Payment in full to Administrative Agent, Administrative Agent may assume that the Required Payment has been made in full to Administrative Agent on such date, and Administrative Agent in its sole discretion may, but shall not be obligated to, in reliance upon such assumption, make the amount thereof available to the intended recipient on such date. If and to the extent the Payor shall not have in fact so made the Required Payment in full to Administrative Agent, the recipient of such payment shall repay to Administrative Agent forthwith on demand such amount made available to it together with interest thereon, for each day from the date such amount was so made available by Administrative Agent until the date Administrative Agent recovers such amount, at the customary rate set by Administrative Agent for the correction of errors among Banks for three (3) Banking Days and thereafter at the Base Rate.

(b) (i) Each Bank hereby agrees that (x) if the Administrative Agent notifies such Bank that the Administrative Agent has determined in its sole discretion that any funds received by such Bank from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a “Payment”) were erroneously transmitted to such Bank (whether or not known to such Bank), and demands the return of such Payment (or a portion thereof), such Bank shall promptly, but in no event later than one Banking Day thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment

(or portion thereof) was received by such Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Bank shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on “discharge for value” or any similar doctrine. A notice of the Administrative Agent to any Bank under this Section 10.12(b) shall be conclusive, absent manifest error.

(ii) Each Bank hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a “Payment Notice”) or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Bank agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Bank shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Banking Day thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) The Borrower hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Bank that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Bank with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower, except, in each case, to the extent such erroneous Payment is, and solely with respect to the amount of such erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower for the purpose of making such erroneous Payment.

(iv) Each party’s obligations under this Section 10.12(b) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Bank, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 10.13. (a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the

applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 10.13) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 10.13, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Borrower. The Borrower shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Recipient (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Recipient, shall be conclusive absent manifest error.

(e) Indemnification by the Banks. Each Bank shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Bank (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Bank's failure to comply with the provisions of Section 12.05(b) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Bank, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Bank by the Administrative Agent shall be conclusive absent manifest error. Each Bank hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Bank under any Loan Document or otherwise payable by the Administrative Agent to such Bank from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Banks. (i) Any Bank that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the

Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Bank, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Bank is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 10.13(f)(ii)(A),(B) and (D) below) shall not be required if in the applicable Bank's reasonable judgment such completion, execution or submission would subject such Bank to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Bank.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Bank that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Bank becomes a Bank under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), an executed copy of IRS Form W-9 certifying that such Bank is exempt from U.S. Federal backup withholding tax;

(B) any Foreign Bank shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Bank becomes a Bank under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Bank claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed copy of IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) in the case of a Foreign Bank claiming that its extension of credit will generate U.S. effectively connected income, an executed copy of IRS Form W-8ECI;

(3) in the case of a Foreign Bank claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a

certificate substantially in the form of EXHIBIT H-1 to the effect that such Foreign Bank is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” within the meaning of Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) an executed copy of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Foreign Bank is not the beneficial owner, an executed copy of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of EXHIBIT H-2 or EXHIBIT H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Bank is a partnership and one or more direct or indirect partners of such Foreign Bank are claiming the portfolio interest exemption, such Foreign Bank may provide a U.S. Tax Compliance Certificate substantially in the form of EXHIBIT H-4 on behalf of each such direct and indirect partner;

(C) any Foreign Bank shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Bank becomes a Bank under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Bank under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Bank were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Bank shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Bank has complied with such Bank's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Bank agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 10.13 (including by the payment of additional amounts pursuant to this Section 10.13), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 10.13 with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will any indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place such indemnified party in a less favorable net after-Tax position than such indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to, or to apply for or seek a refund of any Taxes on behalf of, any indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 10.13 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Bank, the termination of the Loan Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) Defined Terms. For purposes of this Section 10.13, the term "**Bank**" includes any Fronting Bank and the term "**applicable law**" includes FATCA.

SECTION 10.14. Pro Rata Treatment. Except to the extent otherwise provided, (1) each advance of proceeds of the Ratable Loans shall be made by the Banks, (2) each reduction of the amount of the Total Loan Commitment under Section 2.16 shall be applied to the Loan Commitments of the Banks and (3) each payment of the Facility Fee accruing under Section 2.08 shall be made for the account of the Banks, ratably according to the amounts of their respective Loan Commitments.

SECTION 10.15. Sharing of Payments Among Banks. If a Bank shall obtain payment of any principal of or interest on any Loan made by it through the exercise of any right of setoff, banker's lien or counterclaim, or by any other means (including direct payment), and such payment results in such Bank receiving a greater payment than it would have been entitled to had such payment been paid directly to Administrative Agent for disbursement to the Banks, then such Bank shall promptly purchase for cash from the other Banks participations in the Loans made by the other Banks in such amounts, and make such other adjustments from time to time as shall be equitable to the end that all the Banks shall share ratably the benefit of such payment; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase

price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Bank as consideration for the assignment of or sale of a participation in any of its Loans or participations in Letters of Credit to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). To such end the Banks shall make appropriate adjustments among themselves (by the resale of participations sold or otherwise) if such payment is rescinded or must otherwise be restored. Borrower agrees that any Bank so purchasing a participation in the Loans made by other Banks may exercise all rights of setoff, banker's lien, counterclaim or similar rights with respect to such participation. Nothing contained herein shall require any Bank to exercise any such right or shall affect the right of any Bank to exercise, and retain the benefits of exercising, any such right with respect to any other indebtedness of Borrower.

SECTION 10.16. Possession of Documents. Each Bank shall keep possession of its own Ratable Loan Note. Administrative Agent shall hold all the other Loan Documents and related documents in its possession and maintain separate records and accounts with respect thereto, and shall permit the Banks and their representatives access at all reasonable times to inspect such Loan Documents, related documents, records and accounts.

SECTION 10.17. Syndication Agents, Documentation Agents, Etc.. The Banks and financial institutions serving as Syndication Agents, Documentation Agents, Sustainability Structuring Agent or Joint Lead Arrangers shall have no duties or obligations in such capacities and shall incur no liability hereunder in such capacities, but shall have the benefit of the indemnities provided for hereunder. In addition, in acting as an Agent, no Bank will have any responsibility except as set forth herein and shall in no event be subject to any fiduciary or other implied duties.

SECTION 10.18. Certain ERISA Matters.

(a) Each Bank (x) represents and warrants, as of the date such Person became a Bank party hereto, to, and (y) covenants, from the date such Person became a Bank party hereto to the date such Person ceases being a Bank party hereto, for the benefit of the Administrative Agent and each Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the General Partner or the Borrower, that at least one of the following is and will be true:

(i) such Bank is not using "plan assets" (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans in connection with the Loans, the Letters of Credit, the Loan Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers),

is applicable with respect to such Bank's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Loan Commitments and this Agreement,

(iii) (A) such Bank is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Bank to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Loan Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Loan Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Bank, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Bank's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Loan Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Bank.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Bank or (2) such Bank has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Bank further (x) represents and warrants, as of the date such Person became a Bank party hereto, to, and (y) covenants, from the date such Person became a Bank party hereto to the date such Person ceases being a Bank party hereto, for the benefit of the Administrative Agent and each Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the General Partner or the Borrower, that none of the Administrative Agent or any Lead Arranger or any of their respective Affiliates is a fiduciary with respect to the assets of such Bank (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

(c) The Administrative Agent and each Lead Arranger hereby informs the Banks that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Loan Commitments, this Agreement and any other Loan Documents (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Loan Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Loan Commitments by such Bank or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

SECTION 10.19. Sustainability Matters. Each party hereto hereby agrees that none of the Administrative Agent, any Joint Lead Arranger or the Sustainability Structuring Agent shall have (x) any duty to ascertain, inquire into or otherwise independently verify any sustainability related information or any other information or materials provided by the Borrower and used in connection with the sustainability provisions of the credit facility evidenced by this Agreement, including with respect to the applicable KPI nor (y) any responsibility for (or liability in respect of) the completeness or accuracy of such information. Each party hereto hereby agrees that none of Administrative Agent, the Sustainability Structuring Agent or any Joint Lead Arranger shall have any responsibility for (or liability in respect of) reviewing, auditing or otherwise evaluating any calculation by the Borrower of any Sustainability Rate Adjustment (or any of the data or computations that are part of or related to any such calculation) set forth in any Pricing Certificate or notice as to a Pricing Certificate Inaccuracy (and the Administrative Agent, the Joint Lead Arrangers and the Sustainability Structuring Agent may rely conclusively on any such certificate or notice, without further inquiry).

ARTICLE XI

NATURE OF OBLIGATIONS

SECTION 11.01. Absolute and Unconditional Obligations. Borrower acknowledges and agrees that its obligations and liabilities under this Agreement and under the other Loan Documents shall be absolute and unconditional irrespective of (1) any lack of validity or enforceability of any of the Obligations, any Loan Documents, or any agreement or instrument relating thereto; (2) any change in the time, manner or place of payment of, or in any other term in respect of, all or any of the Obligations, or any other amendment or waiver of or consent to any departure from any Loan Documents or any other documents or instruments executed in connection with or related to the Obligations; (3) any exchange or release of any collateral, if any, or of any other Person from all or any of the Obligations; or (4) any other circumstances which might otherwise constitute a defense available to, or a discharge of, Borrower or any other Person in respect of the Obligations.

The obligations and liabilities of Borrower under this Agreement and the other Loan Documents shall not be conditioned or contingent upon the pursuit by any Bank or any other Person at any time of any right or remedy against Borrower, General Partner or any other Person which may be or become liable in respect of all or any part of the Obligations or against any collateral or security or guarantee therefor or right of setoff with respect thereto.

SECTION 11.02. Non-Recourse to VRT Principals and the General Partner. This Agreement and the obligations hereunder and under the other Loan Documents are fully recourse to Borrower. Notwithstanding anything to the contrary contained in this Agreement, in any of the other Loan Documents, or in any other instruments, certificates, documents or agreements executed in connection with the Loans (all of the foregoing, for purposes of this Section, hereinafter referred to, individually and collectively, as the “Relevant Documents”), and notwithstanding any applicable law that would make the General Partner liable for the debts or obligations of the Borrower, including as a general partner, no recourse under or upon any Obligation, representation, warranty, promise or other matter whatsoever shall be had against any of the VRT Principals or the General Partner, and each Bank expressly waives and releases, on behalf of itself and its successors and assigns, all right to assert any liability whatsoever under or

with respect to the Relevant Documents against, or to satisfy any claim or obligation arising thereunder against, any of the VRT Principals or the General Partner or out of any assets of the VRT Principals or the General Partner, provided, however, that nothing in this Section shall be deemed to (1) release Borrower from any liability pursuant to, or from any of its obligations under, the Relevant Documents, or from liability for its fraudulent actions or fraudulent omissions; (2) release any VRT Principals or the General Partner from personal liability arising outside of the terms of this Agreement for its, his or her own fraudulent actions, fraudulent omissions, misappropriation of funds, rents or insurance proceeds, gross negligence or willful misconduct; (3) constitute a waiver of any obligation evidenced or secured by, or contained in, the Relevant Documents or affect in any way the validity or enforceability of the Relevant Documents; or (4) limit the right of Administrative Agent and/or the Banks to proceed against or realize upon any collateral hereafter given for the Loans and Letters of Credit or any and all of the assets of Borrower (notwithstanding the fact that the VRT Principals and the General Partner have an ownership interest in Borrower and, thereby, an interest in the assets of Borrower) or to name Borrower (or, to the extent that the same are required by applicable law or are determined by a court to be necessary parties in connection with an action or suit against Borrower or any collateral hereafter given for the Loans, the General Partner) as a party defendant in, and to enforce against any collateral hereafter given for the Loans and/or assets of Borrower any judgment obtained by Administrative Agent and/or the Banks with respect to, any action or suit under the Relevant Documents so long as no judgment shall be taken (except to the extent taking a judgment is required by applicable law or determined by a court to be necessary to preserve Administrative Agent's and/or Banks' rights against any collateral hereafter given for the Loans or Borrower, but not otherwise) or shall be enforced against any of the VRT Principals or the General Partner or their assets.

ARTICLE XII

MISCELLANEOUS

SECTION 12.01. Binding Effect of Request for Advance. Borrower agrees that, by its acceptance of any advance of proceeds of the Loans under this Agreement or the issuance of any Letter of Credit, it shall be bound in all respects by the request for advance or Letter of Credit submitted on its behalf in connection therewith with the same force and effect as if Borrower had itself executed and submitted the request for advance or Letter of Credit and whether or not the request for advance is executed and/or submitted by an authorized person.

SECTION 12.02. Amendments and Waivers. Subject to Section 1.08, Section 2.16(c) (with respect to the Incremental Commitments) and Sections 3.02(b), (c) and (d), no amendment, forbearance or material waiver of any provision of this Agreement or any other Loan Document nor consent to any material departure by Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by the Required Banks and, solely for purposes of its acknowledgment thereof, Administrative Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given, provided, however, that no amendment, waiver, consent or forbearance shall, unless in writing and signed by all the Banks (or in the case of (1), (2), (4) and (7) below, signed by all the Banks directly and adversely affected thereby) do any of the following: (1) forgive or reduce the principal of, or interest on, the Loans or any fees due hereunder or any other amount due hereunder or under any other Loan Document; (2) postpone or extend any date fixed for any

payment of principal of, or interest on, the Loans or any fees or other amounts due hereunder or under any other Loan Document, or postpone the scheduled date of expiration of any Loan Commitment; (3) change the definition of Required Banks, (4) change the definition of Pro Rata Share or change Section 9.03, 10.14 or 10.15 in a manner that would alter the pro rata sharing of payments required thereby; (5) amend this Section 12.02 or any other provision requiring the unanimous consent of the Banks; (6) waive any default in payment under paragraph (1) of Section 9.01 or any default under paragraph (5) of Section 9.01; (7) increase or decrease any Loan Commitment of any Bank (except changes in Loan Commitments pursuant to Section 2.16); (8) release any guaranty (other than a guaranty given pursuant to Section 12.21 or Section 12.22); (9) permit the expiration date of any Letter of Credit to be later than the first anniversary of the Maturity Date; or (10) permit the assignment or transfer by the Borrower of any of its rights or obligations hereunder or under any other Loan Document except in a transaction permitted (with or without the Required Banks' consent) pursuant to Section 7.01; and provided further, that an amendment, waiver or consent relating to the Letters of Credit (including any letter of credit application; provided that the provisions of this Agreement shall prevail if there is an inconsistency between this Agreement and such amendment, waiver or consent to a letter of credit application) shall only be binding if in writing and signed by the Fronting Banks affected thereby.

Notwithstanding the foregoing, if the Administrative Agent and the Borrower acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Loan Document, then the Administrative Agent and the Borrower shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement.

Any advance of proceeds of the Loans made prior to or without the fulfillment by Borrower of all of the conditions precedent thereto, whether or not known to Administrative Agent and the Banks, shall not constitute a waiver of the requirement that all conditions, including the non-performed conditions, shall be required with respect to all future advances. No failure on the part of Administrative Agent or any Bank to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof or preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 12.03. Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Bank may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as any Obligations hereunder are outstanding and unpaid.

SECTION 12.04. Expenses; Indemnification. Borrower agrees to reimburse Administrative Agent on demand for all reasonable out-of-pocket costs, expenses, and charges (including, without limitation, all reasonable fees and charges of engineers, appraisers and external legal counsel) incurred by Administrative Agent in connection with the Loans and the Loan Documents (including any amendments, modifications and waivers thereto), to reimburse each Fronting Bank for all reasonable out-of-pocket expenses incurred by it in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, and to reimburse each of the Banks for reasonable out-of-pocket legal costs, expenses and charges incurred by each of the Banks in connection with the performance or enforcement of this Agreement, the Notes, or any other Loan Documents, including during any workout or restructuring; provided, however, that Borrower is not responsible for costs, expenses and charges incurred by the Bank Parties in connection with the administration or syndication of the Loans (other than any administration fee payable to Administrative Agent). Borrower agrees to indemnify Administrative Agent, each Bank, the Sustainability Structuring Agent, Affiliates of the foregoing, and their respective directors, officers, employees, partners, agents and advisors (each, an “indemnified person”) from, and hold each of them harmless against, any and all losses, liabilities, claims, damages or expenses incurred by any of them arising out of or by reason of (w) the execution, delivery or performance of the Loan Documents or the use of the proceeds of the Loans or Letters of Credit, directly or indirectly, by Borrower, (x) any claims by brokers due to acts or omissions by Borrower, (y) any investigation or litigation or other proceedings (including any threatened investigation or litigation or other proceedings) relating to any actual or proposed use by Borrower of the proceeds of the Loans, including without limitation, the reasonable fees and disbursements of third-party counsel incurred in connection with any such investigation or litigation or other proceedings, or (z) third party claims or actions against any indemnified person relating to or arising from this Agreement and the other Loan Documents and the transactions contemplated pursuant to this Agreement and the other Loan Documents, in all cases whether or not such investigation or litigation or other proceeding is brought by the Borrower or its equity holders, Affiliates, creditors or any other third Person and regardless of whether any indemnified person is a party thereto; provided, however, that such indemnification shall exclude any such losses, liabilities, claims, damages or expenses incurred by reason of the gross negligence or willful misconduct of such indemnified person to be indemnified as determined by a final and non-appealable judgment of a court of competent jurisdiction. In third-party litigation, or the preparation therefor, the Borrower shall be entitled to select counsel reasonably acceptable to the Required Banks, and the Agent (as approved by the Required Banks) shall be entitled to select their own supervisory counsel, and, in addition to the foregoing indemnity, the Borrower agrees to pay promptly the reasonable fees and expenses of each such counsel.

The obligations of Borrower under this Section shall survive the repayment of all amounts due under or in connection with any of the Loan Documents and the termination of the Loan Commitments.

SECTION 12.05. Assignment; Participation.

(a) This Agreement shall be binding upon, and shall inure to the benefit of, Borrower, Administrative Agent, the Banks and their respective successors and permitted assigns. Except as provided in Section 7.01, the Borrower may not assign or transfer any of its rights or obligations hereunder or under any other Loan Document without the prior written consent of all the Banks

(and any attempted such assignment or transfer without such consent shall be null and void). Except as otherwise provided under Section 12.04, nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Fronting Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (b) of this Section) and, to the extent expressly contemplated hereby, the Affiliates and their respective directors, officers, employees, agents and advisors of each of the Administrative Agent, the Fronting Bank and the Banks) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Subject to Section 12.05(e), prior to the occurrence of an Event of Default, any Bank may at any time, grant to an existing Bank or one or more banks, finance companies, insurance companies or other entities, other than a natural person or the Borrower and its Affiliates or a Defaulting Lender (a "Participant"), in minimum amounts for a voting participation of not less than \$5,000,000 (or any lesser amount in the case of voting participations to an existing Bank or any lesser amount equal to such Bank's entire remaining amount of Loans and Loan Commitments) participating interests in its Loan Commitment or any or all of its Loans. After the occurrence and during the continuance of an Event of Default, any Bank may at any time grant to any Person, other than a natural person or the Borrower and its Affiliates, in any amount (also a "Participant"), participating interests in its Loan Commitment or any or all of its Loans. Any participation made during the continuation of an Event of Default shall not be affected by the subsequent cure of such Event of Default. In the event of any such grant by a Bank of a participating interest to a Participant, whether or not upon notice to Borrower and Administrative Agent, such Bank shall remain responsible for the performance of its obligations hereunder, and Borrower and Administrative Agent shall continue to deal solely and directly with such Bank in connection with such Bank's rights and obligations under this Agreement. Any agreement pursuant to which any Bank may grant such a participating interest shall provide that such Bank shall retain the sole right and responsibility to enforce the obligations of Borrower hereunder and under any other Loan Document, including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such participation agreement may provide that such Bank will not agree to any modification, amendment or waiver of this Agreement described in clause (1), (2), (3), (4), (5), (6) or (7) of Section 12.02 without the consent of the Participant (subject to the final proviso of the first sentence of Section 12.02). The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article III with respect to its participating interest. The Borrower agrees that each Participant shall be entitled to the benefits of Section 10.13 (subject to the requirements and limitations therein, including the requirements under Section 10.13(f) (it being understood that the documentation required under Section 10.13(f) shall be delivered to the participating Bank)) to the same extent as if it were a Bank and had acquired its interest by assignment pursuant to paragraph (c) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 3.07 and 3.08 as if it were an assignee under paragraph (c) of this Section; and (B) shall not be entitled to receive any greater payment under Section 10.13, with respect to any participation, than its participating Bank would have been entitled to receive. Each Bank that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 3.07 with respect to any Participant. To the extent permitted by law, each Participant

also shall be entitled to the benefits of Section 12.08 as though it were a Bank; provided that such Participant agrees to be subject to Section 10.15 as though it were a Bank. Each Bank that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Bank shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Loan Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Loan Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Bank shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent shall have no responsibility for maintaining a Participant Register.

(c) Subject to Section 12.05(e), any Bank may at any time assign to a Qualified Institution (in each case, an "Assignee") (i) prior to the occurrence of an Event of Default, in minimum amounts of not less than Five Million Dollars (\$5,000,000) and integral multiples of One Million Dollars (\$1,000,000) thereafter (or any lesser amount in the case of assignments to an existing Bank or an assignment by a Bank to a Bank Affiliate or any lesser amount equal to such Bank's entire remaining amount of Loans and Loan Commitments) and (ii) after the occurrence and during the continuance of an Event of Default, in any amount, all or a proportionate part of all, of its rights and obligations under this Agreement, the Notes and the other Loan Documents, and, in either case, such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption Agreement (including an agreement incorporating an Assignment and Assumption Agreement by reference to an Approved Electronic Platform) executed by such Assignee and such transferor Bank; provided, that such assignment shall be subject to the consent of the Administrative Agent and the Fronting Bank and if no Event of Default shall have occurred and be continuing, the consent of Borrower, which consents shall not be unreasonably withheld or delayed; and provided further that if an Assignee is a Bank Affiliate of such transferor Bank or was a Bank immediately prior to such assignment, no such consents shall be required unless in either case the Assignee is a Defaulting Lender or an Affiliate of a Defaulting Lender (in which case, such consent may be withheld in the sole discretion of the Administrative Agent or the Borrower). Upon execution and delivery of such instrument and an Administrative Questionnaire and payment by such Assignee to such transferor Bank of an amount equal to the purchase price agreed between such transferor Bank and such Assignee, such Assignee shall be a Bank party to this Agreement and shall have all the rights and obligations of a Bank with a Loan Commitment as set forth in such Assignment and Assumption Agreement, and no further consent or action by any party shall be required and the transferor Bank shall be released from its obligations hereunder to a corresponding extent. Upon the consummation of any assignment pursuant to this subsection (c), the transferor Bank, Administrative Agent and Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such assignment (other than an assignment by a Bank to a Bank Affiliate), the transferor Bank shall pay to Administrative Agent an administrative fee for processing such assignment in the amount of \$3,500. If the Assignee is

not incorporated under the laws of the United States of America or a state thereof, it shall, prior to the first date on which interest or fees are payable hereunder for its account, deliver to Borrower and Administrative Agent certification as to exemption from, or reduction of, deduction or withholding of any United States federal income taxes in accordance with Section 10.13. Any assignment made during the continuation of an Event of Default shall not be affected by any subsequent cure of such Event of Default. Any consent required hereunder shall be given or denied within ten (10) Banking Days after receipt by the applicable Person of request therefor; any failure to respond within such ten (10) Banking Day period shall be deemed a denial. The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption Agreement delivered to it and a register for the recordation of the names and addresses of the Banks, and the Loan Commitment of, and principal amount (and stated interest) of the Loans and Letter of Credit participations owing to, each Bank pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Fronting Bank and the Banks shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Bank hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Fronting Bank and any Bank, at any reasonable time and from time to time upon reasonable prior notice.

(d) Any Bank may at any time assign or pledge all or any portion of its rights under this Agreement and its Note to secure the obligations of such Bank, including to a Federal Reserve Bank or other central bank having jurisdiction over such Bank. No such assignment shall release the transferor Bank from its obligations hereunder.

(e) Except as provided in Section 12.05(d), so long as no Event of Default shall have occurred and be continuing, no Bank shall be permitted to enter into an assignment of, or sell a participation interest in, its Loans and Loan Commitment, which would result in such Bank holding Loans and a Loan Commitment, without Participants, of less than Ten Million Dollars (\$10,000,000), which minimum amount shall be reduced pro rata as a result of a decrease of the aggregate Loan Commitments pursuant to Section 2.16; provided, however, that no Bank shall be prohibited from assigning its entire Loans and Loan Commitment so long as such assignment is otherwise permitted hereby.

(f) Borrower recognizes that in connection with a Bank’s selling of Participations or making of assignments, any or all documentation, financial statements and other data, or copies thereof, relevant to Borrower or the Loans may be exhibited to and retained by any such Participant or assignee or prospective Participant or assignee in accordance with Section 12.23. In connection with a Bank’s delivery of any financial statements and appraisals to any such Participant or assignee or prospective Participant or assignee, such Bank shall also indicate that the same are delivered on a confidential basis. Borrower agrees to provide all assistance reasonably requested by a Bank to enable such Bank to sell Participations or make assignments of its Loan and Loan Commitment as permitted by this Section 12.05.

SECTION 12.06. Documentation Satisfactory. All documentation required from or to be submitted on behalf of Borrower in connection with this Agreement and the documents relating hereto shall be subject to the prior approval of, and be satisfactory in form and substance to, Administrative Agent, its counsel and, where specifically provided herein, the Banks. In

addition, the persons or parties responsible for the execution and delivery of, and signatories to, all of such documentation, shall be acceptable to, and subject to the approval of, Administrative Agent and its counsel and the Banks.

SECTION 12.07. Notices. (a) Unless the party to be notified otherwise notifies the other parties in writing as provided in this Section, and except as otherwise provided in this Agreement, notices shall be given to Administrative Agent by telephone, confirmed by writing, and to the Banks and to Borrower by ordinary mail or overnight courier or telecopy, receipt confirmed, addressed to such party at (i) if to the Borrower, its address on the signature page of this Agreement, (ii) if to the Administrative Agent from the Borrower, to JPMorgan Chase Bank, N.A., at the address separately provided to the Borrower, (iii) if to the Administrative Agent from the Banks to JPMorgan Chase Bank, N.A., 8181 Communications Pkwy, Plano, TX 75024, Attention: Cody Canafax, Telephone: 972-324-5152, (iv) if to any Bank, at its address, electronic mail or telecopy number set forth in its Administrative Questionnaire, (v) if to any Fronting Bank, at its address separately provided to the Borrower or (vi) if to any party, at such other address, electronic mail or telecopy number as such party may hereafter specify for the purpose by notice to the Administrative Agent, the Banks and the Borrower. Notices shall be effective: (1) if by telephone, at the time of such telephone conversation, (2) if given by mail, three (3) calendar days after mailing; (3) if given by overnight courier, upon receipt; and (4) if given by telecopy, upon receipt if received by the recipient during its normal business hours. Notices delivered through Electronic Systems, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to the Borrower, the Administrative Agent, the Banks and the Fronting Banks hereunder may be delivered or furnished by using Electronic Systems (including the Approved Electronic Platform and the Approved Borrower Portal) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Bank. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Banking Day for the recipient.

(c) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto in accordance with this Section

12.07, except that each Bank must only give such notice to the Administrative Agent, the Borrower and the Fronting Banks.

(d) Electronic Systems.

(i) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make Communications (as defined below) available to the Fronting Banks and the other Banks by posting the Communications on Debt Domain, Intralinks, Syndtrak, ClearPar or a substantially similar Electronic System chosen by the Administrative Agent to be its electronic transmission system (the “Approved Electronic Platform”).

(ii) Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Closing Date, a user ID/password authorization system) and the Approved Electronic Platform is secured through a per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Bank that are added to the Approved Electronic Platform, and that there are confidentiality and other risks associated with such distribution. Each of the Banks and the Borrower hereby approves distribution of the Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(iii) The Approved Electronic Platform and the Communications are provided “as is” and “as available.” None of the Administrative Agent or the Borrower or any of their respective Affiliates and such Affiliates’ respective directors, officers, employees, agents or advisors (the “Communications Parties”) warrant the adequacy of the Approved Electronic Platform and each expressly disclaims liability for errors or omissions in the Approved Electronic Platform and the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Communications Party in connection with the Communications or any Approved Electronic Platform. In no event shall any Communications Party have any liability to the other parties hereto or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of communications through an Electronic System. “Communications” means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of the Borrower pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Bank or any Fronting Bank by means of electronic communications pursuant to this Section, including through an Electronic System.

(iv) Each Bank agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Approved Electronic Platform shall constitute effective delivery of the Communications to such Bank for purposes of the Loan Documents to the extent such Communications have been so posted. Each Bank agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Bank's (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(v) Each of the Banks and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Approved Electronic Platform in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(vi) Nothing herein shall prejudice the right of the Administrative Agent or any Bank to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

(e) Borrower Communications.

(i) The Administrative Agent, the Banks and the Fronting Banks agree that the Borrower may, but shall not be obligated to, make any Borrower Communications to the Administrative Agent through an electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "Approved Borrower Portal").

(ii) Although the Approved Borrower Portal and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Closing Date, a user ID/password authorization system), each of the Banks, each of the Fronting Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of the Borrower that are added to the Approved Borrower Portal, and that there may be confidentiality and other risks associated with such distribution. Each of the Banks, each of the Fronting Banks and the Borrower hereby approves distribution of Borrower Communications through the Approved Borrower Portal and understands and assumes the risks of such distribution.

(iii) THE APPROVED BORROWER PORTAL IS PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER COMMUNICATION, OR THE ADEQUACY OF THE APPROVED BORROWER PORTAL AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED BORROWER PORTAL AND THE BORROWER COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS

MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE BORROWER COMMUNICATIONS OR THE APPROVED BORROWER PORTAL. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY JOINT LEAD ARRANGER, ANY CO-DOCUMENTATION AGENT, ANY SYNDICATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, “APPLICABLE PARTIES”) HAVE ANY LIABILITY TO THE BORROWER, THE GENERAL PARTNER, ANY LOAN PARTY, ANY BANK, ANY FRONTING BANK OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER’S TRANSMISSION OF BORROWER COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED BORROWER PORTAL.

“Borrower Communications” means, collectively, any notice of borrowing, notice of Election, Conversion or Continuation, notice of prepayment, notice requesting the issuance, amendment or extension of a Letter of Credit or other notice, demand, communication, information, document or other material provided by or on behalf of the Borrower pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Borrower to the Administrative Agent through an Approved Borrower Portal.

(iv) Each of the Banks, each of the Fronting Banks and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Borrower Communications on the Approved Borrower Portal in accordance with the Administrative Agent’s generally applicable document retention procedures and policies.

(v) Nothing herein shall prejudice the right of the Borrower to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 12.08. Setoff. Each Bank hereby waives any right of setoff, bankers’ lien or counterclaim a Bank may have to offset balances (general or special, time or demand, provisional or final) held by it for the account of Borrower at any of such Bank’s offices, in Dollars or in any other currency, against any amount payable by Borrower to such Bank under this Agreement or such Bank’s Note, or any other Loan Document. Payments by Borrower hereunder or under the other Loan Documents shall be made without setoff or counterclaim.

SECTION 12.09. Table of Contents; Headings. Any table of contents and the headings and captions hereunder are for convenience only and shall not affect the interpretation or construction of this Agreement.

SECTION 12.10. Severability. The provisions of this Agreement are intended to be severable. If for any reason any provision of this Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without in any manner affecting

the validity or enforceability thereof in any other jurisdiction or the remaining provisions hereof in any jurisdiction.

SECTION 12.11. Counterparts; Electronic Execution. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing any such counterpart. Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 12.07 and any Assignment and Assumption Agreement), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “Ancillary Document”) that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Banks shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Bank, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Banks and the Borrower, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) the Administrative Agent and each of the Banks may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against any Lender-Related Person for any Liabilities arising

solely from the Administrative Agent's and/or any Bank's reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Borrower to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 12.12. Integration. The Loan Documents set forth the entire agreement among the parties hereto relating to the transactions contemplated thereby (except with respect to agreements relating solely to compensation, consideration and the coordinated syndication of the Loan) and supersede any prior oral or written statements or agreements with respect to such transactions.

SECTION 12.13. Governing Law. This Agreement and the other Loan Documents shall be governed by, and interpreted and construed in accordance with, the laws of the State of New York.

Each of the Banks and the Administrative Agent hereby irrevocably and unconditionally agrees that, notwithstanding the governing law provisions of any applicable Loan Document, any claims brought against the Administrative Agent by any Bank relating to this Agreement, any other Loan Document or the consummation or administration of the transactions contemplated hereby or thereby shall be construed in accordance with and governed by the law of the State of New York.

SECTION 12.14. Waivers. To the extent permitted or not expressly prohibited by applicable law, in connection with the obligations and liabilities as aforesaid, Borrower hereby waives (1) notice of any actions taken by any Bank Party under this Agreement, any other Loan Document or any other agreement or instrument relating hereto or thereto except to the extent otherwise provided herein; (2) all other notices, demands and protests, and all other formalities of every kind in connection with the enforcement of the Obligations, the omission of or delay in which, but for the provisions of this Section 12.14, might constitute grounds for relieving Borrower of its obligations hereunder; (3) any requirement that any Bank Party protect, secure, perfect or insure any Lien on any collateral or exhaust any right or take any action against Borrower or any other Person or any collateral; (4) any right or claim of right to cause a marshalling of the assets of Borrower; and (5) all rights of subrogation or contribution, whether arising by contract or operation of law (including, without limitation, any such right arising under the Bankruptcy Code) or otherwise by reason of payment by Borrower, pursuant to this Agreement or any other Loan Document.

SECTION 12.15. Jurisdiction; Immunities. Borrower, Administrative Agent and each Bank hereby irrevocably submit to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York, sitting in the Borough of Manhattan), and any appellate court from any thereof, over any action or proceeding arising out of or relating to this Agreement, the Notes or any other Loan Document. Borrower, Administrative Agent, and each Bank irrevocably agree that all claims in respect of such action or proceeding may be heard and determined in such New York State or United States Federal court. Borrower, Administrative Agent, and each Bank irrevocably consent to the service of any and all process in any such action or proceeding by the mailing of copies of such process to

Borrower, Administrative Agent or each Bank, as the case may be, at the addresses specified herein. Borrower, Administrative Agent and each Bank agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Borrower, Administrative Agent and each Bank further waive any objection to venue in the State of New York and any objection to an action or proceeding in the State of New York on the basis of forum non conveniens. Borrower, Administrative Agent and each Bank agree that any action or proceeding brought against Borrower, Administrative Agent or any Bank, as the case may be, shall be brought only in the United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, to the extent permitted or not expressly prohibited by applicable law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent, any Fronting Bank or any Bank may otherwise have to bring any action or proceeding relating to this Agreement against the Borrower or its properties in the courts of any jurisdiction.

Nothing in this Section shall affect the right of Borrower, Administrative Agent or any Bank to serve legal process in any other manner permitted by law.

To the extent that Borrower, Administrative Agent or any Bank have or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether from service or notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property, Borrower, Administrative Agent and each Bank hereby irrevocably waive such immunity in respect of its obligations under this Agreement, the Notes and any other Loan Document.

BORROWER, ADMINISTRATIVE AGENT AND EACH BANK WAIVE ANY RIGHT EACH SUCH PARTY MAY HAVE TO JURY TRIAL IN CONNECTION WITH ANY SUIT, ACTION OR PROCEEDING BROUGHT WITH RESPECT TO THIS AGREEMENT, THE NOTES OR THE LOAN. IN ADDITION, BORROWER HEREBY WAIVES, IN CONNECTION WITH ANY SUIT, ACTION OR PROCEEDING BROUGHT BY ADMINISTRATIVE AGENT OR THE BANKS WITH RESPECT TO THE NOTES, ANY RIGHT BORROWER MAY HAVE (1) TO THE EXTENT PERMITTED OR NOT EXPRESSLY PROHIBITED BY APPLICABLE LAW, TO INTERPOSE ANY COUNTERCLAIM THEREIN (OTHER THAN A COUNTERCLAIM THAT IF NOT BROUGHT IN THE SUIT, ACTION OR PROCEEDING BROUGHT BY ADMINISTRATIVE AGENT OR THE BANKS COULD NOT BE BROUGHT IN A SEPARATE SUIT, ACTION OR PROCEEDING OR WOULD BE SUBJECT TO DISMISSAL OR SIMILAR DISPOSITION FOR FAILURE TO HAVE BEEN ASSERTED IN SUCH SUIT, ACTION OR PROCEEDING BROUGHT BY ADMINISTRATIVE AGENT OR THE BANKS) OR (2) TO THE EXTENT PERMITTED OR NOT EXPRESSLY PROHIBITED BY APPLICABLE LAW, TO HAVE THE SAME CONSOLIDATED WITH ANY OTHER OR SEPARATE SUIT, ACTION OR PROCEEDING. NOTHING HEREIN CONTAINED SHALL PREVENT OR PROHIBIT BORROWER FROM INSTITUTING OR MAINTAINING A SEPARATE ACTION AGAINST ADMINISTRATIVE AGENT OR THE BANKS WITH RESPECT TO ANY ASSERTED CLAIM.

