# Vornado Appoints Deirdre Maddock as Chief Accounting Officer

New York City | November 1, 2021

Vornado Realty Trust (NYSE:VNO) announced today that Deirdre Maddock has been promoted to the position of Senior Vice President, Chief Accounting Officer of Vornado. Ms. Maddock succeeds Matthew Iocco, who will be retiring after 22 years with Vornado. The change continues the transition to Vornado's next generation of leaders. Mr. Iocco will remain with Vornado through December 31, 2021 to assist with the transition.

Ms. Maddock currently serves as Vice President, SEC Reporting and Corporate Accounting. Prior to joining Vornado in 2016, Ms. Maddock worked in the audit practice at Deloitte & Touche LLP specializing in real estate and banking.

Vornado Realty Trust is a fully-integrated equity real estate investment trust.

Certain statements contained herein may constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of Vornado to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. For a discussion of factors that could materially affect the outcome of our forward-looking statements and our future results and financial condition, see "Risk Factors" in Part I, Item 1A, of our Annual Report on Form 10-K for the year ended December 31, 2020. Such factors include, among others, risks associated with the performance of Vornado's properties and general competitive factors. Currently, one of the most significant factors is the ongoing adverse effect of the COVID-19 pandemic on our business, financial condition, results of operations, cash flows, operating performance and the effect it has had and may continue to have on our tenants, the global, national, regional and local economies and financial markets and the real estate market in general. The extent of the impact of the COVID-19 pandemic will depend on future developments, including the duration of the pandemic, current and future variants, the efficacy and durability of vaccines against the variants and the potential for increased government restrictions, which continue to be uncertain at this time but that impact could be material. Moreover, you are cautioned that the COVID-19 pandemic will heighten many of the risks identified in "Item 1A. Risk Factors" in Part I of our Annual Report on Form 10-K for the year ended December 31, 2020.