To the extent permitted by applicable law (i) the Borrower shall not assert, and the Borrower hereby waives, any claim against a Lender-Related Person for any Liabilities arising from the use by others of information or other materials (including, without limitation, any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet, any Approved Electronic Platform and any Approved Borrower Portal), and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof; provided that, nothing in this Section shall relieve the Borrower of any obligation it may have to indemnify an indemnified person, as provided in Section 12.04, against any special, indirect, consequential or punitive damages asserted against such indemnified person by a third party.

SECTION 12.16. [Reserved].

SECTION 12.17. [Reserved].

SECTION 12.18. Intentionally Omitted.

SECTION 12.19 USA Patriot Act. Each Bank hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Borrower and the General Partner, which information includes the name and address of the Borrower and the General Partner and other information that will allow such Bank to identify the Borrower and the General Partner in accordance with the Patriot Act. The Borrower shall provide such information and take such actions as are reasonably requested by the Administrative Agent or any Bank in order to assist the Administrative Agent and the Banks in maintaining compliance with applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the Patriot Act.

SECTION 12.20. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Bank becomes a Defaulting Lender, then the following provisions shall apply for so long as such Bank is a Defaulting Lender:

(a) fees shall cease to accrue on the Loan Commitment of such Defaulting Lender pursuant to Section 2.08;

(b) (x) the Loan Commitment and outstanding New Term Loans (if any) of such Defaulting Lender shall not be included in determining whether the Required Banks have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 12.02) and (y) notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders); provided, that (i) such Defaulting Lender's Loan Commitment may not be increased or extended without its consent; (ii) the principal amount of,

or interest or fees payable on, Loans or Letters of Credit may not be reduced or excused or the scheduled date of payment may not be postponed as to such Defaulting Lender without such Defaulting Lender's consent; and (iii) any waiver, amendment or modification requiring the consent of all Banks or each affected Bank that by its terms affects any Defaulting Lender more adversely than other affected Banks shall require the written consent of such Defaulting Lender;

(c) if any Letters of Credit are outstanding at the time such Bank becomes a Defaulting Lender then:

(1) all or any part of such Defaulting Lender's Pro Rata Share of such Letters of Credit shall be reallocated among the non-Defaulting Lenders in accordance with their respective Pro Rata Shares but only (x) to the extent (A) the sum of all non-Defaulting Lenders' Pro Rata Shares of Loans and Letters of Credit plus such Defaulting Lender's Pro Rata Share of Letters of Credit does not exceed (B) the total of all non-Defaulting Lenders' Loan Commitments and (y) if the conditions set forth in Sections 4.02(1) and (2) are satisfied at such time;

(2) to the extent the reallocation described in clause (1) above cannot be effected, Borrower shall within one Banking Day following notice by the Administrative Agent, cash collateralize for the benefit of the Fronting Bank only the Borrower's obligations corresponding to such Defaulting Lender's Pro Rata Share of the Letters of Credit (after giving effect to any partial reallocation pursuant to clause (1) above) in accordance with the procedures set forth in Section 2.17(e) for so long as such Letters of Credit are outstanding or until such time and to the extent that, as a result of the paydown of the Loans, the reallocation described in clause (1) above can be effected;

(3) if Borrower cash collateralizes any portion of such Defaulting Lender's Pro Rata Share of the Letters of Credit pursuant to clause (2) above, Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.17(g) with respect to such Defaulting Lender's Pro Rata Share of the Letters of Credit during the period such Defaulting Lender's Pro Rata Share of the Letters of Credit is cash collateralized;

(4) if the Pro Rata Shares of the non-Defaulting Lenders are reallocated pursuant to clause (1) above, then the fees payable to the Banks pursuant to Section 2.08 and Section 2.17(g) shall be adjusted in accordance with such non-Defaulting Lenders' reallocated Pro Rata Shares;

(5) if all or any portion of such Defaulting Lender's Pro Rata Share of outstanding Letters of Credit is neither reallocated nor cash collateralized pursuant to clause (1) or (2) above, then, without prejudice to any rights or remedies of the Fronting Bank or any other Bank hereunder, all Facility Fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Loan Commitment that was utilized by such Pro Rata Share of the outstanding Letters of Credit) and letter of credit fees payable under Section 2.17(g) with respect to such Defaulting Lender's Pro Rata Share of the outstanding Letters of Credit shall be payable to the Fronting Bank until and to the extent that such Pro Rata Share is reallocated and/or cash collateralized; and

(6) so long as such Bank is a Defaulting Lender, the Fronting Bank shall not be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding Pro Rata Share of outstanding Letters of Credit will be 100% covered by the Loan Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 12.20(c)(2), and participating interests in any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 12.20(c)(1) (and such Defaulting Lender shall not participate therein); and

(d) any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 12.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Fronting Bank hereunder; *third*, to cash collateralize LC Exposure with respect to such Defaulting Lender in accordance with this Section; *fourth*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) cash collateralize future LC Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with this Section; *sixth*, to the payment of any amounts owing to the Banks or the Fronting Banks as a result of any judgment of a court of competent jurisdiction obtained by any Bank or the Fronting Banks against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or reimbursement obligations with respect to Letters of Credit in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and reimbursement obligations with respect to Letters of Credit owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or reimbursement obligations with respect to Letters of Credit owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in the Borrower's obligations corresponding to such Defaulting Lender's LC Exposure are held by the Banks pro rata in accordance with the Loan Commitments without giving effect to clause (c) above. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts

owed by a Defaulting Lender or to post cash collateral pursuant to this Section shall be deemed paid to and redirected by such Defaulting Lender, and each Bank irrevocably consents hereto.

If (i) a Bankruptcy Event or a Bail-In Action with respect to a Parent of any Bank shall occur following the date hereof and for so long as such event shall continue or (ii) the Fronting Bank has a good faith belief that any Bank has defaulted in fulfilling its obligations under one or more other agreements in which such bank commits to extend credit, the Fronting Bank shall not be required to issue, amend or increase any Letter of Credit, unless the Fronting Bank (x) shall have entered into arrangements with Borrower or such Bank, satisfactory to the Fronting Bank to defease any risk to it in respect of such Bank hereunder, or (y) is satisfied that the related exposure and such Bank's then outstanding Pro Rata Share of outstanding Letters of Credit will be 100% covered by the Loan Commitments of the other Banks and/or cash collateral will be provided by the Borrower in accordance with Section 12.20(c)(2), and participating interests in any newly issued or increased Letter of Credit shall be allocated among the other Banks in a manner consistent with Section 12.20(c)(1) (and such Bank shall not participate therein).

In the event that the Administrative Agent, the Borrower, and the Fronting Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused such Bank to be a Defaulting Lender, then such Bank shall thereupon cease to be a Defaulting Lender and the Pro Rata Shares of the Banks with respect to the outstanding Letters of Credit shall be readjusted to reflect the inclusion of such Bank's Loan Commitment and on such date such Bank shall purchase at par such of the Loans of the other Banks as the Administrative Agent shall determine may be necessary in order for such Bank to hold such Loans in accordance with its Pro Rata Share and cash collateral under Section 12.20(c)(3) to be redelivered to the Borrower.

In the event that a Bank shall become a Defaulting Lender, then, provided that no Event of Default shall have occurred and be outstanding, and subject to the provisions of applicable law, for so long as such Bank shall remain a Defaulting Lender, Borrower shall have the right to replace such Defaulting Lender as though it were an Affected Bank, in accordance with the provisions of Section 3.07.

SECTION 12.21. Use for Mortgages. From time to time, on not less than ten (10) Banking Days' notice, the Borrower may request proceeds of the Loans be used to refinance or acquire properties secured by certain secured mortgage Debt of the Borrower and/or its Subsidiaries, in which event, a portion of the Loans equal to the amount of the advances made hereunder in connection with such refinancing or acquisition, at the Borrower's election, may be secured by an amended and restated mortgage on the property securing the mortgage Debt to be so refinanced or acquired (a "Refinancing Mortgage") and evidenced by a mortgage note executed by Borrower and/or one or more Subsidiaries (provided that if Borrower shall not execute such mortgage note, the Borrower shall execute a guaranty of such mortgage note), as more particularly set forth in Section 2.09, provided that no Refinancing Mortgage may encumber a property located in a Special Flood Hazard Area as designated by the Federal Emergency Management Agency. At least seven (7) Banking Days prior to the recordation of any Refinancing Mortgage, the Administrative Agent shall provide all Banks with a legal description and special flood hazard determination form for all property proposed to be encumbered thereby. Any such Refinancing Mortgage and any other agreement, certifications, opinions and other documents will be (i) in form and substance reasonably acceptable to the Administrative Agent and its counsel, (ii) be consistent in all respects with the terms of this

Agreement, and (iii) subject to being released or assigned by the Administrative Agent at the request of the Borrower (it being understood and agreed that the Administrative Agent and the Banks shall not be required to give any representations or warranties with respect to any such release or assignment, including with respect to any aspects of the Debt secured thereby, except that it is the holder thereof and authorized to execute and deliver the same). In addition, in connection with each Refinancing Mortgage, the Administrative Agent, at the request and expense of Borrower, will provide subordination, non-disturbance and attornment agreements and intercreditor and/or subordination agreements with respect to any other Debt secured by the related mortgaged property, in each case in form and substance reasonably satisfactory to the Administrative Agent. Unless otherwise directed by Borrower, any prepayments made by the Borrower shall be applied first to any and all Loans outstanding that are not secured by a Refinancing Mortgage, and only to Loans secured by Refinancing Mortgages if there shall be no other Loans outstanding at the time. Notwithstanding anything to the contrary set forth herein, if there is one or more Refinancing Mortgages outstanding at the time, no MIRE Event may be closed until the date on which the Administrative Agent shall have received confirmation from each Bank that such Bank has completed any necessary flood insurance due diligence to its reasonable satisfaction; provided that no Bank shall unreasonably delay, withhold or condition such confirmation. For purposes hereof, "MIRE Event" means, any increase, extension or renewal of any of the Loan Commitments or Loans (including any increase of Loan Commitments pursuant to Section 2.16 or otherwise, but excluding (i) any extension of the Maturity Date pursuant to Section 2.18, (ii) any continuation or conversion of Loans, (iii) the making of any Loan or (iv) the issuance, renewal or extension of Letters of Credit).

SECTION 12.22. [Reserved]

SECTION 12.23. Confidentiality. Each of the Administrative Agent, the Fronting Banks and the Banks agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees, and agents, including accountants, legal counsel, consultants and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any bona fide prospective assignee of or Participant in, any of its rights or obligations under this Agreement, to the extent reasonably requested by such assignee or Participant or prospective assignee or Participant or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction or insurers, reinsurers or credit risk support providers relating to the Borrower and its obligations, (g) with the consent of the Borrower, (h) [intentionally omitted]; or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Fronting Bank or any Bank on a non-confidential basis from a source other than the Borrower. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that was available to the Administrative Agent, any Fronting Bank or any Bank on a

non-confidential basis prior to disclosure by the Borrower. In addition, the Administrative Agent and the Banks may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent and the Banks in connection with the administration of this Agreement, the other Loan Documents, and the Loan Commitments.

For the avoidance of doubt, nothing in this Section 12.23 shall prohibit any Person from voluntarily disclosing or providing any Information within the scope of this confidentiality provision to any governmental, regulatory or self-regulatory organization (any such entity, a “Regulatory Authority”) to the extent that any such prohibition on disclosure set forth in this Section 12.23 shall be prohibited by the laws or regulations applicable to such Regulatory Authority.

SECTION 12.24. Transitional Arrangements.

(a) Existing 2021 Credit Agreement Superseded. This Agreement shall supersede the Existing 2021 Credit Agreement in its entirety, except as provided in this Section 12.24. On the Execution Date, (i) the loans outstanding under the Existing 2021 Credit Agreement shall become Loans hereunder, (ii) the rights and obligations of the parties under the Existing 2021 Credit Agreement and the “Notes” defined therein shall be subsumed within and be governed by this Agreement and the Notes; provided, however, that for purposes of this clause (ii) any of the “Obligations” (as defined in the Existing 2021 Credit Agreement) outstanding under the Existing 2021 Credit Agreement shall, for purposes of this Agreement, be Obligations hereunder, (iii) this Agreement shall not in any way release or impair the rights, duties or obligations created pursuant to the Existing 2021 Credit Agreement or any other Loan Document or affect the relative priorities thereof, in each case to the extent in force and effect thereunder as of the Execution Date, except as modified hereby or by documents, instruments and agreements executed and delivered in connection herewith, and all of such rights, duties and obligations are assumed, ratified and affirmed by the Borrower; (iv) the obligations incurred under the Existing 2021 Credit Agreement shall, to the extent outstanding on the Execution Date, continue outstanding under this Agreement and shall not be deemed to be paid, released, discharged or otherwise satisfied by the execution of this Agreement, and this Agreement shall not constitute a refinancing, substitution or novation of such obligations or any of the other rights, duties and obligations of the parties hereunder; and (v) the execution, delivery and effectiveness of this Agreement shall not operate as a waiver of any right, power or remedy of the Banks or the Administrative Agent under the Existing 2021 Credit Agreement, or constitute a waiver of any covenant, agreement or obligation under the Existing 2021 Credit Agreement, except to the extent that any such covenant, agreement or obligation is no longer set forth herein or is modified hereby. The Banks’ interests in such obligations, and participations in outstanding Letters of Credit under the Existing 2021 Credit Agreement, shall be reallocated on the Execution Date in accordance with each Bank’s Pro Rata Share. On the Execution Date, (A) the loan commitment of each Bank that is a party to the Existing 2021 Credit Agreement but is not a party to this Agreement (an “Exiting Bank”) shall be terminated, all outstanding obligations owing to such Exiting Banks under the Existing 2021 Credit Agreement on the Execution Date shall be paid in full, and each Exiting Bank shall cease to be a Bank under this Agreement; provided, however, that, notwithstanding anything else provided herein or otherwise, any rights of an Existing Bank under the Loan Documents that are intended by their express terms to survive termination of the Loan Commitments and/or the repayment, satisfaction or discharge of obligations under any

Loan Document shall survive for such Exiting Bank hereunder, and (B) each Person listed on Schedule 1 attached to this Agreement shall be a Bank under this Agreement with the Loan Commitment set forth opposite its name on such Schedule 1. Each Bank agrees to waive any amounts that would have otherwise been payable pursuant to Section 3.05 of the Existing 2021 Credit Agreement as a result of the conversion of any Term Benchmark Loans on the Closing Date.

(b) Interest and Fees under Existing 2021 Credit Agreement. All interest and all commitment, facility and other fees and expenses owing or accruing under or in respect of the Existing 2021 Credit Agreement shall be calculated as of the Execution Date (prorated in the case of any fractional periods), and shall be paid on the Execution Date in accordance with the method specified in the Existing 2021 Credit Agreement as if such agreement were still in effect.

SECTION 12.25. No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Lead Arrangers, the Sustainability Structuring Agent, and the Banks are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Administrative Agent, the Lead Arrangers, the Sustainability Structuring Agent, and the Banks, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate and none of the Administrative Agent, the Lead Arrangers, the Sustainability Structuring Agent or the Banks is advising the Borrower as to any legal, tax, accounting or regulatory matters, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, each Lead Arranger, the Sustainability Structuring Agent and each Bank is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Affiliates, or any other Person and (B) none of the Administrative Agent, any Lead Arranger, the Sustainability Structuring Agent or any Bank has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Lead Arrangers, the Sustainability Structuring Agent and the Banks and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and none of the Administrative Agent, any Lead Arranger, the Sustainability Structuring Agent, or any Bank has any obligation to disclose any of such interests to the Borrower or its Affiliates. The Borrower agrees that it will not assert any claim against the Administrative Agent, any Lead Arranger, the Sustainability Structuring Agent or any Bank based on an alleged breach of fiduciary duty by such Person in connection with this Agreement and the transactions contemplated hereby.

SECTION 12.26. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan

Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 12.27. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for interest rate swap agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and

remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

[REMAINDER OF PAGE INTENTIONALLY BLANK]

IN WITNESS WHEREOF, the parties hereto have caused this Third Amended and Restated Revolving Credit Agreement to be duly executed as of the day and year first above written.

**AMENDMENT NO. 1 TO THIRD AMENDED AND RESTATED
REVOLVING CREDIT AGREEMENT**

This **AMENDMENT NO. 1 TO THIRD AMENDED AND RESTATED REVOLVING CREDIT AGREEMENT**, dated as of May 14, 2024 (this “Amendment No. 1”), is by and among VORNADO REALTY L.P., a limited partnership organized and existing under the laws of the State of Delaware (“Borrower”), JPMORGAN CHASE BANK, N.A., as agent for the Banks defined below (in such capacity, together with its successors in such capacity, “Administrative Agent”), JPMORGAN CHASE BANK, N.A., in its individual capacity and not as Administrative Agent, and the other lenders signatory hereto (said lenders signatory hereto, each a “Bank” and collectively, the “Banks”). Reference is made to that certain Third Amended and Restated Revolving Credit Agreement, dated as of June 30, 2022, by and among the Borrower, the Banks referenced therein and the Administrative Agent (such agreement, the “Credit Agreement”). Capitalized terms used herein without definition shall have the same meanings as set forth in the Credit Agreement, as amended hereby.

RECITALS

WHEREAS, the Borrower has requested that the Banks make certain amendments to the Credit Agreement, and the Banks are willing to make such changes as set forth herein;

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, the parties hereto agree as follows:

SECTION 1. AMENDMENTS TO CREDIT AGREEMENT. As of the Amendment Effective Date (as defined in Section 3 hereof), the Credit Agreement (including Schedule 4, Schedule 5 and Exhibit I, but excluding the other Exhibits and Schedules) is hereby amended as set forth on Exhibit A attached hereto such that all of the newly inserted bold, double-underlined text (indicated textually in the same manner as the following examples: double-underlined text and double-underlined text) and any formatting changes reflected therein shall be deemed to be inserted and reflected in the text of the Credit Agreement and all of the deleted stricken text (indicated textually in the same manner as the following examples: ~~stricken text~~ and ~~stricken text~~) shall be deemed to be deleted from the text of the Credit Agreement.

SECTION 2. REPRESENTATIONS AND WARRANTIES OF THE BORROWER

In order to induce the Banks and Administrative Agent to enter into this Amendment No. 1, the Borrower represents and warrants to each Bank and Administrative Agent that the following statements are true, correct and complete:

(i) The execution, delivery and performance by the Borrower of this Amendment No. 1 and the Credit Agreement as amended by this Amendment No. 1 (the “Amended Credit Agreement”; and collectively, the “Amendment Documents”) are within its partnership authority, have been duly authorized by all requisite action, and are not in conflict with the terms of any organizational instruments of such entity, or any instrument or agreement to which Borrower or General Partner is a party or by which Borrower, General Partner or any of their respective assets may be bound or affected;

(ii) The officers of General Partner executing this Amendment No. 1 and any other Amendment Documents required to be delivered by it on behalf of Borrower hereunder have been duly elected or appointed and were fully authorized to execute the same at the time each such Amendment Document was executed;

(iii) The execution and delivery of, and the performance of the obligations required to be performed by Borrower under, this Amendment No. 1 and any other Amendment Documents do not and will not (a) violate any provision of, or, except for those which have been made or obtained, require any filing (other than SEC disclosure filings), registration, consent or approval under, any Law (including, without limitation, Regulation U), order, writ, judgment, injunction, decree, determination or award presently in effect having applicability to it, except for such violations, or filings, registrations, consents and approvals which if not done or obtained would not likely cause a Material Adverse Change to occur, (b) result in a breach of or constitute a default under or require any consent under any indenture or loan or credit agreement or any other agreement, lease or instrument to which it may be a party or by which it or its properties may be bound or affected except for consents which have been obtained or which if not obtained are not likely to cause a Material Adverse Change to occur, (c) result in, or require, the creation or imposition of any Lien, upon or with respect to any of its properties now owned or hereafter acquired which would likely cause a Material Adverse Change to occur, or (d) cause it to be in default under any such Law, order, writ, judgment, injunction, decree, determination or award or any such indenture, agreement, lease or instrument which would likely cause a Material Adverse Change to occur; to the best of its knowledge, Borrower is in compliance with all Laws applicable to it and its properties where the failure to be in compliance would cause a Material Adverse Change to occur;

(iv) Each of this Amendment No. 1 and the other Amendment Documents is a legal, valid and binding obligation of Borrower, enforceable in accordance with its terms, except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency and other similar laws affecting creditors' rights generally, as well as general principles of equity;

(v) This Amendment No. 1 and the other Amendment Documents have been duly executed and delivered by the Borrower;

(vi) The representations and warranties of the Borrower contained in Article V of the Credit Agreement are and will be true and correct in all material respects (or in the case of any representation or warranty that is qualified as to "materiality", "Material Adverse Change" or similar language, in all respects) on and as of the Amendment Effective Date to the same extent as though made on and as of such dates (except in those cases where such representation or warranty expressly relates to an earlier date, in which case such representations and warranties were true and correct in all material respects (or in the case of any representation or warranty that is qualified as to "materiality", "Material Adverse Change" or similar language, in all respects) as of such date, and except for changes in factual circumstances permitted hereunder), provided that Section 5.20 of the Credit Agreement is qualified insofar as the Borrower will be required to file this Amendment No. 1 in connection with its compliance with its periodic reporting obligations; and

(vii) No Default or Event of Default has occurred and is continuing, both before and after giving effect to this Amendment No. 1.

SECTION 3. CONDITIONS TO EFFECTIVENESS

Except as set forth below, Section 1 of this Amendment No. 1 shall become effective only upon the satisfaction of the following conditions precedent (the "Amendment Effective Date"):

A. The Borrower, the Administrative Agent, and each of the Banks under the Credit Agreement shall have indicated their consent hereto by the execution and delivery of the signature pages hereof to the Administrative Agent.

B. The Administrative Agent shall have received a secretary's certificate of the Borrower (i) either confirming that there have been no changes to its organizational documents since June 30, 2022, or if there have been changes to the Borrower's organizational documents since such date, certifying as to such changes, and (ii) certifying as to resolutions and incumbency of officers with respect to this Amendment No. 1 and the transactions contemplated hereby.

C. The Administrative Agent shall have received all reasonable out-of-pocket costs and expenses for which invoices have been presented (including the reasonable fees and expenses of legal counsel for which the Borrower agrees it is responsible pursuant to Section 12.04 of the Credit Agreement), incurred in connection with this Amendment No. 1.

The interest rate on a Loan denominated in dollars may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of a Benchmark Transition Event, Section 3.02(b) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information

sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Bank or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

SECTION 1.06. Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the amount of such Letter of Credit available to be drawn at such time; provided that with respect to any Letter of Credit that, by its terms of any Letter of Credit Agreement related thereto, provides for one or more automatic increases in the available amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum amount is available to be drawn at such time.

SECTION 1.07. Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its equity interests at such time.

SECTION 1.08. Sustainability Adjustments.

(a) Following the date on which Borrower provides a Pricing Certificate in respect of the most recently ended calendar year, **commencing with the calendar year ended December 31, 2024, (i) the Applicable Margin shall be increased or decreased (or not adjusted), as applicable, pursuant to the Sustainability Margin Adjustment as set forth in such Pricing Certificate and (ii) the Facility Fee shall be increased or decreased (or not adjusted), as applicable, pursuant to the Sustainability Facility Fee Adjustment as set forth in such Pricing Certificate.** For purposes of the foregoing, (A) the Sustainability Margin Adjustment **and the Sustainability Facility Fee Adjustment** shall be determined **and applied** as of the fifth Banking Day following receipt by the Administrative Agent of a Pricing Certificate delivered pursuant to Section 1.08(f) based upon the KPI Metric set forth in such Pricing Certificate and the calculations of the Sustainability Margin Adjustment, **and the Sustainability Facility Fee Adjustment** therein (such day, the "Sustainability Pricing Adjustment Date") and (B) each change in the Applicable Margin **and Facility Fee** resulting from a Pricing Certificate shall be effective during the period commencing on and including the applicable Sustainability Pricing Adjustment Date and ending on the date immediately preceding the next such Sustainability Pricing Adjustment Date (or, in the case of non-delivery of a Pricing Certificate, the last day such Pricing Certificate could have been delivered pursuant to the terms of Section 1.08(f)).

(b) For the avoidance of doubt, only one Pricing Certificate may be delivered in respect of any calendar year. It is further understood and agreed that the Applicable Margin will never be reduced **or increased by more than 0.04% and the Facility Fee will never be reduced or increased** by more than 0.01%, pursuant to the Sustainability Margin Adjustment

and the Sustainability Facility Fee Adjustment, respectively, during any calendar year. For the avoidance of doubt, any adjustment to the Applicable Margin or Facility Fee by reason of meeting the KPI Metric in any year shall not be cumulative year-over-year. Each applicable adjustment shall only apply until the date on which the next adjustment is due to take place.

(c) It is hereby understood and agreed that if no such Pricing Certificate is delivered by Borrower with regard to a particular calendar year within the period set forth in Section 1.08(f), ~~no~~the Sustainability Margin Adjustment will be made to the Applicable Margin positive 0.04% and the Sustainability Facility Fee Adjustment will be positive 0.01% commencing on the last day such Pricing Certificate could have been delivered pursuant to the terms of Section 1.08(f) and continuing until Borrower delivers a Pricing Certificate to the Administrative Agent for the applicable calendar year.

(d) If (i)(A) ~~Borrower or~~ any Bank becomes aware of any material inaccuracy in the Sustainability Margin Adjustment, the Sustainability Facility Fee Adjustment or the KPI Metric as reported in a Pricing Certificate (any such material inaccuracy, a “Pricing Certificate Inaccuracy”) and, ~~in the case of any Bank,~~ such Bank delivers, not later than 10 Banking Days after obtaining knowledge thereof, a written notice to the Administrative Agent describing such Pricing Certificate Inaccuracy in reasonable detail (which description shall be shared with each Bank and the Borrower), or (B) the Borrower ~~and the Banks~~ becomes aware of a Pricing Certificate Inaccuracy and the Borrower and the Administrative Agent shall mutually agree that there was a Pricing Certificate Inaccuracy at the time of delivery of a Pricing Certificate, and (ii) in either case, a proper calculation of the Sustainability Margin Adjustment, the Sustainability Facility Fee Adjustment or the KPI Metric would have resulted in no adjustment ~~to~~ or an increase in the Applicable Margin or Facility Fee for any period, (x) commencing on the fifth Banking Day following delivery of a corrected Sustainability Certificate to the Administrative Agent, the Applicable Margin and Facility Fee shall be adjusted to reflect such corrected calculations of the Sustainability Margin Adjustment and the Sustainability Facility Fee Adjustment and (y) the Borrower shall be obligated to pay to the Administrative Agent for the account of the applicable Banks or the applicable ~~L/C Issuers~~ Fronting Banks, as the case may be, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to any Borrower under the Bankruptcy Code (or any comparable event under non-U.S. Debtor Relief Laws), automatically and without further action by the Administrative Agent, any Bank or any ~~L/C Issuer~~ Fronting Bank), but in any event within 10 Banking Days after the Borrower has received written notice of (in the case of clause (d)(i)(A) above), or has agreed in writing that there was (in the case of clause (d)(i)(B) above), a Pricing Certificate Inaccuracy, an amount equal to the excess of (1) the amount of interest and fees that should have been paid for such period over (2) the amount of interest and fees actually paid for such period. If Borrower becomes aware of any Pricing Certificate Inaccuracy and, in connection therewith, if a proper calculation of the Sustainability Margin Adjustment, Sustainability Facility Fee Adjustment or the KPI Metric would have resulted in a decrease in the Applicable Margin or Facility Fee for any period, then, upon receipt by the Administrative Agent of notice from the Borrower of such Pricing Certificate Inaccuracy (which notice shall include corrections to the calculations of the Sustainability Margin Adjustment or the KPI Metric, as applicable), commencing on the 10th Banking Day following receipt by the Administrative Agent of such notice, the Applicable Margin and Facility Fee shall be adjusted (but only with respect to periods commencing after such 10th Banking Day) to reflect the corrected calculations of the Sustainability Margin Adjustment, Sustainability Facility Fee Adjustment or the KPI Metric, as applicable, for all periods occurring no sooner than 10 Banking Days after receipt by the Administrative

Agent of such notice. For the avoidance of any doubt, the parties agree that any such adjustment to reflect a decrease in the Applicable Margin or Facility Fee for any period shall only be effective on a prospective basis and shall not require any adjustments to amounts previously paid by the Borrower prior to the discovery of a Pricing Certificate Inaccuracy.

It is understood and agreed that any Pricing Certificate Inaccuracy shall not constitute a Default or Event of Default or otherwise result in the failure of any condition precedent to any advance or the issuance of any letter of credit; provided, that, the Borrower complies with the terms of this Section 1.08(d) and Section 6.09(17) with respect to such Pricing Certificate Inaccuracy. Notwithstanding anything to the contrary herein, unless such amounts shall be due upon the occurrence of an actual or deemed entry of an order for relief with respect to Borrower under the Bankruptcy Code (or any comparable event under non-U.S. Debtor Relief Laws), (a) any additional amounts required to be paid pursuant to the immediate~~immediately~~ preceding paragraph shall not be due and payable until ~~a written demand is made for such payment by the Administrative Agent in accordance with such paragraph~~10 Banking Days after the Borrower has received written notice of (in the case of clause (d)(i)(A) above), or has agreed in writing that there was (in the case of clause (d)(i)(B) above), a Pricing Certificate Inaccuracy (such date, the "Certificate Inaccuracy Payment Date"), (b) any nonpayment of such additional amounts prior to ~~or concurrently with such demand for payment by Administrative Agent~~the Certificate Inaccuracy Payment Date shall not constitute a Default (whether retroactively or otherwise) and (c) none of such additional amounts shall be deemed overdue prior to ~~such a demand~~the Certificate Inaccuracy Payment Date or shall accrue interest at the Default Rate prior to ~~such a demand~~the Certificate Inaccuracy Payment Date.

(e) Each party hereto hereby agrees that neither the Administrative Agent nor the Sustainability Structuring Agent shall have (x) any duty to ascertain, inquire into or otherwise independently verify any sustainability related information or any other information or materials provided by the Borrower and used in connection with the sustainability provisions of the credit facility described in this Agreement, including with respect to the applicable KPI Metrics nor (y) any responsibility for (or liability in respect of) the completeness or accuracy of such information. Each party hereto hereby agrees that neither the Administrative Agent nor the Sustainability Structuring Agent nor any Lead Arranger shall have any responsibility for (or liability in respect of) reviewing, auditing or otherwise evaluating any calculation by the Borrower of any Sustainability Facility Fee Adjustment or any Sustainability Margin Adjustment (or any of the data or computations that are part of or related to any such calculation) set forth in any Pricing Certificate or notice as to a Pricing Certificate Inaccuracy (and the Administrative Agent and the Sustainability Structuring Agent may rely conclusively on any such certificate or notice, without further inquiry).

(f) As soon as available and in any event within 120 days following the end of each calendar year (commencing with the calendar year ending December 31, ~~2022~~2024), Borrower ~~may~~shall deliver a Pricing Certificate to the Administrative Agent (and the Administrative Agent shall promptly provide a copy to each Bank) for the most recently-ended calendar year; provided, that, for any calendar year the Borrower may elect not to deliver a Pricing Certificate, and such election shall not constitute a Default or Event of Default (but such failure to so deliver a Pricing Certificate by the end of such 120-day period shall result in the Sustainability Margin

Adjustment **and the Sustainability Fee Adjustment** being applied as set forth in Section 1.08(c)). In the event (i) Borrower's fiscal year is changed to a non-calendar year fiscal year or (ii) Borrower elects, in accordance with applicable rules, regulations or guidance of the SEC, to disclose its annual sustainability reporting with or following the filing of its quarterly report on Form 10-Q for the second quarter of its fiscal year, Borrower will be permitted to adjust the timing of delivery of the Pricing Certificate at its election **to be coordinated with fiscal year and periodic reporting schedule**.

(g) **If, after the date hereof, there occurs any Sustainability Recalculation Event, and either (i) the Borrower notifies the Administrative Agent in writing that the Borrower requests an amendment to any provision hereof to eliminate, accommodate or otherwise take into account the effect of such Sustainability Recalculation Event, or (ii) the Administrative Agent notifies the Borrower that the Required Banks request an amendment to any provision or provisions hereof for such purpose (it being understood and agreed that any such notice may be given before or after such Sustainability Recalculation Event has occurred), then (A) the Borrower and the Administrative Agent shall negotiate in good faith to amend the provisions hereof to eliminate, accommodate or otherwise take into account the effect of such Sustainability Recalculation Event for the period from and after the occurrence of such Sustainability Recalculation Event, and (B) the provisions of this Agreement shall be interpreted on the basis of the provisions in effect and applied immediately prior to such Sustainability Recalculation Event for a period of not more than 30 days following the date of any such notice (unless the provisions hereof shall have been amended in accordance herewith or such notice shall have been withdrawn). If, after 30 days following the date of any such notice, the consent of the Borrower, the Administrative Agent and the requisite Banks under Section 12.02 has not been obtained (provided that adjustments to the KPI Target, KPI Threshold, Standard for Sustainability Reporting and/or Sustainability Table in connection with a Sustainability Recalculation Event shall not be deemed to be an amendment described in clause (1) of Section 12.02), (x) on the one-year anniversary of the date a delivered Pricing Certificate was most recently delivered or due and not delivered, as applicable, the Applicable Margin shall be calculated without regard to this Section 1.08, which Section and related definitions shall have no further force or effect, and (y) thereafter, no party to this Agreement shall make any public or private representations or description of the credit facility described in this Agreement as a sustainability-linked loan.**

(h) **The Borrower reserves the right to adjust the baseline set forth in the Sustainability Table, in consultation with the Sustainability Structuring Agent, in alignment with mandatory regulatory disclosure requirements and/or a new Science-Based Target (SBTi) aligned goal but the Sustainability Table shall maintain the 2.5% annual improvement for each year as the KPI Target and 1% annual improvement for each year as the KPI Threshold, in each case, from the 2022 baseline as so adjusted. In the event that the baseline is so adjusted, the Borrower, the Administrative Agent and the Sustainability Structuring Agent shall amend the Sustainability Table in accordance with the foregoing sentence, and the Administrative Agent shall provide the amended Sustainability Table to the Banks.**

ARTICLE II

THE LOANS

SECTION 2.01. Ratable Loans. Subject to the terms and conditions of this Agreement, the Banks agree to make loans to Borrower as provided in this Article II.

(b) Each of the Banks severally agrees to make a loan to Borrower in Dollars (each such loan by a Bank, a “Ratable Loan”) in an amount up to its Loan Commitment pursuant to which such Bank shall from time to time advance and readvance to Borrower an amount equal to its Pro Rata Share of the excess (the “Available Total Loan Commitment”) of the Total Loan Commitment minus the sum of (1) all advances previously drawn and currently outstanding made by the Banks which remain unpaid and (2) the LC Exposure. Within the limits set forth herein, Borrower may borrow from time to time under this paragraph (b) and prepay from time to time pursuant to Section 2.10 (subject, however, to the restrictions on prepayment set forth in said Section), and thereafter reborrow pursuant to this paragraph (b). The Ratable Loans may be outstanding as: (1) Base Rate Loans; (2) Term Benchmark Loans; (3) RFR Loans; or (4) a combination of the foregoing, as Borrower shall elect and notify Administrative Agent in accordance with Section 2.14. Each Term Benchmark Loan, Base Rate Loan and RFR Loan of each Bank shall be maintained at such Bank’s Applicable Lending Office.

(c) The obligations of the Banks under this Agreement are several, and no Bank shall be responsible for the failure of any other Bank to make any advance of a Loan to be made by such other Bank. However, the failure of any Bank to make any advance of each Loan to be made by it hereunder on the date specified therefor shall not relieve any other Bank of its obligation to make any advance of its Loans specified hereby to be made on such date.

SECTION 2.02. [Reserved].

SECTION 2.03. [Reserved].

SECTION 2.04. Advances, Generally. The Initial Advance shall be at least One Million Dollars (\$1,000,000) and in an integral multiple of One Hundred Thousand Dollars (\$100,000) and shall be made upon satisfaction of the conditions set forth in Section 4.01. Subsequent advances shall be made upon satisfaction of the conditions set forth in Section 4.02. The amount of each advance subsequent to the Initial Advance shall, subject to Section 2.13, be at least One Million Dollars (\$1,000,000) (unless less than One Million Dollars (\$1,000,000) is available for disbursement pursuant to the terms hereof at the time of any subsequent advance, in which case the amount of such subsequent advance shall be equal to such remaining availability) and in an integral multiple of One Hundred Thousand Dollars (\$100,000).

Each advance shall be subject, in addition to the limitations and conditions applicable to advances of the Loans generally, to Administrative Agent’s receipt, on or immediately prior to the date the request for such advance is made, of a certificate from the officer requesting the advance certifying that Borrower is in compliance with all covenants enumerated in paragraphs 3(a) and 3(b) of Section 6.09 and containing covenant compliance calculations with respect to Sections 8.02 and 8.06 only, that include the proforma adjustments described below, which calculations shall demonstrate Borrower’s compliance with covenants on a proforma basis.

In connection with each advance of Loan proceeds, the following proforma adjustments shall be made to the covenant compliance calculations required with respect to Sections 8.02 and 8.06 as of the end of the most recently ended calendar quarter for which financial results are required hereunder to have been reported by Borrower:

(i) Total Outstanding Indebtedness and Unsecured Indebtedness (or Secured Indebtedness in the event of an advance in respect of a Refinancing Mortgage which Borrower elects to treat as Secured Indebtedness) shall be adjusted by adding thereto, respectively, all Debt and Unsecured Indebtedness (or Secured Indebtedness if applicable), respectively, that is incurred by Borrower in connection with such advance;

(ii) Capitalization Value, shall be adjusted by adding thereto the purchase price of any Real Property Assets (including capitalized acquisition costs determined in accordance with GAAP) or the Net Equity Value of any Other Investments, together with the Borrower's Pro Rata Share of any Unrestricted Cash and Cash Equivalents, the book value of notes and mortgage loans receivable and marketable securities and the cost of non-marketable securities that are acquired in connection with such advance; and

(iii) Capitalization Value of Unencumbered Assets, if applicable, shall be adjusted by adding thereto the purchase price of any Real Property Assets (including capitalized acquisition costs determined in accordance with GAAP) that are Unencumbered Assets together with Borrower's Pro Rata Share of any Unrestricted Cash and Cash Equivalents, if applicable, the book value of notes and mortgage loans receivable and marketable securities and the cost of non-marketable securities that are acquired in connection with such advance.

SECTION 2.05. Procedures for Advances. In the case of advances of Ratable Loans, Borrower shall submit to Administrative Agent a request for each advance, ~~stating~~ signed by an authorized officer of the Borrower (provided that if such request is submitted through an Approved Borrower Portal, such signature requirement may be waived at the sole discretion of the Administrative Agent), stating the type and date of such advance (and Interest Period, if a Term Benchmark Loan), the amount requested and the expected purpose for which such advance is to be used, no later than 11:00 a.m. (New York time) on the date, in the case of advances of Base Rate Loans and RFR Loans, which is the proposed date of such Base Rate Loan or RFR Loan, and, in the case of advances of Term Benchmark Loans, which is three (3) Banking Days, prior to the date such advance is to be made. Administrative Agent, upon its receipt and approval of the request for advance, will so notify the Banks. Not later than ~~11:30 a.m.~~ 12:00 p.m. (New York time) on the date of each advance (or 1:00 p.m. (New York time) in the case of a Base Rate Loan or a RFR Loan for which the Borrower has made a Loan request on such date), each Bank shall, through its Applicable Lending Office and subject to the conditions of this Agreement, make the amount to be advanced by it on such day available to Administrative Agent, at Administrative Agent's Office and in immediately available funds for the account of Borrower. The amount so received by Administrative Agent shall, subject to the conditions of this Agreement, be made available to Borrower, in immediately available funds, by Administrative Agent's to an account designated by Borrower.

SECTION 2.06. Interest Periods; Renewals. In the case of the Term Benchmark Loans, Borrower shall select an Interest Period of any duration in accordance with the definition of Interest Period in Section 1.01, subject to the following limitations: (1) no Interest Period may

extend beyond the Maturity Date; (2) if an Interest Period would end on a day which is not a Banking Day, such Interest Period shall be extended to the next Banking Day, unless such Banking Day would fall in the next calendar month, in which event such Interest Period shall end on the immediately preceding Banking Day; and (3) only eight (8) discrete segments of a Bank's Ratable Loans that are Term Benchmark Loans for a designated Interest Period pursuant to a particular Election, Conversion or Continuation, may be outstanding at any one time (each such segment of each Bank's Ratable Loan corresponding to a proportionate segment of each of the other Banks' Ratable Loans).

Upon notice to Administrative Agent as provided in Section 2.14, Borrower may Continue any Term Benchmark Loan on the last day of the Interest Period of the same or different duration in accordance with the limitations provided above.

SECTION 2.07. Interest. Borrower shall pay interest to Administrative Agent for the account of the applicable Bank on the outstanding and unpaid principal amount of the Loans, at a rate per annum as follows: (1) for Base Rate Loans at a rate equal to the Base Rate plus the Applicable Margin; (2) for Term Benchmark Loans at a rate equal to the applicable Adjusted Term SOFR Rate for the Interest Period in effect for such Loan plus the Applicable Margin; and (3) for RFR Loans at a rate equal to the Adjusted Daily Effective SOFR Rate plus the Applicable Margin. Any principal amount not paid when due (when scheduled, at acceleration or otherwise) shall bear interest thereafter, payable on demand, at the Default Rate.

The interest rate on Base Rate Loans shall change when the Base Rate changes, and the interest rate on RFR Loans shall change when Daily Effective SOFR changes. Interest shall be calculated for the actual number of days elapsed on the basis of a year consisting of three hundred sixty (360) days (except that interest computed by reference to the Base Rate when based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year). In each case interest shall be payable for the actual number of days elapsed (including the first day but excluding the last day). All interest hereunder on any Loan shall be computed on a daily basis based upon the outstanding principal amount of such Loan as of the applicable date of determination. The applicable Base Rate, Adjusted Term SOFR Rate, Term SOFR Rate, Adjusted Daily Effective SOFR Rate or Daily Effective SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Bank holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this paragraph shall be cumulated and the interest and Charges payable to such Bank in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Bank.

Accrued interest shall be due and payable in arrears, in the case of Base Rate Loans, Term Benchmark Loans and RFR Loans on each Interest Payment Date; provided, however, that interest accruing at the Default Rate shall be due and payable on demand.

SECTION 2.08. Fees. Borrower shall, during the term of the Loans commencing as of the Execution Date, pay to Administrative Agent for the account of each Bank a facility fee computed, on the daily Loan Commitment of such Bank, by multiplying the aggregate Loan Commitments on such day by an amount equal to the daily Facility Fee, calculated on the basis of a year of three hundred sixty (360) days for the actual number of days elapsed. The accrued ~~facility fee~~ Facility Fee shall be due and payable in arrears on the ~~first Banking Day~~ fifteenth day of January, April, July and October of each year, commencing on the first such date after the Execution Date, and upon the Maturity Date (as the case may be accelerated) or earlier termination of the Loan Commitments.

SECTION 2.09. Notes. Unless otherwise requested by a Bank, any Ratable Loans made by each Bank under this Agreement shall be evidenced by, and repaid with interest in accordance with, a promissory note of Borrower in the form of EXHIBIT B duly completed and executed by Borrower, in a principal amount equal to such Bank's Loan Commitment, payable to such Bank for the account of its Applicable Lending Office (each such note, as the same may hereafter be amended, modified, extended, severed, assigned, substituted, renewed or restated from time to time, including any substitute note pursuant to Section 3.07 or 12.05, a "Ratable Loan Note"). A particular Bank's Ratable Loan Note(s) are referred to collectively in this Agreement as such Bank's "Note"; all such Ratable Loan Notes and interests are referred to collectively in this Agreement as the "Notes". The Ratable Loans shall mature, and all outstanding principal and accrued interest and other Obligations shall be paid in full, on the Maturity Date, as the same may be accelerated in accordance with this Agreement.

Each Bank is hereby authorized by Borrower to endorse on the schedule attached to the Ratable Loan Note held by it, the amount of each advance, and each payment of principal received by such Bank for the account of its Applicable Lending Office(s) on account of its Ratable Loans, which endorsement shall, in the absence of manifest error, be conclusive as to the outstanding balance of the Ratable Loans made by such Bank. The failure by any Bank to make such notations with respect to the Loans or each advance or payment shall not limit or otherwise affect the obligations of Borrower under this Agreement or the Notes.

In connection with a Refinancing Mortgage, Borrower shall deliver to the Administrative Agent, a mortgage note, payable to the Administrative Agent for the account of the Banks, which shall be secured by the applicable Refinancing Mortgage. Such note shall be in such form as shall be requested by Borrower, subject to the Administrative Agent's reasonable approval. Each reference in this Agreement to the "Notes" shall be deemed to refer to and include any or all of such mortgage notes, as the context may require.

SECTION 2.10. Prepayments.

Without prepayment premium or penalty but subject to Section 3.05, Borrower may, upon at least one (1) Banking Day's notice (by 2:00 p.m. New York time) to Administrative Agent in the case of the Base Rate Loans and RFR Loans, and at least three (3) Banking Days' notice (by 2:00 p.m. New York time) to Administrative Agent in the case of Term Benchmark

Loans, prepay the Ratable Loans, in whole or in part, provided that (1) any partial prepayment under this Section shall be in integral multiples of One Million Dollars (\$1,000,000) (or such lesser amount as is then outstanding); and (2) each prepayment under this Section shall include, at Administrative Agent's option, all interest accrued on the amount of principal prepaid to (but excluding) the date of prepayment.

SECTION 2.11. Method of Payment.

Borrower shall make each payment under this Agreement and under the Notes not later than 1:00 p.m. (New York time) on the date when due in Dollars to Administrative Agent at Administrative Agent's Office in immediately available funds, without condition or deduction for any counterclaim, defense, recoupment or setoff. Borrower shall deliver federal reference number(s) evidencing the applicable wire transfer(s) to Administrative Agent as soon as available thereafter on such day. Administrative Agent will thereafter, on the day of its receipt of each such payment(s), cause to be distributed to each Bank (1) such Bank's appropriate share (based upon the respective outstanding principal amounts and interest due under the Loans of the Banks) of the payments of principal and interest in like funds for the account of such Bank's Applicable Lending Office; and (2) fees payable to such Bank by Borrower in accordance with the terms of this Agreement. If and to the extent that the Administrative Agent shall receive any such payment for the account of the Banks on or before 11:00 a.m. (New York time) on any Banking Day, and Administrative Agent shall not have distributed to any Bank its applicable share of such payment on such day, Administrative Agent shall distribute such amount to such Bank together with interest thereon paid by the Administrative Agent, for each day from the date such amount should have been distributed to such Bank until the date Administrative Agent distributes such amount to such Bank, at the Federal Funds Effective Rate.

Except to the extent provided in this Agreement, whenever any payment to be made under this Agreement or under the Notes is due on any day other than a Banking Day, such payment shall be made on the next succeeding Banking Day, and such extension of time shall in such case be included in the computation of the payment of interest and other fees, as the case may be.

SECTION 2.12. Elections, Conversions or Continuation of Loans.

Subject to the provisions of Article III and Sections 2.06 and 2.13, Borrower shall have the right to Elect to have all or a portion of any advance of the Ratable Loans be Term Benchmark Loans, Base Rate Loans, RFR Loans or a combination of the foregoing, to Convert Base Rate Loans into Term Benchmark Loans or RFR Loans, to convert RFR Loans into Base Rate Loans or Term Benchmark Loans, to Convert Term Benchmark Loans into Base Rate Loans or RFR Loans, or to Continue Term Benchmark Loans as Term Benchmark Loans, at any time or from time to time, provided that: (1) Borrower shall give Administrative Agent notice of each such Election, Conversion or Continuation as provided in Section 2.14 signed by an authorized officer of the Borrower (provided that if such notice is submitted through an Approved Borrower Portal, such signature requirement may be waived at the sole discretion of the Administrative Agent); and (2) a Term Benchmark Loan may be Continued or Converted only on the last day of the applicable Interest Period for such Term Benchmark Loan. Except as otherwise provided in this Agreement, each Election, Continuation and Conversion shall be applicable to each Bank's Ratable Loan in accordance with its Pro Rata

Share. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing, the Administrative Agent, at the request of the Required Banks, may require, by notice to Borrower, that (i) no outstanding Ratable Loan may be converted to or continued as a Term Benchmark Loan and (ii) unless repaid, each Ratable Loan shall be converted to a Base Rate Loan at the end of the Interest Period applicable thereto.

SECTION 2.13. Minimum Amounts.

With respect to the Ratable Loans as a whole, each Election and each Conversion shall be in an amount at least equal to One Million Dollars (\$1,000,000) and in integral multiples of One Hundred Thousand Dollars (\$100,000) or such lesser amount as shall be available or outstanding, as the case may be.

SECTION 2.14. Certain Notices Regarding Elections, Conversions and Continuations of Loans.

Notices by Borrower to Administrative Agent of Elections, Conversions and Continuations of Term Benchmark Loans shall be irrevocable and shall be effective only if received by Administrative Agent not later than 11:00 a.m. (New York time) on the number of Banking Days prior to the date of the relevant Election, Conversion or Continuation specified below:

<u>Notice</u>	<u>Number of Banking Days Prior</u>
Elections of, Conversions into or Continuations as Base Rate Loans or RFR Loans	Same Banking Day
Elections of, Conversions into or Continuations as Term Benchmark Loans	Three (3)

Promptly following its receipt of any such notice, Administrative Agent shall so advise the Banks. Each such notice of Election shall specify the portion of the amount of the advance that is to be Term Benchmark Loans (subject to Section 2.13) and the duration of the Interest Period applicable thereto (subject to Section 2.06); each such notice of Conversion shall specify the Term Benchmark Loans, RFR Loans or Base Rate Loans to be Converted; and each such notice of Conversion or Continuation shall specify the date of Conversion or Continuation (which shall be a Banking Day), the amount thereof (subject to Section 2.13) and the duration of the Interest Period applicable thereto (subject to Section 2.06). In the event that Borrower fails to Elect to have any portion of an advance of the Ratable Loans be Term Benchmark Loans, the portion of such advance for which a Term Benchmark Loan Election is not made shall constitute Base Rate Loans. In the event that Borrower fails to Continue Term Benchmark Loans within the time period and as otherwise provided in this Section, such Term Benchmark Loans will be automatically Converted into Base Rate Loans on the last day of the then current applicable Interest Period for such Term Benchmark Loans.

SECTION 2.15. Payments Generally. If any Bank shall fail to make any payment required to be made by it pursuant to Section 2.17(h) or 10.05, then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Bank for the benefit of

the Administrative Agent or the Fronting Bank to satisfy such Bank's obligations to it under such Section until all such unsatisfied obligations are fully paid, and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Bank under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.16. Changes of Loan Commitments.

(a) At any time, Borrower shall have the right, without premium or penalty, to terminate any unused Loan Commitments existing as of the date of such termination, in whole or in part, from time to time, provided that: (1) Borrower shall give notice of each such termination to Administrative Agent (which shall promptly notify each of the Banks) no later than 10:00 a.m. (New York time) on the date which is three (3) Banking Days prior to the effectiveness of such termination; (2) the Loan Commitments of each of the Banks must be terminated (and, in the case of a partial termination, on a pro rata basis) and simultaneously with those of the other Banks; and (3) each partial termination of the Loan Commitments in the aggregate (and corresponding reduction of the Total Loan Commitment) shall be in an integral multiple of One Million Dollars (\$1,000,000).

(b) The Loan Commitments, to the extent terminated pursuant to this Section 2.16, may not be reinstated.

(c) Unless a Default or an Event of Default has occurred and is continuing, Borrower, by written notice to Administrative Agent, may request on up to four (4) occasions during the term of this Agreement that (A) the Total Loan Commitment be increased (the "New Ratable Commitments") or (B) new term loan commitments be established (the "New Term Commitments"), and together with the New Ratable Commitments, the "Incremental Commitments") by an amount not less than Twenty Five Million Dollars (\$25,000,000) per request for any Incremental Commitment and not more than Seven Hundred and Fifty Million Dollars (\$750,000,000) in the aggregate for all Incremental Commitments (such that the sum of the Total Loan Commitment plus the initial amount of all New Term Loans (as defined below) made pursuant to the New Term Commitments after such Incremental Commitments shall never exceed Two Billion Dollars (\$2,000,000,000) less any voluntary reductions in the Loan Commitments pursuant to Section 2.16(a)); provided that for any such request for an Incremental Commitment ~~(a) the Borrower shall not have delivered an Extension Notice prior to, or simultaneously with, such request and (b)~~ in the event that existing Banks do not elect to provide such Incremental Commitment, the Lead Arrangers shall use commercially reasonable efforts to locate additional Qualified Institutions willing to hold the requested Incremental Commitment, and Borrower may also identify additional Qualified Institutions willing to hold the requested Incremental Commitment; provided however that Administrative Agent and each Fronting Bank (in the case of a New Ratable Commitment) shall have the right to approve any such additional Qualified Institutions, which approval will not be unreasonably withheld or delayed. If (x) existing or new Banks are willing to provide such New Ratable Commitments, the Total Loan Commitment may be increased from time to time by the addition of a new Bank or the increase of the Loan Commitment of an existing Bank (each, a "New Ratable Bank"), and the loans made pursuant to any New Ratable Commitment being referred to herein as "New Ratable Loans") or (y) Banks are willing to provide such New Term Commitments, term loans may be made

hereunder (the “New Term Loans”) by such Banks (each, a “New Term Bank”). No Bank shall have any obligation to provide any Incremental Commitment.

(ii) Any Incremental Commitments hereunder shall be evidenced by the execution and delivery of an amendment to this Agreement by the Borrower, the Administrative Agent, the Fronting Banks (in the case of New Ratable Commitments) and the New Ratable Banks or New Term Banks, as applicable, providing such Incremental Commitments, a copy of which shall be forwarded to each Bank by the Administrative Agent promptly after execution thereof. Each such amendment executed in connection with an Incremental Commitment hereunder may, without the consent of any other Banks, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the good faith judgment of Administrative Agent, to effect the provisions of this Section 2.16(c), subject to approval by the Borrower and the New Ratable Banks or New Term Banks, as applicable, including without limitation to (x) include the New Ratable Banks and/or New Term Banks as “Banks” hereunder, (y) to include the New Ratable Loans and New Term Loans as “Loans” hereunder, and (z) to include the New Ratable Banks and their Pro Rata Shares and/or the New Term Banks and their New Term Loans for purposes of the definition of “Required Banks”; provided however, that any amendments to Articles V through IX, inclusive, and Section 12.02 that adversely affect a Bank or any amendment to provisions of this Agreement other than those effecting this Section 2.16(c) shall be subject to Section 12.02. All such amendments and joinder agreements entered into with the Borrower by the Administrative Agent, the Fronting Banks (in the case of New Ratable Commitments) and the New Ratable Banks or New Term Banks, as applicable, shall be binding and conclusive on all Banks.

(iii) On the effective date of any New Ratable Commitments, the Total Loan Commitment and the Loan Commitments of the New Ratable Banks shall be increased, the Pro Rata Shares shall be adjusted and the Borrower and the Administrative Agent shall cause the New Ratable Banks to hold their Pro Rata Share of all Ratable Loans outstanding at the close of business on such day, by either funding more than its or their Pro Rata Share of New Ratable Loans made on such date or purchasing shares of outstanding Ratable Loans held by the other Banks or a combination thereof. The Banks agree to cooperate in any required sale and purchase of outstanding Ratable Loans to achieve such result. The Borrower agrees to pay all fees associated with the New Ratable Commitments including any amounts due under Section 3.05 in connection with any reallocation of Term Benchmark Loans.

(iv) On the effective date of any New Term Commitments of any Series, (a) each New Term Bank of such Series shall make a New Term Loan to the Borrower in an amount equal to its New Term Commitment of such Series, and (b) each New Term Bank of such Series shall become a Bank hereunder with respect to the New Term Commitments of such Series and the New Term Loans of such Series made pursuant thereto. Any New Term Loans made on such effective date shall be designated a separate series (a “Series”) of New Term Loans for all purposes of this Agreement.

(v) The terms and provisions of the New Ratable Loans and New Ratable Commitments shall be identical to the then existing Ratable Loans and Loan

Commitments. The terms of any New Term Loans of any Series made hereunder (a) shall not provide for any amortization payments on or prior to the Maturity Date, but may permit voluntary prepayments, (b) shall provide that the applicable New Term Loan maturity date of each Series shall be no earlier than the Maturity Date, (c) shall rank pari passu to the other Loans hereunder and (d) subject to paragraph (c)(ii) above, shall include such other terms and pricing as may be agreed by the Borrower, the Administrative Agent and the New Term Banks.

(vi) Notwithstanding the foregoing, no Incremental Commitment shall become effective under this Section 2.16(c) unless (a) on the date of such effectiveness, the conditions set forth in Section 4.02 shall be satisfied or otherwise waived by the Banks providing such Incremental Commitments and the Administrative Agent shall have received a certificate to that effect dated such date and executed by an authorized signatory of the Borrower, (b) the Administrative Agent shall have received a certificate of an authorized signatory of the Borrower as to the board resolutions evidencing authority for such Incremental Commitment and as to any changes to the formation documents of the Borrower since the Closing Date, (c) the Borrower shall be in pro forma compliance with the covenants set forth in Article VIII after giving effect to the Loans to be made on such date pursuant to such Incremental Commitments and the application of the proceeds therefrom as if made and applied on such date to the extent such Incremental Commitments are drawn and funded on such date, (d) the Borrower shall deliver any legal opinions reasonably requested by the Administrative Agent in connection with such Incremental Commitments, consistent with those delivered on the Closing Date, and (e) the Borrower shall have paid all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent pursuant to Section 12.04 and all agreed-upon fees payable to the Administrative Agent and the New Ratable Banks or New Term Banks, as applicable, in connection with such Incremental Commitments.

(vii) Notwithstanding the foregoing, nothing in this Section 2.16(c) shall constitute or be deemed to constitute an agreement by any Bank to provide any Incremental Commitment.

SECTION 2.17. Letters of Credit.

(a) Borrower, by notice to Administrative Agent and the applicable Fronting Bank, may request, in lieu of advances of proceeds of the Ratable Loans, that such Fronting Bank issue unconditional, irrevocable standby letters of credit (each, a "Letter of Credit") for the account of Borrower or its designee (which shall be an Affiliate or Subsidiary of Borrower) (it being understood that the issuance of a Letter of Credit for the account of a designee shall not in any way relieve Borrower of any of its obligations hereunder), payable by sight drafts, for such beneficiaries and with such other terms as Borrower shall specify. Unless the applicable Fronting Bank has received written notice from the Administrative Agent, not less than one (1) Banking Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Section 4.02 shall not have been satisfied, then, subject to the terms and conditions hereof, such Fronting Bank, on the requested date, shall issue a Letter of Credit for the account of the Borrower or enter into the applicable amendment, as the case may be, in each case in a form reasonably acceptable to such Fronting Bank and in accordance with such Fronting Bank's usual and customary business practices; **provided that there shall not at any time be more than a total of 20 Letters of Credit outstanding.**

Promptly upon issuance of a Letter of Credit, the applicable Fronting Bank shall notify Administrative Agent and Administrative Agent shall notify each of the Banks.

~~(a)~~ Notwithstanding anything herein to the contrary, the Fronting Banks shall have no obligation hereunder to issue, amend or extend, and shall not issue, amend or extend, any Letter of Credit the proceeds of which would be made available to any Person (i) to fund any activity or business of or with any Sanctioned Person, or in any country or territory that, at the time of such funding, is the subject of any Sanctions or (ii) in any manner that would result in a violation of any Sanctions by any party to this Agreement. In addition, a Fronting Bank shall not be under any obligation to issue, amend or extend any Letter of Credit if ~~(x)~~ any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Fronting Bank from issuing, amending or extending the Letter of Credit, or any Law applicable to such Fronting Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Fronting Bank shall prohibit, or request that such Fronting Bank refrain from, the issuance, amendment or extension of letters of credit generally or the Letter of Credit in particular or shall impose upon such Fronting Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which the Fronting Bank is not otherwise compensated hereunder) not in effect on the Execution Date, or shall impose upon the Fronting Bank any unreimbursed loss, cost or expense which was not applicable on the Execution Date and which such Fronting Bank in good faith deems material to it or (y) the issuance, amendment or extension of such Letter of Credit would violate one or more policies of such Fronting Bank applicable to letters of credit generally.

(b) To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), Borrower shall hand deliver or telecopy (or transmit by electronic communication, if arrangements for doing so have been approved by the applicable Fronting Bank) to the Fronting Bank or Fronting Banks which are being requested to issue (or has or have issued, in the case of an amendment, renewal or extension) such Letter of Credit and the Administrative Agent (reasonably in advance of the requested date of issuance, amendment, renewal or extension, but in any event no less than three Banking Days or such shorter period as the applicable Fronting Bank shall agree to) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Banking Day), the identity of the Fronting Bank(s) selected to issue such Letter of Credit, the date on which such Letter of Credit is to expire (which shall comply with paragraph (e) of this Section), the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the Fronting Bank, Borrower also shall submit a letter of credit application on the Fronting Bank's standard form in connection with any request for a Letter of Credit; provided that the provisions of this Agreement shall prevail if there is an inconsistency between this Agreement and such letter of credit application. The Borrower and the Fronting Banks shall use reasonable efforts, to the extent practical, to cause any Letters of Credit to be issued by the Fronting Banks on a proportionate basis in accordance with their respective Letter of Credit Commitments, although, for the avoidance of doubt, no single Letter of Credit will be required to be issued by more than one Fronting Bank unless the amount of such Letter of Credit will exceed the available Letter of Credit Commitment of the applicable Fronting Bank. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) (x) the aggregate

undrawn amount of all outstanding Letters of Credit issued by the applicable Fronting Bank at such time plus (y) the aggregate amount of all drawings under Letters of Credit issued by such Fronting Bank that have not yet been reimbursed by or on behalf of the Borrower (including, for clarity, by means of advances of Loans pursuant to this Agreement) at such time shall not exceed its Letter of Credit Commitment (unless agreed to by such Fronting Bank), (ii) the aggregate LC Exposure at such time shall not exceed \$200,000,000 (as such amount may be reduced by written notice from the Borrower consistent with Section 2.16(a) so long as the outstanding Letters of Credit do not exceed such reduced amount), (iii) the amount of such Letter of Credit shall not exceed the Available Total Loan Commitment, and (iv) the amount of such Letter of Credit shall not exceed the excess of the Fronting Bank's Loan Commitment minus the sum of the outstanding principal amount of such Fronting Bank's Ratable Loans and LC Exposure at such time. The Borrower may, at any time and from time to time, reduce the Letter of Credit Commitment of any Fronting Bank with the consent of such Fronting Bank; provided that the Borrower shall not reduce the Letter of Credit Commitment of any Fronting Bank if, after giving effect of such reduction, the conditions set forth in clauses (i) through (iv) of this paragraph (b) shall not be satisfied. The amount of each Letter of Credit issued and outstanding shall effect a reduction, by an equal amount, of the Available Total Loan Commitment as provided in Section 2.01(b) (such reduction to be allocated to each Bank's Loan Commitment ratably in accordance with the Banks' respective Pro Rata Shares).

(c) The amount of each Letter of Credit shall be further subject to the conditions and limitations applicable to amounts of advances set forth in Section 2.04 and except as otherwise provided in clause (b) above, the procedures for the issuance of each Letter of Credit shall be the same as the procedures applicable to the making of advances as set forth in the first sentence of Section 2.05.

(d) The Fronting Bank's issuance of each Letter of Credit shall be subject to Borrower's satisfaction of all conditions precedent to its entitlement to an advance of proceeds of the Loans.

(e) Each Letter of Credit shall (i) unless approved by the Administrative Agent and the applicable Fronting Bank, expire no later than the earlier of (x) fourteen (14) days prior to the Maturity Date or (y) one (1) year after the date of its issuance (without regard to any automatic renewal provisions thereof), and (ii) be in a minimum amount of One Hundred Thousand Dollars (\$100,000), or such lesser amount approved by the Fronting Bank. In no event shall a Letter of Credit expire later than the first anniversary of the Maturity Date. Notwithstanding the foregoing, in the event that, with the approval of the Administrative Agent and the Fronting Bank, any Letters of Credit are issued and outstanding on the date that is fourteen (14) days prior to the Maturity Date, Borrower shall deliver to Administrative Agent on such date by wire transfer of immediately available funds a cash deposit in the amount of such Letters of Credit in accordance with the provisions of Section 2.17(i). Such funds shall be held by Administrative Agent and applied to repay the amount of each drawing under such Letters of Credit on or after the Maturity Date, if applicable. Such funds, with any interest earned thereon, will be returned to Borrower (and may be returned from time to time with respect to any applicable Letter of Credit) on the earlier of (a) the date that the applicable Letter of Credit or Letters of Credit expire in accordance with their terms; and (b) the date that the applicable Letter of Credit or Letters of Credit are cancelled.

(f) In connection with, and as a further condition to the issuance of, each Letter of Credit, Borrower shall execute and deliver to the Fronting Bank an application for the Letter of Credit in such form, and together with such other documents, opinions and assurances, as the Fronting Bank shall reasonably require.

(g) In connection with each Letter of Credit, Borrower hereby covenants to pay (i) to Administrative Agent, quarterly in arrears (on the ~~first Banking Day~~ fifteenth day of the month following the end of each calendar quarter following the issuance of such Letter of Credit), a fee, payable to Administrative Agent for the account of the Banks, computed daily (calculated on the basis of a year of three hundred and sixty (360) days for the actual number of days elapsed) on the face amount of such Letter of Credit issued and outstanding at a rate per annum equal to the "Banks' L/C Fee Rate" (as hereinafter defined) and (ii) to the Fronting Bank, payable quarterly in arrears (on the fifteenth day of the month following the end of each calendar quarter), a fee, payable to the Fronting Bank for its own account, computed daily (calculated on the basis of a year of three hundred and sixty (360) days for the actual number of days elapsed) on the amount of such Letter of Credit issued and outstanding at a rate per annum equal to 0.125%. Administrative Agent shall have no responsibility for the collection of the fee for any Letter of Credit that is payable to the Fronting Bank. For purposes of this Agreement, the "Banks' L/C Fee Rate" shall mean, provided no Event of Default has occurred and is continuing, a rate per annum (calculated on the basis of a year of three hundred and sixty (360) days for the actual number of days elapsed) equal to the Applicable Margin for Term Benchmark Loans minus 0.125% and, in the event an Event of Default has occurred and is continuing, a rate per annum (calculated on the basis of a year of three hundred and sixty (360) days for the actual number of days elapsed) equal to 3%. It is understood and agreed that the last installment of the fees provided for in this paragraph (g) with respect to any particular Letter of Credit shall be due and payable on the ~~first~~ fifteenth day of the month following the end of the calendar quarter ~~following~~of the surrender or cancellation, of such Letter of Credit.

(h) The Fronting Bank shall promptly notify Administrative Agent of any drawing under a Letter of Credit issued by such Fronting Bank. The parties hereto acknowledge and agree that, immediately upon notice from Administrative Agent of any drawing under a Letter of Credit, each Bank shall, notwithstanding the existence of a Default or Event of Default or the non-satisfaction of any conditions precedent to the making of an advance of the Loans, advance proceeds of its Ratable Loan as a Base Rate Loan, in an amount equal to its Pro Rata Share of such drawing, which advance shall be made to Administrative Agent for disbursement to the Fronting Bank issuing such Letter of Credit to reimburse the Fronting Bank, for its own account, for such drawing, all in satisfaction of Borrower's obligation to reimburse such drawing. Each of the Banks further acknowledges that its obligation to fund its Pro Rata Share of drawings under Letters of Credit as aforesaid shall survive the Banks' termination of this Agreement or enforcement of remedies hereunder or under the other Loan Documents. If any Ratable Loan cannot for any reason be made on the date otherwise required above (including, without limitation, as a result of the commencement of a proceeding under any applicable bankruptcy law with respect to Borrower), then Borrower shall immediately reimburse such drawing by paying to the Administrative Agent the amount of such drawing and each of the Banks shall purchase (on the date such Ratable Loan would otherwise have been made) from the Fronting Bank a participation interest in any unreimbursed drawing in an amount equal to its Pro Rata Share of such unreimbursed drawing.

(i) Borrower agrees, upon and during the ~~occurrence~~ continuance of an Event of Default and at the request of Administrative Agent or the Required Banks (or automatically upon an Event of Default under Section 9.01(5)), (x) to deposit with Administrative Agent cash

collateral in the amount of all the outstanding Letters of Credit, which cash collateral is hereby pledged and shall be held by Administrative Agent for the benefit of the Banks and the Fronting Banks in an account as security for Borrower's obligations in connection with the Letters of Credit and (y) to execute and deliver to Administrative Agent such documents as Administrative Agent requests to confirm and perfect the assignment of such cash collateral and such account to Administrative Agent for the benefit of the Banks. Any such cash collateral deposited with Administrative Agent shall be returned immediately to Borrower upon the cure of such Event of Default.

(j) It is hereby acknowledged and agreed by the Borrower, the Administrative Agent and all the Banks party hereto that on the Execution Date, the letters of credit previously issued by Bank of America, N.A., JPMorgan Chase Bank, N.A. and/or Wells Fargo Bank, N.A. as "Fronting Bank" under the Existing 2019 Credit Agreement and listed on ~~SCHEDULE~~Schedule 2.17(j) attached hereto shall be transferred to this Agreement and shall be deemed to be Letters of Credit hereunder.

(k) A Fronting Bank may be replaced at any time by written agreement in a form reasonably satisfactory to the Administrative Agent among the Borrower, the Administrative Agent, the replaced Fronting Bank and the successor Fronting Bank. In addition, the Borrower, by written agreement in a form reasonably satisfactory to the Administrative Agent among Borrower, Administrative Agent and a Bank delivered to Administrative Agent, may designate such Bank as an additional Fronting Bank with such Letter of Credit Commitment as may be agreed on between such Bank and the Borrower provided that the sum of (x) all Letter of Credit Commitments plus (y) the aggregate undrawn amount of all outstanding Letters of Credit at such time plus (z) the aggregate amount of all drawings under Letters of Credit that have not yet been reimbursed by or on behalf of the Borrower (including, for clarity, by means of advances of Loans pursuant to this Agreement) shall not exceed \$200,000,000 (and the Letter of Credit Commitment of each other Fronting Bank shall be reduced pro rata by the amount of the additional Fronting Bank's Letter of Credit Commitment). The Administrative Agent shall notify the Banks of any such replacement of the Fronting Bank and any additional Fronting Bank. At the time any such replacement of a Fronting Bank shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Fronting Bank pursuant to Section 2.17(g). From and after the effective date of any such replacement or addition of a Fronting Bank, (x) the successor or additional (as applicable) Fronting Bank shall have all the rights and obligations of a Fronting Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (y) references herein to the term "Fronting Bank" shall be deemed to refer to such successor or additional Fronting Bank, or to any previous Fronting Bank, or to such successor or additional, and all previous, Fronting Banks and all other Fronting Banks, as the context shall require. After the replacement of a Fronting Bank hereunder, the replaced Fronting Bank shall remain a party hereto and shall continue to have all the rights and obligations of a Fronting Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit. Subject to the appointment and acceptance by Administrative Agent and Borrower of a successor Fronting Bank, any Fronting Bank may resign as a Fronting Bank at any time upon thirty days' prior written notice to the Administrative Agent, the Borrower and the Banks, in which case, such Fronting Bank shall be replaced as provided above.

(l) The Borrower's obligation to reimburse drawings under Letters of Credit as provided in paragraph (h) of this Section shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any

Letter of Credit or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Fronting Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Banks nor the Fronting Bank shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Fronting Bank; provided that the foregoing shall not be construed to excuse the Fronting Bank from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by the Fronting Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Fronting Bank (as finally determined by a court of competent jurisdiction), the Fronting Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Fronting Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(m) Notwithstanding that a Letter of Credit issued or outstanding hereunder supports any obligations of, or is for the account of, a Subsidiary or Affiliate of the Borrower, or states that a Subsidiary or Affiliate of the Borrower is the "account party," "applicant," "customer," "instructing party," or the like of or for such Letter of Credit, and without derogating from any rights of the applicable Fronting Bank (whether arising by contract, at law, in equity or otherwise) against such Subsidiary or Affiliate in respect of such Letter of Credit, the Borrower (i) shall reimburse, indemnify and compensate the applicable Fronting Bank hereunder for such Letter of Credit (including to reimburse any and all drawings thereunder) as if such Letter of Credit had been issued solely for the account of the Borrower and (ii) irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Subsidiary or Affiliate in respect of such Letter of Credit. The Borrower hereby acknowledges that the issuance of such Letters of Credit for its Subsidiaries and Affiliates inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries and Affiliates.

SECTION 2.18. Extension Option. Borrower may extend the Maturity Date two (2) times only for a period of six (6) months per extension upon satisfaction of the following terms and conditions for each extension: (i) delivery by Borrower of a written notice to Administrative Agent (an "Extension Notice") on or before a date that is not more than one hundred twenty (120) days nor less than one (1) month prior to the then-scheduled Maturity

Date, which Extension Notice Administrative Agent shall promptly deliver to the Banks, which Extension Notice shall include a certification dated as of the date of such Extension Notice signed by a duly authorized signatory of Borrower, stating, to the best of the certifying party's knowledge, (x) all representations and warranties contained in this Agreement and in each of the other Loan Documents are true and correct on and as of the date of such Extension Notice (except in those cases where such representation or warranty expressly relates to an earlier date, in which case such representations and warranties were true and correct as of such date, and except for changes in factual circumstances not prohibited under the Loan Documents), and (y) no Event of Default has occurred and is continuing; (ii) no Event of Default shall have occurred and be continuing on the original Maturity Date (an "Extension Date"); and (iii) Borrower shall pay to Administrative Agent on or before such Extension Date a fee equal to 0.0625% of the Total Loan Commitment on such Extension Date for each extension, which fee shall be distributed by Administrative Agent pro rata to each of the Banks based on each Bank's Pro Rata Share. Borrower's delivery of an Extension Notice shall be irrevocable.

ARTICLE III

YIELD PROTECTION; ILLEGALITY; ETC.

SECTION 3.01. Additional Costs. Borrower shall pay directly to each Bank and Fronting Bank from time to time on demand such amounts as such Bank or Fronting Bank may reasonably determine to be necessary to compensate it for any increased costs which such Bank or Fronting Bank determines are attributable to its making or maintaining any Loan, or its obligation to issue, maintain or participate in any Letter of Credit, or its obligation to make or maintain any Loan, or its obligation to Convert any Loan hereunder, or any reduction in any amount receivable by such Bank or Fronting Bank hereunder in respect of its Loan(s) or such obligations (such increases in costs and reductions in amounts receivable being herein called "Additional Costs"), in each case resulting from any Regulatory Change which:

(1) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, and (B) Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(2) (other than to the extent any reserve requirement is taken into account in determining the Adjusted Term SOFR Rate at the commencement of the applicable Interest Period) imposes or modifies any reserve, special deposit, liquidity, deposit insurance or assessment, minimum capital, capital ratio or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities of, such Bank (including any Term Benchmark Loan or RFR Loan), or any commitment of such Bank (including such Bank's Loan Commitment hereunder); or

(3) imposes any other condition, cost or expense (other than Taxes) affecting this Agreement or the Notes (or any of such extensions of credit or liabilities).

Without limiting the effect of the provisions of the first paragraph of this Section, in the event that, by reason of any Regulatory Change, any Bank becomes subject to restrictions on the amount of such a category of liabilities or assets which it may hold, then, if such Bank so elects by notice to Borrower (with a copy to Administrative Agent), the obligation of such Bank to permit Elections of, to Continue, or to Convert Loans shall be suspended (in which case the

provisions of Section 3.04 shall be applicable) until such Regulatory Change ceases to be in effect.

The obligations of Borrower under this Section shall survive the repayment of all amounts due under or in connection with any of the Loan Documents and the termination of the Loan Commitments in respect of the period prior to such termination.

Determinations and allocations by a Bank for purposes of this Section of the effect of any Regulatory Change pursuant to the first or second paragraph of this Section, on its costs or rate of return of making or maintaining its Loan or portions thereof or on amounts receivable by it in respect of its Loan or portions thereof, and the amounts required to compensate such Bank under this Section, shall be included in a calculation of such amounts given to Borrower and shall be conclusive absent manifest error.

Notwithstanding anything contained in this Article III to the contrary, Borrower shall only be obligated to pay any amounts due under this Section 3.01 or under Section 3.06 if, and a Bank shall not exercise any right under this Section 3.01 or Sections 3.02, 3.03, 3.04 or 3.06 unless, the applicable Bank has certified that it is generally imposing a similar charge on, or otherwise similarly enforcing its agreements with, its other similarly situated borrowers. In addition, Borrower shall not be obligated to compensate any Bank under any such provision for any amounts attributable to any period which is more than nine (9) months prior to such Bank's delivery of notice thereof to Borrower (except that if a Regulatory Change is retroactive, then such period shall be extended to include the period of retroactive effect, provided that such Bank delivered notice thereof to Borrower no later than nine (9) months after the date on which the Regulatory Change with such retroactive effect was made).

For purposes of this Section 3.01, the term "Bank" includes any Fronting Bank.

SECTION 3.02. Alternate Rate of Interest. Subject to clauses (b), (c), (d), (e) and (f) of this Section 3.02, if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) (A) prior to the commencement of any Interest Period for a Term Benchmark Loan, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate or the Term SOFR Rate (including because the Term SOFR Reference Rate is not available or published on a current basis), for such Interest Period or (B) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Daily Effective SOFR or the Adjusted Daily Effective SOFR Rate; or

(ii) the Administrative Agent is advised by the Required Banks that (A) prior to the commencement of any Interest Period for a Term Benchmark Loan, the Adjusted Term SOFR Rate for such Interest Period will not adequately and fairly reflect the cost to such Banks (or Bank) of making or maintaining their Loans (or its Loan) for such Interest Period or (B) at any time, the Adjusted Daily Effective SOFR Rate will not adequately and fairly reflect the cost to such Banks (or Bank) of making or maintaining their Loans (or its Loan);

then the Administrative Agent shall give notice thereof to the Borrower and the Banks by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Borrower and the Banks that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new notice of Election, Conversion or Continuation in accordance with the terms of Section 2.14 or a new borrowing request in accordance with the terms of Section 2.05, (1) any notice of Election, Conversion or Continuation that requests the conversion of any Loan to, or continuation of any Loan as, a Term Benchmark Loan and any borrowing request that requests a Term Benchmark Loan shall instead be deemed to be a notice of Election, Conversion or Continuation or a borrowing request, as applicable, for (x) an RFR Loan so long as the Adjusted Daily Effective SOFR Rate is not also the subject of Section 3.02(a)(i) or (ii) above or (y) a Base Rate Loan if the Adjusted Daily Effective SOFR Rate also is the subject of Section 3.02(a)(i) or (ii) above and (2) any borrowing request that requests an RFR Loan shall instead be deemed to be a borrowing request, as applicable, for a Base Rate Loan; provided that if the circumstances giving rise to such notice affect only one Type of Loan, then all other Types of Loans shall be permitted. Furthermore, if any Term Benchmark Loan or RFR Loan is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 3.02(a) with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until (x) the Administrative Agent notifies the Borrower and the Banks that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new notice of Election, Conversion or Continuation in accordance with the terms of Section 2.14 or a new borrowing request in accordance with the terms of Section 2.05, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan (or the next succeeding Banking Day if such day is not a Banking Day), be converted by the Administrative Agent to, and shall constitute, (x) an RFR Loan so long as the Adjusted Daily Effective SOFR Rate is not also the subject of Section 3.02(a)(i) or (ii) above or (y) a Base Rate Loan if the Adjusted Daily Effective SOFR Rate also is the subject of Section 3.02(a)(i) or (ii) above, on such day, and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute a Base Rate Loan.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Banking Day after the date notice of such Benchmark Replacement is provided to the Banks without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Banks comprising the Required Banks.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Administrative Agent will promptly notify the Borrower and the Banks of any occurrence of a Benchmark Transition Event, the implementation of any Benchmark Replacement, the effectiveness of any Benchmark Replacement Conforming Changes, the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Bank (or group of Banks) pursuant to this Section 3.02, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.02.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of “Interest Period” for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and if a tenor that was removed pursuant to clause (i) above either is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of “Interest Period” for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for **(i)** a Term Benchmark Loan ~~or RFR Loan of~~, conversion to or continuation of Term Benchmark Loans to be made, converted or continued **or (ii) an RFR Loan or conversion to RFR Loans** during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any request for a (1) Term Benchmark Loan into a request for a borrowing of or conversion to (A) an RFR Loan so long as the Adjusted Daily Effective SOFR Rate is not the subject of a Benchmark Transition Event or (B) a Base Rate Loan if the Adjusted Daily Effective SOFR Rate is the subject of a Benchmark Transition Event or (2) an RFR Loan into a request for a Base Rate Loan. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate. Furthermore, if any Term Benchmark Loan or RFR Loan is outstanding on the date of the Borrower’s receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 3.02, (1) any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan (or the next succeeding Banking Day if such day is not a Banking Day), be converted by the Administrative Agent to, and shall constitute, (x) an RFR Loan so long as the Adjusted Daily Effective SOFR Rate is not the subject of a Benchmark

Transition Event or (y) a Base Rate Loan if the Adjusted Daily Effective SOFR Rate is the subject of a Benchmark Transition Event, and (2) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute a Base Rate Loan.

SECTION 3.03. Illegality. Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Bank or its Applicable Lending Office to honor its obligation to make or maintain a Term Benchmark Loan or a RFR Loan hereunder, to allow Elections or Continuations of a Term Benchmark Loan or a RFR Loan or to Convert a Base Rate Loan into a Term Benchmark Loan or a RFR Loan, or to Convert a RFR Loan into a Term Benchmark Loan, then such Bank shall promptly notify Administrative Agent and Borrower thereof and such Bank's obligation to make or maintain a Term Benchmark Loan or a RFR Loan, or to permit Elections of, to Continue, or to Convert its Base Rate Loan into, a Term Benchmark Loan or a RFR Loan shall be suspended (in which case the provisions of Section 3.04 shall be applicable) until such time as such Bank may again make and maintain a Term Benchmark Loan or a RFR Loan.

SECTION 3.04. Treatment of Affected Loans. If the obligations of any Bank to make or maintain a Term Benchmark Loan or a RFR Loan, or to permit an Election of a Term Benchmark Loan or a RFR Loan, to Continue its Term Benchmark Loan, or to Convert its Base Rate Loan into a Term Benchmark Loan or a RFR Loan, are suspended pursuant to Section 3.01 or 3.03 (each Term Benchmark Loan or RFR Loan so affected being herein called an "Affected Loan"), such Bank's Affected Loan shall be automatically Converted into a Base Rate on the last day of the then current Interest Period for the Affected Loan (or, in the case of a Conversion or conversion resulting from Section 3.03 or a Conversion of a RFR Loan, on such earlier date as such Bank may specify to Borrower).

To the extent that such Bank's Affected Loan has been so Converted, all payments and prepayments of principal which would otherwise be applied to such Bank's Affected Loan shall be applied instead to its Base Rate Loan and such Bank shall have no obligation to Convert its Base Rate Loan into a Term Benchmark Loan or a RFR Loan.

SECTION 3.05. Certain Compensation. Other than in connection with a Conversion of an Affected Loan, Borrower shall pay to Administrative Agent for the account of the applicable Bank, upon the request of such Bank through Administrative Agent which request includes a calculation of the amount(s) due, such amount or amounts as shall be sufficient (in the reasonable opinion of such Bank) to compensate it for any loss, cost or expense which such Bank reasonably determines is attributable to:

(1) any payment or prepayment of a Term Benchmark Loan made by such Bank, or any Conversion of a Term Benchmark Loan made by such Bank, in any such case on a date other than the last day of an applicable Interest Period, whether by reason of acceleration or otherwise;

(2) any failure by Borrower for any reason to Convert a Term Benchmark Loan, a RFR Loan or a Base Rate Loan or to Continue a Term Benchmark Loan, as the case may be, to be Converted or Continued by such Bank on the date specified therefor in the relevant notice under Section 2.14;

(3) any failure by Borrower to borrow a Term Benchmark Loan which would otherwise be made hereunder on the date specified in the relevant Election notice under Section 2.14 given or submitted by Borrower; or

(4) any failure by Borrower to prepay a Term Benchmark Loan on the date specified in a notice of prepayment.

A certificate of any Bank as to the determination of the amounts payable pursuant to this Section shall be conclusive absent manifest error.

The obligations of Borrower under this Section shall survive the repayment of all amounts due under or in connection with any of the Loan Documents and the termination of the Loan Commitments in respect of the period prior to such termination.

SECTION 3.06. Capital Adequacy. If any Bank or Fronting Bank shall have determined that, after the date hereof, due to any Regulatory Change or the adoption of, or any change in, any applicable law, rule or regulation regarding capital adequacy or liquidity requirements, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy or liquidity requirements (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Bank or Fronting Bank (or its Parent) as a consequence of such Bank's or Fronting Bank's obligations hereunder to a level below that which such Bank or Fronting Bank (or its Parent) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy and liquidity) by an amount deemed by such Bank or Fronting Bank to be material, then from time to time, within ~~fifteen~~**thirty (+530)** days after demand by such Bank or Fronting Bank (with a copy to Administrative Agent), Borrower shall pay to such Bank or Fronting Bank such additional amount or amounts as will compensate such Bank or Fronting Bank (or its Parent) for such reduction. . **Each Bank and Fronting Bank shall allocate such cost increases and reductions among its customers in its discretion reasonably exercised in good faith; provided that in no event shall any Bank or Fronting Bank be obligated to disclose any information relating to its costs that it deems confidential.** A certificate of any Bank or Fronting Bank claiming compensation under this Section, setting forth in reasonable detail the basis therefor, shall be conclusive absent manifest error. The obligations of Borrower under this Section shall survive the repayment of all amounts due under or in connection with any of the Loan Documents and the termination of the Loan Commitments in respect of the period prior to such termination.

SECTION 3.07. Substitution of Banks. If any Bank (an "Affected Bank") (i) makes demand upon Borrower for (or if Borrower is otherwise required to pay) Additional Costs pursuant to Section 3.01, (ii) is unable to make or maintain a Term Benchmark Loan or RFR Loan as a result of a condition described in Section 3.03 or clause (2) of Section 3.02, (iii) has any increased costs as described in Section 3.06, (iv) requires the Borrower to pay any Indemnified Taxes or other amounts to such Bank or any Governmental Authority pursuant to Section 10.13, or (v) becomes a Defaulting Lender, Borrower may, within ninety (90) days of receipt of such demand or notice of the occurrence of an event described above in this Section 3.07 (provided (A) such 90-day limit shall not be applicable for a Defaulting Lender and (B) such 90-day period shall be extended for an additional period of 60 days if Borrower shall have attempted during such 90-day period to secure a Replacement Bank (as defined below) and

shall be diligently pursuing such attempt), give written notice (a “Replacement Notice”) to Administrative Agent and to each Bank of Borrower’s intention either (x) to prepay in full the Affected Bank’s Loans and to terminate the Affected Bank’s entire Loan Commitment or (y) to replace the Affected Bank with another financial institution (the “Replacement Bank”) designated in such Replacement Notice. After its replacement, an Affected Bank shall remain entitled to the benefits of Sections 3.01, 3.06, 10.13 and 12.04 in respect of the period prior to its replacement.

In the event Borrower opts to give the Replacement Notice described in clause (x) above, and if the Affected Bank shall not agree within thirty (30) days of its receipt thereof to waive the payment of the Additional Costs, Indemnified Taxes or other amounts in question or the effect of the circumstances described in Section 3.03, in clause (2) of Section 3.02 or in Section 3.06 or the Affected Bank shall continue to be a Defaulting Lender, then, so long as no Event of Default shall exist, Borrower may (notwithstanding the provisions of clause (2) of Section 2.16(a)) terminate the Affected Bank’s entire Loan Commitment, provided that in connection therewith it pays to the Affected Bank all outstanding principal and accrued and unpaid interest under the Affected Bank’s Loans, together with all other amounts, if any, due from Borrower to the Affected Bank, including all amounts properly demanded and unreimbursed under Sections 3.01, 3.05 or 10.13. After any termination as provided in this paragraph, an Affected Bank shall remain entitled to the benefits of Sections 3.01, 3.06, 10.13 and 12.04 in respect of the period prior to such termination.

In the event Borrower opts to give the Replacement Notice described in clause (y) above, and if Administrative Agent shall promptly (and in any event, within thirty (30) days of its receipt of the Replacement Notice), notify Borrower and each Bank in writing that the Replacement Bank is reasonably satisfactory to Administrative Agent, then the Affected Bank shall, so long as no Event of Default shall exist, assign its Loans and all of its rights and obligations under this Agreement to the Replacement Bank, and the Replacement Bank shall assume all of the Affected Bank’s rights and obligations, pursuant to an agreement, substantially in the form of an Assignment and Assumption Agreement, executed by the Affected Bank and the Replacement Bank. In connection with such assignment and assumption, the Replacement Bank shall pay to the Affected Bank an amount equal to the outstanding principal amount of the Affected Bank’s Loans plus all interest accrued thereon, plus all other amounts, if any (other than the Additional Costs in question), then due and payable to the Affected Bank; provided, however, that prior to or simultaneously with any such assignment and assumption, Borrower shall have paid to such Affected Bank all amounts properly demanded and unreimbursed under Sections 3.01, 3.05 and 10.13. Upon the effective date of such assignment and assumption, the Replacement Bank shall become a Bank Party to this Agreement and shall have all the rights and obligations of a Bank as set forth in such Assignment and Assumption Agreement, and the Affected Bank shall be released from its obligations hereunder, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this Section, a substitute Ratable Loan Note shall be issued to the Replacement Bank by Borrower, in exchange for the return of the Affected Bank’s Ratable Loan Note. The obligations evidenced by such substitute note shall constitute “Obligations” for all purposes of this Agreement and the other Loan Documents. If the Replacement Bank is not incorporated under the laws of the United States of America or a state thereof, it shall, prior to the first date on which interest or fees are payable hereunder for its account, deliver to Borrower and Administrative Agent a certification as to exemption from, or reduction of, deduction or withholding of any United States federal income taxes in accordance with Section 10.13. Each Replacement Bank shall be deemed to have

made the representations contained in, and shall be bound by the provisions of, Section 10.13. After any assignment as provided in this paragraph, an Affected Bank shall remain entitled to the benefits of Sections 3.01, 3.06, 10.13 and 12.04 in respect of the period prior to such assignment.

Borrower, Administrative Agent and the Banks shall execute such modifications to the Loan Documents as shall be reasonably required in connection with and to effectuate the foregoing.

SECTION 3.08. Obligation of Banks to Mitigate. Each Bank agrees that, as promptly as practicable after such Bank has actual knowledge of the occurrence of an event or the existence of a condition that would cause such Bank to become an Affected Bank or that would entitle such Bank to receive payments under Sections 3.01, 3.02, 3.03, 3.06 or 10.13, it will, to the extent not inconsistent with any applicable legal or regulatory restrictions, use reasonable efforts at the cost and expense of the Borrower (i) to make, issue, fund, or maintain the Loan Commitment of such Bank or the affected Loans of such Bank through another lending office of such Bank, or (ii) to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if as a result thereof the circumstances that would cause such Bank to be an Affected Bank would cease to exist or the additional amounts that would otherwise be required to be paid to such Bank pursuant to Sections 3.01, 3.02, 3.03, 3.06 or 10.13 would be reduced and if, as reasonably determined by such Bank in its sole discretion, the making, issuing, funding, or maintaining of such Loan Commitment or Loans through such other lending office or in accordance with such other measures, as the case may be, would not otherwise adversely affect such Loan Commitment or Loans or would not be otherwise disadvantageous to the interests of such Bank.

Each of its Consolidated Businesses is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization and has all requisite authority to conduct its business in each jurisdiction in which it owns property or conducts business, except where the failure to be so qualified or to obtain such authority would not constitute a Material Adverse Change. General Partner is a REIT duly organized and existing under the laws of the State of Maryland, with its principal executive office in the State of New York, is duly qualified as a foreign corporation or trust and properly licensed and in good standing in each jurisdiction where the failure to qualify or be licensed would constitute a Material Adverse Change. The common shares of beneficial interest of General Partner are listed on the New York Stock Exchange.

SECTION 5.02. Corporate/Partnership Powers. The execution, delivery and performance of this Agreement and the other Loan Documents required to be delivered by Borrower hereunder are within its partnership authority, have been duly authorized by all requisite action, and are not in conflict with the terms of any organizational documents of such entity, or any instrument or agreement to which Borrower or General Partner is a party or by which Borrower, General Partner or any of their respective assets may be bound or affected (which conflict with any such instrument or agreement would likely cause a Material Adverse Change).

SECTION 5.03. Power of Officers. The officers of General Partner executing the Loan Documents required to be delivered by it on behalf of Borrower hereunder have been duly elected or appointed and were fully authorized to execute the same at the time each such Loan Document was executed.

SECTION 5.04. Power and Authority; No Conflicts: Compliance With Laws. The execution and delivery of, and the performance of the obligations required to be performed by Borrower under, the Loan Documents do not and will not (a) violate any provision of, or, except for those which have been made or obtained, require any filing (other than SEC disclosure filings), registration, consent or approval under, any Law (including, without limitation, Regulation U), order, writ, judgment, injunction, decree, determination or award presently in effect having applicability to it, except for such violations, or filings, registrations, consents and approvals which if not done or obtained would not likely cause a Material Adverse Change to occur, (b) result in a breach of or constitute a default under or require any consent under any indenture or loan or credit agreement or any other agreement, lease or instrument to which it may be a party or by which it or its properties may be bound or affected except for consents which have been obtained or which if not obtained are not likely to cause a Material Adverse Change to occur, (c) result in, or require, the creation or imposition of any Lien, upon or with respect to any of its properties now owned or hereafter acquired which would likely cause a Material Adverse Change to occur, or (d) cause it to be in default under any such Law, order, writ, judgment, injunction, decree, determination or award or any such indenture, agreement, lease or instrument which would likely cause a Material Adverse Change to occur; to the best of its knowledge, Borrower is in compliance with all Laws applicable to it and its properties where the failure to be in compliance would cause a Material Adverse Change to occur.

SECTION 5.05. Legally Enforceable Agreements. Each Loan Document is a legal, valid and binding obligation of Borrower, enforceable in accordance with its terms, except to the extent that such enforcement may be limited by applicable bankruptcy, insolvency and other similar laws affecting creditors' rights generally, as well as general principles of equity and an implied covenant of good faith and fair dealing.

SECTION 5.06. Litigation. Except as disclosed in General Partner's SEC Reports existing as of the date hereof, there are no investigations, actions, suits or proceedings pending or, to its knowledge, threatened against Borrower, General Partner or any of their Affiliates before any court or arbitrator or any Governmental Authority reasonably likely to (i) have a material effect on Borrower's ability to repay the Loans, (ii) result in a Material Adverse Change, or (iii) affect the validity or enforceability of any Loan Document.

SECTION 5.07. Good Title to Properties. Borrower and each of its Material Affiliates have good, marketable and legal title to all of the properties and assets each of them purports to own (including, without limitation, those reflected in the financial statements referred to in Sections 4.01(3) and 5.15 and only with exceptions which do not materially detract from the value of such property or assets or the use thereof in Borrower's and such Affiliate's businesses, and except to the extent that any such properties and assets have been encumbered or disposed of since the date of such financial statements without violating any of the covenants contained in Article VII or elsewhere in this Agreement) except where failure to comply with the foregoing would not likely result in a Material Adverse Change. Borrower and its Material Affiliates enjoy peaceful and undisturbed possession of all leased property under leases which are valid and

subsisting and are in full force and effect, except to the extent that the failure to be so would not likely result in a Material Adverse Change.

SECTION 5.08. Taxes. Borrower has filed all tax returns (federal, state and local) required to be filed and has paid all taxes, assessments and governmental charges and levies due and payable without the imposition of a penalty, including interest and penalties, except to the extent they are the subject of a Good Faith Contest or where the failure to comply with the foregoing would not likely result in a Material Adverse Change.

SECTION 5.09. ERISA. To the knowledge of Borrower, each Plan is in compliance in all material respects with its terms and all applicable provisions of ERISA. ARTICLE X

ADMINISTRATIVE AGENT; RELATIONS AMONG BANKS

SECTION 10.01. Appointment, Powers and Immunities of Administrative Agent. Each Bank and each Fronting Bank hereby irrevocably appoints and authorizes Administrative Agent to act as its agent hereunder and under any other Loan Document with such powers as are

specifically delegated to Administrative Agent by the terms of this Agreement and any other Loan Document, together with such other powers as are reasonably incidental thereto. Administrative Agent shall have no duties or responsibilities except those expressly set forth in this Agreement and any other Loan Document or required by law, and its duties are entirely mechanical and administrative in nature. The motivations of the Administrative Agent are commercial in nature and not to invest in the general performance or operations of the Borrower. Administrative Agent shall not by reason of this Agreement be a fiduciary or trustee for any Bank except to the extent that Administrative Agent acts as an agent with respect to the receipt or payment of funds (nor shall Administrative Agent have any fiduciary duty to Borrower nor shall any Bank have any fiduciary duty to Borrower or to any other Bank) (and it is understood and agreed that the use of the term “agent” (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Bank agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and the transactions contemplated hereby. Administrative Agent shall not be responsible to the Banks for any recitals, statements, representations or warranties made by Borrower or any officer, partner or official of Borrower or any other Person contained in this Agreement or any other Loan Document, or in any certificate or other document or instrument referred to or provided for in, or received by any of them under, this Agreement or any other Loan Document, or for the value, legality, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or any other document or instrument referred to or provided for herein or therein (including, for the avoidance of doubt, in connection with the Administrative Agent’s reliance on any Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), for the perfection or priority of any Lien securing the Obligations or for any failure by Borrower to perform any of its obligations hereunder or thereunder. Administrative Agent may employ agents and attorneys-in-fact and shall not be responsible, except as to money or securities received by it or its authorized agents, for the negligence or misconduct of any such agents or attorneys-in-fact except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such agent or attorney-in-fact. Neither Administrative Agent nor any of its directors, officers, employees or agents shall be liable or responsible for any action taken or omitted to be taken by it or them hereunder or under any other Loan Document or in connection herewith or therewith, except for its or their own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and non-appealable judgment. Borrower shall pay any fee agreed to by Borrower and Administrative Agent with respect to Administrative Agent’s services hereunder.

SECTION 10.02. Reliance by Administrative Agent. Administrative Agent shall be entitled to rely upon any certification, notice or other communication (including any thereof by telephone, telefax or cable) believed by it to be genuine and correct and to have been signed or sent by or on behalf of the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by Administrative Agent. Administrative Agent may deem and treat each Bank as the holder of the Loan made by it for all

purposes hereof and shall not be required to deal with any Person who has acquired a participation in any Loan or participation from a Bank. As to any matters not expressly provided for by this Agreement or any other Loan Document, Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or refrain from acting (and shall in all cases be fully protected in acting, or in refraining from acting) hereunder in accordance with instructions signed by the Required Banks (or such other number or percentage of Banks required hereunder), and such instructions and any action taken or failure to act pursuant thereto shall be binding on all of the Banks and any other holder of all or any portion of any Loan or participation; provided, however, that the Administrative Agent shall not be required to take any action that (i) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification and is exculpated in a manner satisfactory to it from the Banks with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Banks prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided.

The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default or Event of Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent.

Without limiting the foregoing, the Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 12.05, (ii) may rely on the Register to the extent set forth in Section 12.05(c), (iii) may consult with legal counsel (including counsel to the Borrower), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (iv) makes no warranty or representation to any Bank and shall not be responsible to any Bank for any statements, warranties or representations made by or on behalf of the Borrower in connection with this Agreement or any other Loan Document, (v) in determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Bank, may presume that such condition is satisfactory to such Bank unless the Administrative Agent shall have received notice to the contrary from such Bank sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit and (vi) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent,

certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

SECTION 10.03. Defaults. Administrative Agent shall not be deemed to have knowledge of the occurrence of a Default or Event of Default (other than an Event of Default pursuant to Section 9.01(1)) unless Administrative Agent has received notice from a Bank or Borrower specifying such Default or Event of Default and stating that such notice is a “Notice of Default.” In the event that Administrative Agent receives a Notice of Default, Administrative Agent shall give prompt notice thereof to the Banks. Administrative Agent, following consultation with the Banks, shall (subject to Section 10.07 and Section 12.02) take such action with respect to such Default or Event of Default which is continuing as shall be directed by the Required Banks; provided that, unless and until Administrative Agent shall have received such directions, Administrative Agent may take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interest of the Banks; and provided further that Administrative Agent shall not send a notice of Default, Event of Default or acceleration to Borrower without the approval of the Required Banks. In no event shall Administrative Agent be required to take any such action which it determines to be contrary to law.

SECTION 10.04. Rights of Agent as a Bank. With respect to its Loan Commitment and the Loan provided by it, each Person serving as an Agent in its capacity as a Bank hereunder shall have the same rights and powers hereunder as any other Bank and may exercise the same as though it were not acting as such Agent, and the term any “Bank” or “Banks” shall include each Person serving as an Agent in its capacity as a Bank. Each Person serving as an Agent and its Affiliates may (without having to account therefor to any Bank) accept deposits from, lend money to (on a secured or unsecured basis), and generally engage in any kind of banking, trust or other business with, Borrower (and any Affiliates of Borrower) as if it were not acting as such Agent.

SECTION 10.05. Indemnification of Agents. Each Bank agrees to indemnify each Agent (to the extent not reimbursed under Section 12.04 or under the applicable provisions of any other Loan Document, but without limiting the obligations of Borrower under Section 12.04 or such provisions), for its Pro Rata Share of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind and nature whatsoever which may be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of this Agreement, any other Loan Document or any other documents contemplated by or referred to herein or the transactions contemplated hereby or thereby (including, without limitation, the costs and expenses which Borrower is obligated to pay under Section 12.04) or under the applicable provisions of any other Loan Document or the enforcement of any of the terms hereof or thereof or of any such other documents or instruments; provided that no Bank shall be liable for (1) any of the foregoing to the extent they arise from the gross negligence or willful misconduct of the party to be indemnified, (2) any loss of principal or interest with respect to the Loan of any Bank serving as an Agent or (3) any loss suffered by such Agent in connection with a swap or other interest rate hedging arrangement entered into with Borrower.

SECTION 10.06. Non-Reliance on Agents and Other Banks. Each Bank represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility, (ii) it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Bank, in each case in the ordinary course of business, and is making the loans hereunder as commercial loans in the ordinary course of its business and not for the purpose of purchasing, acquiring or holding any other type of financial instrument and (iii) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein. Each Bank agrees that it has, independently and without reliance on any Agent or any other Bank, and based on such documents and information as it has deemed appropriate, made its own credit analysis of Borrower and the decision to enter into this Agreement and that it will, independently and without reliance upon any Agent or any other Bank, and based on such documents and information as it shall deem appropriate at the time, continue to make its own analysis and decisions in taking or not taking action under this Agreement or any other Loan Document. Each Agent shall not be required to keep itself informed as to the performance or observance by Borrower of this Agreement or any other Loan Document or any other document referred to or provided for herein or therein or to inspect the properties or books of Borrower. Except for notices, reports and other documents and information expressly required to be furnished to the Banks by any Agent hereunder, each Agent shall not have any duty or responsibility to provide any Bank with any credit or other information concerning the affairs, financial condition or business of Borrower (or any Affiliate of Borrower) which may come into the possession of such Agent or any of its Affiliates. Each Agent shall not be required to file this Agreement, any other Loan Document or any document or instrument referred to herein or therein for record, or give notice of this Agreement, any other Loan Document or any document or instrument referred to herein or therein, to anyone. Each Bank, by delivering its signature page to this Agreement on the Closing Date, or delivering its signature page to an Assignment and Assumption Agreement or any other Loan Document pursuant to which it shall become a Bank hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Banks on the Closing Date.

Each Bank and each Fronting Bank also acknowledges and agrees that none of the Administrative Agent, any Joint Lead Arranger, any Co-Syndication Agent, any Documentation Agent, or any Sustainability Structuring Agent acting in such capacities have made any assurances as to (i) whether the credit facility evidenced by this Agreement meet such Bank's or Fronting Bank's criteria or expectations with regard to environmental impact and sustainability performance, (ii) whether any characteristics of the credit facility evidenced by this Agreement, including the characteristics of the relevant key performance indicators to which the Borrower will link a potential margin and/or facility fee adjustment, including their environmental and sustainability criteria, meet any industry standards or market expectations for sustainability-linked credit facilities or (iii) whether the relevant KPI or targets with respect thereto will be attainable or able to be maintained by the Borrower, and (b) each Bank and Fronting Bank has performed its own independent investigation and analysis of the credit facility evidenced by this Agreement and whether such credit facility meet its own criteria or expectations with regard to environmental impact and/or sustainability performance.

SECTION 10.07. Failure of Administrative Agent to Act. Except for action expressly required of Administrative Agent hereunder, Administrative Agent shall in all cases be fully

justified in failing or refusing to act hereunder unless it shall have received further assurances (which may include cash collateral) of the indemnification obligations of the Banks under Section 10.05 in respect of any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

SECTION 10.08. Resignation or Removal of Administrative Agent. Administrative Agent shall have the right to resign at any time. Administrative Agent may be removed at any time with cause by the Required Banks as a result of its gross negligence or willful misconduct as determined by a court of competent jurisdiction by a final and non-appealable judgment, provided that Borrower and the other Banks shall be promptly notified in writing thereof. Upon any such removal or resignation, the Required Banks shall have the right to appoint a successor Administrative Agent which successor Administrative Agent, so long as it is reasonably acceptable both to the Required Banks and, provided that no Default or Event of Default shall then exist, the Borrower, shall be that Bank then having the greatest Loan Commitment (other than the Bank resigning or being removed as Administrative Agent). If ~~no successor~~ such Bank then having the greatest Loan Commitment (other than the Bank resigning or being removed as Administrative Agent ~~shall have been so appointed by the Required Banks and shall)~~ shall not have accepted such appointment within thirty (30) days after the Required Banks' removal or resignation of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Banks, appoint a successor Administrative Agent, which shall be ~~one of the Banks~~ the Bank with the then greatest Loan Commitment willing to serve as such (other than the Bank resigning or being removed as Administrative Agent). The Required Banks or the retiring Administrative Agent, as the case may be, shall upon the appointment of a successor Administrative Agent promptly so notify in writing Borrower and the other Banks. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. After any retiring Administrative Agent's resignation or removal hereunder as Administrative Agent, the provisions of this Article X and Section 12.04 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Administrative Agent.

SECTION 10.09. Amendments Concerning Agency Function. Notwithstanding anything to the contrary contained in this Agreement, no Agent shall be bound by any waiver, amendment, supplement or modification of this Agreement or any other Loan Document which affects its duties, rights, and/or function hereunder or thereunder unless it shall have given its prior written consent thereto.

SECTION 10.10. Liability of Administrative Agent. Administrative Agent shall not have any liabilities or responsibilities to Borrower on account of the failure of any Bank to perform its obligations hereunder or to any Bank on account of the failure of Borrower to perform its obligations hereunder or under any other Loan Document.

SECTION 10.11. Transfer of Agency Function. Without the consent of Borrower or any Bank, Administrative Agent may at any time or from time to time transfer its functions as Administrative Agent hereunder to any of its offices wherever located in the United States, provided that Administrative Agent shall promptly notify in writing Borrower and the Banks thereof.

SECTION 10.12. Non-Receipt of Funds by Administrative Agent; Erroneous Payments. Unless Administrative Agent shall have received notice from a Bank or Borrower (either one as appropriate being the “Payor”) prior to the date on which such Bank is to make payment hereunder to Administrative Agent of the proceeds of a Loan or Borrower is to make payment to Administrative Agent, as the case may be (either such payment being a “Required Payment”), which notice shall be effective upon receipt, that the Payor will not make the Required Payment in full to Administrative Agent, Administrative Agent may assume that the Required Payment has been made in full to Administrative Agent on such date, and Administrative Agent in its sole discretion may, but shall not be obligated to, in reliance upon such assumption, make the amount thereof available to the intended recipient on such date. If and to the extent the Payor shall not have in fact so made the Required Payment in full to Administrative Agent, the recipient of such payment shall repay to Administrative Agent forthwith on demand such amount made available to it together with interest thereon, for each day from the date such amount was so made available by Administrative Agent until the date Administrative Agent recovers such amount, at the customary rate set by Administrative Agent for the correction of errors among Banks for three (3) Banking Days and thereafter at the Base Rate.

(b) (i) Each Bank hereby agrees that (x) if the Administrative Agent notifies such Bank that the Administrative Agent has determined in its sole discretion that any funds received by such Bank from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a “Payment”) were erroneously transmitted to such Bank (whether or not known to such Bank), and demands the return of such Payment (or a portion thereof), such Bank shall promptly, but in no event later than one Banking Day thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Bank shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on “discharge for value” or any similar doctrine. A notice of the Administrative Agent to any Bank under this Section 10.12(b) shall be conclusive, absent manifest error.

(ii) Each Bank hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a “Payment Notice”) or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Bank agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Bank shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Banking Day thereafter (or such later date as the

Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) The Borrower hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Bank that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Bank with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower, except, in each case, to the extent such erroneous Payment is, and solely with respect to the amount of such erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower for the purpose of making such erroneous Payment.

(iv) Each party's obligations under this Section 10.12(b) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Bank, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 10.13. (a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 10.13) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 10.13, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Borrower. The Borrower shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including

Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Recipient (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Recipient, shall be conclusive absent manifest error.

(e) Indemnification by the Banks. Each Bank shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Bank (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Bank's failure to comply with the provisions of Section 12.05(b) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Bank, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Bank by the Administrative Agent shall be conclusive absent manifest error. Each Bank hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Bank under any Loan Document or otherwise payable by the Administrative Agent to such Bank from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Banks. Any Bank that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Bank, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Bank is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 10.13(f)(ii)(A), (B) and (D) below) shall not be required if in the applicable Bank's reasonable judgment such completion, execution or submission would subject such Bank to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Bank.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Bank that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Bank becomes a Bank under this Agreement (and from time to time thereafter upon the reasonable

request of the Borrower or the Administrative Agent), an executed copy of IRS Form W-9 certifying that such Bank is exempt from U.S. Federal backup withholding tax;

(B) any Foreign Bank shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Bank becomes a Bank under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Bank claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed copy of IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) in the case of a Foreign Bank claiming that its extension of credit will generate U.S. effectively connected income, an executed copy of IRS Form W-8ECI;

(3) in the case of a Foreign Bank claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of EXHIBIT H-1 to the effect that such Foreign Bank is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” within the meaning of Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) an executed copy of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Foreign Bank is not the beneficial owner, an executed copy of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of EXHIBIT H-2 or EXHIBIT H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Bank is a partnership and one or more direct or indirect partners of such Foreign Bank are claiming the portfolio interest exemption, such Foreign Bank may provide a U.S. Tax Compliance Certificate substantially in the form of EXHIBIT H-4 on behalf of each such direct and indirect partner;

(C) any Foreign Bank shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies

as shall be requested by the recipient) on or prior to the date on which such Foreign Bank becomes a Bank under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Bank under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Bank were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Bank shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Bank has complied with such Bank's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Bank agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 10.13 (including by the payment of additional amounts pursuant to this Section 10.13), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 10.13 with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will any indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place such indemnified party in a less favorable net after-Tax position than such indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating

to its Taxes that it deems confidential) to, or to apply for or seek a refund of any Taxes on behalf of, any indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 10.13 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Bank, the termination of the Loan Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) Defined Terms. For purposes of this Section 10.13, the term “**Bank**” includes any Fronting Bank and the term “**applicable law**” includes FATCA.

SECTION 10.14. Pro Rata Treatment. Except to the extent otherwise provided, (1) each advance of proceeds of the Ratable Loans shall be made by the Banks, (2) each reduction of the amount of the Total Loan Commitment under Section 2.16 shall be applied to the Loan Commitments of the Banks and (3) each payment of the ~~facility~~ **Facility Fee** accruing under Section 2.08 shall be made for the account of the Banks, ratably according to the amounts of their respective Loan Commitments.

SECTION 10.15. Sharing of Payments Among Banks. If a Bank shall obtain payment of any principal of or interest on any Loan made by it through the exercise of any right of setoff, banker's lien or counterclaim, or by any other means (including direct payment), and such payment results in such Bank receiving a greater payment than it would have been entitled to had such payment been paid directly to Administrative Agent for disbursement to the Banks, then such Bank shall promptly purchase for cash from the other Banks participations in the Loans made by the other Banks in such amounts, and make such other adjustments from time to time as shall be equitable to the end that all the Banks shall share ratably the benefit of such payment; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Bank as consideration for the assignment of or sale of a participation in any of its Loans or participations in Letters of Credit to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). To such end the Banks shall make appropriate adjustments among themselves (by the resale of participations sold or otherwise) if such payment is rescinded or must otherwise be restored. Borrower agrees that any Bank so purchasing a participation in the Loans made by other Banks may exercise all rights of setoff, banker's lien, counterclaim or similar rights with respect to such participation. Nothing contained herein shall require any Bank to exercise any such right or shall affect the right of any Bank to exercise, and retain the benefits of exercising, any such right with respect to any other indebtedness of Borrower.

SECTION 10.16. Possession of Documents. Each Bank shall keep possession of its own Ratable Loan Note. Administrative Agent shall hold all the other Loan Documents and related documents in its possession and maintain separate records and accounts with respect thereto, and shall permit the Banks and their representatives access at all reasonable times to inspect such Loan Documents, related documents, records and accounts.

SECTION 10.17. Syndication Agents, Documentation Agents, Etc. The Banks and financial institutions serving as Syndication Agents, Documentation Agents, Sustainability Structuring Agent or Joint Lead Arrangers shall have no duties or obligations in such capacities and shall incur no liability hereunder in such capacities, but shall have the benefit of the indemnities provided for hereunder. In addition, in acting as an Agent, no Bank will have any responsibility except as set forth herein and shall in no event be subject to any fiduciary or other implied duties.

SECTION 10.18. Certain ERISA Matters.

(a) Each Bank (x) represents and warrants, as of the date such Person became a Bank party hereto, to, and (y) covenants, from the date such Person became a Bank party hereto to the date such Person ceases being a Bank party hereto, for the benefit of the Administrative Agent and each Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the General Partner or the Borrower, that at least one of the following is and will be true:

(i) such Bank is not using “plan assets” (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans in connection with the Loans, the Letters of Credit, the Loan Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Bank's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Loan Commitments and this Agreement,

(iii) (A) such Bank is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Bank to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Loan Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Loan Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Bank, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Bank's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Loan Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Bank.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Bank or (2) such Bank has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Bank further (x) represents and warrants, as of the date such Person became a Bank party hereto, to, and (y) covenants, from the date such Person became a Bank party hereto to the date such Person ceases being a Bank party hereto, for the benefit of the Administrative Agent and each Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the General Partner or the Borrower, that none of the Administrative Agent or any Lead Arranger or any of their respective Affiliates is a fiduciary with respect to the assets of such Bank (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

(c) The Administrative Agent and each Lead Arranger hereby informs the Banks that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Loan Commitments, this Agreement and any other Loan Documents (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Loan Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Loan Commitments by such Bank or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

SECTION 10.19. Sustainability Matters. Each party hereto hereby agrees that none of the Administrative Agent, any Joint Lead Arranger or the Sustainability Structuring Agent shall have (x) any duty to ascertain, inquire into or otherwise independently verify any sustainability related information or any other information or materials provided by the Borrower and used in connection with the sustainability provisions of the credit facility evidenced by this Agreement, including with respect to the applicable KPI nor (y) any responsibility for (or liability in respect of) the completeness or accuracy of such information. Each party hereto hereby agrees that none of Administrative Agent, the Sustainability Structuring Agent or any Joint Lead Arranger shall have any responsibility for (or liability in respect of) reviewing, auditing or otherwise evaluating any calculation by the Borrower of any Sustainability Rate Adjustment (or any of the data or computations that are part of or related to any such calculation) set forth in any Pricing Certificate or notice as to a Pricing Certificate Inaccuracy (and the Administrative Agent, the Joint Lead Arrangers and the Sustainability Structuring Agent may rely conclusively on any such certificate or notice, without further inquiry).

ARTICLE XI

NATURE OF OBLIGATIONS

SECTION 11.01. Absolute and Unconditional Obligations. Borrower acknowledges and agrees that its obligations and liabilities under this Agreement and under the other Loan Documents shall be absolute and unconditional irrespective of (1) any lack of validity or enforceability of any of the Obligations, any Loan Documents, or any agreement or instrument relating thereto; (2) any change in the time, manner or place of payment of, or in any other term in respect of, all or any of the Obligations, or any other amendment or waiver of or consent to any departure from any Loan Documents or any other documents or instruments executed in connection with or related to the Obligations; (3) any exchange or release of any collateral, if any, or of any other Person from all or any of the Obligations; or (4) any other circumstances which might otherwise constitute a defense available to, or a discharge of, Borrower or any other Person in respect of the Obligations.

The obligations and liabilities of Borrower under this Agreement and the other Loan Documents shall not be conditioned or contingent upon the pursuit by any Bank or any other Person at any time of any right or remedy against Borrower, General Partner or any other Person which may be or become liable in respect of all or any part of the Obligations or against any collateral or security or guarantee therefor or right of setoff with respect thereto.

SECTION 11.02. Non-Recourse to VRT Principals and the General Partner. This Agreement and the obligations hereunder and under the other Loan Documents are fully recourse to Borrower. Notwithstanding anything to the contrary contained in this Agreement, in any of the other Loan Documents, or in any other instruments, certificates, documents or agreements executed in connection with the Loans (all of the foregoing, for purposes of this Section, hereinafter referred to, individually and collectively, as the “Relevant Documents”), and notwithstanding any applicable law that would make the General Partner liable for the debts or obligations of the Borrower, including as a general partner, no recourse under or upon any Obligation, representation, warranty, promise or other matter whatsoever shall be had against any of the VRT Principals or the General Partner, and each Bank expressly waives and releases, on behalf of itself and its successors and assigns, all right to assert any liability whatsoever under or with respect to the Relevant Documents against, or to satisfy any claim or obligation arising thereunder against, any of the VRT Principals or the General Partner or out of any assets of the VRT Principals or the General Partner, provided, however, that nothing in this Section shall be deemed to (1) release Borrower from any liability pursuant to, or from any of its obligations under, the Relevant Documents, or from liability for its fraudulent actions or fraudulent omissions; (2) release any VRT Principals or the General Partner from personal liability arising outside of the terms of this Agreement for its, his or her own fraudulent actions, fraudulent omissions, misappropriation of funds, rents or insurance proceeds, gross negligence or willful misconduct; (3) constitute a waiver of any obligation evidenced or secured by, or contained in, the Relevant Documents or affect in any way the validity or enforceability of the Relevant Documents; or (4) limit the right of Administrative Agent and/or the Banks to proceed against or realize upon any collateral hereafter given for the Loans and Letters of Credit or any and all of the assets of Borrower (notwithstanding the fact that the VRT Principals and the General Partner have an ownership interest in Borrower and, thereby, an interest in the assets of Borrower) or to name Borrower (or, to the extent that the same are required by applicable law or are determined by a court to be necessary parties in connection with an action or suit against Borrower or any collateral hereafter given for the Loans, the General Partner) as a party defendant in, and to enforce against any collateral hereafter given for the Loans and/or assets of Borrower any judgment obtained by Administrative Agent and/or the Banks with respect to, any action or suit

under the Relevant Documents so long as no judgment shall be taken (except to the extent taking a judgment is required by applicable law or determined by a court to be necessary to preserve Administrative Agent's and/or Banks' rights against any collateral hereafter given for the Loans or Borrower, but not otherwise) or shall be enforced against any of the VRT Principals or the General Partner or their assets.

ARTICLE XII

MISCELLANEOUS

SECTION 12.01. Binding Effect of Request for Advance. Borrower agrees that, by its acceptance of any advance of proceeds of the Loans under this Agreement or the issuance of any Letter of Credit, it shall be bound in all respects by the request for advance or Letter of Credit submitted on its behalf in connection therewith with the same force and effect as if Borrower had itself executed and submitted the request for advance or Letter of Credit and whether or not the request for advance is executed and/or submitted by an authorized person.

SECTION 12.02. Amendments and Waivers. ~~Except as permitted by~~ **Subject to Section 1.08**, Section 2.16(c) (with respect to the Incremental Commitments) and Sections 3.02(b) ~~and~~, (c) **and (d)**, no amendment, forbearance or material waiver of any provision of this Agreement or any other Loan Document nor consent to any material departure by Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by the Required Banks and, solely for purposes of its acknowledgment thereof, Administrative Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given, provided, however, that no amendment, waiver, consent or forbearance shall, unless in writing and signed by all the Banks (or in the case of (1), (2), ~~(4)~~ and ~~(67)~~ below, signed by all the Banks **directly and adversely** affected thereby) do any of the following: (1) forgive or reduce the principal of, or interest on, the Loans or any fees due hereunder or any other amount due hereunder or under any other Loan Document; (2) postpone or extend any date fixed for any payment of principal of, or interest on, the Loans or any fees or other amounts due hereunder or under any other Loan Document, or postpone the scheduled date of expiration of any Loan Commitment; (3) change the definition of Required Banks ~~or~~, **(4) change the definition of** Pro Rata Share or change Section **9.03**, 10.14 or 10.15 in a manner that would alter the pro rata sharing of payments required thereby; **(45)** amend this Section 12.02 or any other provision requiring the unanimous consent of the Banks; ~~(56)~~ waive any default in payment under paragraph (1) of Section 9.01 or any default under paragraph (5) of Section 9.01; ~~(67)~~ increase or decrease any Loan Commitment of any Bank (except changes in Loan Commitments pursuant to Section 2.16); ~~(78)~~ release any guaranty (other than a guaranty given pursuant to Section 12.21 or Section 12.22); ~~(89)~~ permit the expiration date of any Letter of Credit to be later than the first anniversary of the Maturity Date; or **(910)** permit the assignment or transfer by the Borrower of any of its rights or obligations hereunder or under any other Loan Document except in a transaction permitted (with or without the Required Banks' consent) pursuant to Section 7.01; and provided further, that an amendment, waiver or consent relating to the Letters of Credit (including any letter of credit application; provided that the provisions of this Agreement shall prevail if there is an inconsistency between this Agreement and such amendment, waiver or consent to a letter of credit application) shall only be binding if in writing and signed by the Fronting Banks affected thereby.

Notwithstanding the foregoing, if the Administrative Agent and the Borrower acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Loan Document, then the Administrative Agent and the Borrower shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement.

Any advance of proceeds of the Loans made prior to or without the fulfillment by Borrower of all of the conditions precedent thereto, whether or not known to Administrative Agent and the Banks, shall not constitute a waiver of the requirement that all conditions, including the non-performed conditions, shall be required with respect to all future advances. No failure on the part of Administrative Agent or any Bank to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof or preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. ~~All communications from Administrative Agent to the Banks requesting the Banks' determination, consent, approval or disapproval (i) shall be given in the form of a written notice to each Bank, (ii) shall be accompanied by a description of the matter or thing as to which such determination, approval, consent or disapproval is requested and (iii) shall include Administrative Agent's recommended course of action or determination in respect thereof. Each Bank shall reply promptly, but in any event within fifteen (15) Banking Days (or five (5) Banking Days with respect to any decision to accelerate or stop acceleration of the Loan) after receipt of the request therefor by Administrative Agent (the "Bank Reply Period"). Other than with respect to item (1) through (9) in the first paragraph above, unless a Bank shall give written notice to Administrative Agent that it objects to the recommendation or determination of Administrative Agent within the Bank Reply Period, such Bank shall be deemed to have approved or consented to such recommendation or determination.~~

SECTION 12.03. Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Bank may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as any Obligations hereunder are outstanding and unpaid.

SECTION 12.04 Expenses; Indemnification. Borrower agrees to reimburse Administrative Agent on demand for all reasonable out-of-pocket costs, expenses, and charges (including, without limitation, all reasonable fees and charges of engineers, appraisers and external legal counsel) incurred by Administrative Agent in connection with the Loans and the Loan Documents (including any amendments, modifications and waivers thereto), to reimburse each Fronting Bank for all reasonable out-of-pocket expenses incurred by it in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, and to reimburse each of the Banks for reasonable out-of-pocket legal costs, expenses and charges incurred by each of the Banks in connection with the performance or enforcement of this Agreement, the Notes, or any other Loan Documents, including during any workout or restructuring; provided, however, that Borrower is not responsible for costs, expenses

and charges incurred by the Bank Parties in connection with the administration or syndication of the Loans (other than any administration fee payable to Administrative Agent). Borrower agrees to indemnify Administrative Agent, each Bank, the Sustainability Structuring Agent, Affiliates of the foregoing, and their respective directors, officers, employees, partners, agents and advisors (each, an “indemnified person”) from, and hold each of them harmless against, any and all losses, liabilities, claims, damages or expenses incurred by any of them arising out of or by reason of (w) the execution, delivery or performance of the Loan Documents or the use of the proceeds of the Loans or Letters of Credit, directly or indirectly, by Borrower, (x) any claims by brokers due to acts or omissions by Borrower, (y) any investigation or litigation or other proceedings (including any threatened investigation or litigation or other proceedings) relating to any actual or proposed use by Borrower of the proceeds of the Loans, including without limitation, the reasonable fees and disbursements of third-party counsel incurred in connection with any such investigation or litigation or other proceedings, or (z) third party claims or actions against any indemnified person relating to or arising from this Agreement and the other Loan Documents and the transactions contemplated pursuant to this Agreement and the other Loan Documents, in all cases whether or not such investigation or litigation or other proceeding is brought by the Borrower or its equity holders, Affiliates, creditors or any other third Person and regardless of whether any indemnified person is a party thereto; provided, however, that such indemnification shall exclude any such losses, liabilities, claims, damages or expenses incurred by reason of the gross negligence or willful misconduct of such indemnified person to be indemnified as determined by a final and non-appealable judgment of a court of competent jurisdiction. In third-party litigation, or the preparation therefor, the Borrower shall be entitled to select counsel reasonably acceptable to the Required Banks, and the Agent (as approved by the Required Banks) shall be entitled to select their own supervisory counsel, and, in addition to the foregoing indemnity, the Borrower agrees to pay promptly the reasonable fees and expenses of each such counsel.

The obligations of Borrower under this Section shall survive the repayment of all amounts due under or in connection with any of the Loan Documents and the termination of the Loan Commitments.

SECTION 12.05 Assignment; Participation.

(a) This Agreement shall be binding upon, and shall inure to the benefit of, Borrower, Administrative Agent, the Banks and their respective successors and permitted assigns. Except as provided in Section 7.01, the Borrower may not assign or transfer any of its rights or obligations hereunder or under any other Loan Document without the prior written consent of all the Banks (and any attempted such assignment or transfer without such consent shall be null and void). Except as otherwise provided under Section 12.04, nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Fronting Bank that issues any Letter of Credit), Participants (to the extent provided in paragraph (b) of this Section) and, to the extent expressly contemplated hereby, the Affiliates and their respective directors, officers, employees, agents and advisors of each of the Administrative Agent, the Fronting Bank and the Banks) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Subject to Section 12.05(e), prior to the occurrence of an Event of Default, any Bank may at any time, grant to an existing Bank or one or more banks, finance companies, insurance companies or other entities, other than a natural person or the Borrower and its Affiliates or a Defaulting Lender (a “Participant”), in minimum amounts for a voting participation of not less than \$5,000,000 (or any lesser amount in the case of voting participations to an existing Bank or any lesser amount equal to such Bank’s entire remaining amount of Loans and Loan Commitments) participating interests in its Loan Commitment or any or all of its Loans. After the occurrence and during the continuance of an Event of Default, any Bank may at any time grant to any Person, other than a natural person or the Borrower and its Affiliates, in any amount (also a “Participant”), participating interests in its Loan Commitment or any or all of its Loans. Any participation made during the continuation of an Event of Default shall not be affected by the subsequent cure of such Event of Default. In the event of any such grant by a Bank of a participating interest to a Participant, whether or not upon notice to Borrower and Administrative Agent, such Bank shall remain responsible for the performance of its obligations hereunder, and Borrower and Administrative Agent shall continue to deal solely and directly with such Bank in connection with such Bank’s rights and obligations under this Agreement. Any agreement pursuant to which any Bank may grant such a participating interest shall provide that such Bank shall retain the sole right and responsibility to enforce the obligations of Borrower hereunder and under any other Loan Document, including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such participation agreement may provide that such Bank will not agree to any modification, amendment or waiver of this Agreement described in clause (1), (2), (3), (4), (5), (6) or (7) of Section 12.02 without the consent of the Participant (subject to the final proviso of the first sentence of Section 12.02). The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article III with respect to its participating interest. The Borrower agrees that each Participant shall be entitled to the benefits of Section 10.13 (subject to the requirements and limitations therein, including the requirements under Section 10.13(f) (it being understood that the documentation required under Section 10.13(f) shall be delivered to the participating Bank)) to the same extent as if it were a Bank and had acquired its interest by assignment pursuant to paragraph (c) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 3.07 and 3.08 as if it were an assignee under paragraph (c) of this Section; and (B) shall not be entitled to receive any greater payment under Section 10.13, with respect to any participation, than its participating Bank would have been entitled to receive. Each Bank that sells a participation agrees, at the Borrower’s request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 3.07 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Bank; provided that such Participant agrees to be subject to Section 10.15 as though it were a Bank. Each Bank that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the “Participant Register”); provided that no Bank shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Loan Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Loan Commitment, Loan,

Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Bank shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent shall have no responsibility for maintaining a Participant Register.

(c) Subject to Section 12.05(e), any Bank may at any time assign to a Qualified Institution (in each case, an “Assignee”) (i) prior to the occurrence of an Event of Default, in minimum amounts of not less than Five Million Dollars (\$5,000,000) and integral multiples of One Million Dollars (\$1,000,000) thereafter (or any lesser amount in the case of assignments to an existing Bank or an assignment by a Bank to a Bank Affiliate or any lesser amount equal to such Bank’s entire remaining amount of Loans and Loan Commitments) and (ii) after the occurrence and during the continuance of an Event of Default, in any amount, all or a proportionate part of all, of its rights and obligations under this Agreement, the Notes and the other Loan Documents, and, in either case, such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption Agreement (including an agreement incorporating an Assignment and Assumption Agreement by reference to an Approved Electronic Platform) executed by such Assignee and such transferor Bank; provided, that such assignment shall be subject to the consent of the Administrative Agent and the Fronting Bank and if no Event of Default shall have occurred and be continuing, the consent of Borrower, which consents shall not be unreasonably withheld or delayed; and provided further that if an Assignee is a Bank Affiliate of such transferor Bank or was a Bank immediately prior to such assignment, no such consents shall be required unless in either case the Assignee is a Defaulting Lender or an Affiliate of a Defaulting Lender (in which case, such consent may be withheld in the sole discretion of the Administrative Agent or the Borrower). Upon execution and delivery of such instrument and an Administrative Questionnaire and payment by such Assignee to such transferor Bank of an amount equal to the purchase price agreed between such transferor Bank and such Assignee, such Assignee shall be a Bank party to this Agreement and shall have all the rights and obligations of a Bank with a Loan Commitment as set forth in such Assignment and Assumption Agreement, and no further consent or action by any party shall be required and the transferor Bank shall be released from its obligations hereunder to a corresponding extent. Upon the consummation of any assignment pursuant to this subsection (c), the transferor Bank, Administrative Agent and Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such assignment (other than an assignment by a Bank to a Bank Affiliate), the transferor Bank shall pay to Administrative Agent an administrative fee for processing such assignment in the amount of \$3,500. If the Assignee is not incorporated under the laws of the United States of America or a state thereof, it shall, prior to the first date on which interest or fees are payable hereunder for its account, deliver to Borrower and Administrative Agent certification as to exemption from, or reduction of, deduction or withholding of any United States federal income taxes in accordance with Section 10.13. Any assignment made during the continuation of an Event of Default shall not be affected by any subsequent cure of such Event of Default. Any consent required hereunder shall be given or denied within ten (10) Banking Days after receipt by the applicable Person of request therefor; any failure to respond within such ten (10) Banking Day period shall be deemed a denial. The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption Agreement delivered to

it and a register for the recordation of the names and addresses of the Banks, and the Loan Commitment of, and principal amount (and stated interest) of the Loans and Letter of Credit participations owing to, each Bank pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Fronting Bank and the Banks shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Bank hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Fronting Bank and any Bank, at any reasonable time and from time to time upon reasonable prior notice.

(d) Any Bank may at any time assign or pledge all or any portion of its rights under this Agreement and its Note to secure the obligations of such Bank, including to a Federal Reserve Bank or other central bank having jurisdiction over such Bank. No such assignment shall release the transferor Bank from its obligations hereunder.

(e) Except as provided in Section 12.05(d), so long as no Event of Default shall have occurred and be continuing, no Bank shall be permitted to enter into an assignment of, or sell a participation interest in, its Loans and Loan Commitment, which would result in such Bank holding Loans and a Loan Commitment, without Participants, of less than Ten Million Dollars (\$10,000,000), which minimum amount shall be reduced pro rata as a result of a decrease of the aggregate Loan Commitments pursuant to Section 2.16; provided, however, that no Bank shall be prohibited from assigning its entire Loans and Loan Commitment so long as such assignment is otherwise permitted hereby.

(f) Borrower recognizes that in connection with a Bank’s selling of Participations or making of assignments, any or all documentation, financial statements and other data, or copies thereof, relevant to Borrower or the Loans may be exhibited to and retained by any such Participant or assignee or prospective Participant or assignee in accordance with Section 12.23. In connection with a Bank’s delivery of any financial statements and appraisals to any such Participant or assignee or prospective Participant or assignee, such Bank shall also indicate that the same are delivered on a confidential basis. Borrower agrees to provide all assistance reasonably requested by a Bank to enable such Bank to sell Participations or make assignments of its Loan and Loan Commitment as permitted by this Section 12.05.

SECTION 12.06. Documentation Satisfactory. All documentation required from or to be submitted on behalf of Borrower in connection with this Agreement and the documents relating hereto shall be subject to the prior approval of, and be satisfactory in form and substance to, Administrative Agent, its counsel and, where specifically provided herein, the Banks. In addition, the persons or parties responsible for the execution and delivery of, and signatories to, all of such documentation, shall be acceptable to, and subject to the approval of, Administrative Agent and its counsel and the Banks.

SECTION 12.07 Notices. (a) Unless the party to be notified otherwise notifies the other parties in writing as provided in this Section, and except as otherwise provided in this Agreement, notices shall be given to Administrative Agent by telephone, confirmed by writing, and to the Banks and to Borrower by ordinary mail or overnight courier or telecopy, receipt confirmed, addressed to such party at (i) if to the Borrower, ~~the Administrative Agent or the Administrative Agent or a Fronting Bank~~, its address on the signature page of this Agreement, ~~or~~

(ii) if to ~~any other Bank, the Administrative Agent from the Borrower, to JPMorgan Chase Bank, N.A., at the address separately provided to the Borrower, (iii) if to the Administrative Agent from the Banks to JPMorgan Chase Bank, N.A., 8181 Communications Pkwy, Plano, TX 75024, Attention: Cody Canafax, Telephone: 972-324-5152, (iv) if to any Bank, at its address~~, ~~electronic mail or teletype number~~ set forth in its Administrative Questionnaire, (v) if to any Fronting Bank, at its address separately provided to the Borrower or (vi) if to any party, at such other address, electronic mail or teletype number as such party may hereafter specify for the purpose by notice to the Administrative Agent, the Banks and the Borrower. Notices shall be effective: (1) if by telephone, at the time of such telephone conversation, (2) if given by mail, three (3) calendar days after mailing; (3) if given by overnight courier, upon receipt; and (4) if given by teletype, upon receipt if received by the recipient during its normal business hours. Notices delivered through Electronic Systems, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to the Borrower, the Administrative Agent, the Banks and the Fronting Banks hereunder may be delivered or furnished by using Electronic Systems (including the Approved Electronic Platform and the Approved Borrower Portal) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Bank. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Banking Day for the recipient.

(c) Any party hereto may change its address or teletype number for notices and other communications hereunder by notice to the other parties hereto in accordance with this Section 12.07, except that each Bank must only give such notice to the Administrative Agent, the Borrower and the Fronting Banks.

(d) Electronic Systems.

(i) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make Communications (as defined below) available to the Fronting Banks and the other Banks by posting the Communications on Debt Domain, Intralinks, Syndtrak, ClearPar or a substantially similar Electronic System chosen by the

Administrative Agent to be its electronic transmission system (the “Approved Electronic Platform”).

(ii) Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Closing Date, a user ID/password authorization system) and the Approved Electronic Platform is secured through a per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Bank that are added to the Approved Electronic Platform, and that there are confidentiality and other risks associated with such distribution. Each of the Banks and the Borrower hereby approves distribution of the Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(iii) The Approved Electronic Platform and the Communications are provided “as is” and “as available.” None of the Administrative Agent or the Borrower or any of their respective Affiliates and such Affiliates’ respective directors, officers, employees, agents or advisors (the “Communications Parties”) warrant the adequacy of the Approved Electronic Platform and each expressly disclaims liability for errors or omissions in the Approved Electronic Platform and the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Communications Party in connection with the Communications or any Approved Electronic Platform. In no event shall any Communications Party have any liability to the other parties hereto or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of communications through an Electronic System. “Communications” means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of the Borrower pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Bank or any Fronting Bank by means of electronic communications pursuant to this Section, including through an Electronic System.

(iv) Each Bank agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Approved Electronic Platform shall constitute effective delivery of the Communications to such Bank for purposes of the Loan Documents to the extent such Communications have been so posted. Each Bank agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Bank’s (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(v) ~~(e)~~ Each of the Banks and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Approved Electronic Platform in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(vi) ~~(f)~~ Nothing herein shall prejudice the right of the Administrative Agent or any Bank to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

(e) Borrower Communications.

(i) The Administrative Agent, the Banks and the Fronting Banks agree that the Borrower may, but shall not be obligated to, make any Borrower Communications to the Administrative Agent through an electronic platform chosen by the Administrative Agent to be its electronic transmission system (the "Approved Borrower Portal").

(ii) Although the Approved Borrower Portal and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Closing Date, a user ID/password authorization system), each of the Banks, each of the Fronting Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of the Borrower that are added to the Approved Borrower Portal, and that there may be confidentiality and other risks associated with such distribution. Each of the Banks, each of the Fronting Banks and the Borrower hereby approves distribution of Borrower Communications through the Approved Borrower Portal and understands and assumes the risks of such distribution.

(iii) THE APPROVED BORROWER PORTAL IS PROVIDED "AS IS" AND "AS AVAILABLE". THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER COMMUNICATION, OR THE ADEQUACY OF THE APPROVED BORROWER PORTAL AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED BORROWER PORTAL AND THE BORROWER COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE BORROWER COMMUNICATIONS OR THE APPROVED BORROWER PORTAL. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY JOINT LEAD ARRANGER, ANY CO-DOCUMENTATION AGENT, ANY SYNDICATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, "APPLICABLE PARTIES") HAVE ANY LIABILITY TO THE BORROWER, THE GENERAL PARTNER, ANY LOAN PARTY, ANY BANK, ANY FRONTING BANK OR ANY

OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER'S TRANSMISSION OF BORROWER COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED BORROWER PORTAL.

“Borrower Communications” means, collectively, any notice of borrowing, notice of Election, Conversion or Continuation, notice of prepayment, notice requesting the issuance, amendment or extension of a Letter of Credit or other notice, demand, communication, information, document or other material provided by or on behalf of the Borrower pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Borrower to the Administrative Agent through an Approved Borrower Portal.

(iv) Each of the Banks, each of the Fronting Banks and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Borrower Communications on the Approved Borrower Portal in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(v) Nothing herein shall prejudice the right of the Borrower to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 12.08. Setoff. Each Bank hereby waives any right of setoff, bankers' lien or counterclaim a Bank may have to offset balances (general or special, time or demand, provisional or final) held by it for the account of Borrower at any of such Bank's offices, in Dollars or in any other currency, against any amount payable by Borrower to such Bank under this Agreement or such Bank's Note, or any other Loan Document. Payments by Borrower hereunder or under the other Loan Documents shall be made without setoff or counterclaim.

SECTION 12.09. Table of Contents; Headings. Any table of contents and the headings and captions hereunder are for convenience only and shall not affect the interpretation or construction of this Agreement.

SECTION 12.10. Severability. The provisions of this Agreement are intended to be severable. If for any reason any provision of this Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without in any manner affecting the validity or enforceability thereof in any other jurisdiction or the remaining provisions hereof in any jurisdiction.

SECTION 12.11. Counterparts; Electronic Execution. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing any such counterpart. Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information,

notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 12.07 and any Assignment and Assumption Agreement), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “Ancillary Document”) that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Banks shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Bank, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Banks and the Borrower, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) the Administrative Agent and each of the Banks may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against any Lender-Related Person for any Liabilities arising solely from the Administrative Agent’s and/or any Bank’s reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Borrower to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 12.12. Integration. The Loan Documents set forth the entire agreement among the parties hereto relating to the transactions contemplated thereby (except with respect to

agreements relating solely to compensation, consideration and the coordinated syndication of the Loan) and supersede any prior oral or written statements or agreements with respect to such transactions.

SECTION 12.13. Governing Law. This Agreement and the other Loan Documents shall be governed by, and interpreted and construed in accordance with, the laws of the State of New York.

Each of the Banks and the Administrative Agent hereby irrevocably and unconditionally agrees that, notwithstanding the governing law provisions of any applicable Loan Document, any claims brought against the Administrative Agent by any Bank relating to this Agreement, any other Loan Document or the consummation or administration of the transactions contemplated hereby or thereby shall be construed in accordance with and governed by the law of the State of New York.

SECTION 12.14. Waivers. To the extent permitted or not expressly prohibited by applicable law, in connection with the obligations and liabilities as aforesaid, Borrower hereby waives (1) notice of any actions taken by any Bank Party under this Agreement, any other Loan Document or any other agreement or instrument relating hereto or thereto except to the extent otherwise provided herein; (2) all other notices, demands and protests, and all other formalities of every kind in connection with the enforcement of the Obligations, the omission of or delay in which, but for the provisions of this Section 12.14, might constitute grounds for relieving Borrower of its obligations hereunder; (3) any requirement that any Bank Party protect, secure, perfect or insure any Lien on any collateral or exhaust any right or take any action against Borrower or any other Person or any collateral; (4) any right or claim of right to cause a marshalling of the assets of Borrower; and (5) all rights of subrogation or contribution, whether arising by contract or operation of law (including, without limitation, any such right arising under the Bankruptcy Code) or otherwise by reason of payment by Borrower, pursuant to this Agreement or any other Loan Document.

SECTION 12.15. Jurisdiction; Immunities. Borrower, Administrative Agent and each Bank hereby irrevocably submit to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York, sitting in the Borough of Manhattan), and any appellate court from any thereof, over any action or proceeding arising out of or relating to this Agreement, the Notes or any other Loan Document. Borrower, Administrative Agent, and each Bank irrevocably agree that all claims in respect of such action or proceeding may be heard and determined in such New York State or United States Federal court. Borrower, Administrative Agent, and each Bank irrevocably consent to the service of any and all process in any such action or proceeding by the mailing of copies of such process to Borrower, Administrative Agent or each Bank, as the case may be, at the addresses specified herein. Borrower, Administrative Agent and each Bank agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Borrower, Administrative Agent and each Bank further waive any objection to venue in the State of New York and any objection to an action or proceeding in the State of New York on the basis of forum non conveniens. Borrower, Administrative Agent and each Bank agree that any action or proceeding brought against Borrower, Administrative Agent or any Bank, as the case may be, shall be brought only in the

United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, to the extent permitted or not expressly prohibited by applicable law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent, any Fronting Bank or any Bank may otherwise have to bring any action or proceeding relating to this Agreement against the Borrower or its properties in the courts of any jurisdiction.

Nothing in this Section shall affect the right of Borrower, Administrative Agent or any Bank to serve legal process in any other manner permitted by law.

To the extent that Borrower, Administrative Agent or any Bank have or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether from service or notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property, Borrower, Administrative Agent and each Bank hereby irrevocably waive such immunity in respect of its obligations under this Agreement, the Notes and any other Loan Document.

NOTHING HEREIN CONTAINED SHALL PREVENT OR PROHIBIT BORROWER FROM INSTITUTING OR MAINTAINING A SEPARATE ACTION AGAINST ADMINISTRATIVE AGENT OR THE BANKS WITH RESPECT TO ANY ASSERTED CLAIM.

To the extent permitted by applicable law (i) the Borrower shall not assert, and the Borrower hereby waives, any claim against a Lender-Related Person for any Liabilities arising from the use by others of information or other materials (including, without limitation, any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet, [any Approved Electronic Platform and any Approved Borrower Portal](#)), and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any

The Borrower shall provide such information and take such actions as are reasonably requested by the Administrative Agent or any Bank in order to assist the Administrative Agent and the Banks in maintaining compliance with applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the Patriot Act.

SECTION 12.20 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Bank becomes a Defaulting Lender, then the following provisions shall apply for so long as such Bank is a Defaulting Lender:

(a) fees shall cease to accrue on the Loan Commitment of such Defaulting Lender pursuant to Section 2.08;

(b) ~~(x)~~ the Loan Commitment and outstanding New Term Loans (if any) of such Defaulting Lender shall not be included in determining whether the Required Banks have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 12.02) and (y) notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders); provided, that (i) such Defaulting Lender's Loan Commitment may not be increased or extended without its consent; ~~and~~; (ii) the principal amount of, or interest or fees payable on, Loans or Letters of Credit may not be reduced or excused or the scheduled date of payment may not be postponed as to such Defaulting Lender without such Defaulting Lender's consent; and (iii) any waiver, amendment or modification requiring the consent of all Banks or each affected Bank that by its terms affects any Defaulting Lender more adversely than other affected Banks shall require the written consent of such Defaulting Lender;

(c) if any Letters of Credit are outstanding at the time such Bank becomes a Defaulting Lender then:

(1) all or any part of such Defaulting Lender's Pro Rata Share of such Letters of Credit shall be reallocated among the non-Defaulting Lenders in accordance with their respective Pro Rata Shares but only (x) to the extent (A) the sum of all non-Defaulting Lenders' Pro Rata Shares of Loans and Letters of Credit plus such Defaulting Lender's Pro Rata Share of Letters of Credit does not exceed (B) the total of all non-Defaulting Lenders' Loan Commitments and (y) if the conditions set forth in Sections 4.02(1) and (2) are satisfied at such time;

(2) to the extent the reallocation described in clause (1) above cannot be effected, Borrower shall within one Banking Day following notice by the Administrative Agent, cash collateralize for the benefit of the Fronting Bank only the Borrower's obligations corresponding to such Defaulting Lender's Pro Rata Share of the Letters of Credit (after giving effect to any partial reallocation pursuant to clause (1) above) in accordance with the procedures set forth in Section 2.17(e) for so long as such Letters of Credit are outstanding or until such time and to the extent that, as a result of the paydown of the Loans, the reallocation described in clause (1) above can be effected;

(3) if Borrower cash collateralizes any portion of such Defaulting Lender's Pro Rata Share of the Letters of Credit pursuant to clause (2) above, Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 2.17(g) with respect to such Defaulting Lender's Pro Rata Share of the Letters of Credit during the period such Defaulting Lender's Pro Rata Share of the Letters of Credit is cash collateralized;

(4) if the Pro Rata Shares of the non-Defaulting Lenders are reallocated pursuant to clause (1) above, then the fees payable to the Banks pursuant to Section 2.08 and Section 2.17(g) shall be adjusted in accordance with such non-Defaulting Lenders' reallocated Pro Rata Shares;

(5) if all or any portion of such Defaulting Lender's Pro Rata Share of outstanding Letters of Credit is neither reallocated nor cash collateralized pursuant to clause (1) or (2) above, then, without prejudice to any rights or remedies of the Fronting Bank or any other Bank hereunder, all ~~facility fees~~ **Facility Fees** that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Loan Commitment that was utilized by such Pro Rata Share of the outstanding Letters of Credit) and letter of credit fees payable under Section 2.17(g) with respect to such Defaulting Lender's Pro Rata Share of the outstanding Letters of Credit shall be payable to the Fronting Bank until and to the extent that such Pro Rata Share is reallocated and/or cash collateralized; and

(6) so long as such Bank is a Defaulting Lender, the Fronting Bank shall not be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding Pro Rata Share of outstanding Letters of Credit will be 100% covered by the Loan Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 12.20(c)(2), and participating interests in any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner

consistent with Section 12.20(c)(1) (and such Defaulting Lender shall not participate therein); and

(d) any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 12.08 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Fronting Bank hereunder; *third*, to cash collateralize LC Exposure with respect to such Defaulting Lender in accordance with this Section; *fourth*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) cash collateralize future LC Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with this Section; *sixth*, to the payment of any amounts owing to the Banks or the Fronting Banks as a result of any judgment of a court of competent jurisdiction obtained by any Bank or the Fronting Banks against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or reimbursement obligations with respect to Letters of Credit in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and reimbursement obligations with respect to Letters of Credit owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or reimbursement obligations with respect to Letters of Credit owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in the Borrower's obligations corresponding to such Defaulting Lender's LC Exposure are held by the Banks pro rata in accordance with the Loan Commitments without giving effect to clause (c) above. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section shall be deemed paid to and redirected by such Defaulting Lender, and each Bank irrevocably consents hereto.

If (i) a Bankruptcy Event or a Bail-In Action with respect to a Parent of any Bank shall occur following the date hereof and for so long as such event shall continue or (ii) the Fronting Bank has a good faith belief that any Bank has defaulted in fulfilling its obligations under one or more other agreements in which such bank commits to extend credit, the Fronting Bank shall not be required to issue, amend or increase any Letter of Credit, unless the Fronting Bank (x) shall have entered into arrangements with Borrower or such Bank, satisfactory to the Fronting Bank to

defeas any risk to it in respect of such Bank hereunder, or (y) is satisfied that the related exposure and such Bank's then outstanding Pro Rata Share of outstanding Letters of Credit will be 100% covered by the Loan Commitments of the other Banks and/or cash collateral will be provided by the Borrower in accordance with Section 12.20(c)(2), and participating interests in any newly issued or increased Letter of Credit shall be allocated among the other Banks in a manner consistent with Section 12.20(c)(1) (and such Bank shall not participate therein).

In the event that the Administrative Agent, the Borrower, and the Fronting Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused such Bank to be a Defaulting Lender, then such Bank shall thereupon cease to be a Defaulting Lender and the Pro Rata Shares of the Banks with respect to the outstanding Letters of Credit shall be readjusted to reflect the inclusion of such Bank's Loan Commitment and on such date such Bank shall purchase at par such of the Loans of the other Banks as the Administrative Agent shall determine may be necessary in order for such Bank to hold such Loans in accordance with its Pro Rata Share and cash collateral under Section 12.20(c)(3) to be redelivered to the Borrower.

In the event that a Bank shall become a Defaulting Lender, then, provided that no Event of Default shall have occurred and be outstanding, and subject to the provisions of applicable law, for so long as such Bank shall remain a Defaulting Lender, Borrower shall have the right to replace such Defaulting Lender as though it were an Affected Bank, in accordance with the provisions of Section 3.07.

SECTION 12.21. Use for Mortgages. From time to time, on not less than ten (10) Banking Days' notice, the Borrower may request proceeds of the Loans be used to refinance or acquire properties secured by certain secured mortgage Debt of the Borrower and/or its Subsidiaries, in which event, a portion of the Loans equal to the amount of the advances made hereunder in connection with such refinancing or acquisition, at the Borrower's election, may be secured by an amended and restated mortgage on the property securing the mortgage Debt to be so refinanced or acquired (a "Refinancing Mortgage") and evidenced by a mortgage note executed by Borrower and/or one or more Subsidiaries (provided that if Borrower shall not execute such mortgage note, the Borrower shall execute a guaranty of such mortgage note), as more particularly set forth in Section 2.09, provided that no Refinancing Mortgage may encumber a property located in a Special Flood Hazard Area as designated by the Federal Emergency Management Agency. At least seven (7) Banking Days prior to the recordation of any Refinancing Mortgage, the Administrative Agent shall provide all Banks with a legal description and special flood hazard determination form for all property proposed to be encumbered thereby. Any such Refinancing Mortgage and any other agreement, certifications, opinions and other documents will be (i) in form and substance reasonably acceptable to the Administrative Agent and its counsel, (ii) be consistent in all respects with the terms of this Agreement, and (iii) subject to being released or assigned by the Administrative Agent at the request of the Borrower (it being understood and agreed that the Administrative Agent and the Banks shall not be required to give any representations or warranties with respect to any such release or assignment, including with respect to any aspects of the Debt secured thereby, except that it is the holder thereof and authorized to execute and deliver the same). In addition, in connection with each Refinancing Mortgage, the Administrative Agent, at the request and expense of Borrower, will provide subordination, non-disturbance and attornment agreements and intercreditor and/or subordination agreements with respect to any other Debt secured by the related mortgaged property, in each case in form and substance reasonably satisfactory to the

Administrative Agent. Unless otherwise directed by Borrower, any prepayments made by the Borrower shall be applied first to any and all Loans outstanding that are not secured by a Refinancing Mortgage, and only to Loans secured by Refinancing Mortgages if there shall be no other Loans outstanding at the time. Notwithstanding anything to the contrary set forth herein, if there is one or more Refinancing Mortgages outstanding at the time, no MIRE Event may be closed until the date on which the Administrative Agent shall have received confirmation from each Bank that such Bank has completed any necessary flood insurance due diligence to its reasonable satisfaction; provided that no Bank shall unreasonably delay, withhold or condition such confirmation. For purposes hereof, "MIRE Event" means, any increase, extension or renewal of any of the Loan Commitments or Loans (including any increase of Loan Commitments pursuant to Section 2.16 or otherwise, but excluding (i) any extension of the Maturity Date pursuant to Section 2.18, (ii) any continuation or conversion of Loans, (iii) the making of any Loan or (iv) the issuance, renewal or extension of Letters of Credit).

SECTION 12.22. ~~Partner Guaranties~~[Reserved].

~~At Borrower's request from time to time, Administrative Agent shall accept "partner" guaranties of the Loans from limited partners in Borrower in such amounts and on such terms as Borrower shall request, provided that Administrative Agent shall have reasonably satisfied itself and the Banks with respect to know-your-customer requirements, Anti-Corruption Laws, OFAC, the Beneficial Ownership Regulation and similar restrictions in respect of any such proposed guarantor.~~

SECTION 12.23. Confidentiality. Each of the Administrative Agent, the Fronting Banks and the Banks agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees, and agents, including accountants, legal counsel, consultants and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any bona fide prospective assignee of or Participant in, any of its rights or obligations under this Agreement, , to the extent reasonably requested by such assignee or Participant or prospective assignee or Participant, to the extent reasonably requested by such assignee or Participant or prospective assignee or Participant, or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction or insurers, reinsurers or credit risk support providers relating to the Borrower and its obligations, (g) with the consent of the Borrower, (h) ~~on a confidential basis to any rating agency in connection with rating the Borrower or the Loans or~~[intentionally omitted]; or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Fronting Bank or any Bank on a non-confidential basis from a source other than the Borrower. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that was available to the Administrative Agent, any

Fronting Bank or any Bank on a non-confidential basis prior to disclosure by the Borrower. In addition, the Administrative Agent and the Banks may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent and the Banks in connection with the administration of this Agreement, the other Loan Documents, and the Loan Commitments.

For the avoidance of doubt, nothing in this Section 12.23 shall prohibit any Person from voluntarily disclosing or providing any Information within the scope of this confidentiality provision to any governmental, regulatory or self-regulatory organization (any such entity, a “Regulatory Authority”) to the extent that any such prohibition on disclosure set forth in this Section 12.23 shall be prohibited by the laws or regulations applicable to such Regulatory Authority.

SECTION 12.24. Transitional Arrangements.

(a) Existing 2019 Credit Agreement Superseded. This Agreement shall supersede the Existing 2019 Credit Agreement in its entirety, except as provided in this Section 12.24. On the Execution Date, (i) the loans outstanding under the Existing 2019 Credit Agreement shall become Loans hereunder, (ii) the rights and obligations of the parties under the Existing 2019 Credit Agreement and the “Notes” defined therein shall be subsumed within and be governed by this Agreement and the Notes; provided, however, that for purposes of this clause (ii) any of the “Obligations” (as defined in the Existing 2019 Credit Agreement) outstanding under the Existing 2019 Credit Agreement shall, for purposes of this Agreement, be Obligations hereunder, (iii) this Agreement shall not in any way release or impair the rights, duties or obligations created pursuant to the Existing 2019 Credit Agreement or any other Loan Document or affect the relative priorities thereof, in each case to the extent in force and effect thereunder as of the Execution Date, except as modified hereby or by documents, instruments and agreements executed and delivered in connection herewith, and all of such rights, duties and obligations are assumed, ratified and affirmed by the Borrower; (iv) the obligations incurred under the Existing 2019 Credit Agreement shall, to the extent outstanding on the Execution Date, continue outstanding under this Agreement and shall not be deemed to be paid, released, discharged or otherwise satisfied by the execution of this Agreement, and this Agreement shall not constitute a refinancing, substitution or novation of such obligations or any of the other rights, duties and obligations of the parties hereunder; and (v) the execution, delivery and effectiveness of this Agreement shall not operate as a waiver of any right, power or remedy of the Banks or the Administrative Agent under the Existing 2019 Credit Agreement, or constitute a waiver of any covenant, agreement or obligation under the Existing 2019 Credit Agreement, except to the extent that any such covenant, agreement or obligation is no longer set forth herein or is modified hereby. The Banks’ interests in such obligations, and participations in outstanding Letters of Credit under the Existing 2019 Credit Agreement, shall be reallocated on the Execution Date in accordance with each Bank’s Pro Rata Share. On the Execution Date, (A) the loan commitment of each Bank that is a party to the Existing 2019 Credit Agreement but is not a party to this Agreement (an “Exiting Bank”) shall be terminated, all outstanding obligations owing to such Exiting Banks under the Existing 2019 Credit Agreement on the Execution Date shall be paid in full, and each Exiting Bank shall cease to be a Bank under this Agreement; provided, however, that, notwithstanding anything else provided herein or otherwise, any rights of an Existing Bank under the Loan Documents that are intended by their express terms to survive termination of the

Loan Commitments and/or the repayment, satisfaction or discharge of obligations under any Loan Document shall survive for such Existing Bank hereunder, and (B) each Person listed on Schedule 1 attached to this Agreement shall be a Bank under this Agreement with the Loan Commitment set forth opposite its name on such Schedule 1. Each Bank agrees to waive any amounts that would have otherwise been payable pursuant to Section 3.05 of the Existing 2019 Credit Agreement as a result of the conversion of any LIBOR Loans (as defined in the Existing 2019 Credit Agreement) on the Closing Date.

(b) Interest and Fees under Existing 2019 Credit Agreement. All interest and all commitment, facility and other fees and expenses owing or accruing under or in respect of the Existing 2019 Credit Agreement shall be calculated as of the Execution Date (prorated in the case of any fractional periods), and shall be paid on the Execution Date in accordance with the method specified in the Existing 2019 Credit Agreement as if such agreement were still in effect.

SECTION 12.25 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Lead Arrangers, the Sustainability Structuring Agent, and the Banks are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Administrative Agent, the Lead Arrangers, the Sustainability Structuring Agent, and the Banks, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate; and none of the Administrative Agent, the Lead Arrangers, the Sustainability Structuring Agent or the Banks is advising the Borrower as to any legal, tax, accounting or regulatory matters, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, each Lead Arranger, the Sustainability Structuring Agent and each Bank is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Affiliates, or any other Person and (B) ~~neither~~none of the Administrative Agent, any Lead Arranger ~~nor~~, the Sustainability Structuring Agent or any Bank has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Lead Arrangers, the Sustainability Structuring Agent and the Banks and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and ~~neither~~none of the Administrative Agent, any Lead Arranger, ~~nor~~the Sustainability Structuring Agent, or any Bank has any obligation to disclose any of such interests to the Borrower or its Affiliates. The Borrower agrees that it will not assert any claim against the Administrative Agent, any Lead Arranger, the Sustainability Structuring Agent or any Bank based on an alleged breach of fiduciary duty by such Person in connection with this Agreement and the transactions contemplated hereby.

SECTION 12.26. Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto

acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 12.27. Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for interest rate swap agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and

remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(c) It is hereby understood and agreed that if no such Pricing Certificate is delivered by Borrower with regard to a particular calendar year within the period set forth in Section 1.07(f), ~~no~~the Sustainability Margin Adjustment will be ~~made to the Applicable Margin~~positive 0.05% commencing on the last day such Pricing Certificate could have been delivered pursuant to the terms of Section 1.07(f) and continuing until Borrower delivers a Pricing Certificate to the Administrative Agent for the applicable calendar year.

If Borrower becomes aware of any Pricing Certificate Inaccuracy and, in connection therewith, if a proper calculation of the Sustainability Margin Adjustment or the KPI Metric would have resulted in a decrease in the Applicable Margin for any period, then, upon receipt by the Administrative Agent of notice from the Borrower of such Pricing Certificate Inaccuracy (which notice shall include corrections to the calculations of the Sustainability Margin Adjustment or the KPI Metric, as applicable), commencing on the 10th Banking Day following receipt by the Administrative Agent of such notice, the Applicable Margin shall be adjusted (but only with respect to periods commencing after such 10th Banking Day) to reflect the corrected calculations of the Sustainability Margin Adjustment or the KPI Metric, as applicable, ~~for all periods occurring no sooner than 10 Banking Days after receipt by the Administrative Agent of such notice. For the avoidance of any doubt, the parties agree that any such adjustment to reflect a decrease in the Applicable Margin for any period shall only be effective on a prospective basis and shall not require any adjustments to amounts previously paid by the Borrower prior to the discovery of a Pricing Certificate Inaccuracy.~~

It is understood and agreed that any Pricing Certificate Inaccuracy shall not constitute a Default or Event of Default or otherwise result in the failure of any condition precedent to any advance; provided, that, the Borrower complies with the terms of this Section 1.07(d) and Section 6.09(17) with respect to such Pricing Certificate Inaccuracy. Notwithstanding anything to the contrary herein, unless such amounts shall be due upon the occurrence of an actual or deemed entry of an order for relief with respect to Borrower under the Bankruptcy Code (or any comparable event under non-U.S. Debtor Relief Laws), (a) any additional amounts required to be paid pursuant ~~to the immediate~~immediately preceding paragraph shall not be due and payable until ~~a written demand is made for such payment by the Administrative Agent in accordance with such paragraph~~10 Banking Days after the Borrower has received written notice of (in the case of clause (d)(i)(A) above), or has agreed in writing that there was (in the case of clause (d)(i)(B) above), a Pricing Certificate Inaccuracy (such date, the “Certificate Inaccuracy Payment Date”)., (b) any nonpayment of such additional amounts prior to ~~or concurrently with such demand for payment by Administrative Agent~~the Certificate Inaccuracy Payment Date shall not constitute a Default (whether retroactively or otherwise) and (c) none of such additional amounts shall be deemed overdue prior to ~~such a demand~~the Certificate Inaccuracy Payment Date or shall accrue interest at the Default Rate prior to ~~such a demand~~the Certificate Inaccuracy Payment Date.

(e) Each party hereto hereby agrees that neither the Administrative Agent nor the Sustainability Structuring Agent shall have (x) any duty to ascertain, inquire into or otherwise independently verify any sustainability related information or any other information or materials provided by the Borrower and used in connection with the sustainability provisions of the credit facility described in this Agreement, including with respect to the applicable KPI Metrics nor (y) any responsibility for (or liability in respect of) the completeness or accuracy of such information. Each party hereto hereby agrees that neither the Administrative Agent nor the Sustainability Structuring Agent nor any Lead Arranger shall have any responsibility for (or liability in respect of) reviewing, auditing or otherwise evaluating any calculation by the Borrower of any Sustainability Margin Adjustment (or any of the data or computations that are part of or related to any such calculation) set forth in any Pricing Certificate or notice as to a Pricing Certificate Inaccuracy (and the Administrative Agent and the Sustainability Structuring Agent may rely conclusively on any such certificate or notice, without further inquiry).

(f) As soon as available and in any event within 120 days following the end of each calendar year (commencing with the calendar year ending December 31, ~~2022~~2024), Borrower ~~may~~shall deliver a Pricing Certificate to the Administrative Agent (and the Administrative Agent shall promptly provide a copy to each Bank) for the most recently-ended calendar year; provided, that, for any calendar year the Borrower may elect not to deliver a Pricing Certificate, and such election shall not constitute a Default or Event of Default (but such failure to so deliver a Pricing Certificate by the end of such 120-day period shall result in the Sustainability Margin Adjustment being applied as set forth in Section 1.07(c)). In the event (i) Borrower’s fiscal year is changed to a non-calendar year fiscal year or (ii) Borrower elects, in accordance with applicable rules, regulations or guidance of the SEC, to disclose its annual sustainability reporting with or following the filing of its quarterly report on Form 10-Q for the second quarter of its fiscal year, Borrower will be permitted to adjust the timing of delivery of the

Pricing Certificate at its election to be coordinated with fiscal year and periodic reporting schedule.

(g) If, after the date hereof, there occurs any Sustainability Recalculation Event, and either (i) the Borrower notifies the Administrative Agent in writing that the Borrower requests an amendment to any provision hereof to eliminate, accommodate or otherwise take into account the effect of such Sustainability Recalculation Event, or (ii) the Administrative Agent notifies the Borrower that the Required Banks request an amendment to any provision or provisions hereof for such purpose (it being understood and agreed that any such notice may be given before or after such Sustainability Recalculation Event has occurred), then (A) the Borrower and the Administrative Agent shall negotiate in good faith to amend the provisions hereof to eliminate, accommodate or otherwise take into account the effect of such Sustainability Recalculation Event for the period from and after the occurrence of such Sustainability Recalculation Event, and (B) the provisions of this Agreement shall be interpreted on the basis of the provisions in effect and applied immediately prior to such Sustainability Recalculation Event for a period of not more than 30 days following the date of any such notice (unless the provisions hereof shall have been amended in accordance herewith or such notice shall have been withdrawn). If, after 30 days following the date of any such notice, the consent of the Borrower, the Administrative Agent and the requisite Banks under Section 12.02 has not been obtained (provided that adjustments to the KPI Target, KPI Threshold, Standard for Sustainability Reporting and/or Sustainability Table in connection with a Sustainability Recalculation Event shall not be deemed to be an amendment described in clause (1) of Section 12.02), (x) on the one-year anniversary of the date a delivered Pricing Certificate was most recently delivered or due and not delivered, as applicable, the Applicable Margin shall be calculated without regard to this Section 1.07, which Section and related definitions shall have no further force or effect, and (y) thereafter, no party to this Agreement shall make any public or private representations or description of the credit facility described in this Agreement as a sustainability-linked loan.

(h) The Borrower reserves the right to adjust the baseline set forth in the Sustainability Table, in consultation with the Sustainability Structuring Agent, in alignment with mandatory regulatory disclosure requirements and/or a new Science-Based Target (SBTi) aligned goal but the Sustainability Table shall maintain the 2.5% annual improvement for each year as the KPI Target and 1% annual improvement for each year as the KPI Threshold, in each case, from the 2022 baseline as so adjusted. In the event that the baseline is so adjusted, the Borrower, the Administrative Agent and the Sustainability Structuring Agent shall amend the Sustainability Table in accordance with the foregoing sentence, and the Administrative Agent shall provide the amended Sustainability Table to the Banks.

Any principal amount not paid when due (when scheduled, at acceleration or otherwise) shall bear interest thereafter, payable on demand, at the Default Rate.

The interest rate on Base Rate Loans shall change when the Base Rate changes. Interest shall be calculated for the actual number of days elapsed on the basis of a year consisting of three hundred sixty (360) days (except that interest computed by reference to the Base Rate when based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year). In each case interest shall be payable for the actual number of days elapsed (including the first day but excluding the last day). All interest hereunder on any Loan shall be computed on a daily basis based upon the outstanding principal amount of such Loan as of the applicable date of determination. The applicable Base Rate, Adjusted Term SOFR Rate or Term SOFR Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Bank holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this paragraph shall be cumulated and the interest and Charges payable to such Bank in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Bank.

Accrued interest shall be due and payable in arrears, in the case of Base Rate Loans and Term Benchmark Loans on each Interest Payment Date; provided, however, that interest accruing at the Default Rate shall be due and payable on demand.

SECTION 2.08 [Reserved].

SECTION 2.09 Notes. Unless otherwise requested by a Bank, any Loans made by each Bank under this Agreement shall be evidenced by, and repaid with interest in accordance with, a promissory note of Borrower in the form of EXHIBIT B duly completed and executed by Borrower, in a principal amount equal to such Bank's Loan Commitment, payable to such Bank for the account of its Applicable Lending Office (each such note, as the same may hereafter be amended, modified, extended, severed, assigned, substituted, renewed or restated from time to time, including any substitute note pursuant to Section 3.07 or 12.05, a "Term Loan Note"). A particular Bank's Term Loan Note(s) is also collectively referred to in this Agreement as such Bank's "Note"; all such Term Loan Notes and interests are referred to collectively in this Agreement as the "Notes". The Term Loans shall mature, and all outstanding principal and accrued interest and other Obligations shall be paid in full, on the Maturity Date, as the same may be accelerated in accordance with this Agreement.

Each Bank is hereby authorized by Borrower to endorse on the schedule attached to the Term Loan Note held by it or on any accounts maintained by it, the amount of each advance, and each payment of principal received by such Bank for the account of its Applicable Lending Office(s) on account of its Loans, which endorsement shall, in the absence of manifest error, be conclusive as to the outstanding balance of the Loans made by such Bank. The failure by any Bank to make such notations with respect to the Loans or each advance or payment shall not limit or otherwise affect the obligations of Borrower under this Agreement or the Notes.

SECTION 2.10 Prepayments. Without prepayment premium or penalty but subject to Section 3.05, Borrower may, upon at least one (1) Banking Day's notice (by 2:00 p.m. New York time) to Administrative Agent in the case of the Base Rate Loans, and at least three (3) Banking Days' notice (by 2:00 p.m. New York time) to Administrative Agent in the case of Term Benchmark Loans, prepay the Loans, in whole or in part, provided that (1) any partial prepayment under this Section shall be in integral multiples of One Million Dollars (\$1,000,000); and (2) each prepayment under this Section shall include, at Administrative Agent's option, all interest accrued on the amount of principal prepaid to (but excluding) the date of prepayment. Any Loans that are prepaid or repaid may not be reborrowed.

SECTION 2.11 Method of Payment. Borrower shall make each payment under this Agreement and under the Notes not later than 1:00 p.m. (New York time) on the date when due in Dollars to Administrative Agent at Administrative Agent's Office in immediately available funds, without condition or deduction for any counterclaim, defense, recoupment or setoff. Borrower shall deliver federal reference number(s) evidencing the applicable wire transfer(s) to Administrative Agent as soon as available thereafter on such day. Administrative Agent will thereafter, on the day of its receipt of each such payment(s), cause to be distributed to each Bank (1) such Bank's appropriate share (based upon the respective outstanding principal amounts and interest due under the Loans of the Banks) of the payments of principal and interest in like funds for the account of such Bank's Applicable Lending Office; and (2) fees payable to such Bank by Borrower in accordance with the terms of this Agreement. If and to the extent that the

Administrative Agent shall receive any such payment for the account of the Banks on or before 11:00 a.m. (New York time) on any Banking Day, and Administrative Agent shall not have distributed to any Bank its applicable share of such payment on such day, Administrative Agent shall distribute such amount to such Bank together with interest thereon paid by the Administrative Agent, for each day from the date such amount should have been distributed to such Bank until the date Administrative Agent distributes such amount to such Bank, at the Prime Rate.

Except to the extent provided in this Agreement, whenever any payment to be made under this Agreement or under the Notes is due on any day other than a Banking Day, such payment shall be made on the next succeeding Banking Day, and such extension of time shall in such case be included in the computation of the payment of interest and other fees, as the case may be.

SECTION 2.12 Elections, Conversions or Continuation of Loans. Subject to the provisions of Article III and Sections 2.06 and 2.13, Borrower shall have the right to Elect to have all or a portion of any advance of the Loans be Term Benchmark Loans, Base Rate Loans or a combination of the foregoing, to Convert Base Rate Loans into Term Benchmark Loans, to Convert Term Benchmark Loans into Base Rate Loans, or to Continue Term Benchmark Loans as Term Benchmark Loans, at any time or from time to time, provided that: (1) Borrower shall give Administrative Agent notice of each such Election, Conversion or Continuation as provided in Section 2.14 signed by an authorized officer of the Borrower (provided that if such notice is submitted through an Approved Borrower Portal, such signature requirement may be waived at the sole discretion of the Administrative Agent); and (2) a Term Benchmark Loan may be Continued or Converted only on the last day of the applicable Interest Period for such Term Benchmark Loan. Except as otherwise provided in this Agreement, each Election, Continuation and Conversion shall be applicable to each Bank's Loan in accordance with its Pro Rata Share. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing, the Administrative Agent, at the request of the Required Banks, may require, by notice to Borrower, that (i) no outstanding Loan may be converted to or continued as a Term Benchmark Loan and (ii) unless repaid, each Loan shall be converted to a Base Rate Loan at the end of the Interest Period applicable thereto.

SECTION 2.13 Minimum Amounts. With respect to the Loans as a whole, each Election and each Conversion shall be in an amount at least equal to One Million Dollars (\$1,000,000) and in integral multiples of One Hundred Thousand Dollars (\$100,000) or such lesser amount as shall be available or outstanding, as the case may be.

SECTION 2.14 Certain Notices Regarding Elections, Conversions and Continuations of Loans. Notices by Borrower to Administrative Agent of Elections, Conversions and Continuations of Term Benchmark Loans shall be irrevocable and shall be effective only if received by Administrative Agent not later than 11:00 a.m. (New York time) on the number of Banking Days prior to the date of the relevant Election, Conversion or Continuation specified below:

Promptly following its receipt of any such notice, Administrative Agent shall so advise the Banks. Each such notice of Election shall specify the portion of the amount of the advance that is to be Term Benchmark Loans (subject to Section 2.13) and the duration of the Interest Period applicable thereto (subject to Section 2.06); each such notice of Conversion shall specify the Term Benchmark Loans or Base Rate Loans to be Converted; and each such notice of Conversion or Continuation shall specify the date of Conversion or Continuation (which shall be a Banking Day), the amount thereof (subject to Section 2.13) and the duration of the Interest Period applicable thereto (subject to Section 2.06). In the event that Borrower fails to Elect to have any portion of an advance of the Loans be Term Benchmark Loans, the portion of such advance for which a Term Benchmark Loan Election is not made shall constitute Base Rate Loans. In the event that Borrower fails to Continue Term Benchmark Loans within the time period and as otherwise provided in this Section, such Term Benchmark Loans will be automatically Converted into Base Rate Loans on the last day of the then current applicable Interest Period for such Term Benchmark Loans.

SECTION 2.15 Payments Generally. If any Bank shall fail to make any payment required to be made by it pursuant to Section 2.01(b) or 10.05, then the Administrative Agent may, in its discretion and notwithstanding any contrary provision hereof, (i) apply any amounts thereafter received by the Administrative Agent for the account of such Bank for the benefit of the Administrative Agent to satisfy such Bank's obligations to it under such Section until all such unsatisfied obligations are fully paid, and/or (ii) hold any such amounts in a segregated account as cash collateral for, and application to, any future funding obligations of such Bank under any such Section, in the case of each of clauses (i) and (ii) above, in any order as determined by the Administrative Agent in its discretion.

SECTION 2.16 Changes of Loan Commitments.

(a) [Reserved].

(b) [Reserved].

(c) [Reserved].

(d) (i) The Borrower may, by written notice to the Administrative Agent on one or more occasions on or after the Effective Date, elect to request the increase of the Total Loan Commitment or the establishment of one or more new term loan commitments (the "New Term Loan Commitments"), by an aggregate amount of Four Hundred Fifty Million Dollars (\$450,000,000) that would result in the sum of the Total Loan Commitment plus all New Term Loan Commitments not exceeding One Billion Two Hundred Fifty Million Dollars (\$1,250,000,000) in the aggregate (each such amount in addition to the Total Loan Commitment as of the Effective Date, a "Facility Increase" and the maximum aggregate increase, the "Maximum Increase Amount") and not less

than \$25,000,000 per request (or such lesser amount which shall be approved by Administrative Agent or such lesser amount that shall constitute the difference between the Maximum Increase Amount and the sum of all such Facility Increases obtained prior to such date), and integral multiples of \$1,000,000 in excess of that amount. Each such notice shall specify (A) the date (each, an “Increased Amount Date”) on which the Borrower proposes that the Facility Increase shall be effective and (B) the identity of each Bank or other Person that is a Qualified Institution (each other Qualified Institution which agrees to provide all or a portion of such Facility Increase and which is not already a Bank being referred to herein as a “New Term Loan Lender”) to which the Borrower proposes any portion of such Facility Increase be allocated and the amounts of such allocations; provided that any Bank or other Qualified Institution approached to provide all or a portion of a Facility Increase may elect or decline, in its sole discretion, to provide such Facility Increase and the Administrative Agent shall have the right to approve any New Term Loan Lender, which approval will not be unreasonably withheld or delayed. Any Bank that fails to respond to a request for a Facility Increase shall be deemed to have elected to not provide such Facility Increase, and no Bank shall have any obligation to provide a Facility Increase.

(ii) Such Facility Increase shall become effective as of such Increased Amount Date, subject to the satisfaction of each of the following conditions precedent:

(A) no Default or Event of Default shall exist on such Increased Amount Date before or after giving effect to such Facility Increase;

(B) the Facility Increase shall be effected pursuant to one or more joinder agreements in form and substance reasonably satisfactory to, and executed and delivered by, the Borrower, the Banks providing the Facility Increase and the Administrative Agent, each of which shall be recorded in the Register, and any New Term Loan Lender shall become a Bank hereunder;

(C) the Borrower shall deliver or cause to be delivered any promissory notes, certificates, legal opinions, resolutions or other documents reasonably requested by the Administrative Agent in connection with any such transaction, consistent with those delivered on the Effective Date under Section 4.01; and

(D) the Borrower shall have paid, pursuant to separate agreements between the Borrower and the Administrative Agent, the arranger for the Facility Increase and/or the Banks providing such Facility Increase, (A) all reasonable costs and expenses incurred by the Administrative Agent in connection with the applicable Facility Increase and (B) any fees that the Borrower has agreed to pay to the arranger for the Facility Increase and/or the Banks providing such Facility Increase in connection with such Facility Increase.

(iii) Additional Facility Increase Matters.

(A) On any Increased Amount Date on which any Facility Increase is effective, subject to the satisfaction of the foregoing terms and conditions, (i) each

Bank providing a commitment for such Facility Increase shall make a loan to Borrower (a “New Term Loan”) in an amount equal to its commitment for such Facility Increase, and (ii) each Bank providing such Facility Increase shall become a Bank hereunder with respect to the New Term Loan made pursuant thereto. Any New Term Loans made on an Increased Amount Date may be designated a separate series (a “Series”) of New Term Loans for purposes of this Agreement.

(B) (1) The terms of any such New Term Loans shall not provide for any amortization payments on or prior to the Maturity Date of the existing Loans, but may permit voluntary prepayment ratably with the existing Loans and (2) the applicable maturity date for such New Term Loans shall be no earlier than the latest Maturity Date of the existing Loans.

(C) Each joinder agreement executed in connection with a Facility Increase may, without the consent of any Banks other than those providing such Facility Increase, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the good faith judgment of Administrative Agent, to effect the provisions of such Facility Increase and this Section 2.16(d), subject to approval by the Borrower; provided however, that any amendments that adversely affect a Bank shall be subject to Section 12.02.

ARTICLE III

YIELD PROTECTION; ILLEGALITY; ETC.

SECTION 3.01 Additional Costs. Borrower shall pay directly to each Bank from time to time on demand such amounts as such Bank may reasonably determine to be necessary to compensate it for any increased costs which such Bank determines are attributable to its making or maintaining any Loan, or its obligation to make or maintain any Loan, or its obligation to Convert a Loan hereunder, or any reduction in any amount receivable by such Bank hereunder in respect of its Loan or such obligations (such increases in costs and reductions in amounts receivable being herein called “Additional Costs”), in each case resulting from any Regulatory Change which:

(1) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, and (B) Excluded Taxes) on its loans, loan principal, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(2) (other than to the extent any reserve requirement is taken into account in determining the Adjusted Term SOFR Rate at the commencement of the applicable Interest Period) imposes or modifies any reserve, special deposit, liquidity, deposit insurance or assessment, minimum capital, capital ratio or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities of, such Bank (including any Term Benchmark Loan”), or any commitment of such Bank (including such Bank’s Loan Commitment hereunder); or

(3) imposes any other condition, cost or expense (other than Taxes) affecting this Agreement or the Notes (or any of such extensions of credit or liabilities).

Without limiting the effect of the provisions of the first paragraph of this Section, in the event that, by reason of any Regulatory Change, any Bank becomes subject to restrictions on the amount of such a category of liabilities or assets which it may hold, then, if such Bank so elects by notice to Borrower (with a copy to Administrative Agent), the obligation of such Bank to permit Elections of, to Continue, or to Convert Loans shall be suspended (in which case the provisions of Section 3.04 shall be applicable) until such Regulatory Change ceases to be in effect.

The obligations of Borrower under this Section shall survive the repayment of all amounts due under or in connection with any of the Loan Documents and the termination of the Loan Commitments in respect of the period prior to such termination.

Determinations and allocations by a Bank for purposes of this Section of the effect of any Regulatory Change pursuant to the first or second paragraph of this Section, on its costs or rate of return of making or maintaining its Loan or portions thereof or on amounts receivable by it in respect of its Loan or portions thereof, and the amounts required to compensate such Bank under this Section, shall be included in a calculation of such amounts given to Borrower and shall be conclusive absent manifest error.

Notwithstanding anything contained in this Article III to the contrary, Borrower shall only be obligated to pay any amounts due under this Section 3.01 or under Section 3.06 if, and a Bank shall not exercise any right under this Section 3.01 or Sections 3.02, 3.03, 3.04 or 3.06 unless, the applicable Bank has certified that it is generally imposing a similar charge on, or otherwise similarly enforcing its agreements with, its other similarly situated borrowers. In addition, Borrower shall not be obligated to compensate any Bank under any such provision for any amounts attributable to any period which is more than nine (9) months prior to such Bank's delivery of notice thereof to Borrower (except that if a Regulatory Change is retroactive, then such period shall be extended to include the period of retroactive effect, provided that such Bank delivered notice thereof to Borrower no later than nine (9) months after the date on which the Regulatory Change with such retroactive effect was made).

SECTION 3.02 Alternate Rate of Interest. (a) Subject to clauses (b), (c), (d), (e) and (f) of this Section 3.02, if:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) prior to the commencement of any Interest Period for a Term Benchmark Loan, that adequate and reasonable means do not exist for ascertaining the Adjusted Term SOFR Rate or the Term SOFR Rate (including because the Term SOFR Reference Rate is not available or published on a current basis), for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Banks that prior to the commencement of any Interest Period for a Term Benchmark Loan, the Adjusted Term SOFR Rate for such Interest Period will not adequately and fairly reflect the cost to such Banks (or Bank) of making or maintaining their Loans (or its Loan) for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Banks by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until (x) the Administrative Agent notifies the Borrower and the Banks that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new notice of Election, Conversion or Continuation in accordance with the terms of Section 2.14 or a new borrowing request in accordance with the terms of Section 2.05, any notice of Election, Conversion or Continuation that requests the conversion of any Loan to, or continuation of any Loan as, a Term Benchmark Loan and any borrowing request that requests a Term Benchmark Loan shall instead be deemed to be a notice of Election, Conversion or Continuation or a borrowing request, as applicable, for a Base Rate Loan; provided that if the circumstances giving rise to such notice affect only one Type of Loan, then all other Types of Loans shall be permitted. Furthermore, if any Term Benchmark Loan is outstanding on the date of the Borrower's receipt of the notice from the Administrative Agent referred to in this Section 3.02(a) with respect to a Relevant Rate applicable to such Term Benchmark Loan, then until (x) the Administrative Agent notifies the Borrower and the Banks that the circumstances giving rise to such notice no longer exist with respect to the relevant Benchmark and (y) the Borrower delivers a new notice of Election, Conversion or Continuation in accordance with the terms of Section 2.14 or a new borrowing request in accordance with the terms of Section 2.05, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan (or the next succeeding Banking Day if such day is not a Banking Day), be converted by the Administrative Agent to, and shall constitute a Base Rate Loan.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Banking Day after the date notice of such Benchmark Replacement is provided to the Banks without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Banks comprising the Required Banks.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Administrative Agent will promptly notify the Borrower and the Banks of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Bank (or group of Banks) pursuant to this Section 3.02, including any determination with respect to a

tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.02.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate) and either (1) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (2) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (1) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (2) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Term Benchmark Loan ~~or~~ conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any request for a Term Benchmark Loan into a request for a borrowing of or conversion to a Base Rate Loan. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate. Furthermore, if any Term Benchmark Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan, then until such time as a Benchmark Replacement is implemented pursuant to this Section 3.02, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan (or the next succeeding Banking Day if such day is not a Banking Day), be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan.

SECTION 3.03 Illegality. Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Bank or its Applicable Lending Office to honor its obligation to make or maintain a Term Benchmark Loan hereunder, to allow Elections or Continuations of a Term Benchmark Loan or to Convert a Base Rate Loan into a Term Benchmark Loan, then such Bank shall promptly notify Administrative Agent and Borrower thereof and such Bank's obligation to make or maintain a Term Benchmark Loan, or to permit Elections of, to Continue, or to Convert its Base Rate Loan into, a Term Benchmark Loan shall be suspended (in which case the provisions of Section 3.04 shall be applicable) until such time as such Bank may again make and maintain a Term Benchmark Loan.

SECTION 3.04 Treatment of Affected Loans. If the obligations of any Bank to make or maintain a Term Benchmark Loan, or to permit an Election of a Term Benchmark Loan, to Continue its Term Benchmark Loan, or to Convert its Base Rate Loan into a Term Benchmark Loan, are suspended pursuant to Section 3.01 or 3.03 (each Term Benchmark Loan so affected being herein called an “Affected Loan”), such Bank’s Affected Loan shall be automatically Converted into a Base Rate Loan on the last day of the then current Interest Period for the Affected Loan (or, in the case of a Conversion or conversion resulting from Section 3.03, on such earlier date as such Bank may specify to Borrower).

To the extent that such Bank’s Affected Loan has been so Converted (or the interest rate thereon so converted), all payments and prepayments of principal which would otherwise be applied to such Bank’s Affected Loan shall be applied instead to its Base Rate Loan and such Bank shall have no obligation to Convert its Base Rate Loan into a Term Benchmark Loan.

SECTION 3.05 Certain Compensation. Other than in connection with a Conversion of an Affected Loan, Borrower shall pay to Administrative Agent for the account of the applicable Bank, upon the request of such Bank through Administrative Agent which request includes a calculation of the amount(s) due, such amount or amounts as shall be sufficient (in the reasonable opinion of such Bank) to compensate it for any loss, cost or expense which such Bank reasonably determines is attributable to:

(1) ~~(4)~~ any payment or prepayment of a Term Benchmark Loan made by such Bank, or any Conversion of a Term Benchmark Loan made by such Bank, in any such case on a date other than the last day of an applicable Interest Period, whether by reason of acceleration or otherwise;

(2) ~~(5)~~ any failure by Borrower for any reason to Convert a Term Benchmark Loan or a Base Rate Loan or to Continue a Term Benchmark Loan, as the case may be, to be Converted or Continued by such Bank on the date specified therefor in the relevant notice under Section 2.14;

(3) ~~(6)~~ any failure by Borrower to borrow (or to qualify for a borrowing of) a Term Benchmark Loan which would otherwise be made hereunder on the date specified in the relevant Election notice under Section 2.14 given or submitted by Borrower; or

(4) ~~(7)~~ any failure by Borrower to prepay a Term Benchmark Loan on the date specified in a notice of prepayment.

A certificate of any Bank as to the determination of the amounts payable pursuant to this Section shall be conclusive absent manifest error.

The obligations of Borrower under this Section shall survive the repayment of all amounts due under or in connection with any of the Loan Documents and the termination of the Loan Commitments in respect of the period prior to such termination.

SECTION 3.06 Capital Adequacy. If any Bank shall have determined that, after the date hereof, due to any Regulatory Change or the adoption of, or any change in, any applicable law, rule or regulation regarding capital adequacy or liquidity requirements, or any change in the

interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy or liquidity requirements (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Bank (or its Parent) as a consequence of such Bank's obligations hereunder to a level below that which such Bank (or its Parent) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy and liquidity) by an amount deemed by such Bank to be material, then from time to time, within ~~fifteen~~**thirty** (~~15~~**30**) days after demand by such Bank (with a copy to Administrative Agent), Borrower shall pay to such Bank such additional amount or amounts as will compensate such Bank (or its Parent) for such reduction. **Each Bank shall allocate such cost increases and reductions among its customers in its discretion reasonably exercised in good faith; provided that in no event shall any Bank be obligated to disclose any information relating to its costs that it deems confidential.** A certificate of any Bank claiming compensation under this Section, setting forth in reasonable detail the basis therefor, shall be conclusive absent manifest error. The obligations of Borrower under this Section shall survive the repayment of all amounts due under or in connection with any of the Loan Documents and the termination of the Loan Commitments in respect of the period prior to such termination.

SECTION 3.07 Substitution of Banks. If any Bank (an "Affected Bank") (i) makes demand upon Borrower for (or if Borrower is otherwise required to pay) Additional Costs pursuant to Section 3.01, (ii) is unable to make or maintain a Term Benchmark Loan as a result of a condition described in Section 3.03 or clause (2) of Section 3.02, (iii) has any increased costs as described in Section 3.06, (iv) requires the Borrower to pay any Indemnified Taxes or other amounts to such Bank or any Governmental Authority pursuant to Section 10.13, or (v) becomes a Defaulting Lender, Borrower may, within ninety (90) days of receipt of such demand or notice of the occurrence of an event described above in this Section 3.07 (provided (A) such 90-day limit shall not be applicable for a Defaulting Lender and (B) such 90-day period shall be extended for an additional period of 60 days if Borrower shall have attempted during such 90-day period to secure a Replacement Bank (as defined below) and shall be diligently pursuing such attempt), give written notice (a "Replacement Notice") to Administrative Agent and to each Bank of Borrower's intention either (x) to prepay in full the Affected Bank's Loans and to terminate the Affected Bank's entire Loan Commitment or (y) to replace the Affected Bank with another financial institution (the "Replacement Bank") designated in such Replacement Notice. After its replacement, an Affected Bank shall remain entitled to the benefits of Sections 3.01, 3.06, 10.13 and 12.04 in respect of the period prior to its replacement.

In the event Borrower opts to give the Replacement Notice described in clause (x) above, and if the Affected Bank shall not agree within thirty (30) days of its receipt thereof to waive the payment of the Additional Costs, Indemnified Taxes or other amounts in question or the effect of the circumstances described in Section 3.03, in clause (2) of Section 3.02 or in Section 3.06 or the Affected Bank shall continue to be a Defaulting Lender, then, so long as no Event of Default shall exist, Borrower may terminate the Affected Bank's entire Loan Commitment, provided that in connection therewith it pays to the Affected Bank all outstanding principal and accrued and unpaid interest under the Affected Bank's Loans, together with all other amounts, if any, due from Borrower to the Affected Bank, including all amounts properly demanded and unreimbursed under Sections 3.01, 3.05 or 10.13. After any termination as provided in this

paragraph, an Affected Bank shall remain entitled to the benefits of Sections 3.01, 3.06, 10.13 and 12.04 in respect of the period prior to such termination.

In the event Borrower opts to give the Replacement Notice described in clause (y) above, and if Administrative Agent shall promptly (and in any event, within thirty (30) days of its receipt of the Replacement Notice), notify Borrower and each Bank in writing that the Replacement Bank is reasonably satisfactory to Administrative Agent, then the Affected Bank shall, so long as no Event of Default shall exist, assign its Loans and all of its rights and obligations under this Agreement to the Replacement Bank, and the Replacement Bank shall assume all of the Affected Bank's rights and obligations, pursuant to an agreement, substantially in the form of an Assignment and Assumption Agreement, executed by the Affected Bank and the Replacement Bank. In connection with such assignment and assumption, the Replacement Bank shall pay to the Affected Bank an amount equal to the outstanding principal amount of the Affected Bank's Loans plus all interest accrued thereon, plus all other amounts, if any (other than the Additional Costs in question), then due and payable to the Affected Bank; provided, however, that prior to or simultaneously with any such assignment and assumption, Borrower shall have paid to such Affected Bank all amounts properly demanded and unreimbursed under Sections 3.01, 3.05 and 10.13. Upon the effective date of such assignment and assumption, the Replacement Bank shall become a Bank Party to this Agreement and shall have all the rights and obligations of a Bank as set forth in such Assignment and Assumption Agreement, and the Affected Bank shall be released from its obligations hereunder, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this Section, a substitute Term Loan Note shall be issued to the Replacement Bank by Borrower, in exchange for the return of the Affected Bank's Term Loan Note. The obligations evidenced by such substitute note shall constitute "Obligations" for all purposes of this Agreement and the other Loan Documents. ADMINISTRATIVE AGENT; RELATIONS AMONG BANKS

SECTION 10.01 Appointment, Powers and Immunities of Administrative Agent. Each Bank hereby irrevocably appoints and authorizes Administrative Agent to act as its agent hereunder and under any other Loan Document with such powers as are specifically delegated to Administrative Agent by the terms of this Agreement and any other Loan Document, together with such other powers as are reasonably incidental thereto. Administrative Agent shall have no duties or responsibilities except those expressly set forth in this Agreement and any other Loan Document or required by law, and its duties are entirely mechanical and administrative in nature. The motivations of the Administrative Agent are commercial in nature and not to invest in the general performance or operations of the Borrower. Administrative Agent shall have no duties or responsibilities except those expressly set forth in this Agreement and any

other Loan Document or required by law and its duties are entirely mechanical and administrative in nature. The motivations of the Administrative Agent are commercial in nature and not to invest in the general performance or operations of the Borrower. Administrative Agent shall not by reason of this Agreement be a fiduciary or trustee for any Bank except to the extent that Administrative Agent acts as an agent with respect to the receipt or payment of funds (nor shall Administrative Agent have any fiduciary duty to Borrower nor shall any Bank have any fiduciary duty to Borrower or to any other Bank) (and it is understood and agreed that the use of the term “agent” (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or other implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Bank agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and the transactions contemplated hereby. Administrative Agent shall not be responsible to the Banks for any recitals, statements, representations or warranties made by Borrower or any officer, partner or official of Borrower or any other Person contained in this Agreement or any other Loan Document, or in any certificate or other document or instrument referred to or provided for in, or received by any of them under, this Agreement or any other Loan Document, or for the value, legality, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or any other document or instrument referred to or provided for herein or therein (including, for the avoidance of doubt, in connection with the Administrative Agent’s reliance on any Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), for the perfection or priority of any Lien securing the Obligations or for any failure by Borrower to perform any of its obligations hereunder or thereunder. Administrative Agent may employ agents and attorneys-in-fact and shall not be responsible, except as to money or securities received by it or its authorized agents, for the negligence or misconduct of any such agents or attorneys-in-fact except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such agent or attorney-in-fact. Neither Administrative Agent nor any of its directors, officers, employees or agents shall be liable or responsible for any action taken or omitted to be taken by it or them hereunder or under any other Loan Document or in connection herewith or therewith, except for its or their own gross negligence or willful misconduct as determined by a court of competent jurisdiction by a final and nonappealable judgment. Borrower shall pay any fee agreed to by Borrower and Administrative Agent with respect to Administrative Agent’s services hereunder.

SECTION 10.02 Reliance by Administrative Agent. Administrative Agent shall be entitled to rely upon any certification, notice or other communication (including any thereof by telephone, telefax or cable) believed by it to be genuine and correct and to have been signed or sent by or on behalf of the proper Person or Persons, and upon advice and statements of legal counsel, independent accountants and other experts selected by Administrative Agent. Administrative Agent may deem and treat each Bank as the holder of the Loan made by it for all purposes hereof and shall not be required to deal with any Person who has acquired a participation in any Loan or participation from a Bank. As to any matters not expressly provided

for by this Agreement or any other Loan Document, Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or refrain from acting (and shall in all cases be fully protected in acting, or in refraining from acting) hereunder in accordance with instructions signed by the Required Banks (or such other number or percentage of Banks required hereunder), and such instructions and any action taken or failure to act pursuant thereto shall be binding on all of the Banks and any other holder of all or any portion of any Loan or participation; provided, however, that the Administrative Agent shall not be required to take any action that (i) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification and is exculpated in a manner satisfactory to it from the Banks with respect to such action or (ii) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Banks prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided.

The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default or Event of Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items (which on their face purport to be such items) expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent.

Without limiting the foregoing, the Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 12.05, (ii) may rely on the Register to the extent set forth in Section 12.05(c), (iii) may consult with legal counsel (including counsel to the Borrower), independent public accountants and other experts selected by it, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts, (iv) makes no warranty or representation to any Bank and shall not be responsible to any Bank for any statements, warranties or representations made by or on behalf of the Borrower in connection with this Agreement or any other Loan Document, (v) in determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Bank, may presume that such condition is satisfactory to such Bank unless the Administrative Agent shall have received notice to the contrary from such Bank sufficiently in advance of the making of such Loan and (vi) shall be entitled to rely on, and shall incur no liability under or in respect of this Agreement or any other Loan Document by acting upon, any notice, consent, certificate or other instrument or writing (which writing may be a fax, any electronic message, Internet or intranet website posting or other distribution) or any statement

made to it orally or by telephone and believed by it to be genuine and signed or sent or otherwise authenticated by the proper party or parties (whether or not such Person in fact meets the requirements set forth in the Loan Documents for being the maker thereof).

SECTION 10.03 Defaults. Administrative Agent shall not be deemed to have knowledge of the occurrence of a Default or Event of Default (other than an Event of Default pursuant to Section 9.01(1)) unless Administrative Agent has received notice from a Bank or Borrower specifying such Default or Event of Default and stating that such notice is a "Notice of Default." In the event that Administrative Agent receives a "Notice of Default," Administrative Agent shall give prompt notice thereof to the Banks. Administrative Agent, following consultation with the Banks, shall (subject to Section 10.07 and Section 12.02) take such action with respect to such Default or Event of Default which is continuing as shall be directed by the Required Banks; provided that, unless and until Administrative Agent shall have received such directions, Administrative Agent may take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interest of the Banks; and provided further that Administrative Agent shall not send a notice of Default, Event of Default or acceleration to Borrower without the approval of the Required Banks. In no event shall Administrative Agent be required to take any such action which it determines to be contrary to law.

SECTION 10.04 Rights of Agent as a Bank. With respect to its Loan Commitment and the Loan provided by it, each Person serving as an Agent in its capacity as a Bank hereunder shall have the same rights and powers hereunder as any other Bank and may exercise the same as though it were not acting as such Agent, and the term any "Bank" or "Banks" shall include each Person serving as an Agent in its capacity as a Bank. Each Person serving as an Agent and its Affiliates may (without having to account therefor to any Bank) accept deposits from, lend money to (on a secured or unsecured basis), and generally engage in any kind of banking, trust or other business with, Borrower (and any Affiliates of Borrower) as if it were not acting as such Agent.

SECTION 10.05 Indemnification of Agents. Each Bank agrees to indemnify each Agent (to the extent not reimbursed under Section 12.04 or under the applicable provisions of any other Loan Document, but without limiting the obligations of Borrower under Section 12.04 or such provisions), for its Pro Rata Share of any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind and nature whatsoever which may be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of this Agreement, any other Loan Document or any other documents contemplated by or referred to herein or the transactions contemplated hereby or thereby (including, without limitation, the costs and expenses which Borrower is obligated to pay under Section 12.04) or under the applicable provisions of any other Loan Document or the enforcement of any of the terms hereof or thereof or of any such other documents or instruments; provided that no Bank shall be liable for (1) any of the foregoing to the extent they arise from the gross negligence or willful misconduct of the party to be indemnified, (2) any loss of principal or interest with respect to the Loan of any Bank serving as an Agent or (3) any loss suffered by such Agent in connection with a swap or other interest rate hedging arrangement entered into with Borrower.

SECTION 10.06 Non-Reliance on Agents and Other Banks. Each Bank represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility, (ii) it is engaged in making, acquiring or holding commercial loans and in providing other facilities set forth herein as may be applicable to such Bank, in each case in the ordinary course of business, and is making the loans hereunder as commercial loans in the ordinary course of its business and not for the purpose of purchasing, acquiring or holding any other type of financial instrument and (iii) it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein. Each Bank agrees that it has, independently and without reliance on any Agent or any other Bank, and based on such documents and information as it has deemed appropriate, made its own credit analysis of Borrower and the decision to enter into this Agreement and that it will, independently and without reliance upon any Agent or any other Bank, and based on such documents and information as it shall deem appropriate at the time, continue to make its own analysis and decisions in taking or not taking action under this Agreement or any other Loan Document. Each Agent shall not be required to keep itself informed as to the performance or observance by Borrower of this Agreement or any other Loan Document or any other document referred to or provided for herein or therein or to inspect the properties or books of Borrower. Except for notices, reports and other documents and information expressly required to be furnished to the Banks by any Agent hereunder, each Agent shall not have any duty or responsibility to provide any Bank with any credit or other information concerning the affairs, financial condition or business of Borrower (or any Affiliate of Borrower) which may come into the possession of such Agent or any of its Affiliates. Each Agent shall not be required to file this Agreement, any other Loan Document or any document or instrument referred to herein or therein for record, or give notice of this Agreement, any other Loan Document or any document or instrument referred to herein or therein, to anyone. Each Bank, by delivering its signature page to this Agreement on the Effective Date, or delivering its signature page to an Assignment and Assumption Agreement or any other Loan Document pursuant to which it shall become a Bank hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Banks on the Effective Date.

Each Bank also acknowledges and agrees that none of the Administrative Agent, any Joint Lead Arranger, any Syndication Agent, any Documentation Agent, or any Sustainability Structuring Agent acting in such capacities have made any assurances as to (i) whether the credit facility evidenced by this Agreement meet such Bank's criteria or expectations with regard to environmental impact and sustainability performance, (ii) whether any characteristics of the credit facility evidenced by this Agreement, including the characteristics of the relevant key performance indicators to which the Borrower will link a potential margin adjustment, including their environmental and sustainability criteria, meet any industry standards or market expectations for sustainability-linked credit facilities or (iii) whether the relevant KPI or targets with respect thereto will be attainable or able to be maintained by the Borrower, and (b) each Bank has performed its own independent investigation and analysis of the credit facility evidenced by this Agreement and whether such credit facility meet its own criteria or expectations with regard to environmental impact and/or sustainability performance.

SECTION 10.07 Failure of Administrative Agent to Act. Except for action expressly required of Administrative Agent hereunder, Administrative Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall have received further assurances (which may include cash collateral) of the indemnification obligations of the Banks under Section 10.05 in respect of any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action.

SECTION 10.08 Resignation or Removal of Administrative Agent. Administrative Agent shall have the right to resign at any time. Administrative Agent may be removed at any time with cause by the Required Banks as a result of its gross negligence or willful misconduct as determined by a court of competent jurisdiction by a final and non-appealable judgment, provided that Borrower and the other Banks shall be promptly notified in writing thereof. Upon any such removal or resignation, the Required Banks shall have the right to appoint a successor Administrative Agent which successor Administrative Agent, so long as it is reasonably acceptable both to the Required Banks and, provided that no Default or Event of Default shall then exist, the Borrower, shall be that Bank then having the greatest Loan Commitment (other than the Bank resigning or being removed as Administrative Agent). If ~~no successor~~ such Bank then having the greatest outstanding Loans (other than the Bank resigning or being removed as Administrative Agent ~~shall have been so appointed by the Required Banks and shall)~~ shall not have accepted such appointment within thirty (30) days after the Required Banks' removal or resignation of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Banks, appoint a successor Administrative Agent, which shall be ~~one of the Banks~~ the Bank with the then greatest outstanding Loans willing to serve as such (other than the Bank resigning or being removed as Administrative Agent). The Required Banks or the retiring Administrative Agent, as the case may be, shall upon the appointment of a successor Administrative Agent promptly so notify in writing Borrower and the other Banks. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. After any retiring Administrative Agent's removal or resignation hereunder as Administrative Agent, the provisions of this Article X and Section 12.04 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Administrative Agent..

SECTION 10.09 Amendments Concerning Agency Function. Notwithstanding anything to the contrary contained in this Agreement, no Agent shall be bound by any waiver, amendment, supplement or modification of this Agreement or any other Loan Document which affects its duties, rights, and/or function hereunder or thereunder unless it shall have given its prior written consent thereto.

SECTION 10.10 Liability of Administrative Agent. Administrative Agent shall not have any liabilities or responsibilities to Borrower on account of the failure of any Bank to perform its obligations hereunder or to any Bank on account of the failure of Borrower to perform its obligations hereunder or under any other Loan Document.

SECTION 10.11 Transfer of Agency Function. Without the consent of Borrower or any Bank, Administrative Agent may at any time or from time to time transfer its functions as Administrative Agent hereunder to any of its offices wherever located in the United States, provided that Administrative Agent shall promptly notify in writing Borrower and the Banks thereof.

SECTION 10.12 Non-Receipt of Funds by Administrative Agent; Erroneous Payments. (a) Unless Administrative Agent shall have received notice from a Bank or Borrower (either one as appropriate being the “Payor”) prior to the date on which such Bank is to make payment hereunder to Administrative Agent of the proceeds of a Loan or Borrower is to make payment to Administrative Agent, as the case may be (either such payment being a “Required Payment”), which notice shall be effective upon receipt, that the Payor will not make the Required Payment in full to Administrative Agent, Administrative Agent may assume that the Required Payment has been made in full to Administrative Agent on such date, and Administrative Agent in its sole discretion may, but shall not be obligated to, in reliance upon such assumption, make the amount thereof available to the intended recipient on such date. If and to the extent the Payor shall not have in fact so made the Required Payment in full to Administrative Agent, the recipient of such payment shall repay to Administrative Agent forthwith on demand such amount made available to it together with interest thereon, for each day from the date such amount was so made available by Administrative Agent until the date Administrative Agent recovers such amount, at the customary rate set by Administrative Agent for the correction of errors among Banks for three (3) Banking Days and thereafter at the Base Rate.

(b) (i) Each Bank hereby agrees that (x) if the Administrative Agent notifies such Bank that the Administrative Agent has determined in its sole discretion that any funds received by such Bank from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a “Payment”) were erroneously transmitted to such Bank (whether or not known to such Bank), and demands the return of such Payment (or a portion thereof), such Bank shall promptly, but in no event later than one Banking Day thereafter **(or such later date as the Administrative Agent may, in its sole discretion, specify in writing)**, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Bank shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on “discharge for value” or any similar doctrine. A notice of the Administrative Agent to any Bank under this Section 10.12(b) shall be conclusive, absent manifest error.

(ii) Each Bank hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative

Agent (or any of its Affiliates) with respect to such Payment (a “Payment Notice”) or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Bank agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Bank shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Banking Day thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Bank to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect.

(iii) The Borrower hereby agrees that (x) in the event an erroneous Payment (or portion thereof) are not recovered from any Bank that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Bank with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower, except, in each case, to the extent such erroneous Payment is, and solely with respect to the amount of such erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower for the purpose of making such erroneous Payment.

(iv) Each party’s obligations under this Section 10.12(b) shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Bank, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document.

SECTION 10.13 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by a withholding agent, then the applicable withholding agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 10.13) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for, Other Taxes.

(c) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 10.13, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) Indemnification by the Borrower. The Borrower shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Recipient (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Recipient, shall be conclusive absent manifest error.

(e) Indemnification by the Banks. Each Bank shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Bank (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Bank's failure to comply with the provisions of Section 12.05(b) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Bank, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Bank by the Administrative Agent shall be conclusive absent manifest error. Each Bank hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Bank under any Loan Document or otherwise payable by the Administrative Agent to such Bank from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Status of Banks. (i) Any Bank that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Bank, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Bank is subject to backup withholding or information reporting

requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 10.13(f)(ii)(A),(B) and (D) below) shall not be required if in the applicable Bank's reasonable judgment such completion, execution or submission would subject such Bank to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Bank.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person,

(A) any Bank that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Bank becomes a Bank under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), an executed copy of IRS Form W-9 certifying that such Bank is exempt from U.S. Federal backup withholding tax;

(B) any Foreign Bank shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Bank becomes a Bank under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Bank claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, an executed copy of IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) in the case of a Foreign Bank claiming that its extension of credit will generate U.S. effectively connected income, an executed copy of IRS Form W-8ECI;

(3) in the case of a Foreign Bank claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of EXHIBIT K-1 to the effect that such Foreign Bank is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" within the meaning of Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) an executed copy of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent a Foreign Bank is not the beneficial owner, an executed copy of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate

substantially in the form of EXHIBIT K-2 or EXHIBIT K-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Bank is a partnership and one or more direct or indirect partners of such Foreign Bank are claiming the portfolio interest exemption, such Foreign Bank may provide a U.S. Tax Compliance Certificate substantially in the form of EXHIBIT K-4 on behalf of each such direct and indirect partner;

(C) any Foreign Bank shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Bank becomes a Bank under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Bank under any Loan Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Bank were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Bank shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Bank has complied with such Bank's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Bank agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 10.13 (including by the payment of additional amounts pursuant to this Section 10.13), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 10.13 with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over

pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will any indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place such indemnified party in a less favorable net after-Tax position than such indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to, or to apply for or seek a refund of any Taxes on behalf of, any indemnifying party or any other Person.

(h) Survival. Each party's obligations under this Section 10.13 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Bank, the termination of the Loan Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(i) Defined Terms. For purposes of this Section 10.13, the term “*applicable law*” includes FATCA.

SECTION 10.14 Pro Rata Treatment. Except to the extent otherwise provided, (1) each advance of proceeds of the Loans shall be made by the Banks and (2) each prepayment of Loans under Section 2.10 shall be made for the account of the Banks, ratably according to their respective Pro Rata Shares.

SECTION 10.15 Sharing of Payments Among Banks. If a Bank shall obtain payment of any principal of or interest on any Loan made by it through the exercise of any right of setoff, banker's lien or counterclaim, or by any other means (including direct payment), and such payment results in such Bank receiving a greater payment than it would have been entitled to had such payment been paid directly to Administrative Agent for disbursement to the Banks, then such Bank shall promptly purchase for cash from the other Banks participations in the Loans made by the other Banks in such amounts, and make such other adjustments from time to time as shall be equitable to the end that all the Banks shall share ratably the benefit of such payment; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Bank as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). To such end the Banks shall make appropriate adjustments among themselves (by the resale of participations sold or otherwise) if such payment is rescinded or must otherwise be restored. Borrower agrees that any Bank so purchasing a participation in the Loans made by other Banks may exercise all rights of setoff, banker's lien, counterclaim or similar rights with respect to such participation. Nothing contained herein shall require any Bank to exercise any such right or shall affect the right of any Bank to exercise, and

retain the benefits of exercising, any such right with respect to any other indebtedness of Borrower.

SECTION 10.16 Possession of Documents. Each Bank shall keep possession of its own Term Loan Note. Administrative Agent shall hold all the other Loan Documents and related documents in its possession and maintain separate records and accounts with respect thereto, and shall permit the Banks and their representatives access at all reasonable times to inspect such Loan Documents, related documents, records and accounts.

SECTION 10.17 Syndication Agents, Documentation Agents Etc. The Banks and financial institutions serving as Syndication Agents, Documentation Agents, Sustainability Structuring Agent or Joint Lead Arrangers shall have no duties or obligations in such capacities and shall incur no liability hereunder in such capacities, but shall have the benefit of the indemnities provided for hereunder. In addition, in acting as an Agent, no Bank will have any responsibility except as set forth herein and shall in no event be subject to any fiduciary or other implied duties.

SECTION 10.18 Certain ERISA Matters.

(a) Each Bank (x) represents and warrants, as of the date such Person became a Bank party hereto, to, and (y) covenants, from the date such Person became a Bank party hereto to the date such Person ceases being a Bank party hereto, for the benefit of the Administrative Agent and each Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the General Partner or the Borrower that at least one of the following is and will be true:

(iii) (A) such Bank is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Bank to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best

knowledge of such Bank, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Bank's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Bank.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Bank or (2) such Bank has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Bank further (x) represents and warrants, as of the date such Person became a Bank party hereto, to, and (y) covenants, from the date such Person became a Bank party hereto to the date such Person ceases being a Bank party hereto, for the benefit of the Administrative Agent and each Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the General Partner or the Borrower that none of the Administrative Agent or any Lead Arranger or any of their respective Affiliates is a fiduciary with respect to the assets of such Bank (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

(c) The Administrative Agent and each Lead Arranger hereby informs the Banks that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Loan Commitments, this Agreement and any other Loan Documents (ii) may recognize a gain if it extended the Loans or the Loan Commitments for an amount less than the amount being paid for an interest in the Loans or the Loan Commitments by such Bank or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

SECTION 10.19 Sustainability Matters. Each party hereto hereby agrees that none of the Administrative Agent, any Joint Lead Arranger or the Sustainability Structuring Agent shall have (x) any duty to ascertain, inquire into or otherwise independently verify any sustainability related information or any other information or materials provided by the Borrower and used in connection with the sustainability provisions of the credit facility evidenced by this Agreement, including with respect to the applicable KPI nor (y) any responsibility for (or liability in respect of) the completeness or accuracy of such information. Each party hereto hereby agrees that none of Administrative Agent, the Sustainability Structuring Agent or any Joint Lead Arranger shall have any responsibility for (or liability in respect of) reviewing, auditing or otherwise evaluating any calculation by the Borrower of any Sustainability Rate Adjustment (or any of the data or computations that are part of or related to any such calculation) set forth in any Pricing

Certificate or notice as to a Pricing Certificate Inaccuracy (and the Administrative Agent, the Joint Lead Arrangers and the Sustainability Structuring Agent may rely conclusively on any such certificate or notice, without further inquiry).

ARTICLE XI

NATURE OF OBLIGATIONS

SECTION 11.01 Absolute and Unconditional Obligations. Borrower acknowledges and agrees that its obligations and liabilities under this Agreement and under the other Loan Documents shall be absolute and unconditional irrespective of (1) any lack of validity or enforceability of any of the Obligations, any Loan Documents, or any agreement or instrument relating thereto; (2) any change in the time, manner or place of payment of, or in any other term in respect of, all or any of the Obligations, or any other amendment or waiver of or consent to any departure from any Loan Documents or any other documents or instruments executed in connection with or related to the Obligations; (3) any exchange or release of any collateral, if any, or of any other Person from all or any of the Obligations; or (4) any other circumstances which might otherwise constitute a defense available to, or a discharge of, Borrower or any other Person in respect of the Obligations.

The obligations and liabilities of Borrower under this Agreement and the other Loan Documents shall not be conditioned or contingent upon the pursuit by any Bank or any other Person at any time of any right or remedy against Borrower, General Partner or any other Person which may be or become liable in respect of all or any part of the Obligations or against any collateral or security or guarantee therefor or right of setoff with respect thereto.

SECTION 11.02 Non-Recourse to VRT Principals and the General Partner. This Agreement and the obligations hereunder and under the other Loan Documents are fully recourse to Borrower. Notwithstanding anything to the contrary contained in this Agreement, in any of the other Loan Documents, or in any other instruments, certificates, documents or agreements executed in connection with the Loans (all of the foregoing, for purposes of this Section, hereinafter referred to, individually and collectively, as the “Relevant Documents”), and notwithstanding any applicable law that would make the General Partner liable for the debts or obligations of the Borrower, including as a general partner, no recourse under or upon any Obligation, representation, warranty, promise or other matter whatsoever shall be had against any of the VRT Principals or the General Partner, and each Bank expressly waives and releases, on behalf of itself and its successors and assigns, all right to assert any liability whatsoever under or with respect to the Relevant Documents against, or to satisfy any claim or obligation arising thereunder against, any of the VRT Principals or the General Partner or out of any assets of the VRT Principals or the General Partner, provided, however, that nothing in this Section shall be deemed to (1) release Borrower from any liability pursuant to, or from any of its obligations under, the Relevant Documents, or from liability for its fraudulent actions or fraudulent omissions; (2) release any VRT Principals or the General Partner from personal liability arising outside of the terms of this Agreement for its, his or her own fraudulent actions, fraudulent omissions, misappropriation of funds, rents or insurance proceeds, gross negligence or willful misconduct; (3) constitute a waiver of any obligation evidenced or secured by, or contained in, the Relevant Documents or affect in any way the validity or enforceability of the Relevant

Documents; or (4) limit the right of Administrative Agent and/or the Banks to proceed against or realize upon any collateral hereafter given for the Loans or any and all of the assets of Borrower (notwithstanding the fact that the VRT Principals and the General Partner have an ownership interest in Borrower and, thereby, an interest in the assets of Borrower) or to name Borrower (or, to the extent that the same are required by applicable law or are determined by a court to be necessary parties in connection with an action or suit against Borrower or any collateral hereafter given for the Loans, the General Partner) as a party defendant in, and to enforce against any collateral hereafter given for the Loans and/or assets of Borrower any judgment obtained by Administrative Agent and/or the Banks with respect to, any action or suit under the Relevant Documents so long as no judgment shall be taken (except to the extent taking a judgment is required by applicable law or determined by a court to be necessary to preserve Administrative Agent's and/or Banks' rights against any collateral hereafter given for the Loans or Borrower, but not otherwise) or shall be enforced against any of the VRT Principals or the General Partner or their assets.

ARTICLE XII

MISCELLANEOUS

SECTION 12.01 Binding Effect of Request for Advance. Borrower agrees that, by its acceptance of any advance of proceeds of the Loans under this Agreement, it shall be bound in all respects by the request for advance submitted on its behalf in connection therewith with the same force and effect as if Borrower had itself executed and submitted the request for advance and whether or not the request for advance is executed and/or submitted by an authorized person.

SECTION 12.02 Amendments and Waivers. Subject to Section 1.07, Section 2.16(d) (with respect to a Facility Increase) and Sections 3.02(b) ~~and 3.02~~, (c) and (d), no amendment, forbearance or material waiver of any provision of this Agreement or any other Loan Document nor consent to any material departure by Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by the Required Banks and, solely for purposes of its acknowledgment thereof, Administrative Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given, provided, however, that no amendment, waiver, consent or forbearance shall, unless in writing and signed by all the Banks (or in the case of (1), (2), ~~(4)~~ and ~~(67)~~ below, signed by all the Banks directly and adversely affected thereby) do any of the following: (1) forgive or reduce the principal of, or interest on, the Loans or any fees due hereunder or any other amount due hereunder or under any other Loan Document; (2) postpone or extend any date fixed for any payment of principal of, or interest on, the Loans or any fees or other amounts due hereunder or under any other Loan Document; (3) change the definition of Required Banks ~~or~~, (4) change the definition of Pro Rata Share or change Section 9.03, 10.14 or 10.15 in a manner that would alter the pro rata sharing of payments required thereby; (45) amend this Section 12.02 or any other provision requiring the unanimous consent of the Banks; ~~(56)~~ waive any default in payment under paragraph (1) of Section 9.01 or any default under paragraph (5) of Section 9.01; ~~(67)~~ increase or decrease or extend any Loan Commitment of any Bank (except changes in Loan Commitments pursuant to Section 2.16); ~~(78)~~ release any guaranty (other than a guaranty given pursuant to Section 12.22); or ~~(82)~~ permit the assignment or transfer by the Borrower of any of its rights or obligations hereunder or under any other Loan Document except in a transaction permitted (with or without the Required Banks' consent) pursuant to Section 7.01. Any advance

of proceeds of the Loans made prior to or without the fulfillment by Borrower of all of the conditions precedent thereto, whether or not known to Administrative Agent and the Banks, shall not constitute a waiver of the requirement that all conditions, including the non-performed conditions, shall be required with respect to all future advances. No failure on the part of Administrative Agent or any Bank to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof or preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. ~~All communications from Administrative Agent to the Banks requesting the Banks' determination, consent, approval or disapproval (i) shall be given in the form of a written notice to each Bank, (ii) shall be accompanied by a description of the matter or thing as to which such determination, approval, consent or disapproval is requested and (iii) shall include Administrative Agent's recommended course of action or determination in respect thereof. Each Bank shall reply promptly, but in any event within fifteen (15) Banking Days (or five (5) Banking Days with respect to any decision to accelerate or stop acceleration of the Loan) after receipt of the request therefor by Administrative Agent (the "Bank Reply Period"). Other than with respect to items (1) through (8) in the first paragraph above, unless a Bank shall give written notice to Administrative Agent that it objects to the recommendation or determination of Administrative Agent within the Bank Reply Period, such Bank shall be deemed to have approved or consented to such recommendation or determination.~~

Notwithstanding the foregoing, if the Administrative Agent and the Borrower acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Loan Document, then the Administrative Agent and the Borrower shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement.

SECTION 12.03 Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Bank may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as any Obligations hereunder are outstanding and unpaid.

SECTION 12.04 Expenses; Indemnification. Borrower agrees to reimburse Administrative Agent on demand for all reasonable out-of-pocket costs, expenses, and charges (including, without limitation, all reasonable fees and charges of engineers, appraisers and external legal counsel) incurred by Administrative Agent in connection with the Loans and the Loan Documents (including any amendments, modifications and waivers thereto) and to reimburse each of the Banks for reasonable out-of-pocket legal costs, expenses and charges incurred by each of the Banks in connection with the performance or enforcement of this Agreement, the Notes, or any other Loan Documents, including during any workout or restructuring; provided, however, that Borrower is not responsible for costs, expenses and charges incurred by the Bank Parties in connection with the administration or syndication of the Loans (other than any administration fee payable to Administrative Agent). Borrower agrees to

indemnify Administrative Agent, each Bank, the Sustainability Structuring Agent, Affiliates of the foregoing, and their respective directors, officers, employees, partners, agents and advisors (each, an “indemnified person”) from, and hold each of them harmless against, any and all losses, liabilities, claims, damages or expenses incurred by any of them arising out of or by reason of (w) the execution, delivery or performance of the Loan Documents or the use of the proceeds of the Loans, directly or indirectly, by Borrower, (x) any claims by brokers due to acts or omissions by Borrower, (y) any investigation or litigation or other proceedings (including any threatened investigation or litigation or other proceedings) relating to any actual or proposed use by Borrower of the proceeds of the Loans, including without limitation, the reasonable fees and disbursements of third-party counsel incurred in connection with any such investigation or litigation or other proceedings or (z) third party claims or actions against any indemnified person relating to or arising from this Agreement and the other Loan Documents and the transactions contemplated pursuant to this Agreement and the other Loan Documents, in all cases whether or not such investigation or litigation or other proceeding is brought by the Borrower or its equity holders, Affiliates, creditors or any other third Person and regardless of whether any indemnified person is a party thereto; provided, however, that such indemnification shall exclude any such losses, liabilities, claims, damages or expenses incurred by reason of the gross negligence or willful misconduct of such indemnified person to be indemnified as determined by a final and non-appealable judgment of a court of competent jurisdiction. In third-party litigation, or the preparation therefor, the Borrower shall be entitled to select counsel reasonably acceptable to the Required Banks, and the Agent (as approved by the Required Banks) shall be entitled to select their own supervisory counsel, and, in addition to the foregoing indemnity, the Borrower agrees to pay promptly the reasonable fees and expenses of each such counsel.

The obligations of Borrower under this Section shall survive the repayment of all amounts due under or in connection with any of the Loan Documents and the termination of the Loan Commitments.

SECTION 12.05 Assignment; Participation. (a) This Agreement shall be binding upon, and shall inure to the benefit of, Borrower, Administrative Agent, the Banks and their respective successors and permitted assigns. Except as provided in Section 7.01, the Borrower may not assign or transfer any of its rights or obligations hereunder or under any other Loan Document without the prior written consent of all the Banks (and any attempted such assignment or transfer without such consent shall be null and void). Except as otherwise provided under Section 12.04, nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (b) of this Section) and, to the extent expressly contemplated hereby, the Affiliates and their respective directors, officers, employees, agents and advisors of each of the Administrative Agent and the Banks) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Subject to Section 12.05(e), prior to the occurrence of an Event of Default, any Bank may at any time, grant to an existing Bank or one or more banks, finance companies, insurance companies or other entities, other than a natural person or the Borrower and its Affiliates or a Defaulting Lender (a “Participant”), in minimum amounts for a voting participation of not less than \$5,000,000 (or any lesser amount in the case of voting participations to an existing Bank or any lesser amount equal to such Bank’s entire remaining

amount of Loans) participating interests in its Loan Commitment or any or all of its Loans. After the occurrence and during the continuance of an Event of Default, any Bank may at any time grant to any Person, other than a natural person or the Borrower and its Affiliates, in any amount (also a "Participant"), participating interests in its Loan Commitment or any or all of its Loans. Any participation made during the continuation of an Event of Default shall not be affected by the subsequent cure of such Event of Default. In the event of any such grant by a Bank of a participating interest to a Participant, whether or not upon notice to Borrower and Administrative Agent, such Bank shall remain responsible for the performance of its obligations hereunder, and Borrower and Administrative Agent shall continue to deal solely and directly with such Bank in connection with such Bank's rights and obligations under this Agreement. Any agreement pursuant to which any Bank may grant such a participating interest shall provide that such Bank shall retain the sole right and responsibility to enforce the obligations of Borrower hereunder and under any other Loan Document including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such participation agreement may provide that such Bank will not agree to any modification, amendment or waiver of this Agreement described in clause (1), (2), (3), (4), (5), (6) or (7) of Section 12.02 without the consent of the Participant (subject to the final proviso of the first sentence of Section 12.02). The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article III with respect to its participating interest. The Borrower agrees that each Participant shall be entitled to the benefits of Section 10.13 (subject to the requirements and limitations therein, including the requirements under Section 10.13(f) (it being understood that the documentation required under Section 10.13(f) shall be delivered to the participating Bank)) to the same extent as if it were a Bank and had acquired its interest by assignment pursuant to paragraph (c) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 3.07 and 3.08 as if it were an assignee under paragraph (c) of this Section; and (B) shall not be entitled to receive any greater payment under Section 10.13, with respect to any participation, than its participating Bank would have been entitled to receive. Each Bank that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 3.07 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Bank; provided that such Participant agrees to be subject to Section 10.15 as though it were a Bank. Each Bank that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Bank shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Loan Commitments, Loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Loan Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Bank shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent shall have no responsibility for maintaining a Participant Register.

(c) Subject to Section 12.05(e), any Bank may at any time assign to a Qualified Institution (in each case, an “Assignee”) (i) prior to the occurrence of an Event of Default, in minimum amounts of not less than Five Million Dollars (\$5,000,000) and integral multiples of One Million Dollars (\$1,000,000) thereafter (or any lesser amount in the case of assignments to an existing Bank or an assignment by a Bank to a Bank Affiliate or any lesser amount equal to such Bank’s entire remaining amount of Loans) and (ii) after the occurrence and during the continuance of an Event of Default, in any amount, all or a proportionate part of all, of its rights and obligations under this Agreement, the Notes and the other Loan Documents, and, in either case, such Assignee shall assume such rights and obligations, pursuant to an Assignment and Assumption Agreement (including an agreement incorporating an Assignment and Assumption Agreement by reference to an Approved Electronic Platform) executed by such Assignee and such transferor Bank; provided, that such assignment shall be subject to the consent of the Administrative Agent and if no Event of Default shall have occurred and be continuing, the consent of Borrower, which consents shall not be unreasonably withheld or delayed; and provided further that if an Assignee is a Bank Affiliate of such transferor Bank or was a Bank immediately prior to such assignment, no such consents shall be required unless in either case the Assignee is a Defaulting Lender or an Affiliate of a Defaulting Lender (in which case, such consent may be withheld in the sole discretion of the Administrative Agent or the Borrower). Upon execution and delivery of such instrument and an Administrative Questionnaire and payment by such Assignee to such transferor Bank of an amount equal to the purchase price agreed between such transferor Bank and such Assignee, such Assignee shall be a Bank party to this Agreement and shall have all the rights and obligations of a Bank with a Loan Commitment as set forth in such Assignment and Assumption Agreement, and no further consent or action by any party shall be required and the transferor Bank shall be released from its obligations hereunder to a corresponding extent. Upon the consummation of any assignment pursuant to this subsection (c), the transferor Bank, Administrative Agent and Borrower shall make appropriate arrangements so that, if required, a new Note is issued to the Assignee. In connection with any such assignment (other than an assignment by a Bank to a Bank Affiliate), the transferor Bank shall pay to Administrative Agent an administrative fee for processing such assignment in the amount of \$3,500. If the Assignee is not incorporated under the laws of the United States of America or a state thereof, it shall, prior to the first date on which interest or fees are payable hereunder for its account, deliver to Borrower and Administrative Agent certification as to exemption from, or reduction of, deduction or withholding of any United States federal income taxes in accordance with Section 10.13. Any assignment made during the continuation of an Event of Default shall not be affected by any subsequent cure of such Event of Default. Any consent required hereunder shall be given or denied within ten (10) Banking Days after receipt by the applicable Person of request therefor; any failure to respond within such ten (10) Banking Day period shall be deemed a denial. The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption Agreement delivered to it and a register for the recordation of the names and addresses of the Banks, and the Loan Commitment of, and principal amount (and stated interest) of the Loans owing to, each Bank pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Banks shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Bank hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection

by the Borrower and any Bank, at any reasonable time and from time to time upon reasonable prior notice.

(d) Any Bank may at any time assign or pledge all or any portion of its rights under this Agreement and its Note to secure the obligations of such Bank, including to a Federal Reserve Bank or other central bank having jurisdiction over such Bank. No such assignment or pledge shall release the transferor Bank from its obligations hereunder.

(e) Except as provided in Section 12.05(d), so long as no Event of Default shall have occurred and be continuing, no Bank shall be permitted to enter into an assignment of, or sell a participation interest in, its Loans and Loan Commitment, which would result in such Bank holding Loans and a Loan Commitment, without Participants, of less than Ten Million Dollars (\$10,000,000); provided, however, that no Bank shall be prohibited from assigning its entire Loans and Loan Commitment so long as such assignment is otherwise permitted hereby.

(f) Borrower recognizes that in connection with a Bank's selling of Participations or making of assignments, any or all documentation, financial statements and other data, or copies thereof, relevant to Borrower or the Loans may be exhibited to and retained by any such Participant or assignee or prospective Participant or assignee **in accordance with Section 12.23**. In connection with a Bank's delivery of any financial statements and appraisals to any such Participant or assignee or prospective Participant or assignee, such Bank shall also indicate that the same are delivered on a confidential basis. Borrower agrees to provide all assistance reasonably requested by a Bank to enable such Bank to sell Participations or make assignments of its Loan and Loan Commitment as permitted by this Section 12.05.

SECTION 12.06 Documentation Satisfactory. All documentation required from or to be submitted on behalf of Borrower in connection with this Agreement and the documents relating hereto shall be subject to the prior approval of, and be satisfactory in form and substance to, Administrative Agent, its counsel and, where specifically provided herein, the Banks. In addition, the persons or parties responsible for the execution and delivery of, and signatories to, all of such documentation, shall be acceptable to, and subject to the approval of, Administrative Agent and its counsel and the Banks.

SECTION 12.07 Notices. (a) Unless the party to be notified otherwise notifies the other parties in writing as provided in this Section, and except as otherwise provided in this Agreement, notices shall be given to Administrative Agent by telephone, confirmed by writing, and to the Banks and to Borrower by ordinary mail or overnight courier or telecopy, receipt confirmed, addressed to such party at (i) if to the Borrower ~~or the Administrative Agent~~, its address on the signature page of this Agreement, ~~or~~ (ii) if to ~~any other Bank,~~ **the Administrative Agent from the Borrower, to JPMorgan Chase Bank, N.A., at the address separately provided to the Borrower, (iii) if to the Administrative Agent from the Banks to JPMorgan Chase Bank, N.A., 8181 Communications Pkwy, Plano, TX 75024, Attention: Cody Canafax, Telephone: 972-324-5152, (iv) if to any Bank, at its address ~~+, electronic mail or telecopy number~~ set forth in its Administrative Questionnaire, or (v) if to any party, at such other address, electronic mail or telecopy number as such party may thereafter specify for the purpose by notice to the Administrative Agent, the Banks and the Borrower**. Notices shall be effective: (1) if by telephone, at the time of such telephone conversation, (2) if given by mail, three (3) calendar days after mailing; (3) if given by overnight courier, upon receipt; and

(4) if given by telecopy, upon receipt if received by the recipient during its normal business hours. Notices delivered through Electronic Systems, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications **Borrower, the Administrative Agent and the Banks** hereunder may be delivered or furnished by using Electronic Systems **(including the Approved Electronic Platform and the Approved Borrower Portal)** pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Bank. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Banking Day for the recipient.

(c) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto in accordance with this Section 12.07, except that each Bank must only give such notice to the Administrative Agent and the Borrower.

(d) Electronic Systems.

(i) ~~(i)~~ The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make Communications (as defined below) available to the Banks by posting the Communications on Debt Domain, Intralinks, Syndtrak, ClearPar or a substantially similar Electronic System chosen by the Administrative Agent to be its electronic transmission system (the "Approved Electronic Platform").

(ii) ~~(ii)~~ Although the Approved Electronic Platform and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Effective Date, a user ID/password authorization system) and the Approved Electronic Platform is secured through a per-deal authorization method whereby each user may access the Approved Electronic Platform only on a deal-by-deal basis, each of the Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Bank that

are added to the Approved Electronic Platform, and that there are confidentiality and other risks associated with such distribution. Each of the Banks and the Borrower hereby approves distribution of the Communications through the Approved Electronic Platform and understands and assumes the risks of such distribution.

(iii) ~~(iii)~~ The Approved Electronic Platform and the Communications are provided “as is” and “as available.” None of the Administrative Agent or the Borrower or any of their respective Affiliates and such Affiliates’ respective directors, officers, employees, agents or advisors (the “Communications Parties”) warrant the adequacy of the Approved Electronic Platform and each expressly disclaims liability for errors or omissions in the Approved Electronic Platform and the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Communications Party in connection with the Communications or any Approved Electronic Platform . In no event shall any Communications Party have any liability to the other parties hereto or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of communications through an Electronic System. “Communications” means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of the Borrower pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent or any Bank by means of electronic communications pursuant to this Section, including through an Electronic System.

(iv) ~~(iv)~~ Each Bank agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Approved Electronic Platform shall constitute effective delivery of the Communications to such Bank for purposes of the Loan Documents to the extent such Communications have been so posted. Each Bank agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Bank’s (as applicable) email address to which the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address.

(v) ~~(v)~~ Each of the Banks and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Approved Electronic Platform in accordance with the Administrative Agent’s generally applicable document retention procedures and policies.

(vi) ~~(vi)~~ Nothing herein shall prejudice the right of the Administrative Agent or any Bank to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

(e) Borrower Communications.

(i) The Administrative Agent and the Banks agree that the Borrower may, but shall not be obligated to, make any Borrower Communications to the Administrative Agent through an electronic platform chosen by the Administrative Agent to be its electronic transmission system (the “Approved Borrower Portal”).

(ii) Although the Approved Borrower Portal and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Closing Date, a user ID/password authorization system), each of the Banks and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of the Borrower that are added to the Approved Borrower Portal, and that there may be confidentiality and other risks associated with such distribution. Each of the Banks and the Borrower hereby approves distribution of Borrower Communications through the Approved Borrower Portal and understands and assumes the risks of such distribution.

(iii) THE APPROVED BORROWER PORTAL IS PROVIDED “AS IS” AND “AS AVAILABLE”. THE APPLICABLE PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER COMMUNICATION, OR THE ADEQUACY OF THE APPROVED BORROWER PORTAL AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS OR OMISSIONS IN THE APPROVED BORROWER PORTAL AND THE BORROWER COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY THE APPLICABLE PARTIES IN CONNECTION WITH THE BORROWER COMMUNICATIONS OR THE APPROVED BORROWER PORTAL. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT, ANY JOINT LEAD ARRANGER, ANY CO-DOCUMENTATION AGENT, ANY SYNDICATION AGENT OR ANY OF THEIR RESPECTIVE RELATED PARTIES (COLLECTIVELY, “APPLICABLE PARTIES”) HAVE ANY LIABILITY TO THE BORROWER, THE GENERAL PARTNER, ANY LOAN PARTY, ANY BANK, OR ANY OTHER PERSON OR ENTITY FOR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF THE BORROWER’S TRANSMISSION OF BORROWER COMMUNICATIONS THROUGH THE INTERNET OR THE APPROVED BORROWER PORTAL.

“Borrower Communications” means, collectively, any notice of borrowing, notice of Election, Conversion or Continuation, notice of prepayment, or other notice, demand, communication, information, document or other material provided by or on behalf of the Borrower pursuant to any Loan Document or the transactions

contemplated therein which is distributed by the Borrower to the Administrative Agent through an Approved Borrower Portal.

(iv) Each of the Banks and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Borrower Communications on the Approved Borrower Portal in accordance with the Administrative Agent's generally applicable document retention procedures and policies.

(v) Nothing herein shall prejudice the right of the Borrower to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

SECTION 12.08 Setoff. Each Bank hereby waives any right of setoff, bankers' lien or counterclaim a Bank may have to offset balances (general or special, time or demand, provisional or final) held by it for the account of Borrower at any of such Bank's offices, in Dollars or in any other currency, against any amount payable by Borrower to such Bank under this Agreement or such Bank's Note, or any other Loan Document. Payments by Borrower hereunder or under the other Loan Documents shall be made without setoff or counterclaim.

SECTION 12.09 Table of Contents; Headings. Any table of contents and the headings and captions hereunder are for convenience only and shall not affect the interpretation or construction of this Agreement.

SECTION 12.10 Severability. The provisions of this Agreement are intended to be severable. If for any reason any provision of this Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction, such provision shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without in any manner affecting the validity or enforceability thereof in any other jurisdiction or the remaining provisions hereof in any jurisdiction.

SECTION 12.11 Counterparts; Electronic Execution. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing any such counterpart. Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 12.07 and any Assignment and Assumption Agreement), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an "Ancillary Document") that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that

reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Banks shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Bank, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Banks and the Borrower, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) the Administrative Agent and each of the Banks may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person's business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against any Lender-Related Person for any Liabilities arising solely from the Administrative Agent's and/or any Bank's reliance on or use of Electronic Signatures and/or transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any Liabilities arising as a result of the failure of the Borrower to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

SECTION 12.12 Integration. The Loan Documents set forth the entire agreement among the parties hereto relating to the transactions contemplated thereby (except with respect to agreements relating solely to compensation, consideration and the coordinated syndication of the Loan) and supersede any prior oral or written statements or agreements with respect to such transactions.

SECTION 12.13 Governing Law. This Agreement and the other Loan Documents shall be governed by, and interpreted and construed in accordance with, the laws of the State of New York.

Each of the Banks and the Administrative Agent hereby irrevocably and unconditionally agrees that, notwithstanding the governing law provisions of any applicable Loan Document, any claims brought against the Administrative Agent by any Bank relating to this Agreement, any

other Loan Document or the consummation or administration of the transactions contemplated hereby or thereby shall be construed in accordance with and governed by the law of the State of New York.

SECTION 12.14 Waivers. To the extent permitted or not expressly prohibited by applicable law, in connection with the obligations and liabilities as aforesaid, Borrower hereby waives (1) notice of any actions taken by any Bank Party under this Agreement, any other Loan Document or any other agreement or instrument relating hereto or thereto except to the extent otherwise provided herein; (2) all other notices, demands and protests, and all other formalities of every kind in connection with the enforcement of the Obligations, the omission of or delay in which, but for the provisions of this Section 12.14, might constitute grounds for relieving Borrower of its obligations hereunder; (3) any requirement that any Bank Party protect, secure, perfect or insure any Lien on any collateral or exhaust any right or take any action against Borrower or any other Person or any collateral; (4) any right or claim of right to cause a marshalling of the assets of Borrower; and (5) all rights of subrogation or contribution, whether arising by contract or operation of law (including, without limitation, any such right arising under the Bankruptcy Code) or otherwise by reason of payment by Borrower, pursuant to this Agreement or any other Loan Document.

Borrower, Administrative Agent, and each Bank irrevocably consent to the service of any and all process in any such action or proceeding by the mailing of copies of such process to Borrower, Administrative Agent or each Bank, as the case may be, at the addresses specified herein. Borrower, Administrative Agent and each Bank agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Borrower, Administrative Agent and each Bank further waive any objection to venue in the State of New York and any objection to an action or proceeding in the State of New York on the basis of forum non conveniens. Borrower, Administrative Agent and each Bank agree that any action or proceeding brought against Borrower, Administrative Agent or any Bank, as the case may be, shall be brought only in the United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof, to the extent permitted or not expressly prohibited by applicable law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent or any Bank may otherwise have to bring any action or proceeding relating to this Agreement against the Borrower or its properties in the courts of any jurisdiction.

Nothing in this Section shall affect the right of Borrower, Administrative Agent or any Bank to serve legal process in any other manner permitted by law.

To the extent that Borrower, Administrative Agent or any Bank have or hereafter may acquire any immunity from jurisdiction of any court or from any legal process (whether from service or notice, attachment prior to judgment, attachment in aid of execution, execution or otherwise) with respect to itself or its property, Borrower, Administrative Agent and each Bank hereby irrevocably waive such immunity in respect of its obligations under this Agreement, the Notes and any other Loan Document.

NOTHING HEREIN CONTAINED SHALL PREVENT OR PROHIBIT BORROWER FROM INSTITUTING OR MAINTAINING A SEPARATE ACTION AGAINST ADMINISTRATIVE AGENT OR THE BANKS WITH RESPECT TO ANY ASSERTED CLAIM.

To the extent permitted by applicable law (i) the Borrower shall not assert, and the Borrower hereby waives, any claim against a Lender-Related Person for any Liabilities arising from the use by others of information or other materials (including, without limitation, any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet, [any Approved Electronic Platform and any Approved Borrower Portal](#)), and (ii) no party hereto shall assert, and each such party hereby waives, any Liabilities against any other party hereto, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, any Loan or the use of the proceeds thereof; provided that, nothing in this Section shall relieve the Borrower of any obligation it may have to indemnify an indemnified person, as provided in Section 12.04, against any special, indirect, consequential or punitive damages asserted against such indemnified person by a third party.

SECTION 12.16 [Reserved].

SECTION 12.17 [Reserved].

SECTION 12.18 Intentionally Omitted.

SECTION 12.19 USA Patriot Act. Each Bank hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Borrower and the General Partner, which information includes the name and address of the Borrower and the General Partner and other information that will allow such Bank to identify the Borrower and the General Partner in accordance with the Patriot Act. The Borrower shall provide such information and take such actions as are reasonably requested by the Administrative Agent or any Bank in order to assist the Administrative Agent and the Banks in maintaining compliance with applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the Patriot Act.

SECTION 12.20 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Bank becomes a Defaulting Lender, then the following provisions shall apply for so long as such Bank is a Defaulting Lender:

(a) [reserved];

(b) ~~(x)~~ the Loan Commitment of such Defaulting Lender shall not be included in determining whether the Required Banks have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 12.02) **and (y) notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders)**; provided, that (i) such Defaulting Lender's Loan Commitment may not be increased or extended without its consent ~~and~~, (ii) the principal amount of, or interest or fees payable on, Loans may not be reduced or excused or the scheduled date of payment may not be postponed as to such Defaulting Lender without such Defaulting Lender's consent; **and (iii) any waiver, amendment or modification requiring the consent of all Banks or each affected Bank that by its terms affects any Defaulting Lender more adversely than other affected Banks shall require the written consent of such Defaulting Lender;**

(c) In the event that the Administrative Agent and the Borrower each agrees that a Defaulting Lender has adequately remedied all matters that caused such Bank to be a Defaulting Lender, then such Bank shall thereupon cease to be a Defaulting Lender and on such date such Bank shall purchase at par such of the Loans of the other Banks as the Administrative Agent shall determine may be necessary in order for such Bank to hold such Loans in accordance with its Pro Rata Share; and

(d) In the event that a Bank shall become a Defaulting Lender, then, provided that no Event of Default shall have occurred and be outstanding, and subject to the provisions of applicable law, for so long as such Bank shall remain a Defaulting Lender, Borrower shall have the right to replace such Defaulting Lender as though it were an Affected Bank, in accordance with the provisions of Section 3.07.

SECTION 12.21 [Reserved].

SECTION 12.22 Partner Guaranties. At Borrower's request from time to time, Administrative Agent shall accept "partner" guaranties of the Loans from limited partners in Borrower in such amounts and on such terms as Borrower shall request, provided that Administrative Agent shall have reasonably satisfied itself and the Banks with respect to "know-your-customer" requirements, Anti-Corruption Laws, OFAC, the Beneficial Ownership Regulation and similar restrictions in respect of any such proposed guarantor.

SECTION 12.23 Confidentiality. Each of the Administrative Agent and the Banks agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees, and agents, including accountants, legal counsel, consultants and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any Governmental Authority (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any **bona fide** prospective assignee of or Participant in, any of its rights or obligations under this Agreement, **to the extent reasonably requested by such assignee or Participant or prospective assignee or Participant** or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction or insurers, reinsurers or credit risk support providers relating to the Borrower and its obligations, (g) with the consent of the Borrower, (h) ~~on a confidential basis to any rating agency in connection with rating the Borrower or the Loans or~~ **[intentionally omitted]; or** (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent or any Bank on a non-confidential basis from a source other than the Borrower. For the purposes of this Section, "Information" means all information received from the Borrower relating to the Borrower or its business, other than any such information that was available to the Administrative Agent or any Bank on a non-confidential basis prior to disclosure by the Borrower. In addition, the Administrative Agent and the Banks may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent and the Banks in connection with the administration of this Agreement, the other Loan Documents, and the Loan Commitments.

For the avoidance of doubt, nothing in this Section 12.23 shall prohibit any Person from voluntarily disclosing or providing any Information within the scope of this confidentiality provision to any governmental, regulatory or self-regulatory organization (any such entity, a "Regulatory Authority") to the extent that any such prohibition on disclosure set forth in this Section 12.23 shall be prohibited by the laws or regulations applicable to such Regulatory Authority.

SECTION 12.24 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the

arranging and other services regarding this Agreement provided by the Administrative Agent, the Lead Arrangers, [the Sustainability Structuring Agent](#), and the Banks are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Administrative Agent, the Lead Arrangers, [the Sustainability Structuring Agent](#), and the Banks, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate; ~~and none of the Administrative Agent, the Lead Arrangers, the Sustainability Structuring Agent or the Banks is advising the Borrower as to any legal, tax, accounting or regulatory matters~~, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, each Lead Arranger, [the Sustainability Structuring Agent](#) and each Bank is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of its Affiliates, or any other Person and (B) ~~neither none of the Administrative Agent, any Lead Arranger nor, the Sustainability Structuring Agent or~~ any Bank has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Lead Arrangers, [the Sustainability Structuring Agent](#) and the Banks and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and ~~neither none of the Administrative Agent, any Lead Arranger, nor the Sustainability Structuring Agent, or~~ any Bank has any obligation to disclose any of such interests to the Borrower or its Affiliates. The Borrower agrees that it will not assert any claim against the Administrative Agent, any Lead Arranger, [the Sustainability Structuring Agent](#) or any Bank based on an alleged breach of fiduciary duty by such Person in connection with this Agreement and the transactions contemplated hereby.

SECTION 12.25 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

SECTION 12.26 Transitional Arrangements.

(a) Existing Term Loan Agreement Superseded. This Agreement shall supersede the Existing Term Loan Agreement in its entirety, except as provided in this Section 12.26. On the Effective Date, (i) the loans outstanding under the Existing Term Loan Agreement shall become Loans hereunder, (ii) the rights and obligations of the parties under the Existing Term Loan Agreement and the “Notes” defined therein shall be subsumed within and be governed by this Agreement and the Notes; provided, however, that for purposes of this clause (ii) any of the “Obligations” (as defined in the Existing Term Loan Agreement) outstanding under the Existing Term Loan Agreement shall, for purposes of this Agreement, be Obligations hereunder, (iii) this Agreement shall not in any way release or impair the rights, duties or obligations created pursuant to the Existing Term Loan Agreement or any other Loan Document or affect the relative priorities thereof, in each case to the extent in force and effect thereunder as of the Effective Date, except as modified hereby or by documents, instruments and agreements executed and delivered in connection herewith, and all of such rights, duties and obligations are assumed, ratified and affirmed by the Borrower; (iv) the obligations incurred under the Existing Term Loan Agreement shall, to the extent outstanding on the Effective Date, continue outstanding under this Agreement and shall not be deemed to be paid, released, discharged or otherwise satisfied by the execution of this Agreement, and this Agreement shall not constitute a refinancing, substitution or novation of such obligations or any of the other rights, duties and obligations of the parties hereunder; and (v) the execution, delivery and effectiveness of this Agreement shall not operate as a waiver of any right, power or remedy of the Banks or the Administrative Agent under the Existing Term Loan Agreement, or constitute a waiver of any covenant, agreement or obligation under the Existing Term Loan Agreement, except to the extent that any such covenant, agreement or obligation is no longer set forth herein or is modified hereby. The Banks’ interests in such obligations under the Existing Term Loan Agreement shall be reallocated and continued in a cashless roll transaction on the Effective Date in accordance with each Bank’s Pro Rata Share. On the Effective Date, (A) the loans and other outstanding obligations under the Existing Term Loan Agreement owing to each Bank that is a party to the Existing Term Loan Agreement but is not a party to this Agreement (an “Exiting Bank”) shall be paid in full, and each Exiting Bank shall cease to be a Bank under this Agreement; provided, however, that, notwithstanding anything else provided herein or otherwise, any rights of an Exiting Bank under the Loan Documents (as defined in the Existing Term Loan Agreement) that are intended by their express terms to survive termination of the Loan Commitments thereunder and/or the repayment, satisfaction or discharge of obligations under any such Loan Document shall survive for such Exiting Bank hereunder, and (B) each Person listed on Schedule 1 attached to this Agreement shall be a Bank under this Agreement with the Loan Commitment set forth opposite its name on such Schedule 1. Each Bank agrees to waive any amounts that would have otherwise been payable pursuant to Section 3.05 of the Existing Term Loan Agreement as a result of the conversion of any LIBOR Loans (as defined in the Existing Term Loan Agreement) on the Effective Date.

(b) Interest and Fees under Existing Term Loan Agreement. All interest and all fees and expenses owing or accruing under or in respect of the Existing Term Loan Agreement shall

be calculated as of the Effective Date (prorated in the case of any fractional periods), and shall be paid on the Effective Date in accordance with the method specified in the Existing Term Loan Agreement as if such agreement were still in effect.

SECTION 12.27 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for interest rate swap agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
